If there is time, photograph Europe seriously. If not, take the "snapshot" route. Whatever the decision, act wisely about equipment and prepare carefully the part that the camera will play in your program.

To photograph Europe seriously, not counting film, would require equipment costing about $250. To follow the snapshot route would cost $50 to $100.

On the serious side: A camera with a good lens costs from $100 to $150. This camera would include flash accommodation, a reasonably fast shutter and wide aperture. The rest of the money should be spent in lens hood, tripod, filters, light meter, and gadget bag. This camera should produce a negative not less than 2¼ inches square. With few exceptions, this is the smallest negative that will give satisfactory enlargements up to 14 by 17 inches, which is the exhibition and camera club variety and a good size to hang in your home.

The above camera will also take excellent color shots, and the film can be used for enlargements and projection. The 2¼-inch color film is more expensive than the 35mm. size, which is generally used for color photography.

For the less serious route, or the snapshot variety, the traveler would have to be satisfied with the limitations of his equipment. Of course an experienced amateur photographer knows the limitations of his inexpensive equipment and can often produce better results than an inexperienced photographer with expensive equipment. A good photograph is usually the result of what you know about photography and your equipment.

If you plan to take color pictures, a good 35 mm. camera can be purchased for $50 to $75; add to this what is necessary for equipment. This might be $25 to $50.

The ideal way to photograph Europe is with color and black and white film. However, "when traveling, travel light," must be considered and usually it is better to carry one camera, one type of film, a light meter, a few filters, and a tripod.

Before leaving America be sure your equipment is in good shape. It might be very difficult to have your camera repaired while in Europe and you don't want to be delayed anyway. Be sure your equipment is insured for damage, loss, and theft. Pack as much film as possible and be sure it has a long expiration date.

You must acquaint yourself with the customs regulations of the various countries you are going to visit. It would be time-saving if you know what nations permit the free flow of exposed film that has not been processed, and what you can and cannot photograph. You will have to declare your equipment in and out of the various countries. However, many of these problems can be cleared before you leave America by visiting the consulates of the various countries or writing to them. Many of the consulates are established in the leading cities in this country.

Try to avoid taking "record" shots—the postcard variety. If you want that type of picture it is easier and cheaper to buy it. Learn as much as you can about the customs and traditions of the country and people before you visit it. Attend the carnivals, social, cultural, and athletic events. Do not always wait for the sunshine. Take pictures in the rain, fog, and dull days. Some of the most successful salon photographs have been taken on "bad" days. Many photographers will not work on a bright sunny day. It generally results in a very contrasty picture, particularly if shadows are necessary to the picture.

If you go to Europe, bring it back again—with your camera.

WHAT THIS COUNTRY NEEDS...

Since colonial days the local hardware store and the local hardware retailer have been factors in community life and progress.

Gathered around the pot-bellied stove in the local hardware store, early leaders in America's communities bought supplies that helped build better homes and cities, and "solved" the nation's problems. Sometimes the discussions ended with the profound decision that what the country needed was a "good five-cent cee-gar," but more often they resulted in action that gave the country better laws, better schools, freedom of speech and free enterprise and the other things that have helped make America great!

Today's modern hardware store is a streamlined version of the old fashioned hardware store. People are still meeting there, the home owner, the banker, the farmer, the doctor, the housewife—to get advice on farm and home problems, to discuss the state of the Union with the independent hardware retailer who so strongly stands for all the principles that built our great country - - - and to find *quality* merchandise at *honest* prices!

Buy your hardware and housewares from your *irha* Hardware Store!

BRITTON

Mrs. Earl Smith was host to the North East Britton Extension Club last week. The members worked on hemstitching, led by Mrs. Smith, and weaving tops to stools led by Mrs. Leland Downing. Plans were made for an Educational Cancer Control meeting in this area in April, the date to be announced later. Mrs. Harold Prielipp will entertain the club at the next meeting April 28. Mrs. Smith served refreshments.

Recent guests at the home of Mr. and Mrs. Ray Smith were Mr. and Mrs. R. E. Nelson and daughter of Detroit.

Mr. and Mrs. Charles Patterson entertained the Congregational church Baraca Philathea Class and their families in their home north of Britton. A potluck supper was served the group and a social evening was enjoyed.

Mr. and Mrs. Clyde Brown and family attended the Goetz-Longmaker wedding and reception held in the Presbyterian church in Dearborn.

The Fourth Quarterly Conference of the Methodist church was held April 4 in the church. Dr. Frank Fitch, the district superintendent, presided.

Mr. and Mrs. James Underwood of Sylvania were dinner guests recently of his parents Mr. and Mrs. John Underwood.

The Union Good Friday Service will be held in the Methodist church at 2 p.m. The Union Sunrise Service Easter Sunday will be held in the Congregational church.

Miss Poly Ann Eberhardt entertained the members of the 4-H Groomer girls and leaders in her home. Mothers of the members were guests.

It was incorrectly stated last week that the Harold Gibson family had moved to the Stanley Smith home which they recently purchased. It should have been the Harold Schroeder family.

Those in this area attending the Lenawee County American Cancer Society training school in Adrian were, Mrs. Harley Kimerer, Mrs. E. H. DuBois, Mrs. Ernest Maschino, Mrs. Earl Smith, Mrs. Virgil Bortel, Mrs. Norris Dartt, Mrs. Harold Prielipp, Mrs. Charles Fairbanks, Mrs. Guy Pocklington, Mrs. Jennie Thieke, Mrs. Emma Bach, and Mrs. Forrest Barrett.

The Congregational church Dorcas class held their regular monthly meeting at the home of Mrs. Flora Exelby. After a 1 o'clock luncheon Mrs. Harry Rogers presented an interesting program on Springtime. The next meeting to be a combined meeting of all women of the church.

Pork and Pork Products Need Thorough Cooking

"Cook all pork and pork products until they are thoroughly done," the Michigan Department of Health warned today in reporting the death of a Michigan woman and serious illness of several others from trichinosis.

Trichinosis is an illness caused in humans by tiny parasites which may infest the meat of any meat eating animal. The parasites enter the body in under-cooked meat, usually pork, and then form cysts in the muscles and other parts of the body. The illness is painful, and may be fatal.

Thorough cooking of pork and pork products destroys the parasites. Roast pork and roast pork liver should be cooked at no less than 350 degrees until it is well done—usually about a half hour per pound is required for large roasts. Internal temperatures of the roasts should be at least 185 degrees the Department said.

Do not eat cured ham until it has been thoroughly cooked. Make sure that sausage, ham, pork chops, pork steak, pork liver or any meat dish such as loaves, patties, or chop suey which contain pork products are cooked until the pork is completely done, it added.

The parasites which cause trichinosis are too small to be seen with the unaided eye. Don't rely on government inspected meat for protection against them. Government inspection does not include search for these minute organisms.

If you eat in restaurants, do not accept pork chops, pork steak, sausage or roast pork which are not thoroughly done even in the thickest parts. Any under-cooked pinkish pork is potentially dangerous, the Department warned.

Pork is a good food, an excellent source of Vitamin B1, and perfectly safe when it is cooked properly, the Department emphasized.

THE TECUMSEH HERALD

NINETY-NINTH YEAR—NUMBER TWENTY-EIGHT | TECUMSEH, MICHIGAN, APRIL 13, 1950 | FIVE CENTS A COPY

TECUMSEH IS ACTUALLY THE HOME OF AN INDUSTRIAL GIANT

Few Plants In Michigan Are Larger Than Tecumseh Products

Tecumseh and Lenawee county residents who will visit the Tecumseh Products factory today as a part of the T-Day program, should bear in mind that they are viewing an industrial giant not only for the town of Tecumseh's size but for the state of Michigan as well, it was shown today by figures released from the Chamber of Commerce.

"We recently made a survey of some of the cities of the state to find out the number of employees in the largest factory in those towns," stated Ronald Harris, Chamber secretary. "Some of the figures received are very revealing. Leaving out the huge automobile factories in Detroit, Flint, Pontiac, and Lansing, there are barely a handful of towns in the state having factories that are comparable.

"We know that the Products is the largest employer of labor in Lenawee county," he continued, "but the same thing is true for almost all of the rest of the counties in the state. It is interesting to note that some of our nearby big city neighbors, like Jackson, Kalamazoo, and Ann Arbor do not have plants this size. Even Grand Rapids, the second city in the state, has only three factories which are larger, and two of those are larger by only a couple of hundred employees." In March, Products' payroll exceeded $1,000,000.

Following are some of the towns in Michigan, their population in the 1940 census, and the number of workers in their largest industry. The cities with the great automobile factories are not included:

Jackson (49,656)	2,000
Ann Arbor (29,815)	1,500
Port Huron (32,759)	2,800
Adrian (14,320)	1,000
Niles (11,328)	1,000
Grand Rapids (164,292)	5,000
Kalamazoo (54,097)	2,400
St. Joseph (8,963)	3,000
Mount Clemens (14,389)	700
Grand Haven (8,799)	462
Cadillac (6,355)	508
Monroe (18,478)	1,900
Traverse City (14,455)	575
TECUMSEH PRODUCTS CO.	2,800

Official T-Day Program

That the public may better know the scheduled activities for the T-Day program today in Tecumseh, the Chamber of Commerce has announced the following schedule:

11 a.m., to 3 p.m. Public inspection of the Tecumseh Products Company's factory. Conducted tours through the plant, now the largest independent manufacturers of electrical refrigeration in the world.

3:30 p.m. Formal dedication of Tecumseh's new $400,000 high school on North Maumee street. Dr. C. L. Taylor, deputy superintendent of public instruction for Michigan will deliver the principal address.

4:30 p.m. Ground-breaking ceremony preparatory to the construction of an addition to Tecumseh Hospital that will double the size of that institution.

6:30 p.m. Annual T-Day Chamber of Commerce banquet at the American Legion Memorial Home.

It's T-Day In Tecumseh

BANQUET WILL CONCLUDE DAY-LONG PROGRAM OF CIVIC ACTIVITIES

Tecumseh's annual T-Day, in which hundreds of persons from this village and Lenawee county will participate, will get under way at 11 o'clock this morning when the first group of visitors are received at Tecumseh Products and will conclude at 6:30 tonight with a civic banquet at the American Legion Memorial Home.

"T-Day has grown to be an annual affair here," Ronald Harris, secretary of the Chamber of Commerce, said as he looked over the day's scheduled activities. "It marks another year of progress for this rapidly-expanding community and, at the same time, recalls forcefully the strides that we have made in the preceding 12 months."

The day's activities will officially get under way at 10:45 this morning when the Tecumseh High School Band parades through the business district. The band will halt on East Chicago Boulevard, in front of the V.F.W. headquarters, where it will receive an American flag, a school flag in orange and black, and two rifles, presented by the color guard of the Veterans. The flags and guns will be carried in future parades.

At 11 o'clock will begin the annual county-wide visitation to the plant of the Tecumseh Products Company. This plant, now employing nearly 3,000 people and the world's largest independent manufacturers of electrical refrigeration, will hold open house until 3 p.m. Persons desiring to inspect the hugh factory will be permitted to do so on conducted tours. There will be free transportation to the plant from the Chamber of Commerce offices for those who desire.

"Two years ago, when Products held open house on T-Day more than 3,500 persons visited the plant," Mr. Harris said. "In the past two years the factory has been substantially enlarged and those who inspect today will notice the rapid growth."

At 3:30 this afternoon Tecumseh's new $400,000 high school will be formally dedicated. The school was opened on January 3, exactly 13 months after the ground-breaking ceremony. Dr. C. L. Taylor, deputy superintendent of public instruction, Lansing, will be the principal speaker. The invocation will be by the Rev. Alvin Brazee, there will be music by the high school chorus, the presentation of the keys to the building by Harold H. Munger, Toledo, architect, and the acceptance of the keys by Jens K. Touborg, president of the board of education. Mrs. Joan Rosacrans, president of the American Legion Auxiliary, will present an American flag to the school and it will be received by F. Jas. McDowell, principal. A flute and violin duet by Mrs. Ann Jean Gentile, and Miss Sally Rentschler will follow and the benediction will be by Mr. Brazee. Earl H. Place, superintendent of schools will act as chairman of the program and will speak briefly.

At 4:30, Ray W. Herrick, president of Products, will turn the first shovel of earth in a ground-breaking ceremony at Tecumseh Hospital. This service will signal the construction of an addition to the hospital that will double its size. The addition is the gift of Mr. and Mrs. Herrick in memory of Mr. Herrick's parents, the late Mr. and Mrs. Benjamin Herrick of Holland. In the future, the hospital will be known as Herrick Memorial Hospital.

The day's activities conclude with a civic banquet at the American Legion home at 6:30 at which more than 200 persons are expect-

Doctors Check Fever Outbreak

SIX RESIDENTS IN TIPTON AREA AFFECTED; SCAN WATER, MILK SUPPLIES

The Lenawee county health department is investigating the water and milk supplies and sanitation in the Tipton area, due to an outbreak of infectious hepatitis. Tecumseh doctors have been called to be on the lookout for more cases, since most Tipton people come here for medical attention, Dr. H. C. Huntley, health director said.

Six cases of the disease have been reported in the last few months, the health director stated, and there are probably more that are unreported. He said the disease spreads much like typhoid fever and it usually affects children or young adults. Jaundice results in about half the cases although the mortality rate is less than one percent. The victim is usually left in a weakened condition for several months.

Dr. Huntley said the disease is uncommon in southern Michigan and he hadn't heard of an epidemic like this one in this locality in many years, if at all.

The department is checking especially the water supplies and sanitation around the schools in Tipton. Besides direct contact the disease can be contracted through contaminated water and milk supplies. The length of time from exposure until symptoms occur is about three weeks. A fever is a symptom of the disease.

Mrs. Mary E. Brown Dies; Is Buried In Brookside

Mrs. Mary Emily Brown, widow of the late Dr. Edward Dancey Brown, well known local dentist, died Easter Sunday morning at 6:55, in Tecumseh hospital, where she had been a patient since March 26. Funeral services were conducted Wednesday at 2:30 p.m., from the Collins Funeral Home, with Dr. Norman MacNaughton officiating. The body of Mrs. Brown was at the home of her son, Dr. Arthur H. Brown, at 308 West Chicago Blvd., where friends called until 11:30, Wednesday morning. Burial was in Brookside cemetery.

The bearers were J. Floyd Elliott, George Elliott, Elmer Green, Elwyn Green, Wilfred Waldron and Wallace Whiting.

The daughter of Samuel L. and Louisa P. McBride Haight, Mrs. Brown was born in Dundee, Mich., July 7, 1871. She married Dr. Brown November 2, 1898, in Raisin township and he died October 12, 1937.

Mrs. Brown was a member of the Methodist church of Tecumseh, Hugenot Society, Abi Evans chapter, Daughters of the American Revolution, and Tecumseh Monday Club, and, until ill health limited her activities, the Wit and Wisdom Club and Order of the Eastern Star.

Tecumseh Students Win Writing Honor

SEVEN ARE NAMED AS WINNERS IN REGIONAL SCHOLASTIC CONTEST

Tecumseh High School has been notified of seven winners in the Southeastern Michigan Regional Scholastic Writing Contest. The purpose of the contest, which has been sponsored for several years by The Detroit News and Scholastic Magazines, is to encourage creative writing done in the schools as a part of the regular curriculum.

In the junior division, the following ninth graders received recognition: Commendation to Margaret Touborg, for her essay; honorable mention to Robert Bird for his short story and commendation to Lorissa Peotter and Marian Tilley for their short stories; commendation to Max Morden for an original poem.

In the senior division, two eleventh graders were picked for the national contest, and they will receive key awards. Recognition was given to Betty Hayden for her historical article and to Joan Breitenwischer for her original poetry.

On Wednesday evening, May 3, an impressive Awards Presentation Program will be held in the Rackham Educational Memorial Auditorium in Detroit, at which time the regional awards winners, including the Tecumseh group, will be honored.

For the past two years, Mrs. Lois Service, English teacher at Tecumseh High School, has been a member of the Advisory Committee of the Scholastic Writing Awards, representing Lenawee county.

Over 4,000 manuscripts were entered by high school students of Southeastern Michigan. From this number the judges selected 283 for regional and national honors.

IF YOU SEE "TUDELUM," REMEMBER HE'S A REAL PET

Blind Macon Woman Seeks Black Cat Companion

An inspiration that shone through her darkness disappeared when Mrs. Carrie Payne's black Persian cat walked away from her home in Macon, last week. Totally blind, 78-year-old Mrs. Payne would be overjoyed if "Tudelum," as she affectionately called him, would come home to her.

Tudelum is no ordinary cat. He was Mrs. Payne's constant companion. The two were always together. To have Tudelum's friendliness, to touch his soft, fluffy hair and to have him touch her in moments of playfulness, has given Mrs. Payne many moments of sheer happiness and delight.

But since Tudelum's disappearance last week Wednesday about midnight or after, Mrs. Payne has been heart broken and misses her companion deeply, as only she could miss him.

To other people Tudelum is a striking beauty because of his amber eyes, his tail that measures five inches across, his stark black coat, which has a definite brown cast when the sun shines on it, and the lone white spot on his belly.

But to Mrs. Payne, who cannot see, Tudelum is beautiful because of his gentleness and devotion. He seemed to sense that Mrs. Payne is afflicted and he would make little gestures that would please his mistress immensely. Tudelum is less than a year old and was given to Mrs. Payne when just a kitten.

Tudelum is a friendly cat and loves children. In fact, he may be nestled in some child's arms right now. He may be sharing his affectionate ways with somebody else. This Mrs. Payne hopes is true, but she would like Tudelum to be with her again.

Do you know where Tudelum is? Can you make Mrs. Payne happy again by returning her one real joy to her?

Mrs. Payne is gladly offering a reward for the safe return of her pet. But, perhaps, when some one person sees her face when she feels Tudelum's warm fur and hears his familiar meow, that will be reward enough.

Township Value Is Up $1,000,000

VILLAGE AND TOWNSHIP ASSESSED VALUATION NOW OVER $6,357,000

The assessed valuation of real and personal property in Tecumseh village and township is in excess of $6,357,000, LeRoy Titley, township supervisor, said today. The figure notes an increase in values during the past year of more than $1,000,000.

The valuation of property in the village of Tecumseh increased almost a million dollars, according to the supervisor's figures.

This year, the village's value of real estate is set at $3,273,500 as compared to $3,187,500 a year ago. Personal property in the village is valued at $1,582,300 as compared to $780,500 in 1949. The total value of both real and personal property in the village this year is $4,855,800 as compared with the 1949 figure of $3,968,000.

In the township, real estate is valued at $1,205,400 as compared with $1,117,200 a year ago. Personal property values amount to $295,800 as compared to $208,910 in 1949. The total value of both real and personal property in the township this year is $1,501,210 against $1,326,110 a year ago.

In both the township and the village, real and personal property has a total valuation this year of $6,357,010. The figure in 1949 amounted to $5,294,110.

School Teachers Get Pay Increase

$200 A YEAR INCREASE GRANTED BY BOARD; FIVE VACANCIES IN STAFF

Teachers in the Tecumseh public schools next year will receive a $200 increase in salary and instructors with master's degrees will get an added $100, the board of education decided at its regular monthly meeting, Tuesday evening.

Earl H. Place, superintendent of schools, told the board that he anticipated five teaching vacancies in the school staff for the 1950-51 year. One of these is caused by the decision to permit David C Locke, agricultural instructor, to become the head of the Veterans Institute in Agriculture, a course offered locally in cooperation with the federal government. It will be necessary for the school to hire a new ag teacher to replace Mr.

Alma College Choir To Present Program Here

The Alma College A-Cappella Choir of fifty-two voices will present a concert at the First Presbyterian church, Thursday evening, April 27. The appearance of the choir here is under the sponsorship of the Presbyterian Men's Club.

Professor John A. Merrill, head of the music department, is the director of the choir and is also musical director of the First Presbyterian Church of Alma.

Since its organization in 1930, the Alma College A-Cappella Choir has provided a superior type of musical enjoyment for thousands of people. The choir has developed from thirty students to fifty-two students, who are carefully selected for membership. In building its concert programs, the choir presents well chosen groups representing several important periods in musical literature.

Today, the Alma College Choir is recognized as one of the leading choirs in the midwest.

Women Enjoy Luncheon Meet

FIFTY-SIXTH YEAR OF ORGANIZATION OF MONDAY CLUB IS BROUGHT TO CLOSE

The Tecumseh Monday Club closed its 56th year this week, April 10, with its annual Spring luncheon at the Legion Memorial Home. Some 80 members and guests were seated at tables decorated with floral arrangements, and blue and pink tapers and streamers. Easter lillies were also used about the room.

Mrs. Thomas O'Hara, program leader, introduced Ronald Harris, who conducted a quiz, with the Rev. B. O. Bashore, Robert French and Earl H. Place as the panel. When the questions stumped the panel, the audience supplied the answers.

Mrs. Donald Goddard, president, opened the meeting. Mrs. Perry Hayden gave a religious thought and introduced Mrs. Murray Day who sang "And The Greatest of These Is Love," accompanied by Mrs. Wilfred Waldron.

Mrs. Truman Rentschler gave an encouraging report concerning the meeting of the Recreation Center board and representatives of community organizations. It was voted to give $5 ot the Cancer Fund. Mrs. Goddard gave her annual report and introduced the new officers, after which she presented a Flag to the club and appointed the second vice president to care for it.

Mrs. Goddard then presented the gavel to the new president, Mrs. Rentschler, who spoke briefly and announced several dates to be remembered, as follows: April 18, Town Hall meeting at the Central School Building; April 24, the new officers will meet with Mrs. Rentschler to plan for next year's work; April 26, the Lenawee Federation of Women's Clubs will meet at Hudson; May 9 to 11, Adult Education program at Ann Arbor; May 29 and 30, national meeting of women's clubs at Boston, Mass.; and the conservation course at Higgins Lake, September 18 to 21.

Mrs. Goddard, who will leave the latter part of the week for Houghton Lake, where she and Mr. Goddard have purchased a resort, was bid farewell by Mrs. Guy Pocklington, a past president. Mrs. Goddard was also presented with a gift.

Mrs. E. T. Armstrong, a member, and Mrs. John H. Baker, a guest, both of Adrian, were among those at the luncheon.

Inter-City Rotary Meet Sponsored By Local Club

Describing Rotary as one of the world's greatest forces, directly or indirectly affecting the lives of millions of people, Dick Norton, past president of the Detroit Rotary Club and one of the organization's top-flight speakers, addressed an inter-city meeting of Rotary, Tuesday evening, following dinner at the Legion Memorial Home. The clubs joining with Tecumseh in the meeting were Blissfield and Clinton. Over 100 men were in attendance.

Mr. Norton, who has attended several international conventions and Rotary meetings in 42 states and many foreign countries, stressed the importance of service and fellowship.

Rex Crist, president of Blissfield Rotary, and Nate Gould, president of Clinton Rotary, were at the speaker's table with Clarence Gilman, Tecumseh's president.

TECUMSEH NEEDS HOUSES

The figures released by the Tecumseh Products Company a week ago, and published in last Thursday's issue of The Herald, showing that less than 30 per cent of Products' employees reside in Tecumseh is, as we see it, a challenge to this community.

We are not criticizing Tecumseh for lagging behind in its house building program. In 1947-48 this town lead the nation on a per capita basis in the building of new houses. What it did in 1949 we do not know, officially, but we suspect that another record was established.

However, Tecumseh is the home of outstanding records. The residents of this community must bear in mind that Tecumseh is the home of the largest independent manufacturer of electrical refrigeration in the world. Products has held that honor for several years and, what is more, it intends to keep it. To do this it must progress, it must expand, it must keep pace with the refrigeration industry.

Products is doing the things that it must do if it is to hold its leadership. It is growing, it is enlarging its physical plant, it is hiring more and more men. Last month its payroll amounted to more than $1,000,000. That is, perhaps, the largest payroll of any plant in southern Michigan, outside the automotive industry. Certainly, no other plant in Lenawee county comes even close to the figure.

But bear in mind that only 30 cents out of every one of the one million dollars paid out in wages by Products last month remained in Tecumseh. And, at the same time, bear in mind that 70 cents out of every dollar went to some other community, some of them as far away as Ohio.

Products, at the present time, has nearly 3,000 employees in all of its departments. There is every reason to believe that this number will be increased. And if it is increased, more workers must be imported—they must drive here from some other community and, when they get their checks, they'll go to some other community to spend their money.

The challenge, then, as we see it is: Tecumseh, despite the fact that it has lead the nation on a per capita basis in home building, still needs to build more and more houses. If there were 1,000 vacant houses in Tecumseh today that could be occupied by Products workers there still would be another 1,000 workers at the factory who would be forced to drive from some other town to their work.

Tecumseh could well be a city of 10,000 or more people if it housed only 80 per cent of Products' employees. And, if Tecumseh housed 80 per cent of Products' employees they would be spending 80% of Products' payroll in Tecumseh rather than 30% as they are doing at the present time. And 80% of $1,000,000 a month is a figure that can't be considered lightly.

Tecumseh's challenge, then, is to expand as rapidly as sound, economic progress will permit. It is a job for the Chamber of Commerce, for Tecumseh business men and for its residents.

There is no doubt as to the need for houses, but they can't be rented or sold until they are built.

Historical Sites Are Plentiful In Canada

Ottawa—Visitors to eastern Canada may learn that each province in the northern country contains many national historic parks and sites. Nova Scotia contains 21 famous sites of which the Fortress of Louisbourg is one of the most noted historic places on the North American continent. It is the site of the once heavily fortified walled city, built by the French. Other noted places in Nova Scotia are Port Royal National Historic Park at Lower Granville and Fort Anne National Historic Park at Annapolis Royal.

Among New Brunswick's 17 historic sites is Fort Beausejour National Historic Park constructed by the French between 1751 and 1755 in the course of their long struggle with the English for possession of Canada. Outstanding among Quebec's 35 sites is Fort Chambly National Historic Park which goes back for almost three centuries. This park was held by the French until the Seven Years' War. Fort Wellington National Historic Park is one of the best known among Ontario's 50-odd shrines and sites.

Parents Decide Growth Pattern

BOYS FOLLOW GROWTH RATE OF MOTHER, GIRLS OF BOTH THEIR PARENTS

ANN ARBOR—Studies at the University of Michigan on the growth pattern of children reveal that the growth of girls is affected by each parent, whereas boys are much more affected by the growth rate of the mother.

Research conducted since 1931 at the University Elementary School has revealed a definite pattern in the growth rate of children according to Dr. Bryon O. Hughes, associate professor of child development in the School of Education.

The growth studies cover mental, physical, emotional and educational factors. The important point revealed is that children should be studied as individuals with their own particular growth pattern rather than being compared with an average pattern, Professor Hughes points out.

He said that children can be classified as "slow growers" or "rapid growers" and also as "coordinated growers" or "biologically awkward." Most juvenile delinquents and the neurotic and maladjusted children fall into the "Topsy" or biologically awkward class, he declared.

"Growth" is powerfully initiated and controlled by heredity factors," Dr. Hughes pointed out, "and any attempt to stimulate growth, physically, mentally, or socially, tends to unbalance the growing process and make it more difficult to manage.

"Children of the same parents tend to grow very much alike, that is, they will mature in the same way and approximately the same rate," Dr. Hughes said. "An examination of the development of such children at the same chronological age would show a difference of only as much as six months in their biological age. However, two children of different parents might show a difference of as much as two and one half years difference in their biological age."

"Slow growers" show no difference in the quality of their growth pattern from the "fast growers," Professor Hughes asserted, but the advantages gained by the "rapid growers" tends to create undesirable situations.

He said "time" and "place" are the important factors to keep in mind in establishing an educational pattern for each child. There are times when children can be pushed hard without harm whereas there are other periods when growth activity is operating at a low rate where the child should be allowed to rest or follow a slower educational program.

Look how you save with *Dynaflow*

FIRST thing you notice, of course, is the bother and effort Dynaflow Drive* saves.

Next, that Dynaflow saves *you* physically—after long trips you're less tense and tired, more relaxed.

But then, as the miles pile up—and this comes from cold, recorded fact after Dynaflow's two years of public operation—you spot savings you hadn't expected . . .

You save on tires—because power application is steady, even. On clutch expense—the usual friction clutch is gone.

You save on transmission maintenance, and the rear-axle expenses likely to go with it. And the way your engine is oil-cushioned against normal shocks and strains shows up in less engine upkeep.

You may well discover another pleasant surprise, too.

We are getting a steadily mounting number of well-satisfied letters about gasoline mileage with Dynaflow cars.

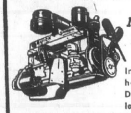
The SPECIAL has shown some records little short of phenomenal. The SUPER is delivering mileage that compares most favorably with gearshift cars. And the ROADMASTER more than holds its own with cars of its size and bulk.

In short, there's a lot more to please your budget in the 1950 Dynaflow than its new lower price. Refinements over the past two years result in savings that are sizable over the life of the car.

Knowing that, don't you want us to demonstrate the big side of Dynaflow—the utter smoothness of America's first oil-does-it-all drive?

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Only Buick has Dynaflow—and with it goes: HIGHER-COMPRESSION *Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)* • *NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights* • *WIDE-ANGLE VISIBILITY, close-up road view both forward and back* • *TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius* • *EXTRA-WIDE SEATS cradled between the axles* • *SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube* • *WIDE ARRAY OF MODELS with Body by Fisher.*



Matchless Team—DYNAFLOW and F-263

In the Buick beauty pictured here you can have both Dynaflow and Buick's very latest in power. For every 1950 SUPER has the F-263 engine, that lively high-compression stepper that's the big power thrill of the season. Dynaflow Drive is optional equipment at extra cost.

MICHIGAN MILK PRODUCERS ASS'N — Quality Dairy Products — Co-operative Way

Never Wanting for a Paying Customer

Dairy farmers who are members of the Michigan Milk Producers Association enjoy a marketing situation which is available to very few business men throughout the entire world.

These 15,000 members are GUARANTEED a market for all of the milk they produce at all times and furthermore, prompt payment for that milk is GUARANTEED.

Through their own cooperative efforts during the past third of a century, they have established these protective measures. Here is an outstanding example of self-help and free enterprise at its best. Even in cases of the farmer's family being quarantined and his supply of milk banned from the market, he receives fifty per cent of the amount he would have obtained had the milk been salable.

These protective measures work just as much to the advantage of the consuming public as to the dairymen. The supply of milk in the Michigan cities provided by the MMPA is always ample to meet the needs of all the people—a direct result of the association's farsighted and equitable policies.

Whether you are producer or consumer, you can depend upon the Michigan Milk Producers Association to safeguard your interests.

Don't I Help Pay for Telephone Expansion?

Telephone companies are not allowed to charge enough to pay for expansion. Funds for this purpose must come from investors—everyday folks who put their money in telephone stocks and bonds.

Our revenue from telephone rates allows us only enough to pay operating expenses like wages and taxes, and to give investors a reasonable return. Thus, today's efficient service and tomorrow's expansion demands a business operation which must be both progressive and financially sound.

Europeans Think That Americans Are Living Too Rapidly

HERE ARE A FEW TRAVEL TIPS FOR THOSE WHO PLAN VACATION TRIP

"Why don't you dynamic Americans relax and enjoy what you have?"

That's the question most Europeans asked of Harry N. Rogan, travel manager of Automobile Club of Michigan, during a tour of Europe to determine travel conditions of this Holy Year's summer season.

"I believe Americans can learn how to live more happily by observing Europeans," says Rogan. "Joe Europe has been forced into a sharp appreciation of the simplest pleasures of life — an honest-to-goodness pork chop, a bicycle ride in the country, music, and a little leisure time now and then.

"To Joe, America's middle class already has the necessities of life and many of the luxuries. So Joe can't fathom our hurried, worried feeling of unrest."

"I learned how to better enjoy the simple things myself," he says.

Just back from a 15-day airborne look at Italy, France and Switzerland, Rogan says hotel and transportation are excellent. With 300,000 American tourists and Holy Year pilgrims arriving this summer, all hotels in Rome have been ordered to post their hotel rates in each room to prevent gouging of visitors. Although prices vary, room and meals for two persons in the best hotels runs around $18 per day.

Vatican authorities have made elaborate plans to care for throngs of pilgrims from all over the world. Visiting dates of large groups have been staggered, and Rome has pledged to keep commercialism at a minimum.

Rogan suggests that Europe-bound Americans take soap along, as this item is at a premium and is not supplied in hotel rooms. For smokers, a good supply of American cigarettes, cigars or pipe tobacco is almost a must. In addition to good smoking, these items work in nicely as tips.

Small rented automobiles are running about $45 per week, plus gas and oil, while the larger European car rents for about $65 per week.

Electric shaver fans should buy an adapter which will adjust their 110 volt razors to the various European voltages. Rogan recommends one or two nylon shirts for men, bought about one size larger than the traveler's usual size. These can be worn daytimes, washed out in the washbowl at night, and worn in the morning without ironing. The nylon shirts cut laundry delay and expense in addition to reducing luggage size and weight considerably.

To avoid being scalded, Rogan says it is well to know that hot water taps in most continental countries are marked with a "C," while cold taps are labeled "F." Few hotels have shower baths, but many have elaborate hand spray.

Tap water in most cities should be avoided to ward off upsets caused by unadjusted American stomachs. Bottled water is readily available.

The most advantageous exchange of most European currencies for American dollars can be made in Switzerland, while in Italy and France it is impossible to convert francs and lire back into dollars. Rogan recommends that Americans convert only as many dollars into francs and lire as can be used while within those two countries. The Swiss franc is readily convertible to dollars, however.

As to prices, Rogan says Europe no longer is the vacationland of the wealthy. Fifteen-day college group tours tourist class come for as little as $600 while all-inclusive 47-day first class tours run about $2,090.

Public Health Nurses Needed

JOB GOING BEGGING IN MICHIGAN; MANY COUNTIES WITHOUT NURSES

Michigan needs hundreds more public health nurses — at least 360 more to meet even recommended minimum standards for public health nursing services for its people. Nursing jobs are "going a begging."

While public health authorities believe that it is impossible for one nurse to provide adequate public health services to more than 2,000 to 5,000 people, Michigan has an average of one nurse for 7,000 people, and the distribution of these nurses is most uneven.

Five Michigan counties have no full-time nurses employed by any agency for public health work and two other counties have no county-wide services. A few areas of the state have one public health nurse for every 3,000 to 4,000 people, but others have only one nurse for 20,000 to 40,000 people.

Public health agencies have not yet been able to make up for the loss of nurses during the war. On January 1, 1950, Michigan had 879 nurses employed by all types of agencies for public health work. While this was an increase of 23 over the previous year it was still about 100 short of the pre-war average.

Along with the decline in the number of public health nurses, the war years also brought about the necessity of hiring for public health work more and more nurses who did not have adequate public health training. Twenty-two per cent of the nurses now employed for public health work have no public health training in comparison with 11 per cent before the war. Only 51 per cent of the nurses now employed for public health work have had the recommended year of public health training. Before the war about 53 per cent of those employed had had at least a year of public health training.

There are many positions open for nurses with public health training in Michigan. County and district health departments alone have about 40 unfilled vacancies; city departments a great many more. Other agencies in the state are seeking qualified public health nurses.

Nurses with public health training, nurses who wish public health training or high school or college graduates who wish to enter the public health nursing field should get information on schools, prospects and positions by writing to the Section of Public Health Nursing, Michigan Department of Health, Lansing 4, Michigan.

Drafts and notes differ in that the former is a written order to pay; the latter a written promise to pay.

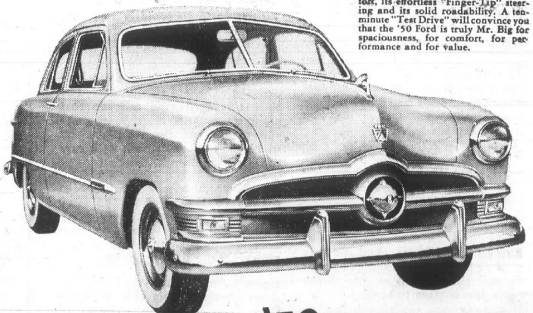
It's MISS AMERICA for beauty

Just one look will tell you why the '50 Ford is a style show all by itself . . . why it's the *only car in automotive history* to twice receive the Fashion Academy's Gold Medal Award as "Fashion Car of the Year" (and two years in a row, at that!)

It's MR. BIG for size

No other car in Ford's field offers so much hip and shoulder room. The '50 Ford is big and feels big. The minute you take this great car out on the road you'll feel its luxurious big car comfort, its effortless "Finger-Tip" steering and its solid roadability. A ten-minute "Test Drive" will convince you that the '50 Ford is truly Mr. Big for spaciousness, for comfort, for performance and for value.



And Champion of its Class for ECONOMY

Here's real evidence of Ford's extraordinary gas economy. In the official AAA supervised Mobilgas Grand Canyon Economy Run, a '50 Ford Six equipped with Overdrive* won in its class —the three full-size cars in the low-price field. Low first cost, low operating cost and high resale value mark Ford—V-8 or Six"—as the "Big Economy Package" in its field. "Test Drive" it at your Ford Dealer's today. (*Available at extra cost.)

The condition of Walter Millyard who is a patient at the University hospital in Ann Arbor still remains serious.

Homes Are Needed For 'Lost' Babies

U-M DOCTOR SAYS THAT ABANDONED CHILDREN NEED FOSTER PARENTS' CARE

ANN ARBOR — Neglected or abandoned infants placed in institutions at the time of birth may suffer severe personality disorders, according to a University of Michigan psychiatrist.

Such disorders can be prevented by placing these infants in foster homes, Dr. Ralph D. Rabinovitch, in charge of Children's Service at the University's Neuropsychiatric Institute, pointed out.

Only a foster home can provide the warm, personal mothering so necessary in the early mother-child relationship that is needed for normal personality growth, he said.

Institutionalized infants suffer from a lack of warm, human contact and attention and this may result in severe personality disturbances, Dr. Rabinovitch explained. Later in childhood, infants who have no mothering in the first year of life tend to be incapable of establishing relationships with other people and are unable to give or receive affection, he stated.

Institutions with a "warm" and "protecting" atmosphere, may meet the needs of children in the later years without difficulty but every effort should be made to avoid institutional placement of infants, the doctor emphasized.

He declared that there is ample evidence to indicate that a majority of children with severe emotional problems can be successfully treated. Treatment can help the child to adapt to community living and find satisfaction in keeping with its abilities, he added.

However, treatment must often be intensive and facilities throughout the country must be greatly expanded to begin to meet the needs of the disturbed child, he stressed.

In regard to delinquent children, he indicated that the surest way to perpetuate the patterns of delinquency is for the community to treat the delinquencies with hostile and punitive action. Such handling of juvenile delinquents may be considered as a major cause of adult criminal behavior, he asserted.

Communities must realize that anti-social or delinquent behavior stems from psychological and emotional problems, Dr. Rabinovitch explained. Society has a deep obligation to replace detention homes with children's centers adequately staffed with trained personnel.

BIKES, MOTOR CARS COSTLY IN LIVES

Over 500 young bicycle riders were killed last year in collisions with America's cars, and 30,000 more were injured. Carelessness of the rider and faulty bike mechanism were the two greatest accident causes. In an effort to help cut down child fatalities, Automobile Club of Michigan has distributed 9,000 of the above posters to Michigan schools for use during April. The poster, "Keep Your Bike Repaired," was drawn by a 17-year-old Chicago boy and was a prize-winner in the Fifth National AAA Traffic Safety Poster Contest. Along with the posters went 26,000 safety lessons which will bring bicycle safety education into Michigan classrooms.

State Dental Society To Meet In Detroit

The Michigan State Dental Society will hold its 93rd annual convention at the Hotel Statler in Detroit on April 24, 25, 26. Dr. George W. Christiansen of Detroit is the society's president.

The convention schedule includes essays and clinics by ten nationally known dental authorities. The convention speakers are Dr. Harold Hillenbrand, Secretary of the American Dental Association, who has just returned from a study of the socialized scheme under which dentistry functions in Britain; Dr. Owen D. Dwight, Hollywood, California, inlay and bridge specialist; Dr. Wilbur M. Davis of Orlando, Florida, dental diagnostician of note; Dr. Samuel Miller, Professor of Oral Diseases, New York University; Dr. LeRoy M. Ennis, X-ray specialist from the University of Pennsylvania; Dr. Warren Willman, Professor of Operative Dentistry, Loyola University; Dr. Corwin Wright, authority on lower dentures, University of Michigan; Dr. Dorothea Radusch, member of the staff of the University of Minnesota and a nutritionist of note; Dr. Emil Houser, expert on Occupational Diseases; and Dr. Rodney Swiss, prominent practicing dentist from Harrow, England, who will present a frank picture of the position of the dentist and patient in Britain under nationalism.

Supplementing the convention program, sixteen limited attendance clinics will be presented to special groups. In addition fifteen scientific motion picture programs and forty-five table clinics by dentists, hygienists, assistants and technicians are on the convention agenda.

FATHER-SON BANQUET

The annual Baptist Church Father and Son banquet will be held Thursday evening, April 20, at 6:30 p.m., in the chapel. Mrs. Floyd Bryan is chairman and Faye VanValkenburg is arranging the program. John McColl will show his fishing movies taken in Florida during the past winter.

BOY SCOUT NOTES

Troop 4

The last meeting of Troop 4 was called to order by the Senior Patrol Leader, Bruce Packard, after which Russell Hubbard led the troop in the Pledge of Allegiance to the Flag, the Scout Oath, and the Scout Law.

Later the Scouts gave a demonstration on First Aid, such as artificial respiration, splints, and use of the tourniquet. They also talked on how people save themselves after getting hurt in an accident.

Games were enjoyed later in the evening, and the meeting was closed by the Boy Scout Benediction.

Pack 4

The Cubs of Pack 4 sent their letters for foreign Cubs to New York, where the Friendly Service of the Boy Scouts of America takes care of the forwarding and translating.

The local Cubs asked that their letters be sent to Denmark, Finland, Germany, or France because they knew someone locally who could translate any replies. They have received word from New York that their letters are being sent to a Cub Pack in Denmark.

All letters told about Tecumseh and the activities of Pack 4. The boys are eagerly awaiting the replies from Denmark.

Troop 73

Tecumseh newest Boy Scout troop has now received its charter and number and takes its official designational as Troop 73.

Jimmy Place is now leading the troop in the steps toward the rank of Second Class Scout, having passed seven of the requirements. All of the troop have attained Tenderfoot rank, although Bob Hadley is a First Class Scout and is serving as assistant to Scoutmaster James Beardsley.

Last week the Troop drilled on fire building. Robert Manley won a money belt as first prize for building a fire in the shortest time, using only one of the two permitted matches to build a fire of wet wood on wet ground.

Afterwards the boys engaged in a long session of capture the flag. Teams captained by Ross Hadley and Gary Roberts competed with neither side being victorious.

Hike plans are being made for the later part of April, and it is expected that the Tenderfoot badges will be presented the 12th.

Pack 4

The next meeting of Cub Pack 4 will be Monday evening, April 17 at the Baptist church. All parents are urged to be present because some very important announcements are to be made concerning the day the boys are going to camp on May 27. This will be the last Pack meeting before the trip.

At Monday's meeting the Cubs will display the kites they have made during the month as they worked on their theme of flying.

Shorthorn Breeders To Have Show In Lansing

The Michigan Shorthorn Breeders' Association will hold its ninth semi-annual show and sale at the Livestock Pavilion of Michigan State College on Saturday, April 22, at 10 a.m.

Twenty-one of the state's best Shorthorn and Polled Shorthorn herds will be represented, with an outstanding consignment of good conditioned, well bred animals that will work improvement in herds anywhere.

This event is purposely being scheduled for a Saturday in the hope that many 4-H and FFA club members, toegther with their leaders, will be able to attend and use this as an educational supplement to their beef cattle projects.

Stan Perkins of Swartz Creek, who first made his mark as a Shorthorn breeder and exhibitor of steers and who is now Eastern Fieldman for the American Shorthorn Breeders' Association, is managing the sale.

HAPPY HOME BUILDERS WILL ENJOY POTLUCK

Some 28 members and children of the Happy Home Builders class of the Baptist Church School met Monday evening at the home of Mr. and Mrs. Eugene Fisher of Tipton, for a potluck supper at 6:30.

During the business meeting there was a discussion on the father and son banquet to be held April 20 and summer projects. It was voted to cooperate in an all-church bake sale to be held Saturday from 12:30 to 3 p.m., at Hanna's Insurance office. Mr. and Mrs. Harold Black conducted devotions and presented a program.

The May meeting will be held with Mr. and Mrs. Dow Bilby with Mr. and Mrs. Charles Beland in charge of devotions.

WIT, WISDOM CLUB

The Wit and Wisdom Club will meet Monday evening, April 17, at the home of Mr. and Mrs. Leon VanValkenburg.

Nomads Plan Ceremony In Tecumseh On May 20

The regular monthly meeting of El Mist Santha No. 93 Nomads was held in the Pythian Castle hall at Tecumseh on Friday, with Theodosa Douglas of Hillsdale presiding as Rani.

Members were present from Tecumseh, Clinton, Hillsdale, Jackson and Ypsilanti.

Final plans were made for the ceremonial to be held at Tecumseh on Saturday, May 20. Several candidates have been secured for this occasion and invitations have been extended to other Santha in Michigan as well as those from Toledo and Finley, Ohio.

Mrs. Ruth Vincent of Tecumseh was elected as delegate to the Tri-Regional convention to be held at Hamilton, Ontario, May 12-13, with Lorn Kennedy of Patterson Lake as alternate.

The Tri-Regional convention is a joint meeting of all the Pythian Sister, Dokies and Nomads in Michigan, Ohio and Ontario. A large parade will be held at 7 p.m. Saturday with all the organizations participating.

The officers of El Mista Santha will motor to Montpelier, Ohio, on Sunday, May 23, to hold a practice for the ceremonial, as guests of one of the officers.

A lunch was served following the meeting. About 40 were present.

Eastern Star Will Attend Baptist Services, Sunday

Mrs. Verna Meyers of Britton and Charles Driffill of Tipton were initiated into membership of Tecumseh chapter, Order of the Eastern Star, at the regular meeting of that organization, Thursday evening.

An invitation was extended to the chapter to attend services at the Baptist church, Sunday morning, April 16.

The association president's candle was received by the chapter for the evening and it was delivered to the Fairfield chapter, Friday evening. Members brought their birthday money for the grand matron's project.

After the meeting lunch was served by Mrs. Howard Wilson and her committee. Mrs. Kenton Hunt, worthy matron, was surprised with a birthday cake, pieces of which were sold for a special project.

Guests were present from Deerfield and California.

New Members Received Into Methodist Church

During the Easter service in the Methodist church, Sunday, Dr. Norman MacNaughton received into full membership the following persons: Mr. and Mrs. Herbert Dillon, Mr. and Mrs. E. E. Duvall, Aden Mead, Mr. and Mrs. Paul Hadsell and children, Beverly, James and Joyce; Mrs. Frank Lasky; Mrs. Rita Wise, Mr. and Mrs. James R. Smith, Bruce Packard, Barry Packard, Wilma Bumpus, Karen Murphy and Patricia Davis.

The Sacrament of Baptism was administered to Robin, son of Mr. and Mrs. Paul Snyder; Mrs. James R. Smith and sons William Mervin and Michael Eugene.

The pastor was assisted throughout the service by Philip Gentile, sr., vice president of Adrian College in charge of public relations. The adult choir sang "Legend," by Tchaikesky and "Open the Gates of the Temple," by Knapp-Fields. The primary-junior choir sang "Easter Time." All of the music was under the direction of Mrs. Philip Gentile, jr., and Mrs. Herbert Dillon as organist. The sermon topic, "The Light of the Rising Sun," was delivered by Dr. MacNaughton.

Lester Rogers Marries Former Tecumseh Woman

In the Nativity Chapel of St. Paul's Episcopal Cathedral, Detroit, on Tuesday, April 11, at 10:30 a.m. Lester C. Rogers was joined in marriage to Ina M. Barrett of Lapeer, Michigan. The single ring service was read by the Rev. Allan L. Ramsay, rector of St. Peter's church, Tecumseh. Mrs. Rogers was attended by her daughters Mrs. Bertrand C. McIntire of Lapeer, and Mrs. William W. Ring of Pittsburgh, Pennsylvania. Her son-in-law, Bertrand C. McIntire accompanied her to the altar. Mr. Rogers was attended by the Rev. Edward R. A. Green of Detroit.

Others present for the service were Mrs. Rogers' granddaughter, Cynthia, of Pittsburgh, and friends from Tecumseh, Detroit, Lapeer and Toledo, Ohio. Ellis Varley, cathedral organist, played traditional music preceeding and following the ceremony. The wedding luncheon was served in the Statler Hotel, Detroit, for the wedding group. After a trip in eastern Michigan Mr. and Mrs. Rogers will be at home in Tecumseh.

TO MEET APRIL 18

The Tecumseh Music Club will meet Tuesday evening, April 18, at the home of Mrs. Ellsworth Collins, at 8 p.m.

School Teachers

Locke. Also, Mr. Place told the board that another fifth grade teacher will be needed to carry the increased load in that grade.

Other business before the board was routine. Current bills were audited and ordered paid and regular reports were read and placed on file.

Children Will Present Post Easter Program

At the annual Easter Eve service of Holy Baptism in St. Peter's Episcopal church, Saturday, April 8, David Allen French, of Cleveland, Ohio, and Deborah Lee Cheever, Pamela Sue Yancer, Janice Elaine Schuch and Harry William Schuch of Tecumseh were made members of the church.

The services on Easter Day were highlighted by the special music of the choirs which included the famous "Hallelujah Chorus" from the Messiah, "Break Forth Into Joy" by Parker, and a number "Christ Is Risen" sung by the Junior Choir.

Next Sunday, April 16, at 11:15 a.m. the children of the Sunday School and the Nursery School will present a post Easter program for parents and friends. In a pageant given by the older boys and girls, leading parts will be played by Rita Kay Crosby, Neil O'Hara and Linda Dewey. The Nursery School will present a group song and individual recitations by David Brock, David Crosby, Dianne Damon, Barry Kroner, Gail Elliott and a solo will be sung by James Ramsay. During the service the children will present their Lenten Mite-Box offering which this year is to help the church work among the children of Japan where the Episcopal church maintains extensive work.

The spring gift of individual plants will be given to each child of the Nursery School and Sunday School to be cared for in their own homes.

LOCALS AND PERSONALS

Mr. and Mrs. Charles Davidson and son of Detroit and Mr. and Mrs. William Spreeman spent Easter Sunday with Mrs. Charles Lister of Britton.

Mr. and Mrs. Dalton VanValkenburg left Saturday for Marion, O., to visit her parents, Mr. and Mrs. Carl Beers. Monday they left to visit his brother, Ernest VanValkenburg and family of Washington, D. C., and enroute back they will stop at Philadelphia to call on Mrs. VanValkenburg's aunt and uncle. They will return to their studies at the U. of M., Ann Arbor, Monday.

Mrs. Elmer Spreeman and Mrs. Arno Spreeman and three daughters of Deerfield were Monday dinner guests of Mr. and Mrs. William Spreeman.

ANN ARBOR—Invitations have been sent to high schools throughout the state inviting students to the University of Michigan on May 5.

Student officers of the Michigan Union have set that date as University Day. The Union revived this "campus open house" last year after a wartime lapse.

ed to attend. George E. Taubeneck, editor of Refrigeration News, Detroit, will be the principal speaker. Dinner music will be furnished by the Products Chieftains and Judge G. Arthur Rathbun will act as toastmaster. C. O. Butler, president of the Chamber of Commerce, will preside, and annual Chamber awards will be made.

Guests at the banquet will include Mr. and Mrs. W. L. Berkhof of Mt. Clemens and Mayor and Mrs. Tom Scott of Tecumseh, Ontario, Canada. Mr. Berkhof was superintendent of schools here when the new high school construction was started. Mayor Scott visited here last summer when about 1,360 members of his community visited Tecumseh on July 4, our 126th anniversary. Tecumseh, Ontario, has invited the residents of Tecumseh, Michigan, to return the Canadian town's visit on July 1 of this year when the Ontario community will stage a gala summer-time celebration.

Stores and other places of business here will be closed during the afternoon as will the public schools to permit everyone to participate in the day's activities.

Cancer Drive Is Under Way

CAMPAIGN LAUNCHED IN LENAWEE; NEED FUNDS TO CONTINUE RESEARCH

A statement accompanying a report just issued shows that the American Cancer Society granted almost $4,000,000 during 1949 solely for research into the cause and cure of cancer. This money is in addition to the amounts spent on education of the general public and service to cancer patients in every part of the United States.

"While the support of the research by the American Cancer Society in 1949 totals $3,769,600," Michigan State Campaign Chairman Allen G. Miller remarked in commenting about the report, "it should be emphasized that the American Cancer Society could have used far more money for research alone."

The newly published report was made to the American Cancer Society by the Committee on Growth of the National Research Council, and covers only grants-in-aid and fellowships awarded by the American Cancer Society at the recommendation of the Committee on Growth. These grants to individual researchers total $2,172,747.

"This document is an exciting chapter in the history of the research war on cancer," Chairman Miller declared, "but in addition to the amount reported by the Committee on Growth, the American Cancer Society last year granted another $1,596,853 to institutions with broad programs of cancer research.

"We may be proud of the vast sums devoted by the American Cancer Society to research last year," Mr. Miller continued, "but all the money raised a year ago has been allocated. Furthermore, we must not forget that competent scientists qualified to do first rate cancer research submitted applications for more than twice the amount we had available last year. Future research, therefore, depends entirely on amounts we raise in campaigns to come.

The American Cancer Society is again conducting its campaign during April which has been designated by Congress as Cancer Control Month.

"We are not concerned solely with collecting money," Mr. Miller declared in a recent speech in Traverse City. "We are equally concerned with telling the story of cancer to people who are not acquainted with it. We want to let them know what they should do for themselves, and what can be done for them. Education and solicitation go hand in hand.

"In the age old fight against cancer, progress may seem slow, but a reading of the report by the Committee on Growth will show that bit by bit we are adding to our fundamental knowledge about the disease that in 1949 killed more than 200,000 men, women and children in the United States alone."

From where I sit ... by Joe Marsh

Gabby Enjoys Going to The Dentist

One of my molars was giving me a bad time Tuesday afternoon, so I slipped over to Doc Jones, hoping to catch him free. When I arrived, Gabby Jackson was sitting there reading a magazine. I said hello to Gabby and he nodded.

Doc comes out and says I'm next. "Wait a minute," I says. (My tooth seemed to have stopped aching.) "How about Gabby — doesn't he have an appointment?" Doc smiles and says, "Gabby? Why, he's got the finest teeth in the county. He just comes up here and reads the magazines whenever he's in town!"

As Doc went to work he told me that he's glad to have Gabby come up and read magazines . . . they might not all be fresh off the newsstand, but if Gabby—or anyone wants to while away some time who is *he* to stand in their way?

From where I sit, this "live and let live" spirit helps make America what it is. If I prefer a friendly glass of beer with my supper and you prefer milk—who's to say one's right and the other wrong?

Non-Partisan News Letter

(Special to The Herald)
By Gene Alleman

Michigan townships, blessed by $26,798,834 in sales tax diversion money to date, are going to the rescue of mud-mired rural roads.

During 1949, in 68 of the 83 Michigan counties, township boards transferred to county road commissions a total of $3,150,000 under provisions of Public Act No. 34, 1948 special legislative session.

During the fiscal year ending June 30, 1949, townships received a total of $9,170,760 in state sales tax revenues, diverted to townships under the sales tax diversion amendment.

Thus it is clear that approximately 34 percent of the state sales tax distributed to townships in 1949 was transferred to county road commissions to improve rural highways.

It is equally clear also that millions of dollars are accumulating in the treasuries of township boards, waiting approval of township boards to be expended for public services.

The records of Auditor General Murl Aten show that sales tax collections from December, 1946 to June 30, 1947 brought a total of $4,384,723 to Michigan townships.

This amount was doubled in the following fiscal year to $8,635,676.

For the past fiscal year, ending June 30, 1949, the rising tide of sales tax revenues to townships rose to an all-time high of $9,170,760.

As of December 31, 1949, Michigan townships had received a total of $26,798,834 from the sales tax revenue at Lansing to be used for township needs.

Act Number 34 of the Public Acts of 1948, approved by the Governor on May 10, 1948, provides that "a township may appropriate any unexpended balances in the contingent or general fund of the township for the maintenance and/or improvement of township roads, streets and alleys taken over as county roads pursuant to the provisions of this act."

The law goes on to state that such action can be taken "without submitting the question to the electors of said township."

If the rural township roads are in need of immediate improvement, officials of your township board would be interested in your recommendations. There may be money in the bank to make it possible for the county road commission to send out a crew at once.

The tug-of-war over road financing has reached a stalemate at Lansing. Governor G. Mennen Williams declines to submit a proposal to increase the state gasoline tax, as recommended by the state highway department and county road commissions.

Since the stand of the Governor would make such legislative action, if taken in 1950, clearly unconstitutional, Republican legislative leaders have decided to press the Governor further for permission to consider such legislation.

Republican legislative leaders are criticizing the Governor for attempting a legislative program of such broad scope, while limiting the legislators to restricted methods of financing. Thus, Governor Williams proposes that $18,500,000 be taken from the general fund of the state treasury to finance highway construction, but to raise the money only by a state corporation profits tax.

The legislators' frustration prompted Senator Perry W. Greene (R-Grand Rapids) and Senator James T. Milliken (R-Traverse City) to introduce a proposed constitutional amendment providing for annual sessions of the legislature.

A similar resolution has been introduced in the House by Rep. Louis C. Cramton (R-Lapeer).

Republican legislative leaders maintain that the Governor never had any idea that the legislature would enact his many recommendations. They report that the Williams program was merely for political campaign purposes.

It is most likely that around May 1, when the legislature adjourns its special session, the Governor can then point with alarm to the failure of the legislature to enact his program.

There isn't a Chinaman's chance that the legislature will tax corporations $110,000,000 for bigger and better public benefits.

Governor Williams knows this. He already has his issue for re-election.

PHILADELPHIA SHARES TREASURES

Philadelphia—This historic city attracts thousands of visitors the year round, but there is no better time "to see the sights" than during warm, clear spring days.

With flowering plants, and budding trees, Philadelphia's Fairmount Park—covering nearly 4,000 acres—appears at its best.

One of the nation's greatest attractions is here—Independence Hall, meeting place for the second and succeeding continental congresses, where Washington accepted his appointment as general of the Continental Army, and where the Declaration of Independence was adopted on July 4, 1776.

Here also is the Liberty Bell, a reverent symbol of the fight for freedom.

The city has a treasure of historic churches and buildings. Its Franklin Institute is nationally known in the field of science, its Museum of Art considered one of the greatest in the world.

EASY RINSING

Your old-fashioned washing machine, if equipped with a spinner, can give you thorough rinses automatically if you allow a little extra time for it. After the spinner has extracted all the soapy water from the load of clothes, run a slow stream of water through the hose on top of the clothes in the spinner, close the spinner, and set it in motion.

Half fill the tub of the washing machine with lukewarm water, and dump the spinner of clothes into it, letting the agitator run three or four minutes. Then spin dry the clothes. They will be well rinsed—better than if you rinsed and wrung them out by hand.

NOTICE OF MORTGAGE FORECLOSURE SALE

Default having been made in the condition of a certain mortgage made the 19th day of March, 1948 by Charles E. Metzger and Iris N. Metzger, as mortgagors, to Adrian State Savings Bank as mortgagee, and recorded on the 23rd day of March, 1948 in the office of the register of deeds for Lenawee County, Michigan in Liber 326 of Mortgages on page 142, which mortgage was assigned by said Adrian State Savings Bank to Ralph Phelps and/or Hazel Phelps as assignees on the 19th day of February 1949 by an assignment recorded on the 21st day of February 1949 in the office of the Register of Deeds for said County, in liber 335 of mortgages on page 131; and on which mortgage there is claimed to be due and unpaid at the date of this notice $2272.89 principal and $178.87 interest; no suit or proceedings at law or in equity having been instituted to recover the debt, or any part thereof secured by said mortgage, and the power of sale in said mortgage contained having become operative by reason of such default.

Notice is hereby given that on the 10th day of June, 1950 at ten o'clock in the forenoon at the east front door of the Courthouse in the City of Adrian, that being the place for holding the Circuit Court for the County of Lenawee, there will be offered for sale and sold to the highest bidder, at public auction for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale, including an attorney fee of $50, provided by law and in said mortgage, the land and premises in said mortgage mentioned and described as situated in the City of Adrian, County of Lenawee and State of Michigan, to-wit:

Commencing at the intersection of the south line of west Maple Avenue with the west line of Summer Street and running thence westerly on the line of Maple Avenue One hundred and ninety-six (196) feet for a further place of beginning; thence southerly at right angles with Maple Avenue one hundred and twenty (120) feet; thence westerly parallel with Maple Avenue fifty-seven (57) feet, more or less, to the east line of land now, or formerly owned by Foltz; thence northerly on the east line of said Foltz land to the south line of Maple Avenue; thence easterly on the line of Maple Avenue fifty-seven (57) feet; to the place of beginning. Said land being a part of the west half of the southwest quarter of section thirty-five (35), town six (6) south, range three (3) East.

Remember the Sulfer and Molases Ma Usta Giv Yuh?

Waal, Why Don't Yuh Giv Yur Kar a Pick-up in Pep, Too?

Yep, them was the good old days. Every Spring Ma fetched out the bottle of Sulfer and Molases — and if necessary a doze of salts fur good measure — and boy, it wasn't too many days for yuh felt like a million bucks and didn't have a dime in yur poket.

Now don't fool yurself, yur kar is jist like a human. Durin the winter months kars git kinda sluggish, too. Stuff don't flow thru thur veins like they auter and what happens. Yuh got a sluggish running kar that makes yuh disgisted.

Now that's where we komes in. In our hoss-tradin hospitul we know jist what spring tonik it takes to get yur nag back in the run nin. Man, we've had em so ailin that some folk wanted to trade em off and after we fix ed em up yuh shud hear em brag.

Spring tonik don't kost much but it sur does give yur kar a whale of a lot o pep and you an equal amount of satisfaksun.

Bring the ol nag in. Yuh may think she's old but if yull let us work on her and tune her up we'll send her out as frisky as a kolt.

Candid Photos Of T-Day Celebration

Left to right, receiving their civic awards at the T-Day banquet in Legion Memorial Home last Thursday evening are, Frank K. Smith, Fay Whelan, R. W. Herrick, Jens K. Touborg and Curtis M. Brown. Mr. Herrick received the Citizen of the Year plaque and the other men were given awards for meritorious service. The awards are made annually by the Chamber of Commerce. (Herald Photo)

Left to right are C. L. Taylor, Jens K. Touborg, Harold Munger and Earl H. Place at the dedication of Tecumseh's new $400,000 high school on T-Day, last Thursday. The picture was taken as Mr. Munger, Toledo architect, turned over the keys to the building to Mr. Touborg, president of the board of education. Mr. Taylor, deputy superintendent of public instruction, Lansing, delivered the principal address. Mr. Place is superintendent of schools here. (Herald Photo)

In picture above, The Herald's candid camera caught Ray W Herrick, president of Tecumseh Products Company, in the act of turning over the first soil in the ground-breaking ceremony for an addition to Herrick Memorial Hospital that will double the size of the institution. Several hundred persons attended the ceremony on T-Day, last Thursday.

Boost Tecumseh Plea Is Made At C. of C. Dinner

T-DAY BANQUET WINDS UP CIVIC PROGRAM; SCHOOL DEDICATED, GROUND BROKEN FOR HOSPITAL ADDITION

A change in Tecumseh's form of government and the extension of its boundaries and the need for steady residential expansion to keep pace with the town's speedy industrial growth were stressed by Charles O. Butler, president of the Chamber of Commerce, at the annual T-Day Banquet, Thursday evening at Legion Memorial Home. Some 250 persons attended the dinner which climaxed the T-Day celebration.

Earlier in the day, Tecumseh formally dedicated its new $400,000 high school and broke ground for an addition to Herrick Memorial Hospital which will double the size of that institution. Also, as a part of the civic program, some 1,000 persons availed themselves of conducted tours through the Tecumseh Products Company's factory, the largest independent manufacturers of electrical refrigeration in the world. The schools and places of business in the downtown area were closed during the afternoon.

"There is much to be done in Tecumseh if we are to keep pace with our chief industry, the Products," Mr. Butler told his listeners. "Last month, Products had a payroll of more than $1,000,000 and it is employing nearly 2,000 people. The pity is that only about 800 of those on the payroll live here. We need houses, we need houses that can be rented. We need to grow."

Butler then told the group that the Chamber is at the present time studying a program to change from village to city form of government here and at the same time to enlarge the boundaries of the corporation. "We are more or less committed to this change, and we plan to bring it to a vote of the residents within the year," he said.

"We need all of the things that I have mentioned but, greatest of all, we need the cooperation of every resident. We must have this cooperation if we are to succeed. Your officers and the board of the Chamber are hard at work on improvement programs but to put them over we must have the cooperation of everybody," the president continued.

George F. Taubeneck, editor and publisher of Airconditioning and Refrigeration News, of Detroit, was the principal speaker at the banquet. Mr. Taubeneck, who has for years watched the growth of the Products company, stressed the importance of close cooperation between industry and the community in which it is located. Briefly, he reviewed Products' phenomenal growth until today it is the refrigeration giant of the world.

"Tecumseh is indeed fortunate to have such an industry as Products," the speaker declared. "I have surveyed other industries and no where do I find another factory that has given so much to its home town as has Products." He then listed a few of the more than $700,000 in contributions that the company has made to Tecumseh during the past few years.

Products, he indicated, is at the doorstep of new and greater things, with engineers that have the ability and the know-how to make them click. "Others have tried to pattern after Products, have even attempted with Products' aid to do some of the things that have been done here, but they have failed because they lack the ability. Tecumseh is indeed a fortunate community to have such an organization within its boundaries," Taubeneck said.

Ray W. Herrick, president of Products, speaking briefly when he was awarded the Citizen-of-the-Year plaque for the third successive time, declared that it is the intent of his company to "keep on growing" but he warned that such growth could not come unless Tecumseh continued its growth, too. Business improvement, new and larger stores, more houses and a greater Tecumseh is what must happen if Products is to realize its ambitions in Tecumseh, Mr. Herrick said.

Tecumseh must be ever alert to the future if Products' expansion is to be kept here, Herrick told the assembly. "We must grow and we intend to grow but how much we grow in Tecumseh depends upon Tecumseh," Herrick declared. He intimated that should Tecumseh fail to keep pace with its industrial growth, future expansion might, of necessity, be located elsewhere.

In presenting the Citizen-of-the-Year award to Products' president, Butler reviewed briefly some of the

Two Grass Fires Keep Local Department Busy

Tecumseh firemen were given a prevue of their annual Spring runs, when they were called to two runaway grass fires over the weekend. In one instance, a tool shed was destroyed.

Saturday at 2:30 p.m., the department was summoned to the Earl Shandley property on M-52 when a grass fire got out of control and a shed burned to the ground. The building was evidently empty and no estimate of the damage was given.

Boysville at Macon called at 11:30 a.m., Sunday, when a similar fire threatened the buildings. There was no damage.

Telephone Rate Boost Is Asked

SHARP INCREASE IN RENTALS IN TECUMSEH TO BE SOUGHT ON MAY 5

A sharp increase in telephone rates, rentals and charges in the exchange area of the Michigan Associated Telephone Company, serving Tecumseh, will be sought from the Michigan Public Service Commission at Lansing, it was learned today. The company has given notice that it will ask the Commission for authority to file the rate boost on May 5, and at that time request a hearing date to permit those interested in the proposed increase to attend.

At the present time, the business phone rental in Tecumseh is $4.50 monthly. Under the proposed increase the rate would be $7. The one-party residence phone rate here now is $2.90 monthly. The proposed rate would be $4.15. Two-party business phone rates would jump from $3.85 to $5.75 and 2-party residence phones from $2.50 to $3.65. Four party residence phone rates would jump from $2.15 monthly to $3.15. Rural residence phones within three miles of Tecumseh would cost $3.15 rather than $2.15 and those over three miles away, $3.40 instead of $2.40.

Rural business phones within three miles would cost $4.75 instead of $3.15 and over three miles away, $5 instead of $3.40.

George Ross Murrey, 54, Is Buried At Jerome

Funeral services were held Monday afternoon from the Collins Funeral Home for George Ross Murrey, 54, of Tipton, who died Friday at 2 p.m., in the Blissfield Nursing Home, where he had been a patient for four months. The Rev. Edward Escolme officiated and burial was in Jerome, Mich.

The bearers were all members of the F.O.E., Walter Murphy, Otto Beaubien, Ray Hersha, George Milosh, Charles Haytt and Verdi Skinner. Friends and relatives attended from Cleveland and Paynesville, Ohio, Leslie, Jackson, West Adrian, Tipton and Tecumseh.

Born, October 5, 1895, in Jerome, Mr. Murrey was the son of the late Mr. and Mrs. Stanley Murrey. He had been in failing health for the past three years. He was a member of the Fraternal Order of Eagles of Tecumseh.

Mr. Murrey is survived by two sons, Darrel and Russell, two brothers, Otto of Paynesville, O., and Clarence of Cleveland, one sister, Mrs. Harry Daniels of Tipton and several nieces, nephews and cousins.

State Will Not Permit New Sewer Building Here

"Tecumseh will not be granted a permit to lay another foot of sewer until a sewage disposal plant is built," Donald M. Pierce, assistant engineer of the Bureau of Engineering, Michigan Department of Health, said when he addressed the Tecumseh Exchange Club, Monday evening, at its regular dinner meeting.

"We have granted Tecumseh permit after permit and now we have reached our limit," the speaker said. He discussed the water pollution problem locally and said that some positive action must be taken.

Frank Dawson of Arlington, Va., was the guest of his son, Ken Dawson.

FIRE THREATENS CHURCH

Firemen were called to Tipton, Tuesday at 5:25 p.m., when a grass fire threatened the Tipton Community church. A pile of scrap lumber near by was burned.

Choir Will Sing Here Next Thursday

ALMA COLLEGE ORGANIZATION TO PRESENT CONCERT AT PRESBYTERIAN CHURCH

Professor John A. Merrill is director of the Alma College A-Cappella choir, which will appear here next Thursday evening, April 27, at the First Presbyterian church, under the sponsorship of the Presbyterian Men's Club. The concert by the 52-voice choir, which is recognized as one of the leading choirs in the midwest, will begin promptly at 8 p.m. Tickets are on sale at Wright's Drug Store and Tecumseh Camera Shop or by any member of the club.

John A. Merrill

Mr. Merrill came to Alma College last September from Owosso high school, where he was director of vocal music. He attended the University of Toledo, graduated from Ohio State University and carried on his graduate study at the University of Michigan, receiving his Master of Music Education in 1948. He has organized a choral union at Alma and is musical director of the First Presbyterian church of Alma.

In building its concert programs, the choir presents well chosen groups representing several important periods in musical literature.

New Village Offices

CLERK'S OFFICE MOVED TO DAY TO SECOND FLOOR OF COUNCIL BUILDING

Effective today, the offices of Robert Kroner, village clerk, will be located on the second floor of the council building on South Evans street, it was announced. The offices formerly were located in the Lilley Bank Building.

The telephone number at the office in the new location is 558.

Farmers Are Guests Of Rotary At Dinner Meet

It was rural-urban night at the Tecumseh Rotary Club, Tuesday evening, and members of the club entertained some 50 farmers from this vicinity at a dinner-program at the American Legion Memorial Home. The rural-urban meeting is an annual affair, having been sponsored by the club for many years.

Jay Hayes, Michigan State College instructor, was the speaker. Mr. Hayes gave a humorous talk on the subject, "The Cow As I See It."

FRIENDS SEE NEW BOOK BY TECUMSEH AUTHOR

Several local friends of Allan Seager have been privileged to see advance copies of his new book scheduled to appear later this month. The publishers, Simon and Schuster, New York, have announced the publication on April 28 of "The Old Man of the Mountain," a collection of eighteen stories by Mr. Seager.

The volume is dedicated to Mr. Seager's two small daughters, Mary and Laura. Mr. Seager, who has also written two novels and a work of non-fiction, is associate professor of English at the University of Michigan, Ann Arbor. He will make several radio appearances in the near future. One, an interview, will be heard over WJR, Detroit, on April 28.

TWO ARE SENTENCED

Two men paid fines of $15 and $5.30 in costs each when arraigned before Justice Leon VanDeusen in Clinton, after pleading guilty to being drunk and disorderly, Saturday evening. Lavern Steele of Britton was arrested shortly before midnight Saturday by Tecumseh police and Ronald Love of Tecumseh was arrested after midnight. Steele was given a suspended sentence of 90 days in jail and was put on one year's probation. Love was given the alternative of spending 20 days in jail or paying the fine. He paid.

Double Parking Will Be Banned

NEW REGULATIONS TO BE ENFORCED BY POLICE ON N. EVANS STREET

A change in parking regulations on North Evans street, in the vicinity of the postoffice, has been requested by police and approved by the council at its meeting, Monday evening.

Three no-parking street signs will be placed parallel along the east side of Evans street, near the railroad track. Two parking meters will be removed from the west side of the street, in front of the postoffice, to permit five-minute parking.

In the future, no parking will be allowed on the east side of the street in the postoffice block, and no double parking will be permitted on either side of the street at any time.

The council approved a plan to extend the water main on South Union street to the village limit. A new circuit is to be installed in the electrical system connecting the telephone office and the council building to service the fire siren. John H. Smith was granted a license to build and repair sidewalks in the village. Current bills were audited and ordered paid, and reports of departments and committees were read and placed on file.

Indians To Meet Morenci, Friday

BASEBALL SEASON FOR HIGH SCHOOL UNDER WAY; TRACK SCHEDULE READY

The 1950 Tecumseh high school baseball season opened Tuesday afternoon with Onsted traveling here. Tomorrow, April 21, the Indians will engage Morenci high school here at 3:30 p.m.

In announcing this season's schedule, Coach Elven Duvall was unable to release a definite starting lineup. The little practice the boys were able to get in was done in the gymnasium due to the wet condition of the ball diamond.

Dave Murphy, Dave VanWinkle and Bruce Baker, all juniors, are expected to do most of the hurling this season, with Robert Kruger, a sophomore, and Lynn Hunt, a freshman, doing relief work. VanWinkle will also play at center field position. Baker is the team's only left handed pitcher and he is expected to see quite a bit of action. Dick Beasley, a junior, Larry Hart, a sophomore, and Tom Naser, a freshman, will catch.

Candidates for infield position are all sophomores, namely, Dick Whelan, Jimmy Brietenwischer,

Ex-Governor Will Cry Jersey Auction, Saturday

Ex-Governor James McCord of Lewisberg, Tenn., will be the auctioneer at a public auction of quality Jersey cattle, to be held on Saturday, starting at noon, at the Meadowridge Jersey Farms at Ridgeway. The farm is owned by Mr. and Mrs. C. M. Brown. It is expected that well over 1,000 persons will attend and some 56 head of stock will be offered for sale.

Meadowridge is known as one of the finest and largest Jersey farms in the United States, with about 170 head of stock. Cattle offered in the sale will test 88% or better.

Big-wigs of the Jersey cattle world will attend the auction, under the management of Chester Folk & Son of Springfield, Ohio.

Macon Youth Injured In Fall While Fighting Fire

Robert H. Osburn, 22, a patient in Herrick Memorial Hospital suffering from a severe head injury, is conscious and "remarkably improved." Mr. Osburn fell from the roof of the residence of his parents, Mr. and Mrs. Garland Osburn of Macon, last Thursday at 5:30 p.m., when he lost his footing after extinguishing a fire, caused from chimney sparks. He was taken to the hospital in an unconscious condition.

The Tecumseh fire department was summoned when the fire was discovered. Damage to the roof was estimated at $50.

ANOTHER CIVIC PROBLEM

Tecumseh, like other communities suffering from growing pains, has many problems. Street extensions, sewer and water main extensions, road improvements, sidewalks, curb and gutter and fire and police protection are only a few of the headaches that most of us see. But there are other problems just as vital and which should command just as much attention if we are to have a planned growth and, ultimately, a community of which all of us may be proud.

We believe that it is past the time to change Tecumseh's form of government, to make Tecumseh a city rather than a village. There are those who will argue against such a program, and we have no quarrel with such a group. We are merely saying that, as we see it, such a change should be made.

We are also of the opinion that at the time Tecumseh changes its form of government from a village to a city more territory should be included within the new corporation limits. We understand that at the time a village changes its government to city form such an expansion program is purposely made easy by state law. Certainly, here in Tecumseh such a program is needed.

We know that there are residents of Tecumseh and residents of some of the areas outside the village which might be included in the new program who are opposed to such a change. It would be odd if there was no opposition. But we believe, too, that if residents now opposed to such a program thoroughly understood it, and thought it through to a logical conclusion, they would change their minds.

At the Chamber of Commerce T-Day banquet last Thursday evening the president of the Chamber declared that the organization favored a change in Tecumseh's form of government. We agee with the Chamber, and we also say again that when the question of change is submitted to electors they also should be given an opportunity to express themselves on the boundry line expansion plan.

The control of the so-called fringe areas of any growing village or city is vitally important if that community is to feel proud of its growth in years to come. It is difficult for a village or city and a township to cooperate so completely that mistakes which otherwise might have been avoided, will not be made. Zoning and building restrictions are equally important and should be enforced if fringe growth is to be controlled and property investment protected.

We understand that the Chamber of Commerce is preparing to submit the change of government proposal and the boundry expansion program to the electors during the coming year. We sincerely hope that the Chamber carries on with its program and, at the some time, launches a careful program of education so that everyone may know the benefits that may be realized.

It is only human to fear things about which we do not understand. There is no reason to fear changing Tecumseh's form of government or enlarging its boundaries. And we believe that once the voters have been told ALL of the advantages of such a change they, too, will agree that it should be done.

ONSTED

The Happy Rebekah Lodge will hold a Mother-Daughter banquet, May 15.

Mr. and Mrs. Duane Wirick and family of St. Johns have been guests of the John Maxwell family.

John Clark has been visiting his son and family, Dr. and Mrs. Maurice Clark of Boston, Md.

Mr. and Mrs. Dewitt Bennett have returned home after spending several days with Mrs. Harry Eldredge at Onondaga.

In honor of her daughter, Mrs. Robert Gibbs of Oshkosh, Wis., Mrs. M. E. Smith entertained 23 friends, Tuesday afternoon. Several musical selections were played and refreshments served.

LADIES DAY LUNCHEON

The hostesses for Ladies Day at the Tecumseh Country Club, next week Wednesday, April 26, are Mrs. R. W. Herrick and Mrs. H. H. Hammel. Luncheon reservations are to be made by Tuesday noon.

At last week's meeting, the hostesses, Mrs. Karl Schneider and Mrs. Frank Purcell, decorated the luncheon tables with Spring flowers. Later tables were arranged for progressive canasta and Mrs. Warren Benham won first prize and Mrs. R. G. Fuller, second.

GARDEN CLUB TO MEET

The Tecumseh Garden Club will meet at the home of Mrs. O. W. Laidlaw, 215 South Democrat St., Friday afternoon at 2 o'clock. Slides on chrysanthemums will be shown. Mrs. Harold Wilson, Mrs. F. C. Dickinson and Mrs. Charles Kempf are the co-hostesses.

Are You Wasting Your Money?

Home Ownership Is Your Best Investment

Home ownership is the best investment for the average person. At the end of a given period of time, you have a clear title to a piece of property which will always have a market value. All authorities agree that the trend in residential construction costs will be upward. It will pay to buy NOW.

The table to the right shows what rent amounts to in ten, fifteen and twenty years with 6% interest, compounded annually, and gives an idea of the value of the house you can pay for by applying the rent-paying habit to the task of purchasing a home.

Spring Ceremonial Is Planned Here, May 20

The regular monthly meeting of El Mecca Temple No. 93, Dokies, was held at the castle hall of Queen City Lodge No. 167 at Ypsilanti on Friday, April 15, with Royal Visier John Woolsey presiding.

Members were present from Dundee, Tecumseh and Ypsilanti.

Plans were laid for the Spring ceremonial to be held on Saturday, May 20, at Tecumseh.

Dates were set for rehearsals being held in Ypsilanti, May 5, Dundee on May 12 and Tecumseh on May 17.

The Temples moved to support the changing of the annual dates for the Grand Lodge of the Knights of Pythias from the third Thursday and Friday of September to the third Friday and Saturday. This would do away with the waste time between the closing of the Grand Lodge meeting and the D.O.K.K. ceremonial which is held on Saturday evening at 8 p.m.

The May meeting will be canceled on account of the Pythian-Pythian Sister-Dokie and Nomad ally in Hamilton, Ontario, on May 12-13.

The June meeting will be held as the Pythian Castle Hall in Dundee on June 9.

All deputy royal visiers received their certificates at this meeting.

A fine lunch was served by the Ypsilanti members following the meeting, Walter Heath and Fred Spencer acting on the Ypsilanti committee.

Why Not Make Sure You Do Not Have Cancer?

"Use Cancer Control Month — April — to make sure that you do not have cancer. Call your physician now to make an appointment for a complete physical examination, and urge your friends and your club to do the same," the Michigan Department of Health advised today.

"Only a physician can tell you whether you have cancer. Don't let the old wives' tales around your neighborhood frighten you. Go to your doctor so that you know for sure.

"If you are a man, don't feel that cancer is a woman's disease. Many men have cancer of the skin, stomach, lungs, prostate glands, intestines or rectum.

"Cancer can occur at any age, in any part of the body in either sex. It is neither hereditary nor contagious," the Department said.

"Cancer is a disorderly growth of the body's own cells. Only a physician has the knowledge, experience and skills necessary to diagnose and treat cancer. Surgery, X-ray, and radium used singly or in combination are the only recognized treatments. Some cancer can be prevented and most cancer can be cured if you visit your physician and are treated in time.

"See your physician for a physical examination. If he tells you that you have a precancerous condition or cancer, follow his recommendations. If you do not have cancer, see him again periodically to make sure that no cancer or precancerous condition appears and escapes notice. That's the surest protection known against cancer, and against the fear of cancer."

industry's accomplishments and praised Herrick for his community-mindedness.

Butler also presented four other plaques, three of them to Products' associates and the other to a downtown business man. The awards were made to Frank K. Smith, C. M. Brown and Jens K. Touborg of the Refrigeration Sales and Engineering, and to Fay Whelan of the Whelan Implement Co.

The awards were for meritorious service and in making the presentation Butler pointed out how, as members of the Products family, Messrs. Smith, Brown and Touborg with Mr. Herrick had made outstanding contributions to the community, many of them financial. It was this group that contributed about $140,000 toward the building of the new high school and it was Mr. and Mrs. Herrick and his company that contributed $80,000 for the enlargement of the hospital. Butler praised the men for their unselfishness and eagerness to share civic responsibility.

The award to Mr. Whelan was given for his untiring effort in the promotion of a civic recreation program in Tecumseh. Whelan was in a large measure responsible for the building of Recreation Center and since its inception has given of both his time and his money to make the project a success.

Ronald Harris, secretary of the Chamber, spoke briefly, reviewing the organization's activities during the past year and pointing out that a busy program lies ahead. He, too, stressed the need for cooperation of Chamber members, declaring that the success of its plans depend upon the united effort of all concerned.

Harris read a communication from Tom Scott, mayor of Tecumseh, Ontario, Canada, inviting Tecumseh, Michigan, residents to participate in a civic celebration there on July 1. Harris pointed out that a year ago, when Tecumseh observed its 125th anniversary, the Ontario village came here 1,300 strong to participate.

"The good will that was established in that visit cannot be measured in dollars," he declared. "Mayor Scott and others from the Canadian city are here this evening. I want them to know that we appreciate having them, and also to know that we are planning to return their visit during the coming summer."

With Mayor and Mrs. Scott at the banquet were Councilman and Mrs. H. P. Reaume, Mr. and Mrs. Paul Cecile and Mrs. Sid Arbor. Earlier in the day they visited the Products plant for an inspection and at the banquet they were seated with President and Mrs. J. Floyd Elliott of Tecumseh, Michigan. Mayor Scott led the delegation that came here last summer and he and Mrs. Scott have made many friends locally.

Circuit Judge G. Arthur Rathbun acted as toastmaster at the banquet and music was furnished by the Products Chieftains. The invocation was by the Rev. Allan Ramsay, rector of St. Peter's Episcopal church and community singing was under the direction of Robert H. Moore.

Hospital Ground Broken

About 400 persons witnessed the ceremony at Tecumseh Hospital at 4:30 Thursday afternoon when Mr. Herrick broke ground for the construction of an addition that will double the size of that institution. He used the same gold-painted shovel that was used a year ago to break the ground for the building of the new high school.

E. M. Campbell, president of the hospital board, spoke briefly at the service, following the invocation by the Rev. B. O. Bashore. Mr. Campbell paid tribute to Mr. and Mrs. Herrick for making the addition possible and then called upon Dr. H. H. Hammel who, in a few well-chosen words, told of the hospital's inception, its growth and need for expansion. Mr. Herrick then turned the first shovel of earth. The hospital, in the future, will be known as Herrick Memorial Hospital, in memory of the late Mr. and Mrs. Benjamin Herrick, the parents of R. W. Herrick. It is the plan of the hospital board to have the addition completed by early fall.

Before and after this service, music was furnished by the Tecumseh high school band.

High School Dedicated

Several hundred people participated in the formal dedication of the new $400,000 high school at 3:30 Thursday afternoon. This ceremony was held in the study hall of the building and Earl H. Place, superintendent, presided. In a brief talk, Mr. Place reviewed the history of the plans and construction of the building and then Harold H. Munger, Toledo architect turned over the keys to Jens K. Touborg, president of the board of education. Mrs. Ned Rosacrans presented an American flag to the school from the American Legion Auxiliary, of which she is the president, and music was furnished by Mrs. Ann Gentile and Sally Rentschler. The principal address was given by C. L. Taylor, deputy superintendent of public instruction, Lansing. The invocation and benediction were by the Rev. Alvin Brazee.

The new high school was formally opened last January 3, exactly 13 months to the day after the ground-breaking ceremony. About $140,000 of the cost of the building was borne by Messrs. Herrick, Smith, Brown and Touborg and the Tecumseh Products Co., and the remaining cost will be paid through taxation. The building will be entirely paid for in another four years. It houses the junior and senior high schools.

Band Is Given Flag

In a ceremony at 11 o'clock Thursday morning in front of the Veterans of Foreign Wars headquarters on East Chicago boulevard, the high school band was presented with an American flag and two rifles, to be used by the organization in marching events. The presentation was made by Earl Kruger, commander of the VFW and the flag was accepted by Mr. Place.

Nearly 4,000 At Products

Nearly 4,000 persons visited the Tecumseh Products Company's factory between the hours of 11 and 3 o'clock Thursday on tours of inspection previously arranged by the Chamber of Commerce. Two years ago, when the factory was thrown open for inspection for the first time, about 3,500 made the tour. It was one of the very few opportunities that the public gets to see the factory in operation.

The T-Day program is an annual affair in Tecumseh under the sponsorship of the Chamber of Commerce.

The Mayors And Their Wives

Left to right, above, are Mayor J. Floyd Elliott of Tecumseh, Mich., Mayor Tom Scott of Tecumseh, Ont., Canada, Mrs. Scott and Mrs. Elliott, as they were seated at the T-Day banquet table in Legion Memorial Home, last Thursday evening. The two mayors forgot that the "big creek" separated the two countries and enjoyed themselves completely at the dinner-meeting. (Herald Photo)

New Officers Chosen By Child Study Club

Mrs. M. R. Blanden was elected president of the Tecumseh Child Study Club, which met Monday evening at the home of Mrs. Joseph Tressler. Other officers named are: vice president, Mrs. LeRoy Titley; recording secretary, Mrs. Gerald Osworth; corresponding secretary, Mrs. Donald Cobb; treasurer, Mrs. Hubert VanCamp.

Mrs. Melvin Boltz, program chairman, introduced Miss Ila Cooper, speech correctionist in the Tecumseh schools, who gave an informative talk on "Speech Correction."

Refreshments were served in conclusion. Mrs. Duncan Oliphant, Mrs. Leo Matheny and Mrs. Eugene Judson were the cohostesses. The children's favors, carts made of cookies and marshmallows and drawn by animal crackers, were made by Mrs. Virgil Tucker, Mrs. Philip Colgrove and Mrs. Robert Ries.

Guest night and the annual dinner will be held at the May meeting.

Wit, Wisdom Banquet To Be Held On May 15

Mr. and Mrs. Leon VanValkenburg entertained the Wit and Wisdom Club, Monday evening, assisted by Mr. and Mrs. Wilfred Waldron.

The program opened with musical selections by Mrs. Waldron and a combination musical act by Mrs. Lyle Grigg and daughter Camilla, accompanied by Mrs. Waldron. Mr. Waldron gave a brief talk on a summer trip to Florida and Mr. and Mrs. Alvin Brazee told of a winter trip to Florida.

The annual banquet will be held at 6:30 p.m., Monday, May 15, in the Presbyterian Fellowship Center. Reservations are to be made with Mrs. Ellsworth Collins by Friday, May 12.

Dawn Patrol Enjoys Monthly Dinner Meet

The monthly dinner meeting of the Lenawee Dawn Patrol was held Tuesday evening in the Legion Memorial Home with 49 members in attendance. Mr. and Mrs. Claire Ramsay were chairmen of the event.

Ed Miller of Adrian was selected as the outstanding member of the year and was presented with the president's trophy. An interesting program was presented and opened with selections by the "Quartones," a newly organized quartet, composed of Lyle Harper, Jim Lister, Richard Graf and Dermont Poley. Mrs. Perrin Morningstar and Mrs. Mable Duncan entertained with a negro skit followed by Si Kring and his vest pocket minstrels.

MUSIC CLUB MEETS

The Tecumseh Music Club held its regular monthly meeting Tuesday evening at the home of Mrs. Ellsworth Collins, who presented a program of recorded music by famous composers. The club also enjoyed a comparison of the modern long-play and 45-rpm records with the older style records.

The club will hold a special meeting at 8 o'clock on Tuesday evening, April 25, at the home of Mrs. Glyde Wittrup. The next regular meeting will be on May 16 at 7 p.m. at the home of Mrs. Elizabeth Boyce. A potluck supper will be served.

TO MEET APRIL 26

Past Matrons of the Order of the Eastern Star will meet Wednesday, April 26, at the home of Mrs. John Lott, for a potluck supper at 7.

POTLUCK SUPPER

Twenty-three members and guests of the Daughters of St. Peter enjoyed a potluck supper in the parish house, Tuesday evening. The program opened with singing followed by a mock wedding. Those taking part were: bride, Mrs. Anna Hardenburgh; groom, Mrs. Anna Haughn; minister, Mrs. John Snow; bride's mother, Mrs. Sidney Wilson; flower girl, Mrs. Harry Schuch; bride's father, Mrs. O. W. Laidlaw, and ring bearer, Mrs. Lynn Hubbard. Games were played and a social hour enjoyed.

Only 15 Persons At Town Hall

HOOVER COMMISSION'S FINDINGS DISCUSSED BY U. OF M. SPEAKER

Approximately one third of one per cent of the people of Tecumseh —15 persons, to use the number— were sufficiently interested in the findings of the Hoover Commission on federal government reorganization to attend Town Hall here, Tuesday evening, when Dr. C. F. Heady, jr., who was actively engaged in the work of the commission, spoke. Dr. Heady is a member of the University of Michigan faculty.

The waste of tax monies and the gross duplication of services uncovered by the commission are unnecessary, Dr. Heady declared. He deplored the widespread antagonism of veterans' organizations towards the commission's recommendations for a revamping of the VA. No alteration of veterans' benefits is involved, he said.

The streamlining and reorganization of governmental bureaus would save millions of dollars of taxpayers' money, he declared. An example cited by the speaker of government purchasing of supplies showed that millions of dollars were wasted each year by placing thousands of small orders each costing approximately $10 to process. In many instances, he said, the cost of processing exceeded the cost of the goods ordered.

The other extreme in the purchasing of supplies was revealed by the commission when it discovered a single government bureau with sufficient supplies to last for 50 years.

"The findings of the commission are of vital interest to every taxpayer, and every means should be taken to inform congressional representatives of desired support of the recommendations," the speaker said.

This was the last meeting of the year of Town Hall, which is sponsored by the various clubs and organizations of Tecumseh.

D. A. R. Prepares For Election Of Officers

Abi Evans chapter, Daughters of the American Revolution, met Friday afternoon at the home of Mrs. B. O. Bashore, with 25 members and guests in attendance.

Mrs. Louis Schneider, the regent, presided, and named Mrs. Hoyt Whelan, Mrs. Mabel Whiting and Mrs. C. D. Branigin as the nominating committee. They will report at the next meeting.

Mrs. Burtsel Claus, program leader, presented Marlys and Evelyn Arnold who sang "Marcheta" followed by "Dearie" as an encore. Reports of the state D.A.R. convention held in Lansing recently were given by Mrs. Schneider and Mrs. A. H. Brown. A piano solo by Janet Bashore concluded the program.

Tea was served from a lace covered table centered with Spring flowers. Mrs. Claus and Mrs. Schneider poured.

The next meeting will be the annual breakfast at the home of Mrs. Branigin. Details will be announced later.

BUYS ADRIAN STORE

Clair Ramsay, 116 East Klibuck, has purchased the F. L. Ramsay Grocery in Adrian from his parents, Mr. and Mrs. F. L. Ramsay, and took possession Monday. Mr. and Mrs. Ramsay and son Dick will move to Adrian about June 1. Most of his life Clair Ramsay has been affiliated in the store, which has been operated by his parents for the last 25 years.

About The Folk You Know

Mrs. Clifford McClure and Mrs. Darrell McClure were hostesses at a shower for Mrs. Wesley Hicks, the former Jean Wilson, and her infant son, Scott Wesley, Saturday afternoon. For the diversion, each guest was asked to embroider a quilt block with her name. Mrs. Clifford McClure's mother will assemble the blocks into a quilt for Mrs. Hicks. Many lovely and useful gifts were presented to the new mother in a doll buggy drawn by little Carol Ann McClure and Dennis McClure. Refreshments were served by the hostesses. Out of town guests included Mrs. Wilam Hicks and daughter Barbara of Monroe and Mrs. Doris McClure and Mrs. Clara Moore of Brooklyn.

Alma Minister To Speak To Presbyterians, Sunday

During the absence of the Rev. Donald C. Wilson morning worship at the First Presbyterian church next Sunday, April 23, will be under the direction of the Rev. Robert V. Woods of Alma. The Rev. Mr. Woods, who is field director for National Missions, will bring as his guest the Rev. Robert M. McClure, of the National Missions Board office in New York.

Mr. Woods preached in Tecumseh last August and is glad to return with Mr. McClure as his guest. The latter has addressed Presbyterians in Jackson, Lansing, and other towns in Lansing Presbytery during this present week.

Morning worship will be at 11 a.m., following Church School at 10 a.m.

SPEAKS IN ADRIAN

On Friday, April 14, the Rev. Allan Ramsay was dinner guest of the "Get Acquainted" class of the First Methodist Church of Adrian. Following the dinner he spoke to the members about traveling by house trailer through the Western United States and showed colored moving pictures taken on one of the trips through Colorado, Utah and California.

SACRED CONCERT

Jack Zimmerman of Jackson, renowned organist, will present a concert of sacred music on the Hammond organ at the Baptist church, Sunday evening, April 23, at 8 p.m. The public is invited.

Indians To Meet

(Continued from page 1)

John Sisson, Freddie Long and George Ruhl. Tommy Hamilton, a senior, and Ken Swarts, a junior, are also included in the inner defense lineup. Jimmy Wilson, a freshman, has been trying out for first base.

Lee Phibbs, who led the team in hitting last season, will definitely play left field. Up to yesterday's game right field was wide open.

The remainder of the schedule is as follows:

April 25, Britton, there, 3:30 p.m.
April 28, Summerfield, there, 4 p.m.
May 5, Pittsford, here, 3:30 p.m.
May 9, Addison, here, 3:30 p.m.
May 12, Hudson, there, 3:30 p.m.
May 19, Blissfield, there, 4 p.m.
May 23, Clinton, there, 4 p.m.

Coach Duvall also announced the track meet scheduled with Tecumseh meeting Blissfield here yesterday. Douglas McDowell, Jack Colson, Bob Marsh, Don Bailey, Jerry O'Brien, Jim Sloan, Lee Phibbs, Donald Withrow and Donald Anderson, all lettermen, will try for track honors again this year. Clark Pearson is a newcomer to the sport.

Meets scheduled for Tecumseh are: Summerfield, May 3, 4 p.m., and Addison, May 4, 4 p.m. On May 10, the Lenawee County Athletic Association meets will be held in Adrian at 4 p.m.

Overtipping Brings Woe To American Travelers

Paris—A person who during a trip to France had made the mistake of tipping not wisely but far too well found out to the cost and eventual irritation that this is not the way to insure peace and quiet. When he left his hotel, his reputation as a "crazy American" must have been well established among the staff, for no fewer than six maids, waiters, and porters were hanging around to share in the spoils expected from the last handout.

Furious but too shy, or perhaps too polite, to protest, he obligingly slipped something into every outstretched palm. The straw that broke the camel's back occurred as he got into his taxi. A last lone palm sketched the gesture of asking for something.

"Well, what did you do?" he asked irately.

"I—I opened the door!" stammered an embarrassed voice, clearly puzzled at this decided turning by a reputed worm.

"Then close it!" came the parting shot.

The saddest feature of this story is that all hotels in France today put a service charge on the bill, and only if one is particularly pleased with a member of the hotel staff is it customary to give a small tip, except to the baggage man who puts one's cases in the taxi or car.

Similarly, many restaurants add a percentage for service, and visitors should make no bones about asking, when settling a bill, whether service is included. If not, 12 per cent is a decent tip, 15 per cent an indication that service was specially appreciated.

And do read bills through, not because hotels or restaurants are dishonest, but because it is a custom every Frenchman follows, and mistakes can occur, particularly when the customer is foreign and his order has not been fully understood.

COMMUNICATIONS

Tecumseh, Michigan
April 11, 1950

To The Tecumseh Herald.

Would you kindly print this appeal in our fine home town paper?

I am writing concerning the littering of our highways and lesser by-ways, especially those near our own lovely city, with rubbish, garbage and junk.

It is grievous to us that love our countryside and city to see it so. I am wondering why is it necessary? Is it possible that the city has not provided enough proper places to dump such things or that they have not been well enough advertised or accessable enough, to the general public?

Last spring our family was eating a Sunday morning breakfast at our table facing a window overlooking the intersection of Mohawk and Russell roads when a fine big car came into view. As it came to the corner, a rear window opened and out of that fine car came, of all things, a shower of grape fruit skins, empty tin cans, cereal boxes, vegetable peelings and so forth to remain for a long, long time, a mute evidence of someones carelessness and shame.

All during last year's pleasant weather our roads, even our pleasant route M50, were lined with old broken boxes and torn sacks ozing with garbage, bottles and tin cans. Already this spring I have seen fresh evidence of the same.

Is it necessary? Can people not find a proper place for such things? If they MUST dump their refuse along our public highways could they not at least choose a place out of sight?

How would the town people feel if the country people brought their trash into town and tossed it along the streets in front of their property?

Thank you.

Mrs. Russell Lawhead,
4950 Russell Road,
Tecumseh, Michigan.

How About A Standing Rib Roast?

Many people declare that there's not a finer, more tender or juicy beef roast than the standing rib roast.

If you're one of those who like such a roast, we'd like to supply it. However, if it's some other choice that you have, we'll furnish that, too.

And don't forget, for groceries, produce, baked goods or frozen foods, we also have complete stocks, also.

It even PROTECTS YOUR POCKETBOOK!

RAP your fist against these stout bars—feel the gauge of the bumper stock they're made of—and you know you've got stout protection here.

But then figure:

Here are *nine* bumper guards (not counting the two that hold the parking lights) so that's one extra item you needn't buy.

And each is *individually* replaceable—if damage should occur you have only a simple part or two to replace, instead of a complete, cast-metal grille.

Thus this stunning new design—freshest front-end style note on the highways—protects your pocketbook as well as your car.

Avoids costly repair bills as it avoids "locking horns" with the car ahead. Cuts upkeep as it cuts inches from the car's total length, thus making parking and garaging easier.

What you really have here is a four-way forefront. A design that sets the coming style note—avoids many a tangle with the car ahead—makes handling easier—and costs less to repair.

And note that parking-light lenses, made of plastic and set deep in recessed sockets, are well out of harm's way—even when pushing a stalled car.

You'll find this bold front end only on Buick—as you'll find Fireball power, Dynaflow Drive,* Buick's wonderful ride, and many another headline value only on these beauties.

Why not see your dealer now for the whole story—including the happy story on prices to fit practically any budget?

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

INVITATION—AND A CHALLENGE

"You never can tell till you try"—so we want you to try the 1950 Buick. And we especially want you to compare it with others. Drive any other car—then drive Buick and see what your money should buy in ride, room, handling and power.

BOY SCOUT NOTES

Pack 4

Cub Pack No. 4 held its April Pack meeting Monday evening, April 17 at the Baptist church. There was a large attendance of Cubs and their parents.

The hospitality committee for ushering, etc., was in charge of Den 5, Mrs. Don Martin, Den Mother. Opening ceremonies were conducted by Den 1, Mrs. Harold Naser, Den Mother. Cubmaster Laine Holden presented Gary Cameron with a Webelow badge, the highest award in Cubbing.

The theme of the month was flying, with the Cubs having spent their time in constructing kites. All of the Cubs had their kites on exhibition.

Den 2, Mrs. Earl Place, Den Mother, gave a history of kites, and a demonstration of the uses of kites was given by Den 10, Mrs. Lester Munger, Den Mother. Announcements were given by Den 4, Mrs. Gerald Baker, Den Mother.

Awards were presented by Den 3, Mrs. Robert French, Den Mother, including the inducting of a new member, Wendell West. Den 3 was also presented with an American flag by the Veterans of Foreign Wars Auxiliary. The presentation was made by Mrs. Richard Butler and was accepted by Mrs. French.

Closing ceremonies were in charge of Den 5, Mrs. George Elliott, Den Mother.

Following is a list of awards: Wolf Badge and Gold Arrow, Jerry Kruse; Gold Arrow and two Silver Arrows, Leo Pask; Gold Arrow and one Silver Arrow, Billy Fielder; Gold Arrow and one Silver Arrow, Gregg Mason; one Silver Arrow, Charles Hand; one Silver Arrow, Teddy Kempf; Bear Badge, Joe Hayden; Bear Badge, Jon Schuch; Bear Badge, David Lamkin; Gold Arrow and one Silver Arrow, Duane Locke; Gold Arrow, Donald Martin; Silver Arrow, Bruce McDowell; Lion Badge, Bruce McDowell, John Naser, and Allen Dickenson; Gold Arrow and one Silver Arrow, Nicky Touborg.

The next Pack meeting will be May 27 in the form of a trip to the Boy Scout camp at Washington Lake and will end up the formal meetings of the year. Lunch will be at the camp.

Wednesday evening, April 27, there will be a joint meeting of Den Mothers and the Pack committee in the basement of the library to make plans for this May meeting.

Cubmaster Laine Holden announces that the Cub group is still growing and that next year there will be a pressing need for more Den Mothers. Anyone willing to serve as Den Mother should get in touch with Mr. Holden or any of the Den Mothers.

Troop 73

Twelve Scouts of Troop 73 received their Tenderfoot badges at the regular meeting of the troop at the Fellowship Center, April 12. The following Scouts received their badges: Ashley Chase, Teddy Cornell, Ross Hadley, Glenn Haviland, Gary Hizer, Robert Manley, Robert Martin, Richard Mohr, James Place, Raymond Puffer, Harold Robinson, and Glenn Williams.

The ceremony was presided over by Al Williams, vice president of the Presbyterian Men's Club, the sponsoring organization; and the presentations were made by Sam Shervino, treasurer of the organization.

The troop then made plans for an overnight hike for the last week end in April and for a canoe trip down the River Raisin the last weekend in May.

COMMUNICATIONS

Tecumseh, Michigan
April 11, 1950

To The Tecumseh Herald,

Would you kindly print this appeal in our fine home town paper?

I am writing concerning the littering of our highways and lesser by-ways, especially those near our own lovely city, with rubbish, garbage and junk.

It is grievous to us that love our countryside and city to see it so. I am wondering why is it necessary? Is it possible that the city has not provided enough proper places to dump such things or that they have not been well enough advertised or accessable enough, to the general public?

Last spring our family was eating a Sunday morning breakfast at our table facing a window overlooking the intersection of Mohawk and Russell roads when a fine big car came into view. As it came to the corner, a rear window opened and out of that fine car came, of all things, a shower of grape fruit skins, empty tin cans, cereal boxes, vegetable peelings and so forth to remain for a long, long time, a mute evidence of someones carelessness and shame.

All during last year's pleasant weather our roads, even our pleasant route M50, were lined with old broken boxes and torn sacks oding with garbage, bottles and tin cans. Already this spring I have seen fresh evidence of the same.

Is it necessary? Can people not find a proper place for such things? If they MUST dump their refuse along our public highways could they not at least choose a place out of sight?

How would the town people feel if the country people brought their trash into town and tossed it along the streets in front of their property?

Thank you.

Mrs. Russell Lawhead,
4950 Russell Road,
Tecumseh, Michigan.

School Band Gets New Flag

A silk American flag, to be used by the Tecumseh High School Band, was presented to that organization last Thursday, T-Day, by the Veterans of Foreign Wars. The presentation was made by Earl Kruger, commander, as the band halted in front of the VFW rooms on East Chicago. In the picture above, left to right, are Bob Rowe, Earl Place, superintendent of schools, Howard Powell, Clare Camburn, director, and Joe Gregory. In the VFW group are Richard Butler, Harold Warren, George Wittrup and Commander Kruger. The Veterans also presented the band with two rifles, to be carried in marching. A school flag will be presented at a later date.

I WANT TO RECOMMEND O-JIB-WA BITTERS FOR ARTHRITIS

Detroit woman suffered with Arthritis in both legs and feet. She spent hundreds of dollars on other treatments with no results. Now she is completely better and gives full credit to O-JIB-WA BITTERS

If you suffer with Rheumatism or Arthritis, we can't urge you strong enough to try O-JIB-WA first. The experience of Mrs. June Chase, 1641 Palms Street, Detroit, which follows, is another example and typical of sufferers who try so many things without relief, before finally receiving great benefits from O-JIB-WA BITTERS.

Mrs. J. Chase

Tried Many Things Without Relief

"Because of what O-JIB-WA BITTERS has done for me, I want to take this opportunity to recommend it to every person suffering with rheumatism and arthritis. For over 6 months I suffered continually with the worst form of Arthritis in both legs and feet. The only way I could get around was to rely on someone to help me on and off the streetcar. I tried physio therapy, health shoes and everything else that I heard about or saw advertised. I spent hundreds of dollars, trying to get relief, but I might just as well have thrown the money out the back door, for in spite of everything, I got worse and finally the only way I could get around my house was with the use of a chair. Needless to say, I had to hire a woman to do my work and care for me. The arthritis spread and my fingers stiffened up, forcing me to give up sewing and playing the piano, which I enjoy very much. I have always been an active woman and among other things I am a member of the Maccabees championship drill team and have always enjoyed taking part in their many other activities. When I thought about having to give these up because of my crippled condition, I felt as if the whole world had turned against me. All my friends on the drill team knew my sorrow and felt as bad as I did about it.

Great Results in 11 Days

"I became acquainted with O-JIB-WA BITTERS through a testimonial in my local paper and decided to get a bottle and give it a trial. My results were almost unbelievable as I had only taken the medicine for 11 days when my right leg was almost completely better and in just 15 days there was hardly a trace of arthritis left. Now, I am completely better and entirely free of pain and stiffness. Once more I am able to do all the things that I used to take for granted and feel so good because I am able to really live again. My experience has led many other people to try this medicine and everyone of these people are getting good results. My husband, Frank, also took O-JIB-WA for Arthritis and he too has received great benefits. I cannot say enough for this wonderful medicine and want personally to recommend O-JIB-WA BITTERS to every sufferer of Rheumatism and Arthritis."

HERE ARE THE FACTS!

No medicine being sold today for Rheumatism and Arthritis has received such public acclaim and enthusiastic recommendation by its users than O-JIB-WA BITTERS. The reason for this is because O-JIB-WA is not just a pain deadener as are so many tablets on the market today, containing primarily aspirin and salicylates. O-JIB-WA works through the blood stream and loosens stiff joints to relieve the distressing pain, even when the stiffness has become deep seated. O-JIB-WA BITTERS has a tonic effect on the stomach, liver, kidneys and nervous system. O-JIB-WA is quick in action and aids in correcting the cause of these horrible agonies, in most cases, regardless of what you have tried without results, you owe it to yourself to try this great all herb medicine. Don't give up hope. Don't put off. Give O-JIB-WA BITTERS a chance to help you. Available at all leading drug stores in Michigan and especially recommended by:

H. R. CHRISTIANSON, PRESIDENT

MACON

Hallie Jane Mehler has resumed her studies at the University after the Easter vacation at the home of her parents.

Miss Carol Priest returned Sunday to Ypsilanti after a week's vacation to take up her studies at the Michigan State Normal College.

The condition of Robert Osburn, 22 years old, who fell from the roof of his parent's home when helping fight a roof fire Thursday about 5:30 p.m., is reported as improving. He was taken to Herrick Memorial hospital, Tecumseh, in an unconscious condition with an injury to his head. He is the son of Mr. and Mrs. Garland Osburn.

A grass fire getting out of control Sunday morning on the farm land adjoining the residences on the north side of Macon's main street caused a bit of commotion. Two fire trucks from Tecumseh were called but the fire was under control before they arrived. None of the residential property was damaged.

Mr. and Mrs. H. F. Moore and sons called Sunday afternoon on Mr. and Mrs. Gerald Carey and family in Ypsilanti.

Robert Osborne entertained recently at a dinner honoring the birthday anniversary of his mother Mrs. Elton Osborne.

Mrs. Ellsworth Collins of Tecumseh and grandson Ellsworth Manse of Detroit and Mrs. Ellen Collins of Tecumseh called Sunday afternoon on the members of the Mrs. Mary Howell household. Other callers were Mr. and Mrs. John C. Howell of Adrian.

Frank Nagy and son of Toledo were guests Saturday of Mr. and Mrs. Milton Naugle and family.

Ed Miller of Tecumseh who recently returned from several weeks at Eustis, Florida, called Friday on Macon friends.

Pythian Sisters To Hold Convention Here, April 27

The district convention of the Pythian Sisters will be held in Tecumseh next Thursday, April 27. Mrs. Luther Wood, general chairman, announced at last week's meeting of Josephine H. Hall temple, No. 49, that luncheon would be served at noon at the Legion Home and asked that all reservations be made with her no later than April 21.

During the meeting last week Wednesday evening, $5 was voted to the Cancer Fund. A memorial service was held and the charter draped for Mrs. Lucy Munson Palen of New York State, past supreme chief, whose death occurred recently.

It was announced that the Past Chiefs Club will be held at the home of Past Chief Dora Aten, Friday, April 21. Mrs. Henry Kempf, jr., district deputy, announced that she will pay her official visit at the next regular meeting, April 26.

Refreshments were served by the Most Excellent Chief Velma Miller, assisted by Mrs. George Green.

HOLLOWAY

The Raisin Center School will hold a box social in their school on Thursday evening at 8 p.m. The public is invited to attend.

EDUCATORS TO MEET

The Lenawee County Michigan Education Association meeting will be held this (Thursday) evening in Adrian at the Baptist church. Earl H. Place, superintendent of Tecumseh schools, has arranged the program, which will include music by the Blissfield high school music department and an address by Dr. Perry E. Gresham, pastor of the Central Woodward Christian Church in Detroit. During the business meeting there will be an election of officers.

TO SHOW MOVIES

John McColl will show his fishing movies at the Father and Son Banquet at the Baptist church, this (Thursday) evening. The films will be shown in the church auditorium after the dinner and short program and the public is invited to attend.

Mrs. Floyd Bryan is general chairman of the event and the banquet dinner will be served without charge at 6:30 p.m. Faye VanValkenburg has arranged the program.

CLASS ELECTS

Mrs. Jessie Brown was re-elected president of the Good Cheer class of the Baptist Church School, which met Friday evening at the home of Mrs. Floyd Bryan. Others re-elected are Mrs. Leon VanValkenburg, vice president; Mrs. Lillian Owen, secretary, and Mrs. Norman McConnell, treasurer.

B. & P. W. DINNER

The Tecumseh Business and Professional Woman's Club will meet Monday evening, April 24, in the Presbyterian Fellowship Center, for dinner at 6:45. Miss Ruth Harding and Mrs. Duaine Service will present a program on "Foreign Friends." The hostesses are Mrs. Clayton Mikesell, Mrs. Barton Meyer, Mrs. Alvin Witherell and Miss Myrtle Mattis.

New Hampshire and Indiana are the only states which have no mottos.

HE COULDN'T ELECT TO SUPPORT SENATOR

New York—One taxpayer listed his state senator and United States congressman as dependents on his income tax return. "My taxes support them," he argued. The claim was disallowed.

Biggest income tax payment received in New York during the day was a check for $36,000,000 from a corporation. It was merely a quarterly payment, said second district collector Dennis J. McMahon. The firm's tax for the whole year was $144,000,000.

Excluding the Presidents who were assassinated, four U. S. Presidents have died in office.

Father And Son Banquet Enjoyed

ABOUT 150 ATTEND DINNER AND PROGRAM AT MACON METHODIST CHURCH

"Its a Boy," was the subject of an interesting talk by Darwin Smith, principal of the elementary division of the Tecumseh Public Schools, when he addressed the annual Father and Son Banquet, Friday evening at the Macon Methodist church. Some 150 persons were in attendance and the bountiful dinner was served by the members of the W.S.C.S.

The program opened with a march, played by Robert Camburn. The Rev. C. F. Riggio, pastor, then introduced Vance Ogden of Clinton as toastmaster. William Bigelow played a piano solo and the toast to the fathers was by Charles Gorton, Jr. After an accordian solo by Max Camburn the Rev. Mr. Riggio gave the toast to the sons. Wallace Whiting, accompanied at the piano by Mrs. Jerry Spafford, sang several solos.

Clarence Hall, superintendent of the Sunday school, spoke briefly, expressing appreciation to the men for the work that has been done in remodeling and redecorating the church basement.

The Father and Son banquet at the church is an annual affair and has grown to such an extent that a near-capacity crowd was on hand for the dinner last week.

BRITAIN REMOVES 48 CIVIL SERVANTS

London—Britain has removed 48 civil servants from their posts since March 15, 1948, because of "doubtful political reliability," the House of Commons was told.

Douglas Jay, Financial Secretary to the Treasury, said that these dismissals included 22 on grounds of membership in the Communist Party, one for membership in the Fascist Party, and 25 on grounds of association with the Communist Party "in such a way as to raise legitimate doubts as to their reliability."

Salt content of the Great Salt Lake is high because there is no outlet. The lake loses water only through evaporation, leaving only the salt.

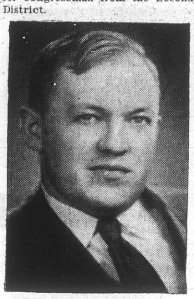
Jack Larsen In Congress Race

FORMER TECUMSEH RESIDENT ANNOUNCES CANDIDACY IN 2ND DISTRICT

Jack Larsen, Jackson scientist and former resident of Tecumseh, announced at a meeting of the Wm. Sparks Chapter, D. A. V., at Jackson, last evening, that he would seek the Democratic nomination for congressman from the Second District.



Jack Larsen

In making the announcement, Mr. Larsen outlined four principal objectives. First, he proposed to represent all of the people of the district; second, to bring to Congress an understanding of the impact of recent scientific developments in both the military and civilian fields such as special weapons and robots; thirdly, to support the progressive objectives of the Democratic party and, finally, to give particular attention to the development of leadership among young people who face one of the most critical and challenging eras of all time.

Larsen is the son of John Larsen, former president of Tecumseh village and manager of the Quaker Oats Co., here. He is a graduate of Tecumseh high school, of Princeton University, 1942, received his M. A. degree from the University of Michigan in 1947 and has taken special courses at the University of Cincinnati, University of Baltimore and Henry Ford Trade School. He taught physics at Princeton and in Jackson Junior College. He served in the Army, was discharged for disability at Infantry School, and since 1942 has spent most of his time in the development of electronic systems for guided missiles. He is a member of the Disabled American Veterans, American Legion, Institute of Radio Engineers, Acoustical Society of America, The American Physical Society. He is married and has two children. This is the first time Larsen has sought public office.

Rate Boost Due To Higher Costs

INCREASE IN LABOR, MATERIAL, TAXES MAKES HIGHER PHONE RATE NECESSARY

The "across the board" rate increase, being sought by the Michigan Associated Telephone Company in Tecumseh, affecting all major classes of service at all exchanges, is necessary, according to H. R. Christianson, president, because of increased labor costs.

Mr. Christianson said that while the gross income of the company was higher, increased costs of labor, materials, and taxes have caused a greater increase in the company's operating expenses. The resulting unsatisfactory net income does not provide sufficient earnings to pay an acceptable return on the company's investment and attract additional new capital to improve and expand the service.

The increase that the company is asking is a sharp one. Under the proposed new rate the business phone rental in Tecumseh would be boosted from $4.50 to $7 monthly. The one-party residence phone rate would jump from $2.90 to $4.15. The two-party business phone would cost $5.75 rather than $3.85 and the two-party residence phone would jump from $2.50 to $3.65. Four party residence phones would cost $3.15 rather than $2.15 monthly under the new set up.

The company has given notice that it will ask the Michigan Public Utilities Commission at Lansing for authority to file the rate boost on May 5, at which time a date for hearing will be set.

The Michigan Associated company owns and operates 72 exchanges serving over 75,000 stations. Next to the Michigan Bell Telephone Company it is the largest telephone company in Michigan.

School Board Asks Bids On 2 Quonset Houses

The school board is asking for bids for the purchase of two quonset type houses at 305-07 East Shawnee, which it desires removed from the property not later than June 1. The lots on which the houses stand recently were purchased by the board from Rual Gomez. Bids for the purchase will be received by the superintendent of schools until 4 p.m., May 16.

The board purchased the lots for the purpose of making an entrance to the new junior-senior high school from Shawnee street. As soon as the houses are removed a side cement sidewalk will be constructed and the remainder of the lot graded, seeded and landscaped.

1,500 Crowd At Jersey Auction

MEADOWRIDGE FARMS SALE NETS $70,000; ONE BULL VALUED AT $10,000

What is said to have been the largest and most successful reduction auction sale in the Jersey cattle breed was held last Saturday afternoon at Meadowridge Farms, Ridgeway, owned by Mr. and Mrs. C. M. Brown of Tecumseh. Seventy-six animals were sold and the sale netted more than $70,000. About 1,500 persons attended and bids were received either in person or by mail from practically every state in the union as well as Mexico and Canada.

The top priced animal in the sale, according to Dale Dean, farm manager, was Jester Royal Jester, a 2-year-old Jersey bull. The Browns sold a half interest in this animal to Mackmannor Farms, Oakland, Ind., for $5,000. The second highest priced animal, another bull, Thomas Basileus Pinn, sold to the

Over 200 Attend Legion Banquet

DISTRICT CONVENTION HELD HERE, SUNDAY; FR. COLLINS SPEAKER

Over 200 persons attended the second district meeting of the American Legion and Auxiliary here, Sunday afternoon and evening. The afternoon sessions were held at the high school followed by a banquet at the Legion Home in the evening.

During the afternoon sessions, which began at three o'clock, state commander, Gerry Barr, delivered the main address and urged a combined Legion effort against Communism. Commander Barr said the Legion was the outstanding organization fighting against Communists and other subversives. He urged an increase in membership and asked each Legionnaire to write their congressmen instructing them to vote against the Hoover Commission report as it concerns the veterans.

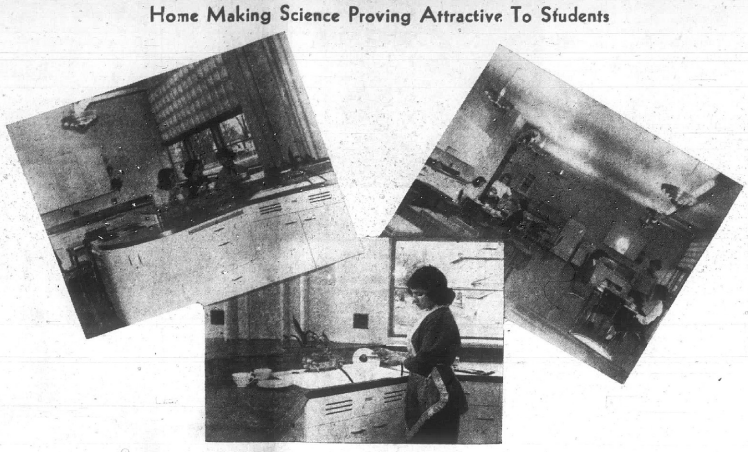
The Auxiliary of Underwood-Orr post served the banquet in the dining room of the Legion Home in the evening. Jerry DuFour, commander, introduced C. J. Malone of Metamora, Ohio, as toastmaster. Mr. Malone introduced several dignitaries present, including Mr. Barr, Lisle Alexander of Plymouth, state adjutant; Harmon Wright, second district commander and J. Floyd Elliott, village president, and Mrs. Elliott. Several guests from the third district were also present. Fr. Michael Collins of Tecumseh delivered the main address, his topic being "For God and Country." The Gay Deceivers of Hudson provided the entertainment.

Brother Of Local Folk Dies In Auto Accident

Mr. and Mrs. Carl Fosbender, Shirley and Conrad, Mr. and Mrs. Walt Dailey, Mr. and Mrs. J. D. Cook and Mr. and Mrs. Robert Cook were in Hillsdale, Wednesday, to attend the funeral of their brother, Chester Cook, 25, of Hillsdale, who died Sunday morning in Foote hospital, Jackson, from injuries received in a truck-car collision on M-60 near Concord, last week Tuesday.

Mr. Cook suffered fractures of the head, arm and leg and never regained full consciousness. Surviving Mr. Cook are his widow, Shirley, three sons, ages five, two and nine days, his parents, Mr. and Mrs. Loyal Cook of Route 3, Hillsdale, three sisters, Mrs. Fosbender, and Mrs. Dailey of Tecumseh and Mrs. C. F. Jackson of California, and six brothers, Dayton and Clyde of Hillsdale, Louis of Reading, Robert and J. D. of Tecumseh and Kenneth of Texas.

Home Making Science Proving Attractive To Students



Photos above show three sections of the home economics department of Tecumseh High School, destined to be one of the most popular sections of the school. Upper left, Bonny Beasley, Joan Johnson and Pat Craig are discussing some food lab problem; center, Janet Bowser is trying out the new brush-type dishwasher and, upper right, Bonney Beasley, Marietta Service, Joan Johnson, Alice Osburn, Pat Craig and Josephine Powell may be seen in the dining section, sampling some of the food that has been prepared.

The Herald's candid camera snapped the photo above in the cafeteria kitchen of the new high school just before the doors were opened on Monday. Everything is in readiness to accommodate the students, who are always in a hurry. From left to right in the picture are Mrs. Mildred Gove, Mrs. Martha Kuhn and Mrs. Marie Listman. Mrs. Kuhn is the director of the home-ec department of the school.

SCHOOL AIN'T LIKE IT USED TO BE, GRANDPARENTS OBSERVE

Lunch Includes Everything - Fruit Juice To Music

Going to school today is a far cry from the days when Dad and Grandpa trudged for miles in wind, snow, rain and heat to the little red schoolhouse and at noon-recess ate their cold lunches in the woodshed or in the shade of the old apple tree—with the birds and the bees as their closest companions. The days of the dinner pail are gone.

"It ain't that way any more," especially if you are a student at Tecumseh public schools and enjoy eating your lunches in the new cafeteria with all of its fancy enamel, chrome and stainless steel equipment.

And what lunches! And for two-bits, just twenty five cents!

Here's a sample menu of the ordinary lunch:

Escalloped potatoes and ham, buttered rolls and green beans, jello, milk and grapefruit juice.

And, in addition, a juke box furnishes music—"just like downtown."

Mrs. Martha Kuhn is the director of the home-ec department and cafeteria which opened on Monday of this week in the new $400,000 high school. She is assisted by two or three women and girls in home-ec classes.

The cafeteria will seat 150 and it is busiest, of course, during bad weather.

Until about the first of April, when government subsidy for school meals was reduced, the lunch cost only 20 cents. But the subsidy was cut from 9 cents to 3 cents, consequently the price had to go up. But the school shares in foods from the Surplus Commodities Corporation, besides. That is how the cafeteria operates as cheaply as it does.

This week the school received five frozen turkeys and considerable other food. Usual shipments from SCC include butter, cheese, potatoes, apples, honey and canned fruits and vegetables.

Band Concert Here, May 4th

DIVERSIFIED PROGRAM TO BE PRESENTED AT CENTRAL AUDITORIUM

A concert will be given by the Tecumseh high school band, Thursday, May 4, at 8 p.m., in the auditorium of the Central building.

The band, under the direction of Clare Camburn, will present a diversified program of standard band literature interspersed with several solos and instrumental ensembles. The solos and ensembles include a saxophone quartet, a clarinet quartet, a flute and horn duet, a flute solo, and a cornet quartet.

Tickets are available by contacting any band member. The proceeds will go toward the purchase of new school-owned instruments.

SUFFERS BROKEN HIP

Mrs. Edna Parker, 81, is a patient at the University hospital, Ann Arbor, suffering a fractured right hip, received when she fell at her home on West Chicago Blvd., Monday evening. Mrs. Parker was removed to Herrick Memorial Hospital, Tuesday morning, and later to the Ann Arbor hospital.

Mrs. Bertha Allen, who has been caring for Mrs. Parker for almost a year, left Tuesday for Brighton.

Beware Of The Rackets That Bloom In Spring

Beware of the rackets that bloom in the Spring is the admonishment of the Chamber of Commerce in an announcement today. The National Better Business Bureau of which the local Chamber is a member warns that the coming of Spring brings on perennial rackets that plague the home owner.

Among those for which there is a particular warning are the following: The phony "tree surgeon," the strangers peddling shrubbery, bulbs, topsoil, humus, etc.

To these may be added hedge barbers, furnace engineers, gutter repairmen, cesspool cleaners, and itinerant roofing and siding repairmen.

The Chamber and the Better Business Bureau give this advice: "Deal only with established, reputable firms and individuals in these lines. You can always find them if trouble develops."

PLAN FOR BANQUET

The Methodist Guild met Tuesday evening at the home of Mrs. Norman MacNaughton in Adrian. Plans were made for the Mother-Daughter banquet to be held Wednesday evening, May 10, at 6:30. Tickets are available from any of the Guild members.

Mrs. Lenore West gave a report of the Methodist women's conference she attended in Cleveland recently. Refreshments were served by the hostess assisted by Mrs. West.

Alma College Choir To Present Program Tonight

The Alma College Acappella choir will make its only appearance in this section of the state, this (Thursday) evening at the First Presbyterian church, beginning at 8 p.m. The Presbyterian Men's Club is sponsoring the concert, which is open to the public. There is an admission charge.

The 52-voice choir, under the direction of Professor John A. Merrill, is on its annual Spring concert tour. The choir provides a superior type of music enjoyment and it presents well chosen groups representing several important periods in musical literature.

The development of the choir from thirty students has been an interesting and inspirational process of growth, both in numbers and in purely artistic achievements. The present organization includes fifty-two students who are carefully selected for membership.

3,000th BABY BORN AT HERRICK HOSPITAL

The 3,000th baby to be born in Herrick Memorial Hospital arrived on Tuesday, April 25, at 3 a.m.

The young man is the son of Mr. and Mrs. Loraln Fiak of Dundee. He has not yet been named.

Both the mother and son are doing nicely, thank you.

Housekeeping Is A Science

HIGH SCHOOL GIRLS LEARN HOW TO COOK AND SEW AND CARE FOR THE SICK

If your daughter would like to cook, sew, learn something about first aid and home nursing technique or, perhaps, get first-hand information on what goes on in a busy cafeteria she probably will enroll next year in the Home Economics Department of the Tecumseh Public Schools for some of her classes. This busy section of Tecumseh's education factory—housed in the new $400,000 high school—is ultra modern in every detail and boasts the finest and newest equipment available. The result is that Earl H. Place, superintendent, is expecting a sharp increase in the home-ec enrollment for the year of 1950-51 and he is making his plans along that line.

The modern home-ec department is a far cry from the old "domestic science" division of the school of yesterday. Three large rooms in the new high school have been given over to this department, and already more than 100 girls in junior and senior high are participating in the program.

In the home-economics department, proper, girls are taught how to cook, to bake, to mend and make clothing and, three days out of each week they are given special training in health education with Mrs. David Dick, registered nurse, in charge of this class. The Red Cross Nursing Course was added only this year and there are now 24 senior girls enrolled.

And then the department has a side-line—operating a busy cafeteria that daily feeds well over 100 children, and even more when the weather is bad. It is in this division of the course that the girls who, at some later time either must cook for their families or, perhaps for someone else, learn just what goes on in a busy restaurant.

The home-ec department and the cafeteria are operated independently of each other, except in the event of an emergency. However, the girls who are taking the course have an opportunity to do far more than observe. They actually "get their hands in the business," and find out just what is necessary to make it click.

In the home-ec department proper, there are four apartment size stoves, three of them electric and one gas. There also is a refrigerator, washing machine, clothes dryer, sewing machines and other essentials to be found in the modern kitchen or home.

Mrs. Martha Kuhn is the director of the department and for five days each week the girls are trained in some particular branch or division of the course. The room is so arranged that there are four separate kitchens, making it possible for four types of training to be given during a single class period.

In the cafeteria, across the hall, there is another spacious kitchen, equipped with electric stove, refrigerator, deep freeze, beverage cooler, dish washer, refrigerated dessert case, steam tables, work tables, etc., etc. All of this equipment is new and of the most modern design. It is here that the food for the cafeteria is prepared under ordinary circumstances. Promptly at 11:15, elementary students may visit the cafeteria for their noon-time lunches. Most of them have

OTHER IMPORTANT MATTERS ON AGENDA FOR BOARD MEET, TUES.

A heavy agenda lies ahead of the board of directors of the Chamber of Commerce for their regular meeting next Tuesday it was announced today by Ronald Harris, secretary.

Among the items for which immediate attention is necessary are the plans for Michigan Day at Tecumseh, Ontario, the first of July, our local Fourth of July observance, the program for changing to a city form of government, as well as other civic and commercial problems.

The Chamber has received a notice from Tecumseh, Canada, that the plans for the Michigan visitation are practically complete. As soon as the announcements are ready a local delegation will be invited to the sister city to hear the plans and map the details for local participation.

An educational program for the city form of government is to be planned, the Chamber believing that if the voters understand the advantages they will approve of the change.

The Chamber is also engaged in re-soliciting for memberships. "We hope that every business and professional person in Tecumseh will join us in our efforts," stated C. O. Butler, president of the Chamber. "We do not intend to miss any firms. However, these are very busy times. If a firm has not been solicited, it would help us greatly if they would voluntarily go to the Chamber office or to any of the directors to discuss the matter."

EVOLUTION — NOT REVOLUTION

Harold E. Stassen has made a thorough on-the-ground study of Britain's much publicized system of socialized medicine. His findings have been summed up in a series of articles published in The Reader's Digest. In one of them he offers this important warning to Americans: "Any plan such as that now advanced by the President to imitate the British program would be a serious failure, resulting in more deaths, more illness, lower quality health service, and a breakdown of the health professions in America. . . .

"With all our shortcomings, we now have the best health record of any major nation in the world. Evolution, not revolution, should be the method whereby we attempt to improve that record.

"The bitter experience of our friends in Britain under their mistaken government-operated health program clearly writes a prescription for a voluntary nongovernmental plan for better health in America."

Elsewhere in Mt. Stassen's article he describes and praises the remarkable growth of the various voluntary plans for providing financial protection against some or all of the exigencies of illness and accident. No one argues that these plans are perfect. Every effort is being given to broadening their provisions and still keep the cost at a reasonable level. And, step by step, great progress is being made. A sound health program cannot be created over night.

Those who advocate compulsory government health insurance are, in effect, saying that we should imitate, at a vast cost, an experiment which has failed in every important particular. That is a suicidal attitude in a matter so vital as public health.

MACON

Macon Woman's Club

At the April meeting of the Woman's Club, Mrs. Elesa Simonson of the Lenawee county health unit, and Mrs. Truman Rentschler, first vice president of the Lenawee County Federation of Woman's Clubs, were the guest speakers. Grass Burning Of No Benefit

FIRES, EVEN THOSE IN CONTROL, DO MORE DAMAGE THAN THEY DO GOOD

There would be less burning of grass in the country if farmers but realized that, for the most part, such fires do far greater damage than benefit even though they do not get out of control, George Salsbury, Lenawee soil conservation agent, declared today.

"Every spring we find a large number of farmers burning over fields and many times these fires get out of control and do plenty of damage. However, I wonder how many farmers realize that most of the burning that is done is actually damaging and expensive even if the blaze does not get out of hand," Mr. Salsbury said.

The conservation agent pointed out that there are three kinds of damage done by burning:

1. Damage to agricultural land.
2. Damage to wildlife.
3. Damage to woods or forests.

"Suppose we consider these three in a little more detail. Let us take them in the same order," he continued.

"Damage to agricultural land is caused by the burning up of organic matter that is needed in the soil. Organic matter is the life of the soil, so if we burn it up, we are losing much of the life of our soil. When the soil lacks organic matter, it is subject to severe erosion which carries away the mineral plant food in the soil.

"Organic matter also increases the moisture-holding capacity of the soil. This moisture is sorely needed during dry periods.

"Fire is of no value in weed control. In fact, it encourages weeds by making conditions more favorable for their growth.

"Fire is of very little, if any, value in insect control. Birds are excluded from an area by fire while if left there, they would destroy more insects than the fire would.

"Fire in fence rows ruins both wire and posts. It burns the protective cover from the wire in the fence, causing it to rust quickly.

"Damage to wildlife — It has been estimated that on an average 160 acre farm without any special soil or wildlife conservation measures, the value of wildlife is $36.00 annually in its control of harmful insects. This amount can easily be doubled by the use of conservation practices. Fire destroys this value.

"It is surprising to know the amount of beneficial wildlife on a farm. An average 100 acre farm with 15 acres of woods and 25 acres good pasture and the rest in a 4-year rotation would have several million beneficial insects, more than 40 kinds of beneficial birds represented by over 400 individuals, and more than a thousand beneficial small mammals. Why destroy or reduce this large number of beneficial creatures by burning.

"The beneficial insects pollinate many of our crops from which we harvest seed. They help to destroy harmful insects. Can we afford to lose these insects by fire?

"Damage to Woodlands — Most farmers try to keep fire out of woodlots and well they should. Fire kills the small trees and damages the older ones. It burns up the organic matter and leaf mold, allowing the sun and wind to dry out the soil. This slows up the growth of the trees. Fire damaging older trees lets decay start in and soon the value of the trees is greatly lowered.

"Much more could be said about the damage done by burning, but that can be another article. Can you farmers give me some good reasons for burning? Just remember that 'Burning Costs You Money'," Salsbury concluded.

Monday Club Plans New Year

DIRECTORS AND OFFICERS MEET WITH PRESIDENT TO DISCUSS PROGRAM

The executive board of the Tecumseh Monday Club met in the home of its new president, Mrs. Truman Rentschler, last Monday afternoon. Besides transacting necessary business, the board discussed plans for the coming year. Mrs. Ed Aebersold, first vice president, will assist the chairmen of departments and committees in arranging the programs for the new year. Mrs. Earl Wood, second vice president, will be busy arranging a schedule of homes for the meetings with hostesses and co-hostesses. Mrs. Ted LaBounty, corresponding secretary, was ill and unable to attend the meeting. Mrs. Lynn Hubbard, recording secretary, will act as chairman of a committee to arrange for the fall and spring luncheons. Mrs. Claire Beland and Mrs. Perry Hayden, directors, will assist her. Mrs. Veva Connor, treasurer, will serve on the budget committee along with Miss Ingersoll, a director. Mrs. Joe Rice, a director, will serve as chairman of that committee. They will arrange a budget to be approved by the members at a meeting in the fall.

The Tecumseh Monday Club was founded for the purpose of study and mental development and is beginning its fifty-sixth year. It is a member of the Lenawee County Federation of Women's Clubs and the Michigan State Federation of Women's Clubs. Through its foresight to be members of these federations, its interests have become international. Therefore, most of the club's programs are in the fields of art and literature, music, drama, applied education, international relations, world peace, social service, religion, legislation, and current events.

At the convention of the State Federation held in Detroit at the Book-Cadillac recently, the Tecumseh Monday Club was awarded a certificate in the Golden Club which is the seventy clubs which have been in the State Federation for more than fifty years. Mrs. Guy Pocklington was delegated to receive this award for the club. Mrs. Truman Rentschler attended the convention as a delegate for the Tecumseh Monday Club.

Every year the club buys a membership in the Adult Education Institute which is conducted by the University of Michigan and the Michigan State Federation of Women's Clubs. This institute will be held in the Rackham Building at the University on May 9, 10, and 11, this year. All members of the club are urged to attend.

Housekeeping

(Continued from Page 1)

had a leisurely snack before students from the upper grades are recessed for lunch.

The cafeteria seats 150 persons comfortably at plastic top tables and chrome designed chairs. It is just as easy to get your lunch at the school cafeteria as it is in any modern cafeteria in downtown Detroit or Toledo. The greatest noticable difference, perhaps, would be the check. A cafeteria luncheon at the Tecumseh school costs only 25 cents.

And washing dishes after cafeteria luncheons is stream-lined, too. Its done in a modern electric washer or in a stainless steel sink. A trap of dishes can be washed in 45 seconds and for 15 seconds it is then immersed in 180-degree water for sterilization.

The new cafeteria was opened for the first time on Monday of this week and well over 100 students were fed. A few of the teachers, too, took advantage of the luncheon. It will continue to operate throughout the school year but it has its heaviest patronage during the winter months when the weather is bad.

Mrs. Kuhn supervises the operation of the entire department. She plans the lunches and directs the cafeteria operation. This of course, is in addition to her regular class work. In the cafeteria she is assisted by Mrs. Mildred Gove and Mrs. Marie Listman.

The old home-ec department in the Central School has been remodeled into classrooms except for the kitchen which remains intact. This was done because many banquets are served in the school's gymnasium and a kitchen, of course, is necessary.

"The keeping of the kitchen in the Central building is just a service that the school desires to render to the public," Mr. Place said.

"I am expecting that the home making course of Tecumseh high will be a very popular one in the future," Place said in discussing the program for next year. "We have a very modern department, in fact its just as new as today. Girls are interested in home making, in sewing and cooking and in food laboratory work. We also think that the Red Cross Home Nursing Course will prove attractive. There seems to be little doubt but that home-ec in Tecumseh will be one of our very strong courses of the future."

VICTIM OF MERCY TRAGEDY . . . Doctors in the Knickerbocker hospital in New York City work desperately against time over Michael Woods, 68, a pernicious anemia sufferer, after he was bludgeoned in an attempted "mercy slaying." New York police say that his brother, Charles, 66, attempted to kill Michael to save him further suffering. Charles then committed suicide, dying in a leap from a third floor apartment at 211 West 107th street. He apparently never knew that his attempt to kill his brother was unsuccessful, probably thinking Michael dead when he took his own life. Michael was in a critical condition at the hospital when this scene took place.

Business Women Elect Officers

MRS. GEO. FRENCH AGAIN CHOSEN PRESIDENT; PACT SIGNING DRAMATIZED

The signing of the Atlantic Peace Pact was dramatized by members of the Tecumseh Monday Club for the Business and Professional Woman's Club, which held its regular monthly dinner meeting in the Presbyterian Fellowship Center, Monday evening.

Appropriately costumed, each one participating carried a flag corresponding to the country she represented and before signing the treaty gave the reasons why her country desired world wide peace. The playlet was much enjoyed by the audience who, at the close, joined in singing the National Anthem.

Preceding the skit, Edwin Morden and Duaine Service played a violin and guitar duet. Miss Ruth Harding was chairman of the program, which was announced by Mrs. Duaine Service.

Mrs. George French presided at the business meeting. A letter of thanks was read from the Grecian family which the club had sent a package of clothing and foodstuffs to. Edna Stautter, Nora Schultz, Mary Caruso and Catherine Wonn were welcomed into the club as new members.

Announcement was made of the county Federation of Women's Clubs meeting in Hudson, April 26, and members who desire to attend are to contact the president.

The nominating committee gave its report and the following were unanimously re-elected to serve for the coming year: president, Mrs. French; first vice president, Miss Mabel Lockwood; second vice president, Mrs. Dale Tingley; recording secretary, Mrs. Ogland Lay; corresponding secretary, Mrs. George Hay; treasurer, Mrs. Duaine Service. These officers will be installed at the next meeting May 22.

Dinner was served to 29 members and one guest at tables decorated with Spring flowers and miniature figures representing foreign countries, in keeping with the theme of the program "Foreign Friends."

Herbert Henderson, 56, Former Resident, Dies

Funeral services were held Monday afternoon from the Collins Funeral Home for Herbert Henderson, 56, of Flint, former Tecumseh resident, who died Friday, April 21, in the Flint Osteopathic hospital after an illness of four days. Dr. Norman MacNaughton officiated and burial was in Brookside cemetery.

The bearers were C. E. Lee, P. M. LeGron, Ray B. Wilcox, Herbert C. Henderson, James E. Henickson and Gordon Ray. Friends and relatives attended the services from Stoneham, Toledo, Adrian, Nicholson, Flint, Detroit, Berkley, Kalamazoo, Wayland and Tecumseh.

Mr. Henderson was born in Tecumseh November 8, 1893, the son of the late James and Lovina Mae Chase Henderson. He graduated from Tecumseh high school in 1911 and from Adrian College.

A veteran of World War I, Mr. Henderson served as first lieutenant in the Red Arrow Division. He was a member of the American Legion in Flint and of the Masonic lodge in Detroit.

Prior to going to Flint, from Lapeer 10 years ago, he was affiliated with the Ernest Kern Company, Jacob VanWormer Decorators and Chrysler Corporation. Since then he maintained his own interior decorating studio at his residence at 805 E. 7th St., Flint.

Surviving are a sister, Mrs. Ray B. Wilcox of Holly, Mich., a brother, S. C. Henderson of Dearborn and several nieces, nephews and cousins.

Cites Truck Influence On The Life Of Nation

The influence of motor trucks on daily living in the United States was cited in an address by Captain C. J. Scavarda, Michigan Trucking Association executive, before the Rotary Club, Tuesday evening, at Legion Memorial Home.

Trucks help drag our raw materials from earth and forest. They help the farmer grow his crops and send them to market. They aid the manufacturer by tying him to other plants with day-and-night deliveries. On flexible schedules they carry stuff from jobber to wholesaler to retailer with a minimum of fuss and handling. They take the goods right where they're needed, Captain Scavarda said.

Think of anything you like — the shingles on your house, your new suit, bubble gum, your daily paper, the milk on your doorstep, your wallpaper, water heater, the meat in your refrigerator, the refrigerator itself — all of it, at some time during its life, rode in a truck.

The nation's near six million truck transportation employees today constitute the largest single occupational group in America outside of farming, receiving one out of every twelve paychecks issued in the United States, employing three and one-half times more persons than any other form of transportation. In Michigan alone, about 170,000 persons work as truck drivers.

Revolutionary changes in the average American's daily living have resulted from the phenomenal increase of truck transport. In 1917, Captain Scavarda pointed out, there were less than 350,000 trucks in the United States, and most of these were confined to urban use; but today the nation's truck fleet has grown to 8,000,000 units, more trucks than are in use than in the rest of the world, virtually without limits in operations, serving America's farms, homes and industry.

Captain Scavarda also pointed out that the expanding employment of trucks has brought new markets for farmers and, in consequence, changed the entire nation's eating habits; how life in "Smalltown, U.S.A." has been made more attractive; and how trucks serve cities and their rapidly extending suburbs.

George M. Buell, 91, Is Buried At Tipton

Burial services were held at the Tipton cemetery, Tuesday afternoon, for George M. Buell, 91 years, who died in Wayne County General hospital, April 21. Earlier, funeral services were held in Plymouth, where Mr. Buell had lived with his daughter for the last few years.

Mr. Buell spent much of his life with his son, George V. Buell of Tipton. He is survived by a brother and sister, both of Des Moines, Iowa; his son of Tipton, and daughter, Mrs. C. L. Metsger of Plymouth; five grandchildren and three great grandchildren.

CARD PARTY AT CLUB

Progressive canasta was enjoyed by those who attended the Ladies Day luncheon at the Tecumseh Country Club, last week Wednesday, April 19. The individual centerpieces of roses and sweetpeas awarded as prizes at each table were used earlier, grouped together for the luncheon table centerpiece. Mrs. Clarence Beach and Mrs. A. W. Porter were the hostesses.

The hostesses for May 3 are Mrs. Dale Bowen and Mrs. Vincent Haight.

YOUTH COMMUNION

In connection with the National Youth Sunday of the Episcopal church the young people of St. Peter's church will hold a corporate communion followed by breakfast at 8:30 a.m., on April 30.

The average per animal, across the board, at the sale, Mr. Dean said was $945. Jim McCord, exgovernor of Tennessee, was the auctioneer, and he is quoted as saying that the sale was the most successful reduction event in the Jersey breed and one of the most successful in the country.

A few of the animals already had left the Brown farm on Monday of this week and others were being taken by their new owners as soon as transportation became available. Most of the animals were being transported by rail, it was said.

The Meadowridge Farms is one of the largest Jersey farms in the country. Daily, more than a ton of milk is produced.

Mr. Dean said that there still are 110 head of Jersey animals at Meadowridge.

Health Group To Study TB Vaccination Plan

The advisability of using BCG vaccination in Michigan's tuberculosis control program will come under close study of a group of public health and tuberculosis authorities who have been invited to meet in Lansing May 15.

These people have been asked to make recommendations to State Health Commissioner Albert E. Heustis on what should be the policy of the Michigan Department of Health with regard to the use of BCG vaccination.

Those invited to participate in the conference include: all state tuberculosis sanatorium directors; a committee from the Michigan Trudeau Society, a committee from the Michigan Health Officers Association, and representatives of such groups as the Tuberculosis Control Committee of the Michigan State Medical Society, the Michigan State Sanatorium Commission and the Michigan Tuberculosis Association, as well as some out-of-state experts.

BCG (Bacillus Calmette-Guerin, an attenuated bovine tubercule bacillus originally isolated in Pasteur Institute, Paris) is used in many European countries as a possible preventive for human tuberculosis. It is being used in some areas of United States on an experimental basis.

Baptist Father And Son Attended By More Than 100

"Follow me, I will make you fishers of men," was the theme of the annual Baptist Father and Son banquet held at the church, Thursday evening. Some 100 men and boys were seated at tables decorated with daffodils and miniature fish and fishing equipment. Mrs. Leota McConnell, Dean VanValkenburg, Ronald VanValkenburg and Floyd Bryan furnished music and members of the Ladies Union and Junior League served the dinner.

The Rev. B. O. Bashore gave the invocation and welcomed the fathers and sons. Ernest Harris led in group singing and Harold Black played several accordian selections. John McColl showed his movies of deep sea fishing taken in Florida during the past winter. They were interesting and much enjoyed by the group.

Organ Concert Enjoyed At Baptist Church, Sunday

A capacity audience of music lovers enjoyed an organ concert by Jack Zimmerman of Jackson at the Tecumseh Baptist church, Sunday evening.

Mr. Zimmerman, a renowned organist who presented the dedication concert of the church's Hammond organ, gave a well-rounded program including works from famous composers such as Romberg, Greig, Shubert, Strauss, Liszt and closed with Debussy's "Claire De Lune."

His program opened with excerpts from "The Student Prince" by Romberg. Other selections were "Per Gynt Suit," Grieg; "Serenade," Shubert; "Caprice Venois," Kresiler; "Parade of the Wooden Soldiers," Jessel; selected waltzes; "Nola," Arndt; "Old Refrain," Kreisler; "Tico, Tico," D'ansio; "Tales from Vienna Wood," Strauss, and "Liberstraum," Listz.

Warmer Weather Traffic Danger Time For Children

With the advent of warmer weather and longer days, State Police Commissioner Donald S. Leonard is seeking the cooperation of all motorists to hold the line against the usual increase in child pedestrian and bicycle accidents at this time of the year.

"April and May are dangerous months for children," Leonard said. "Because of the many outdoor activities that spring affords, the child's mind is far from traffic safety.

"Last year more than 6500 children under 15 years of age were killed or injured in Michigan traffic accidents. Over two-thirds of these deaths and injuries resulted from child pedestrian and bicycle accidents. There was a sharp increase during the spring months.

"Like most traffic accidents, tragedies of this kind can be avoided. True, the child is more often at fault than the motorist, but children are unpredictable and drivers should assume responsibility for them.

"Many young lives can be saved if everyone will remember that all streets, driveways, corners, vacant lots and other areas where children might be are danger zones."

Reserve Commissions Open In Marine Corps

Detroit—Commissions in the U.S. Marine Corps Reserve are now open to young men and women who are sophomores and juniors enrolled full time in an accredited college or university and who are not affiliated with any other military organization, Lt. Col. G. R. Lockard, procurement officer for the state announced today.

The colonel stated further that enrollees can pursue their normal studies without any special courses or activities demanded but they must spend six weeks during summer vacation at the Marine Corps Base at Quantico, Virginia. At the successful completion of one or two of these training periods, depending upon their year in school, and upon graduation from college they receive a reserve commission. The top five percent are afforded the opportunity for a regular commission.

Openings for 37 enlistments in the regular Marine Corps of qualified men 17 to 29 also exist in the state for the month of April, the colonel concluded.

Information on the reserve officer's program and enlisted recruiting program can be obtained at the Marine Corps Recruiting station at the Post Office in Jackson.

Early Cancer Can Be Cured

DOCTORS HAVE TOOLS TO SAVE TWO OUT OF EVERY THREE AFFLICTED

The doctors of Michigan have tools at hand to save two out of three people in the state who have cancer, Dr. Albert E. Heustis, state health commissioner, said today.

X-ray, radium or surgery will cure most cancers if they are found early enough. This state's gravest need is to get Michigan people into their physician's offices for periodic thorough physical examinations which will reveal early cancer or pre-cancerous conditions in time.

The Michigan Department of Health is engaged in an effort to get cancer prevention and control programs under way in every county in the state. For areas which do not have programs already under way, the department recommends the Hillsdale type of plan where every doctor's office becomes a cancer detection center.

The Hillsdale plan is preferred because most people would rather be examined by their own physicians; because the physician can combine the cancer detection examination with other examinations the patient requires and because the plan makes a periodic thorough physical examination for cancer readily available to every person in the state.

Most cancers occur in accessible parts of the body and can be found readily by the physician in the periodic examination. However, there are signs which may mean cancer which call for immediate examination whenever they occur. Dr. Heustis said. They are: (1) Any sore that does not heal—particularly about the tongue, mouth or lips; (2) a painless lump or thickening, especially in the breast, lip or tongue; (3) irregular bleeding or discharge from the nipple or any natural body opening; (4) progressive change in color or size of a wart, mole or birthmark; (5) persistent indigestion; (6) persistent hoarseness, unexplained cough, or difficulty in swallowing; and (7) any persistent change in normal bowel habits.

Some cancer can be prevented by early discovery and treatment of precancerous conditions and most early cancer can be cured. Thorough periodic examinations and early treatment can save thousands of Michigan lives which might be lost to cancer, Dr. Heustis said.

NEW MEMBER ELECTED TO ST. PETER'S VESTRY

At the regular meeting of the Vestry of St. Peter's church held last Thursday evening, Philip Colgrove was elected to serve the three year term made vacant by the resignation of Donald Goddard. Th vacancy caused by the death of Earl Lindsley will be filled at the next annual meeting of the parish which will be held in January.

Mr. Goddard was junior warden of the Vestry and chairman of the property committee and members of the Vestry will elect one of their number to fill this office when the next regular meeting is held on May 11.

New Racket On Dad

Bobby (short of money)—"I say, dad, have you any work you'd like me to do?"

Father (taken by surprise)—"Why—no—but—er—"

Bobby—"Then, would you like to put me on the dole?"

Mere Gown, Less She

"Do you think I look all right in my new gown, dear?" she asked.

"Hm! Yes," replied her husband, "but I would suggest that if possible you get in a little further."

Methodists To Hold Quarterly Conference

The Annual Quarterly Conference of the Methodist church will be held in the church on Friday evening, April 28, with Dr. Frank L. Fitch, district superintendent, presiding over the business meeting. After hearing the annual reports and conducting an election of officers and committee-members for the ensuing year, Dr. Fitch will address the congregation on "The Heritage of Our Faith."

Preceding the business meeting, a cooperative supper will be served to the church families at 6:30 o'clock with Dr. and Mrs. Fitch as guests. Miss Vera Gilbert, Mrs. Ernest Robison, Mrs. Mertie Waring, Miss Arlene Sherman, and Mrs. T. Rentschler will act as a committee for this occasion with members of the Methodist Youth Fellowship assisting. Dr. and Mrs. Norman MacNaughton will be present.

Donnavieve Carncross Weds Roger VanValkenburg

Donnavieve Carncross, daughter of Mrs. Lucille Gregg and the late John Gregg of Hudson, and Roger VanValkenburg of Fairfield were married Saturday afternoon, April 22, by the Rev. Alvin C. Brazee at the Iron Creek parsonage. Mr. and Mrs. Virgil Johnson of Adrian, Miss Phyllis Berry and William Kinsley of Hudson attended the couple.

A reception for the immediate families was held at the home of the bride's aunt and uncle, Mr. and Mrs. Russell Thurlby of Tecumseh, after the ceremony. Upon their return from a short trip Mr. and Mrs. VanValkenburg will reside in Fairfield.

Non-Partisan News Letter

(Special to The Herald)
By Gene Alleman

In a reply to Republican legislative leaders Governor G. Mennen Williams has re-affirmed his decision not to permit the state legislature to consider a bill in 1950 to increase gasoline and weight taxes for city and rural road improvements. As the 1950 legislative session is a special session, not a general session, the Governor is within his rights to limit bills which the legislature may consider this year.

The Michigan State Supreme Court has restored Brig. Gen. Louis A. Kunzig to his position as business manager of the Liquor Control Commission. The court opinion held that the State Civil Service Commission had full jurisdiction over a state employee in a classified civil service position. Kunzig was fired by two Democrat members of the three-member liquor board, headed by John J. Kozaren, an appointee of Governor Williams. Kunzig served under Governors Kelly and Sigler, and he qualified for his post in a civil service competitive examination, conducted by the Civil Service Commission. The court opinion serves to reinforce the authority of the Civil Service Commission in safeguarding employees from political patronage raids.

Automobile finance gouging in Michigan, as reported by the Better Business Bureau of Detroit, would be eliminated by a reform bill now before the Michigan state legislature. The sponsor is State Senator Harry F. Hittle, Lansing. The bill has already been approved by the Senate, and a favorable vote in the House is forecast this week.

A recent statement of the Better Business Bureau included the following:

"Typical complaints have disclosed gouging of car purchasers by conniving dealers and finance companies whose 'finance charges' included dealer 'kickbacks' up to $168.50 and rates of 44%, 69%, 84%, 106%, 134% and up.

"These loan shark rates can be charged with immunity because of the weird fiction that a 'finance charge' is a so-called 'cash-time-differential' but isn't interest and hence not subject to the usury laws!"

Amendments aimed at eliminating the welfare chiseler have been reported favorably by the Senate Social Aid Committee of the legislature at Lansing. Amendments would limit state matching funds to 50 percent of the county total unless a higher ratio had been approved by the State Administrative Board; require uniform rules for all county welfare boards; penalize welfare applicants should they fail to report all income; require recipients of welfare funds to take available work "at prevailing wages." These recommendations are the result of an investigation made by a welfare investigating committee headed by Senator Colin Smith, Big Rapids, Republican.

Governor Williams continues to maintain in public speeches that $110 millions in additional government taxes, if paid by corporations out of profits, would not be paid ultimately by consumers. Governor Williams says that corporations would not transfer state tax to the consumer in the form of price increases. In fact, in His March 15 message to the legislature he held: "The weight of expert opinion holds that a corporation profits tax cannot be shifted to consumers in price increases."

Increased benefits of unemployment compensation are proposed by President Truman and Governor Williams. The additional cost of President Truman's recommendations was estimated by the President in a message to Congress on April 7 to be $850 millions, all paid by employers. The federal and state unemployment tax is added to production costs and becomes another hidden tax paid by the consumer.

Lansing observers are wondering whether the state legislature can reverse a trend, abetted by pressure groups and encouraged by some Governors, of bigger and better government spending. If Republican leaders can hew to the line, balancing the state budget without imposition of a new tax for increase of state expenditures, the result will be a near miracle. The federal government finds itself unable to make ends meet, even in a period of record prosperity. It is easy to talk economy; it is very difficult to vote economy. The test will come at Lansing in a few weeks.

LEAGUE WILL MEET

The Westminster Junior League will meet Wednesday, May 3, with the Golden Rule Circle in the Fellowship room of the Presbyterian church at 8 p.m.

Bogata Educator To Speak Here On Sunday

Morning worship at the First Presbyterian Church next Sunday, April 30, will be under the direction of the Rev. Alvin L. Schutmaat. Mr. Schutmaat is at present in Ann Arbor doing graduate work at the University. He is on furlough from the Presbyterian Mission station at Bogota, Columbia, where he is principal of the Colegio Americano.

His wife, known to Presbyterian women throughout Lansing Presbyterial, has returned with him and is spending the furlough time with their three children at the home of her parents in Holland.

Mr. Schutmaat is a classmate of the Rev. Donald C. Wilson, graduating with him from McCormick Theological Seminary in Chicago in 1945. Immediately after graduation he prepared himself for work in South America. He comes here with a first-hand experience of Protestant youth work in Columbia.

Eat More Beans, They Are Inexpensive Food

The Michigan Department of Health today advised Michigan people to eat more Michigan beans. Beans, it said, are a low cost meat alternative.

Michigan navy beans are an economical and tasty source of protein, iron and B vitamins. They are among the basic foods which should be included in almost everybody's diet. The lower the income the more often Michigan beans should appear on the table.

Meals of the average family should include each month—boiled or baked, in soups, in salads, or in sandwiches, the Department said.

Michigan residents should take advantage of the fact that the farmers of the State produce about 95 per cent of the nation's bean crop, the Department said.

TO MEET MAY 3

The Golden Rule Division of the Presbyterian church will meet Wednesday evening, May 3, in the Fellowship Center at 8 p.m. The regularly scheduled date was Tuesday, May 2, but due to conflicting activities in the meeting place it was changed. Members of the Westminster Junior League will be guests.

Are You A Reader Of The Almanacs?

IF YOU'RE NOT, WHY DO BUSY MEN PREPARE THE FACTS, FIGURES?

The American public bought 260,000 electric irons in 1941. In 1919, 3,518,000 short tons of wood pulp were produced in the United States. So say the almanacs.

If you were aware of the above figures before this reading, psychologists will aver that you are an easy person to get along with. Being able to quote facts and figures, psychologists claim, goes hand-in-hand with having an amiable personality.

But folks in this category are few, and form a small minority. So it is likely that you fall into the trouble-making bulk of society which has no idea that in 1939 there were 1,134 roller rinks in this country!

Every year, almanacs of all types and descriptions are published, containing heaps of neat, tidy numbers and facts, all of which go completely unnoticed by you. Busy little men work furiously for many many hours in order that you might know that in 1919 the United States had 3,922,000 mules within its borders. And, do you bother to read the busy little men's efforts?

Unless you start paying more attention to the facts published in all our almanacs, there's no telling what to expect. You may throw the country into economic chaos and create a depression heretofore unbeknownst to mankind!

* * *

Science investigation has shown that recognition is one of man's basic drives. Take pool parlors, for instance. Almanacs are forever having trouble keeping track of them. In 1939 the almanac counters went out from Maine to California and counted 12,998 billiard and pool parlors. The almanac appeared, you and your inattentive friends were busy reading the local society news, and the pool parlor counters threw up their hands in disgust.

Q. And why were you and your friends reading the society page and local news?

A. Perhaps because it was satisfying your basic drive for recognition.

Now in 1945 thousands of farmers and farmhands managed to yank 2,456,000,000 pounds of beets out of the earth. All these men were sweating in the beet fields, thinking, "We" push the number right out of the side of the almanac this year!" How do you think they feel when they discover that you didn't even take the trouble to read the results?

* * *

Fortunately, up until today, people like the sewer contractors, who emerged with $97,000,000 worth of sewerage in 1945, have been reluctant to admit that you have failed to pay them homage, or even memorize their activities as listed in the result books. But things will turn upside-down if the millions to whom the almanacs pay tribute should suddenly come to the full realization that you "just don't care."

For your own as well as posterity's sake, start studying the almanacs now, and the next time you see someone you don't know, even if you can't remember how many bushels he produced last year, give him a hearty slap on the back and tell him you always read his swell write-ups.

Don't Cook Vegetables Too Long, State Advises

You probably cook your vegetables too long. Most people do, according to Mrs. Alice Smith, chief nutritionist of the Michigan Department of Health.

Don't stew your vegetables until they slump, Mrs. Smith says in an article on "Vegetable Cookery," in the March issue of Michigan Public Health, official bulletin of the Michigan Department of Health. Cook vegetables the shortest amount of time possible to make them tender and edible, she says. This means cooking fresh green corn three to five minutes and shredded cabbage three minutes. Use as little water as possible. Plan your meals so you serve the vegetable as soon at it is tender.

Use more vegetables raw. Try raw cauliflower in your salad and rutabaga strips on the relish plate. Bake tomatoes whole and cut carrots lengthwise for cooking to save nutritional value, Mrs. Smith advises.

The article gives suggestions for preparation and cooking of vegetables, and for their use in salads, on relish plates and as a garnish. Copies of the March issue of Michigan Public Health which contains the article or a year's free subscription may be obtained by sending a postcard to the Michigan Department of Health, Lansing 4, Michigan.

BONE BANK . . . The U.S. navy has a bone bank, similar to a blood bank, at the naval hospital in Bethesda, Md. Bones are obtained from amputations and operations. Some are kept in whole sections; some are ground. Here, a technician processes a rib for the bank under sterile conditions. The bone will be ground into small bits and made into bone "patties" for storage. Navy scientists are seeking ways to keep skin alive indefinitely as they can keep bones. A skin bank has already been started.

1950 Seen As Measles Year, Care of Children Urged

This is a "Measles Year" in Michigan: cases are appearing at the rate of 2,500 a week, the Michigan Department of Health said today.

Measles is especially dangerous in small children. Watch your older children for symptoms so that you will know if the young child is exposed. Call your doctor at once if your child is exposed.

The Michigan Department of Health recommends modification of measles cases in all children under six years of age, and the prevention of measles in infants and unwell children.

The physician can use gamma globulin for either modification or prevention of the illness but its success in either case depends on the parent's knowledge of the time of exposure. To prevent measles it must be given immediately after exposure. To modify measles, it must be given on the fifth or sixth day after exposure. Modification of measles makes the case light and prevents complications, but it gives the child a lasting immunity to the disease. Prevention of the disease gives only temporary protection.

Gamma globulin, the product used to modify or prevent measles, is a blood fraction distributed through the local health departments to the physicians of the state. It is provided free of charge through the cooperation of the American Red Cross and the Michigan Department of Health.

A child who has been exposed to measles usually develops cold-like symptoms in about ten days; the rash follows in about four more days. The disease is most communicable in the three or four days before the rash appears. Complications of untreated measles cases may include damage to the eyes, ears, glands, throat and brain.

Measles cases and those suspected of having the disease should be isolated in the home. The home is not quarantined and, providing the case is adequately isolated, no restrictions are placed on others living in the house. A warning placard may be placed on the house if the health officer believes it advisable.

Yur Kar's Jist a Leetle on th' Humin Side

When it Kums To Gettin Spring Fever And The Heebe-jeebes

Yep, yuh kant expkt yur kar to keep on runnin indefinitely without gettin Spring Fever and some of the other komplaints some o us humans git if yuh don't give her a rest once in a while and get her tuned up.

Kars are funny like, we says up here at our hoss-tradin hospitul. We sees dozens of em every day and always when they kum to the hospitul they got ailmunts. Waal, this may be tellin a sekrit like but yuh know if their owners would jist bring em in once in a while for a little tonik and check-up they'd save themselves dollars and dollars.

Now why don't yuh, instead of cussin the nag, bring her here for a Spring Tune-up. We've got a very inespensiv deal on right now—costs yuh less than five bucks. Yull be sprized how frisky the old crate'll be after we gits thru workin on her, and you'll git a lot more joyment outa drivin her.

Course, if yuh want'a wait till she brea ks down, that's all right, too. We'll jist git more money when yuh do bring her in, lim pin and puffin — if she's able to.

MR. AND MRS. BYRON COVELL CELEBRATE ANNIVERSARY ON SUNDAY

Honoring Mr. and Mrs. Byron Covell on their 50th wedding anniversary, Sunday afternoon, April 23, 200 guests attended a reception held at the Congregational Christian church in Britton.

The lace covered table was centered with an attractive crystal bowl of yellow roses and yellow candles in crystal holders, and a lovely decorated five-tiered wedding cake, topped with two golden bells. Large bouquets of spring flowers decorated the room and the lovely gifts from relatives, friends and organizations added a touch of splendor to the occasion.

Mrs. Jennie Youngclove, Mrs. Bert Pocklington of Adrian, Mrs. O. E. Priest of Macon and Mrs. Clayborn Underwood presided at the table to serve the refreshments. Miss Brenda Jane Covell had charge of the guest book.

Guests were present from Maywood, Calif., Toledo, Fayette and Mulberry, O., Milan, Maybee, Clinton, Plymouth, Monroe, Athens, Howell, Northville, Macon, Dundee, Tecumseh, Onsted, Detroit, Adrian, Tipton, Wayne, Trenton, Deerfield, and Britton.

During the afternoon Joseph Tracy of Plymouth sang several selections accompanied by his granddaughter, Brenda Jane Covell.

Mr. and Mrs. Covell were married April 24, 1900 on Mr. Covell's birthday anniversary in Monroe, Mich., by Rev. Matthews. Mrs. Covell was formerly Miss Eva Keller of Dundee. Mr. Covell was born near Britton and spent all his life in this vicinity. Their attendants at their wedding 50 years ago were the bride's brother and wife, Mr. and Mrs. Peter Keller of Northville and this couple were present for the celebration Sunday. Mrs. Covell is 66 years old while Mr. Covell is 79 years old. Mr. and Mrs. Covell have four children, Roy Covell of Maywood, Calif., Ray Covell of Plymouth, Mrs. Lawrence Miller of Howell, and Harold Covell of Clinton. They have five grandchildren.

Congratulations by telephone were received Sunday evening from their son Roy and family at Maywood, Calif. Miss Hazel Covell of Maywood, Calif., was present for the occasion. A telegram of best wishes arrived from Mrs. Ardia Almstead Winsley of Yuma, Aris.

Houghton Portrait In U. M. Collection

PICTURE CONSIDERED IMPORTANT ADDITION TO UNIVERSITY HISTORICAL DATA

ANN ARBOR—A portrait of Dr. Douglass Houghton that is 100 years old has been given to the Michigan Historical Collections at the University of Michigan.

The portrait adds another important item to the Collections' material on the noted physician and geologist who was responsible for the discovery of the Upper Peninsula's mineral riches, according to Dr. F. Clever Bald, assistant director of the Collections.

The portrait was given to the Collections by Mrs. Theodosia H. Thode and her brother, Douglass Houghton, grandniece and grandnephew respectively of the scientist. They now reside in Arcadia, California.

The painting is the work of Alvah Bradish, an artist who painted portraits of all the men of note in Michigan a century ago. He was on the University faculty as a professor of fine arts from 1852 to 1863. The portrait bears his signature and the date 1850. This was five years after Houghton's death, but Dr. Bald is certain the painting was made from an 1835 portrait for which Houghton had posed.

The subject of the painting had a most unusual career, according to Dr. Bald. Born in Troy, New York, in 1809, Dr. Houghton was graduated in 1828 from Rensselaer Polytechnic Institute. He was admitted to practice as a physician, and was soon appointed assistant professor of chemistry and natural history.

In 1830 he was invited to go to Detroit to lecture on chemistry and geology. His evident ability as a scientist and his attractive personality made so great an impression that he was asked to remain. In Detroit he practiced medicine, performing heroic service in the cholera epidemic of 1834. He continued his scientific research, accompanying Henry R. Schoolcraft as physician and botanist in 1831 on his expedition to discover the source of the Mississippi.

Appointed State Geologist of Michigan in 1837, the first to hold the office, his untiring explorations led to the discovery of salt in the Lower Peninsula and of copper and iron in the Upper. In 1839, he was appointed professor of chemistry, mineralogy and geology at the University of Michigan.

Dr. Houghton was drowned while pursuing his exploration of the Upper Peninsula when, on October 14, 1345, his boat sank in a storm off Eagle River. A great monument of native rocks has been erected there in his memory, and his name appears on one of the four sides of the marble cenotaph on the campus of the University near the Library. At the time of his death, Dr. Houghton was only 36 years old.

This is the most recent gift made to the Collections by Mrs. Thode and Houghton. Earlier they had given valuable papers of their grandfather, Jacob Houghton, a brother to Douglass and one of the developers of the Upper Peninsula.

Most Cancer Can Be Cured

ORGANIZATION OF LOCAL CONTROL SOCIETIES IS URGED BY STATE

"There are people in every Michigan community whose lives may be saved by the organization of a community cancer control program," Dr. C. J. Poppen, chief of the Section of Cancer and Adult Health Services, Michigan Department of Health, said today.

"Some cancer can be prevented and most early cancer can be cured. To prevent or cure cancer requires periodic physical examinations of the adult population of a community.

"Every Michigan community has the nucleus of a cancer control program in its local medical society, its local chapter of the American Cancer Society, and in most areas, a local health department. In almost half of the communities of the state these organizations are already working on cancer control programs.

"If there is no cancer control program in your community, you or your organization can 'spark plug' one," Dr. Poppen said.

"The control program most adaptable to Michigan communities is the Hillsdale Plan under which every doctor's office becomes a cancer detection center. This is the plan recommended by the Michigan Cancer Control Committee, composed of the Michigan Department of Health, the Michigan State Medical Society and the Michigan Divisions of the American Cancer Society.

"If you are interested in a program which will make possible the prevention of cancer through discovery of pre-cancerous conditions and the cure of cancer through early discovery and adequate treatment, contact your local health department medical society or chapter of the American Cancer Society to find out what is being done and where you can help. Then be sure that you go to your physician for periodic physical examinations for cancer and for additional examinations in between if you develop any of the signs of cancer," Dr. Poppen urged.

Signs which may mean cancer and which call for immediate physical examination are (1) Any sore that does not heal—particularly about the tongue, mouth or lips; (2) a painless lump or thickening, especially in the breast, lip or tongue; (3) irregular bleeding or discharge from the nipple or any natural body opening; (4) progressive change in color or size of a wart, mole or birthmark; (5) persistent indigestion; (6) persistent hoarseness, unexplained cough, or difficulty in swallowing; and (7) any persistent change in normal bowel habits.

"April—Cancer Control Month—is a good time to have your first physical examination for cancer, and there is no better time than NOW, to do what you can to help cancer prevention and control in your community," Dr. Poppen said.

From where I sit ... *by* Joe Marsh

His Punch is His Signature

Was on the train up to Central City the other day and when the conductor came around, I asked him why their ticket punches make such odd-shaped holes in the ticket.

"Every conductor in the country has a different design for his punch," he tells me. "Some even show up a fellow's preferences. Now take mine. The hole it makes looks like a beer goblet."

Sure enough! Then he went on to say that the punch is just like the conductor's signature. Makes it easy to trace tickets . . . to check up if something happens.

From where I sit, even though your ticket is punched differently from mine, it still gets you where you're going. Just like people with their opinions. You might like coffee, another person, tea—and I'll settle for a temperate glass of beer. But what does it matter, so long as we respect the *right* of the other to have tastes and opinions? We're all trying to go in the same direction — towards a friendlier, more pleasant world for all of us.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS OF the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman . . . upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good . . .

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The *real* reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good . . ."

PRESIDENTIAL FACT FINDING BOARD REPORT

Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation . . ."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

State Police Render Service

LARGE NUMBER OF CALLS RECEIVED DO NOT REQUIRE USE OF HANDCUFFS

The Michigan State Police last year received a total of 67,350 complaints including everything from homicides to empty coal bins.

However, not all involved arrests or prosecutions; more than 18,000 were closed by "service rendered." These were cases of a non-criminal nature such as searches for lost persons, emergency rescues, delivering emergency messages, administering first aid and other services.

So far this year about 4,000 complaints have been closed without the use of handcuffs, warrants, sirens, microscopes or other tools of the law enforcement officer's trade.

On one occasion officers located relatives of a woman living in Canada by tracing them through a letter written over 75 years ago.

One trooper turned furnace repairman when a family with several small children reported that their oil furnace went out and they were unable to locate anyone to fix it. On another occasion two officers rescued a dog that had fallen through the thin ice on a river.

There is no set time during the day or night when the troopers respond to calls for assistance. Recently a woman called one of the posts in the southern part of the state at three in the morning. There was a rat in the house and she wanted the officers to dispose of it.

One of the most unusual complaints thus far in 1950 was received at the Flat Rock post. A man called to ask if someone would take his wife to the hospital. He was unable to get his car started and could not afford to hire an ambulance. The wife was expecting a baby.

Troopers Harold A. Ernst and Jack G. Murdock rushed to the home only to find it was too late to attempt a race with the stork. Trooper Ernst delivered the baby with the aid of the grandmother while Trooper Murdock located a doctor.

Both the mother and new baby girl were doing nicely when the officers left to answer another call, perhaps a breaking and entering or even a murder that would require hours upon hours of questioning, searches, identificatons and, subsequently, arrests.

But then, maybe it was just one of those complaints that are closed with the simple, laconic phrase on the officer's report, "service rendered."

Exchange Ladies Night Is Attended By 175

About 175 members of the Tecumseh Exchange Club, their wives and guests enjoyed the club's annual ladies night program, Monday evening at Tecumseh Grange Hall.

The meeting opened with the pledge to the flag, the invocation by the Rev. B. O. Bashore, pastor of the Baptist church, and an excellent dinner, served by the ladies of the Grange.

Kenneth D. Hall, acting vice president, presided at the meeting and introduced Ellsworth Collins, Ned Rosacrans and L. P. Williamson, past presidents, who spoke briefly. He also presented Mrs. Lindsley, widow of L. Earl Lindsley, president of the club, who died recently. Group singing, was under the direction of John Saling and fines were collected by Gordon Garlick, Archie Porter and Jack Morehouse. During the dinner, a quartet from Adrian College, composed of Bob Brown, Monte Ocha, Tom Gilman and Stuart Bachus, sang several selections.

The group then adjourned to the auditorium of the hall where a program, presented by the Gay Deceivers of Hudson, was enjoyed. Later, there was dancing with music by Ladds Orchestra.

HERE ARE SOME DO'S AND DON'TS THAT MAY SAVE YOUR LIFE

Let Clean-up Time Benefit in More Ways Than One

Spring is Clean-Up Time. The the Michigan Department of checking-up, cleaning-up and re- Health said today. pairing you do may save your life, or limb or those of your family, Fires and falls cause three out of four fatal accidents which occur in Michigan homes. Fires, machinery, falls and livestock cause nine out of ten fatal accidents which occur on Michigan farms. Many such accidents can be prevented by clean-up and repair.

Have your heating system completely checked for cracks, rusting or other defects.

Have a competent electrician check your electrical wiring and appliances and replace all frayed wiring.

Remove all rubbish, rags and papers from basement, attic, garage or barn.

See that all stairways are adequately lighted, solid, and free of toys, tools or rubbish.

Use a ladder for any climbing you must do. Don't climb on chairs, tables or boxes.

Clean out the medicine chest; get rid of all old medicines and mark poisons clearly.

Put all insecticides, laundry bleaches, cleaning compounds and other poisons well out of the reach of children.

Check your farm machinery, especially the tractor and power equipment to make sure it is in proper working order and that all guards are in place.

Make sure that your harnesses are in good repair and that your stanchions and fences are strong enough to hold your farm animals.

Make a rack for your farm and garden tools and keep them in it.

Fill up that old cistern, well or septic tank on your property.

Clean up the barnyard and outbuildings and fill up water holes to eliminate insect breeding places.

This is only a partial list for Clean-Up Month, the Department said. By looking over your own house, lawn, garage and barns you can find many other hazards which you and your family can remove during Clean-Up Month.

ONSTED

The Onsted Parent-Teacher Association held its annual birthday banquet at the school, last week Wednesday evening. Members of the senior class—13 boys and 13 girls—served dinner to some 200 guests. Mrs. Rolland Curtis was general chairman, Mrs. Roy Allshouse was chairman of the kitchen and Mrs. Lynn Riley of the dining room. Dr. Bruce Wilson, dean of Adrian College, was the guest speaker and urged the parents and teachers to train their children in a Christian philosophy of life, that they may be able to cope with the various social problems.

Guests of Mr. and Mrs. Leon Johncox are Mr. and Mrs. David Mettatel of Monroe.

Mr. and Ms. LaVern Drake, Mr. and Mrs. Herald Drake and Mrs. Jennie Smith were in Parma, Thursday, for the funeral of John Freyermuth.

MICHIGAN DAIRY FARMERS!

Two Big Jobs This Year!

Declining prices and surplus . . . plus an emergency threatening all dairying and the entire economy of the state of Michigan . . . call for business action more than ever before by Michigan dairy farmers this year.

To organize for this campaign the American Dairy Association of Michigan has been given the responsibility of raising funds. Dairy farmers support will be given in the ADA Set-Aside for May and June, with May earmarked for state activity and June for nationwide advertising, merchandising and research.

Working together through ADA—statewide and nationwide . . . dairy farmers are protecting their investment and building markets for a brighter future in dairying.

Summer Counseling Plan For Freshmen at U. of M.

ANN ARBOR—Students who expect to enroll as freshmen at the University of Michigan this fall may take advantage of a summer counseling service which will be in effect for the first time this year.

Undergraduate units in the University will have faculty members available from Commencement Day, June 17, until the opening of Orientation Week on September 18, to consult with entering freshmen about courses to take or other problems of an academic nature, Provost James P. Adams has announced.

A pre-registration conference with an academic counselor is a part of the orientation procedure for every freshman during the week preceding the opening of classes. Since this is a period of considerable activity, University officials have felt that many students would like to have more time to consider their academic programs with the help of a faculty adviser.

The prospective freshmen should write to the dean of the college they plan to enroll in to get further information about the summer counseling plan.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

YOU know many things about the man behind the wheel when this bold front comes winging your way.

He knows style—he is traveling behind the boldest and freshest forecast of things to come that is on the roads today.

He's a practical person—likes the idea of plenty of protection out front without spending money on such extra items as bumper guards.

He likes convenience—the easier parking made possible through the precious inches of over-all length saved by this design—not to mention freedom from "locking horns" with the car ahead.

And he's foresighted—knows that accidents do happen sometimes—and he goes for the idea of a front-end design that can be repaired by replacing single bars instead of a whole grille work.

You could add that he likes power—for behind this smart forefront there's a big bonnetful of Fireball horsepower.

He likes comfort—since every car bearing this grille rides on soft coil springs all around.

Most of all, he has an eye for a buy. For this bold new design means Buick—and in every series, SPECIAL, SUPER and ROADMASTER, Buick means a better all-round buy.

For proof of that—go look, try and compare. You'll find that, dollar for dollar, your Buick dealer has the top values—and that goes for cars bracketing every price range above the very lowest.

Gas Available Here In Summer

LAYING OF MAINS STARTS IN JUNE; TOWNSHIP FRANCHISE SOUGHT

Natural gas for cooking, heating and industrial purposes will be available in Tecumseh in August or September, it was announced today by the Consumers Power Company.

The laying of gas mains within the village will start early in June and the job should be completed in from six to eight weeks, H. H. Koelbel, division manager of Consumers with offices in Jackson, said.

"There is no reason why gas for domestic purposes and space heating, as well as for industrial uses, should not be available to customers in Tecumseh by mid-September," Mr. Koelbel declared.

So that gas may also be made available to those residents of the so-called fringe area of Tecumseh, (dozens of houses have been built here just outside the village limits), the Consumers company has petitioned the township board for a township franchise. A special election, paid for entirely by the company, will be held in the township on Monday, June 5, when voters will determine whether or not such a franchise should be authorized. If it is authorized, a 30-year franchise will be granted. Voters who are not registered, and who desire to vote in the election, may register with the township clerk through Tuesday, May 16.

Mr. Koelbel pointed out that a franchise for the distribution of gas within the village limits of Tecumseh was granted to Consumers many years ago. However, at that time the question was not submitted to township voters.

It will be the policy of the company, Koelbel said, to lay a service from the main to the customer's house or business at the same time the main is being laid, if the customer desires. The company believes that there may be many gas users outside as well as inside the village. It is for that reason that it desires the township franchise at this time.

Natural gas is now within two miles of Tecumseh, the heavy service main crossing M-50 in the vicinity of the Eaton farm. It will be at that point that the service lead to Tecumseh will be connected.

Consumers explained that work of laying gas mains already is under way in Blissfield and that it will take about four weeks, weather permitting, to complete the job in that village. The crew of workmen will then come to Tecumseh. Clinton and Manchester also are slated to get natural gas this summer or early fall.

Koelbel said that the system to be installed here is known as the intermediate pressure system, one of the most modern and up-to-date services available. All pipe laid will be of steel and joints will be welded. Pipe also will be wrapped.

HEAR REPORTS OF ROTARY CONVENTION

Reports of the district convention of Rotary International, held a week ago at Detroit, were made to the Tecumseh Rotary Club, Tuesday evening, following dinner at Legion Memorial Home. Attending the meeting from Tecumseh were Mr. and Mrs. Clarence Gilman, Mr. and Mrs. L. W. Larsen, Mr. and Mrs. Lester Rogers and Mr. and Mrs. Mel Partridge. Gale Fisher also attended a part of the sessions.

Messrs. Gilman, Larsen, Rogers and Partridge made the convention reports. Later, a film on baseball was shown by C. O. Butler.

Guests included O. B. Feldkamp of Clinton and Herman Koelbel of Jackson.

MAY STAGE WRESTLING MATCHES THIS SUMMER

As a possible means of raising funds for the Tecumseh Recreation Center, a group of local men, headed by Fay Whelan, a member of Recreation board, are investigating the feasibility of staging wrestling matches at the park during the summer months. One or two matches monthly might be staged, the proceeds to go to the Center treasury.

The committee working on the project attended a wrestling match in Adrian this week and details of the program locally are now being worked out, it was said.

Chinese Auction To Be Held At Country Club

Spring is bursting out all over and nowhere is it anticipated with more eagerness than at the Tecumseh Country Club. A unique affair there for Wednesday, May 10, is being planned by the ladies. It is a Chinese auction, the mysteries of which claim to rival those of nature itself. The auctioneers, Mrs. Ray Shuyter and Mrs. Frank T. Smith, will introduce the group to this ancient bit of Oriental lore, guaranteed to be a cure for hardening of the disposition or drooping of the corners of the mouth. Other exhilarating entertainment is also planned.

This Spring tonic may be purchased by each one in attendance at the cost of a few moments in the kitchen preparing her specialty so that it may be auctioned off to augment the fund being raised to equip the ladies' lounge. Canned goods, or any other desirable item for auctioning, will be very acceptable, too. Guests are most welcome.

The regular weekly luncheon will precede the auction and entertainment at one o'clock. The hostesses are: Mrs. O. W. Laidlaw, phone 82; and Mrs. Robert Laidlaw, phone 523-J. Reservation should be made with them by Tuesday noon.

Band Concert Here, Tonight

PROGRAM WILL START AT 8 O'CLOCK IN CENTRAL SCHOOL AUDITORIUM

The Tecumseh High School Band, under the direction of Clare Camburn, will present a concert in the auditorium of the Central Building this (Thursday) evening at eight o'clock. The concert is given for the benefit of the instrument fund as well as for the enjoyment of playing for friends of the band.

The following program will be presented: "In a Persian Garden," Ketelbey; "Largo," Handel; "Tecumseh Echoes March," Clare Camburn; "Creston," March, F. E. Noel; "El Capitan," Sousa; "The Crusaders," featuring Cathedral Chimes, Buchtel; flute and horn quartet by Sally Rentschler and Norma Comfort; clarinet quartet by Lois Lawson, Joyce Kopka, Elaine Kimerer and Bob Francouer; saxophone quartet by Truley Ogden, Brenda Porter, Donna Burleson and Geraldine Handy; flute solo by Sally Rentschler; a brass quartet by Marlan Comfort, Richard McCarbery, Max Morden and Bobby Roe.

Edward M. Palmer, 81, Buried At Ridgeway

Funeral services were conducted Sunday afternoon from the Niblack Funeral Home in Britton for Edward M. Palmer, of Ridgeway, aged 81 years, who died Friday at 5:30 a.m., after an illness of several months. Burial was in Ridgeway cemetery. The Rev. Lorne Carey officiated at the service. The bearers were Harry, Edward, Paul and Albert Bailey, Ralph Sturtevant and Douglas Palmer. Friends and relatives were in attendance from Tecumseh, Adrian, Detroit, Dearborn, Blissfield, Deerfield, Dundee, Saline, Macon, Ridgeway and Britton.

Born to John C. and Nancy Palmer in the farm home where he died, Mr. Palmer graduated from Tecumseh high school in 1890. He was married to Etta M. Hoag of Hanover, September 1, 1892, and she died February 14, 1937.

Surviving are two daughters, Mrs. Lulu Foote of Tecumseh and Mrs. Genevieve Sisson of Ridgeway, with whom he made his home; seven grandchildren and 13 great grandchildren; a niece, Mrs. Lura Pocklington of Ridgeway; two nephews, Leon and Alfred Palmer, both of Lincoln, Neb., and several cousins.

WINS SCHOLARSHIP

Sherry Fielder, daughter of Mr. and Mrs. William Fielder and a senior at Tecumseh high school, has been awarded a Michigan State College scholarship for the coming year. Miss Fielder's plans now are to enter nurse's training in the fall. The scholarship was one of four in Lenawee county with the privilege of renewing for four years if a high scholastic average is held.

PAYS FINE, COSTS

Florentino Cesarus, Saginaw, paid a fine of $15 and costs of $8.60, Saturday, in Justice Robert French's court, when he pleaded guilty to a charge of being drunk and disorderly. He was arrested by police, Friday evening.

E. Brown Street Gets Criticism

PARK RESIDENTS ASK VILLAGE FOR IMPROVEMENTS; 100 NAMES ON PETITION

Residents of Herrick Park by formal petition and personal appearance, Monday evening requested the village council to improve East Brown street, the Park's approach street, and to take action "before someone is injured" in an accident. The petition was placed on file for further consideration.

The petition, signed by more than 100 persons, complained that East Brown street is too narrow, that there are no sidewalks, that it lacks proper drainage and should be paved. It also requested that the name of the street be changed to Herrick Road.

Thirty or more residents of the Park were in attendance at the council meeting and personally presented the petition. President J. Floyd Elliott advised the group that the petition would receive consideration but he warned that village funds at the present time are running low and that major construction may be forced to wait for the arrival of tax money.

The council approved the appointment of Milan E. Clark of Jackson as Tecumseh's new chief of police. Mr. Clark, who takes over the new post this week, is a former member of the Jackson police department.

Council also voted to increase the pay of police officers as follows: For the first six months period of service, $260 monthly. After six months' service, 1820, the salary of the chief was fixed at $260 and of the assistant chief, $240. Oliver Heberlein, who for several weeks has held the title of acting chief of police here, was named as assistant chief. The force, it is understood, will be composed of four full-time men.

Bids were received for the purchase of a new police car but they were referred to the public safety committee with authority to make the purchase. The council also approved the purchase of 24 two-hour parking signs.

The request of Schneider Bros. Garage, Inc., to construct an addition to the rear of its present building on W. Chicago boulevard was granted. The new building will be 30 by 75 feet in size, will be built of cement, cement blocks and steel and will cost about $7,000. It will be used for light repair work and storage.

Schneider Bros. Garage, Inc., also petitioned for the use of a lot at the corner of Water and Mill street as a used car sales lot. The request was granted.

R. C. Moore, certified public accountant of Detroit, who has been auditing the village books, recommended several changes in the town's method of bookkeeping. Council voted that the changes be authorized.

Current bills were read and ordered paid and reports of the several committees and department heads were read and placed on file.

A near-record in time was established at the council meeting. The session started promptly at 7:30 p.m., and adjourned 30 minutes after midnight.

Chamber To Push Change In Gov't

BOARD NAMES EDUCATIONAL COMMITTEE; CANADA PLANS DISCUSSED

Discussion of preparations for Tecumseh's visitation to Tecumseh, Canada, on July 1, plans for a local celebration on the Fourth of July, and the creating of machinery for an educational program on city form of government occupied the major portion of the time of the board of directors of the Chamber of Commerce at their regular meeting, Tuesday night.

ROBBERY ATTEMPT

Police are investigating an attempt to enter the Butler Motor Sales Garage at 6 a.m., Wednesday morning. Officer Schultz found one of the windows on the west side of the building open, and saw a man running away from the building. An investigation showed that the garage had not been entered.

TAKEN TO HOSPITAL

Albert Buler, Tipton, was removed by ambulance to Herrick Memorial Hospital, Saturday evening at 9:30, after he had fallen in a downtown street. He was released after it had been found that he was not injured.

D. A. R. Luncheon To Be Held Here, Friday

The annual luncheon of Abi Evans chapter, Daughters of the American Revolution, will be held Friday, May 12, at the home of Mrs. C. D. Branigin at one o'clock. Reservations are to be made with Miss Edith Ingersoll or the hostess by May 10.

Mrs. Louis Schneider is leader of the program. There will be an election of officers and annual reports by the present officers. Mrs. Branigin will be assisted by Mrs. George Wittrup, Miss Ingersoll, Mrs. LaVern Russell, Mrs. Don Hunt, Mrs. R. S. Moore, Mrs. H. H. Loveland and Mrs. Lucy Terry.

Women's Clubs Name Officers

MRS. TRUMAN RENTSCHLER IS FEDERATION PRESIDENT; MEETINGS PLANNED

Mrs. Truman Rentschler of Tecumseh, was named president of the Lenawee County Federation of Women's Clubs at the annual meeting, held in the Congregational Church at Hudson, last week. Other officers elected are: first vice president, Mrs. Lyle Pickford, Adrian, Route 4; second vice president, Mrs. Glenn Nye, Addison; recording secretary, Mrs. W. W. Cooke, Clayton; treasurer, Mrs. Paul Ahlman, Adrian. Mrs. Rentschler has appointed Mrs. Herbert Murphy of Tecumseh as corresponding secretary and Mrs. Harold Robinson of Blissfield as parliamentarian.

The new president looks forward to her work among the clubs of the federation with interest and will call a meeting of the executive board to be held in the Adrian Library on Thursday, May 18, to lay plans for the coming year. She announces that the June picnic meeting will be held at the farm home of Mrs. Irving Mann near Onsted with the Onsted Woman's Club acting as the hostesses of the day. All club members of the federation are invited to this meeting.

Likewise, all members of clubs having membership in the Adult Education Institute are urged to attend as many sessions of that institute as possible on May 9, 10, and 11, in the Rackham Building at the University of Michigan. The Tecumseh Monday Club is not only a charter member of the Lenawee County Federation but also a member of the Adult Education Institute.

Mrs. Henry P. Vaughan, chairman of music for the Michigan State Federation of Women's Clubs and also a member of the Tecumseh Monday Club, conducted the music of the combined chorus of several clubs of the federation for the annual meeting. Sally Rentschler played the flute obligato for one of their numbers. Mrs. Ed. Aebersold, Mrs. Clair Beland, Mrs. Lynn Hubbard, Mrs. Jeannie Satterlee, Mrs. George French, Miss Ruth Harding, Mrs. Vern Connor, and Miss Edith Ingersoll attended this meeting.

Poppy Day Will Be Observed On May 27

Poppy Day was announced as May 27 by Mrs. Carl Thompson, chairman, at the regular meeting of the Auxiliary of Underwood-Orr post, American Legion, held Monday evening, with some 50 members in attendance. Mrs. Thompson displayed the Poppy posters made by local school children and asked all members to contact her to sign up for distribution of poppies on that day.

Twelve new members were initiated into the organization during an impressive ceremony performed by the newly organized initiation team composed of Mrs. William Partee, Mrs. Keith DesRmia, Mrs. John Snyder, Mrs. Vern Manwaring, Mrs. Charles Osburn, Mrs. Richard Eggleston and Mrs. Robert Lowe.

In conclusion refreshments were served by Mrs. M. L. Dannells, jr., and her committee.

INFANT SON DIES

Lee Edward Maynard, three-week-old son of Mr. and Mrs. Herbert L. Maynard of 400 West Kilbourn St., died Monday at 6:30 p.m., at Herrick Memorial Hospital, where he was admitted a few minutes before. The infant was born April 11 at the hospital.

The funeral will be held today (Thursday) at 2:30 p.m., from the Collins Funeral Home with the Rev. Edward Escolme officiating. Burial will be in Brookside cemetery.

Surviving besides the parents are a brother, Clare, 3, a sister, Phyllis, 4, grandparents, Mr. and Mrs. Earl Smith of Britton and Mrs. Florence Maynard of Tecumseh, several aunts, uncles and cousins.

Noted Baritone Will Sing Here

VESPER SERVICE OF MUSIC TO BE PRESENTED AT ST. PETER'S CHURCH

The choir of St. Peter's Episcopal church will again present a Vesper Service of Music on Sunday, May 21, at 5 o'clock. Guest artists for this service will be George McLeod, baritone, of the Detroit Institute of Musical Arts, and Earl A. Tank, noted organist, for many years at Greenfield Village, Dearborn. A well chosen program of familiar sacred music is planned.

Mr. McLeod is a concert and opera singer of glorious voice and remarkable vigor and ability. He has studied with the late Dr. William Howland of Detroit, Bernard Taylor of Juilliard, and Hugh Ross of the Schola Cantorum. As baritone soloist he has sung with many outstanding choirs and starred in opera and on the concert stage. He is currently director of the University of Detroit Choral Society, the choir of Immanuel Baptist Church, and the Faith Lutheran Church choir in Detroit. It is a rare privilege for the choir of St. Peter's church to present this celebrated artist.

Mr. Tank is well known in Tecumseh and Lenawee county as the director of music for the Greenfield Village and the Ford School System. He is a graduate of the Music Department of the University of Michigan and has been a featured soloist on national network radio programs.

This is the second of a series of Vesper Services through which the choir of St. Peter's church expects to bring America's finest music to the people of Tecumseh. Future musical services and artists participating will be announced later.

Junior. Band To Play For P.T.A.

WILL MAKE INITIAL APPEARANCE AT PROGRAM NEXT WEEK THURSDAY

The 48-piece junior band will make its debut at the regular meeting of the Tecumseh Parent-Teacher Association next Thursday evening in the Central School Auditorium, when it presents a full length concert. Clare Camburn directs the band, which boasts of its large membership composed of students from the fourth through the eighth grades.

In cluded in the program will be arrangements by Buchtel and Leon Metcalf, noted band composers. Among the selections will be "Over The Waves," "March of the Marines," "Sailing," "Phil and Dot," "Hermina," "March Majestic," "Rosebud," "Drumsticks," "It's My Turn," and "Gobsticks."

Funeral Services Held For J. Fred Rector

Funeral services for J. Fred Rector, aged 74 years, who died Sunday at 7:30 a.m., were conducted Wednesday afternoon from the Collins Funeral Home. The Rev. Donald C. Wilson, pastor of the First Presbyterian church, officiated and burial was in Brookside cemetery, where Masonic services were held at the grave.

A life long resident of Lenawee county, Mr. Rector was born on a farm two miles north of Tecumseh, in Clinton township, September 19, 1875, the son of the late Frances Doty and Francis C. Rector. In 1904 the family moved to Tecumseh.

Mr. Rector lived in the family home on S. Union street, built in 1907, until October 1949, when he was taken to the Parrett Nursing Home, where he died. He suffered a stroke March 18, 1942 and had been an invalid since then.

Mr. Rector was one of the firm of Brown and Co. until 1926 when the business was sold. He then engaged in investment and insurance business until he was stricken.

Active in civic affairs, Mr. Rector was treasurer of the Cemetery Association and village assessor until the time of his stroke. He was a member of the First Presbyterian church of Tecumseh, a life member of the Masonic lodge and Eastern Star and a member of the Wits and Wisdom Club.

October 25, 1916, he married Bessie B. Biddison in Baltimore, Md., who survives. He also leaves several cousins. His parents, and three sisters preceded him in death.

MEETING DELAYED

The regular meeting of W.S.C.S. W. S. C. S. of the Methodist church has been postponed from May 10 to May 17, because of the Mother-Daughter banquet scheduled for next week.

Tecumseh-Pittsford Ballgame Here, Friday

The Tecumseh high school sports schedule lists a full four days this week. With Pittsford and Tecumseh tied for first place, the baseball game between the two rival schools tomorrow at 2:30 on the local diamond should prove to be an exciting one. Both schools boast good teams and both are out to win.

Ypsilanti Roosevelt high school met the Indian team here Tuesday afternoon. Two track meets were also scheduled for this week. Summerfield traveled here Wednesday and Addison will be here today (Thursday), at 4 p.m. A regional track meet will be held at Ypsilanti, Saturday, May 20.

Tecumseh Host At Pythian Meet

ANNUAL CONVENTION OF DISTRICT HELD HERE; 137 IN ATTENDANCE

The annual convention of District No. 7, Pythian Sisters of Michigan, held in Tecumseh, Thursday, was attended by 137 members. Josephine H. Hall Temple was the hostess and representatives were from Milan, Dundee, River Rouge, Tipton, Adrian and Tecumseh temples.

Grand officers included Grand Chief, Mrs. Ethel Ten Eyck of Arbutus Temple 5 of Sault Ste. Marie; Grand Treasurer, Mrs. Theodosia Douglas of Hillsdale Temple; Past Grand Chiefs, Mrs. Metta Skelton of Jonesville, Mrs. Irene M. Whaley of River Rouge and Mrs. Maude Steidle of Milan.

The convention opened with registration at 9 a.m., when each guest was presented with a name card attached to a crocheted emblem in the colors of the order. Mrs. Henry F. Kempf, district deputy, presided, and Mrs. Garth Hall and Mrs. Clark Vincent acted as pages during the sessions. Mrs. A. J. Todd, manager, and Mrs. M. W. Mathews, most excellent senior, were in charge of the flag ceremonies and the invocation was given by Mrs. Carl Thompson. The welcome extended by Mrs. Fred Whelan, P.C., was responded to by Mrs. Floyd Billington, P.C., of Tipton.

Mrs. George Wittrup of Tecumseh was district secretary and read the District Deputy's Commission, also the 1949 minutes. Officers of Milan Temple presented an impressive memorial service and the ritualistic opening was given by the hostess temple. Mrs. Mathews presented the grand and past grand officers and the district deputy with gardenia corsages as they were introduced by Mrs. Todd. During the business it was voted to send cards to eight district members unable to be present.

At noon luncheon was served in the Legion Memorial Home at tables decorated in colors of the order, white, red, yellow and blue, with streamers, candles and small flags of the order in gum drop bases. Places were marked with crocheted nut cups as favors, also in lodge colors. Mrs. Pauline Kopka entertained with four humorous readings, "Mother," "The New Recruit," "The New Bathroom" and "No Ambition."

During the afternoon session, ballot exemplification was presented by officers of the Adrian Temple, and two candidates, Mrs. Alma Pfister and Mrs. Beth Hornby of Adrian, were initiated by officers of the District Temple and a staff from River Rouge with Mrs. Julia Endress as captain and Mrs. Ang-

Don't Get Worried About The Census

THE ENUMERATOR WILL GET TO YOU WITHIN A WEEK OR 10 DAYS

If the census enumerator hasn't caught up with you yet, don't get too worried, she'll catch you sooner or later.

Work of taking the census in Tecumseh is nearing an end and will be finished in a week or 10 days. The northwest section of Tecumseh is completed, there are 12 or 15 families in the southwest quarter still to be contacted, the northeast quarter will be finished this week and the southeast quarter, the only remaining section, will be checked within 10 days.

Mrs. Grenval Spangler is the local enumerator and she is proceeding with the count as rapidly as possible.

Persons in areas completed who feel that they may have been overlooked by the enumerator may call her at her home. Her telephone number is 135-J.

Big Audiences At Dance Revue

CAPACITY CROWDS ATTEND "SPRING FANTASY" AT CENTRAL AUDITORIUM

Two capacity audiences enjoyed another Rae Nita Dance Revue, Thursday and Friday of last week, in the Central School auditorium, sponsored by the auxiliary of Hall-Slater post, V.F.W. Miss Larsen's theme for this year was "A Spring Fantasy" with a Southern garden as the setting. The colorful costumes were designed by Lenore Larsen.

Peggy Jo Pocklington, Betty Barton, Bette Driffill, Bruce Packard, Elaine Schoonover and Sandra Simmons tapped a Carolina Welcome, followed by the Dew Drops, who were Meredith Munger, Jane Dillon, Judith Truesdale, Janet Osworth, Jean Marie Osworth, Nancy Smith, Janet Papp, Laurane Williams and Virginia Ann Hodges. The Sun Beams were Nanette Walper, Donna Jean Parrett, Linda Baldwin, Kendra Ringman, Linda Lou Whelan and Barbara Kay Beardsley.

The four little roses were Nancy Lee Shenefield, Sandra Jean Thomas, Evelyn Beland and Nancy Lee Beland. Tumblers, Ronald Mann, James Short, John Wallace, Glenn Mann, Victor Mann, Douglas Schaffer, Dwight Eisenhauer and Bruce Oates, the Buttercups, were followed by four popular advanced dancers, Nancy Randall, Grace Moore, Patsy Purcell and Dulcie Bowen, as For-Get-Me-Nots.

After the Fairies, who were Victoria Ball, Mary Beth Burch, Jacque Swank, Kathryn Mann, Ann Walton, Mary Kay Schaible, the Southern Strollers performed. They were Ann Cameron, Sharon Ries, Joan Johnston, Barry Packard, Jean Luce, Mary Mason, Eddie Hamilton, Sharon Mason, Sandra Sue Stout, Alice Jane Titley and Janet Martin.

As all gardens have bugs, the June Bugs in this garden of fantasy were Judith Nichols and Elizabeth Oates. Judy Kay McClue, Janice Schuch, Cynthia Frayer, Connie Godkins, Nathaleen Sue Hodges and Michael Ivanoff as were the Playmates, and the Four-leafed Clovers were in the persons of Cheryl Schaffer, Dolores Coz, Susan Nichols and OrLynn England. A tumbling act, featuring the Johnny Ball Twins, included Mary Manchester, James Neitling, Joyce Andrews, Van Lowe Frayer, Judith Truesdale, Jerry Munger, Ann Cameron and Barry Grossman.

Margie Papp, Nancy Randall, Marjorie Vaughan, Margaret Tourborg, Diane Dillon, Grace Moore, and Peggy Jo Pocklington did a Gypsy dance and a Bouquet of flowers was made up of Gretchen Hardenbergh, Sarah Reck, Mary Ann Wallace, Carole Greene, Sunnie Thomas and Mary Ellen Glesko. Bonnie Reed as the Poppy, did a solo dance. Mary Lannom, Mary Ellen Schwab and Kay Eisenhauer were the Gardeners who did an acrobatic dance. Joan Hoebbe, Evelyn Haviland, Doreen Kirk and Janice Kalger, were Daisies, and Candace Hull, Ellen Steffens, Peggy Smith and Cynthia Smith, were the Bowery Visitors.

Approaching the end of a delightful evening of entertainment, Sandra Sue Stout, Alice Jane Titley, Sharon Mason, Eddie Hamilton, Mary Mason, Jean Luce, Barry Packard, Janet Martin, Joan Johnston, Sharon Ries and Ann Cameron made up the Rainbow. Lenore Larsen as the Spanish Senorita did a specialty ballet number. The South American Orchids were Betty Barton, Bette Driffill, Peggy Jo Pocklington, Bruce Packard, Sandra Simmons and Elaine Schoonover. For her special number, Rae Nita Larsen did a Rippling Rhythm tap dance. The finale was the Bye Bye Boogie by Dulcie Bowen, Patsy Purcell, Grace Moore and Nancy Randall.

Miss Larsen was presented with an arm bouquet by Mary Lou Mason, who was announced as the winner of a pair of dance shoes for selling the most tickets. Mrs. Harlan Boyes, president of the auxiliary, presented Miss Larsen with a large floral basket.

Mrs. Glenn Driscoll, Linda Reck and Mrs. Herbert Dillon were the accompanists and Jack Larsen announced the program. The costumes were made by Mrs. Harold Clark, Mrs. LaVern Pocklington, Mrs. Wilbur Mason, Mrs. Lester Munger and the mothers. Mrs. Waldo Mohr and Mrs. Harlan Boyes were the auxiliary chairmen and members of the auxiliary were the ushers.

THE TECUMSEH HERALD
EARL L. WICKWIRE
Editor and Publisher

The oldest newspaper in Lenawee county. Established in 1850.

Published Every Thursday Morning. Offices at 127 W. Chicago Boulevard, Tecumseh, Michigan Telephone 476.

Entered at the Post Office at Tecumseh, Michigan, as second-class matter. Subscription Rates, $2.00 per year, payable in advance. Advertising Rates furnished on application.

TELEPHONE SERVICE NEEDS IMPROVEMENT

The increase in telephone rental rates, sought by the Michigan Associated Telephone Company in Tecumseh and vicinity, is justified, the company says, because of increased costs of labor, material, taxes, etc. The company can no longer operate on the old rates and have funds with which to expand because the low stock earnings do not attract new capital.

Perhaps the company has a point in asking the Michigan Service Commission to grant a rate increase. We realize that costs have advanced, as does everybody else who is in business. We realize, too, that the company received a rate increase about a year ago, but perhaps it was not substantial enough to offset its ever-rising operating overhead. We do not, therefore, have any quarrel with the company in requesting a rate boost, if it is justified. We have confidence that before any such rate increase is granted the Service Commission will determine the amount of increase needed, and do it impartially.

However, we do have a quarrel with the company over the type of service it is furnishing to Tecumseh. We believe that the service should be improved, and certainly there is plenty of room for improvement.

There is little reason why it should be necessary for a subscriber to wait one, two or three minutes at his telephone before the operator asks for the number. And when the number called fails to answer there is no reason why the operator should not "service" the call promptly, instead of making it necessary for the person doing the calling to click and click his telephone for minutes on end, attempting to get the operator back on the line.

And, as most any subscriber will tell you, there is no reason why it should take from two to five minutes to get the operator back on the line to place a second call, once the first one has been completed. But it seems that such a procedure is "standard practice" at the Tecumseh exchange. And if you get a bit ruffled about it, hang onto your hat. You're likely to be told off by the operator.

Another apparent need at the local exchange is for the overhauling of its long distance service department. It would not be difficult at almost any time to drive to Clinton, Adrian and sometimes to Toledo or Jackson quicker than a long distance call to those points could be completed. Why this is true we do not know. But, nevertheless, it is true and it is wrong.

No one, especially in these days, minds paying for something when he gets value received. Maybe, here in Tecumseh, we're getting our dollar's worth from the phone company as overhead costs go today, but there's a question for argument.

The fact does remain, however, costs, rates, increases, etc., notwithstanding, that there's plenty of opportunity to improve Tecumseh's phone service NOW. And, as one subscriber, we'd like to be assured that there will be an improvement — and a marked improvement — before we are forced to pay any increase.

We think that the commission should take the service angle into consideration when it reviews the company's request for rental increases.

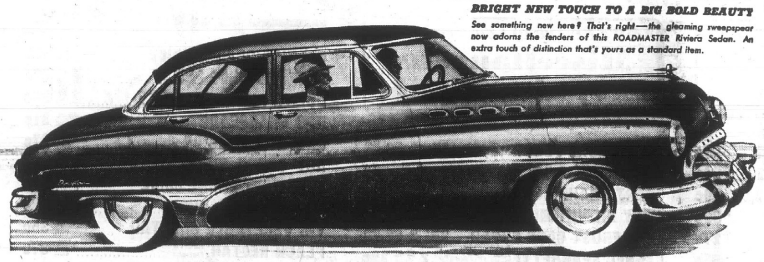
BRIGHT NEW TOUCH TO A BIG BOLD BEAUTY

See something new here? That's right—the gleaming sweepspear now adorns the fenders of this ROADMASTER Riviera Sedan. An extra touch of distinction that's yours as a standard item.



What's the secret of the "UNRUFFLED" RIDE?

SOME car makers say springs make the ride—and so we give every Buick four of the soft, gentle coil springs practically all cars use on front wheels only.

Some say the drive is important—how power is transmitted to the rear wheels.

We agree—and use a torque-tube drive, that takes up all the thrust, freeing rear springs of driving pulsation.

Some stress tires—so you'll find low-pressure casings on every Buick, mounted on our own kind of Safety-Ride rims. Some play up shock absorbers—we make ours fast, soft and sure in action, to wash out all "after-bounce."

Then there are frames—and car weight—and engine mountings, which on Buick are a very special kind used nowhere else.

They're all important—yet the plain truth is no one of these things—or two or three—gives a ride you can truly call "unruffled."

We feel it takes all of them—springs, tires, shock absorbers, drive, engine mountings—carefully and precisely brought into balance with each other.

You can see why we think so in any Buick—SPECIAL, SUPER or ROADMASTER.

You can feel it on cobblestones and car tracks, washboardy gravel and weather-pocked macadam, country lane and city street. You even feel it on boulevards, which grow still smoother when you travel them in a Buick—especially when it has Dynaflow Drive.*

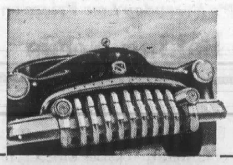
So we would like you to try a ride that is truly "unruffled." Free of harshness—undisturbed by jounce and jitter—level—steady-going—smooth.

Just ask any Buick dealer for a chance to try out any Buick. You'll find it "the ride of a lifetime"—and the buy of a lifetime too!

*Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.



Only Buick has Dynaflow—and with it goes:

HIGHER-COMPRESSION *Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)* ***NEW-PATTERN STYLING,*** *with* ***MULTI-GUARD*** *forefront, taper-through fenders, "double bubble" taillights* • ***WIDE-ANGLE VISIBILITY,*** *clear-up rear view both forward and back* • ***TRAFFIC-HANDY SIZE,*** *less over-all length for easier parking and garaging, short turning radius* • ***EXTRA-WIDE SEATS*** *cradled between the axles* • ***SOFT BUICK RIDE,*** *from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube* • ***WIDE ARRAY OF MODELS*** *with Body by Fisher.*

The American Legion Auxiliary women met at the home of Mrs. Raymond Auten Tuesday evening. The Christmas gift project was started with each member working on some article.

The annual Mother and Daughter banquet at the Congregational church was held last Friday evening with 183 seated at lovely decorated tables. The meal was served by the men and boys of the church. Mrs. LaRue Hoagland acted as toastmistress introducing Miss Beverly Brown with toast to the mothers, Mrs. Hazel Bush, toast to the daughters, Miss Carol Priest sang a solo accompanied by Miss Sally Ashton, both of Macon. The speaker was Miss Ruth Skentelbury of Chelsea, who told of her recent trip to South America and showed pictures of her trip which were very interesting. Gifts were presented to Mrs. George Smith, 92 oldest mother present, Mrs. Jerry Coffey, youngest mother, Mrs. Charles Downing, most daughters present, 5, Misses Linda Lee and Laura Gene Bush, twins, youngest daughters present. Mrs. Lenora George gave the benediction.

The Methodist W.S.C.S. met at the home of Mrs. Robert Exelby near Williamston last Wednesday. Some 24 members and guests enjoyed a potluck dinner at noon. The afternoon program opened with devotions led by Mrs. Melva Kanous, and the program consisted of a playlet with several members taking part. Mrs. Delta Croll, president, presided at the business session, the committee chairmen for Mother and Daughter banquet are: Supper, Mrs. Edna Bortel; dining room, Mrs. Kathryn Judkins; program, Mrs. Doris Clifford, and tickets, Mrs. Nellie Barrett. The new officers of the year were elected: President, Mrs. Melva Kanous; vice president, Mrs. Margaret Richards; secretary, Mrs. Kathryn Thornberry; treasurer, Mrs. Kathryn Gibson; corresponding secretary, Mrs. Bernice Siedel; publication secretary, Mrs. Delta Croll, and social activities secretary, Mrs. Nellie Barrett. The next meeting to be held at the home of Mrs. Gertie Gittus.

Childrens Day will be observed in the Methodist church next Sunday, May 17. At the morning worship service the young people of the membership training class will be confirmed as members of the church.

The annual village spring clean-up has been set for May 5 and 6.

Ben Beasley is not so well again and is confined to his bed.

AN ORDINANCE

granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the public highways, streets, alleys, bridges, and other public places, and to do a local gas business in the TOWNSHIP OF TECUMSEH, LENAWEE COUNTY, MICHIGAN, for a period of thirty years.

SECTION 1. The Township of Tecumseh, Lenawee County, Michigan, hereby grants to the Consumers Power Company, a corporation authorized to transact business in Michigan, its successors and assigns, hereinafter called the "Grantee," the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the public highways, streets, alleys, bridges, and other public places, and to do a local gas business in the Township of Tecumseh, Lenawee County, Michigan, for a period of thirty years.

SECTION 2. In consideration of the rights, power and authority hereby granted, all of which shall vest in the Grantee for a period of thirty (30) years as aforesaid, said Grantee shall faithfully perform all things required by the terms hereof, and such performance by the Grantee shall be in lieu of all license fees, rentals, or charges of every name and nature, except property taxes, which the Township might otherwise levy and impose.

SECTION 3. No street, alley, bridge, highway or other public place used by said Grantee shall be obstructed longer than necessary during the work of construction or repair, and shall be restored to the same order and condition as when said work was commenced. All of Grantee's pipes and mains shall be so placed in the highways and other public places as not to unnecessarily interfere with the use thereof for highway purposes.

SECTION 4. Said Grantee shall at all times keep and save the Township free and harmless from all loss, costs and expense to which it may be subject by reason of the construction and maintenance of the structures and equipment hereby authorized. In case any action is commenced against the Township on account of the permission herein given, said Grantee shall, upon notice, defend the Township and save it free and harmless from all loss, cost and damage.

SECTION 5. The rights, power and authority herein granted, are not exclusive. Either manufactured or natural gas may be furnished hereunder.

SECTION 6. Said Grantee shall from time to time extend its gas distribution system to and within said Township, and shall furnish gas to applicants residing therein whenever the amount of gas to be furnished thereby shall provide an adequate and reasonable return upon the cost of making such extensions and providing such service.

SECTION 7. Said Grantee shall be entitled to charge the inhabitants of said Township for gas furnished therein, the rates as shown by the schedule now on file in the office of the Township Clerk, unless and until the Michigan Public Service Commission or its successors, to which Commission the authority and jurisdiction to fix and regulate gas rates in said Township is hereby granted and conferred for the term of this franchise, shall fix and establish different rates, in which case the rates so fixed and established, if just and reasonable, shall prevail. Such rates shall be subject to review and change at any time upon petition therefor being made by either the said Township or by said Grantee.

SECTION 8. This ordinance shall cease and be of no effect after thirty days from its adoption, unless within said period the Grantee shall accept the same in writing filed with the Township Clerk, subject to confirmation of the grant hereof by at least a majority of the electors of said Township voting thereon at a regular or special township election to be held in the manner provided by law. Upon the acceptance and confirmation hereof, this ordinance shall constitute a contract between said Township and said Grantee for a period of thirty years from the date of such acceptance.

lela Curry as pianist. Draping the charter for all members deceased during the past year was conducted by Tipton Temple. The Adrian Temple extended an invitation for the district to meet with them in 1951. This invitation was accepted, and the resolutions committee, composed of Mrs. Dorothy McKenna of River Rouge, Mrs. Dorothy Vedder of Milan and Mrs. Fern Zumstein of Adrian, thanked Tecumseh Temple for the entertainment, and also thanked Adrian Temple for their invitation for next year. They also extended thanks to the American Legion Auxiliary and Mrs. Pearl Meyers, who served the dinner. A silver collection of $22.30 was presented to the grand chief for her special project, which is wheel chairs for service men at Fort Custer and Iron Mountain hospitals.

Before the ritualistic closing by the hostess temple, the grand chief conducted a school of instruction and was presented with a gift from the temple by Mrs. Velma Miller, most excellent chief. Mrs. Luther Wood, convention chairman, was also presented with a gift. In conclusion refreshments were served.

The reception committee was composed of the following officers of the temple: Mrs. Fred Whelan, Mrs. Velma Miller, Mrs. M. W. Mathews, Mrs. A. J. Todd, Mrs. Neva Jacobs, Mrs. Glyde Wittrup, Mrs. Edna Staulter, Mrs. Walter Hizer, Mrs. Elizabeth Freer, Mrs. Glenn Wilson and Mrs. S. N. Kring.

Registration name cards and dinner tickets were made and donated by Mrs. Carl Kempf; crocheted emblems and nut cups were made and donated by Mrs. Miller and Mrs. Walter Hizer. Mrs. George Green, Mrs. Fred Marsh, Mrs. Earl Betser, and Mrs. Dell Jenkins were in charge of registration; Mrs. John Watson and Mrs. Louis Schultz, dinner; Mrs. Harry Schuch, Mrs. S. N. Kring, Mrs. R. W. Puffer, Mrs. Sidney Wilson, Mrs. Carl Thompson and Mrs. Lilly Gray, decorations; and Mrs. Floyd Guy and Mrs. Lynn Hubbard, assisted by the decorating committee, refreshments.

Mrs. Howard Truesdale is in charge of the program. The officers will give their annual reports.

Doug McDowell, Gerald VanValkenburg, and Gordon Kizer will attend U. of M. Day as guests of the University of Michigan tomorrow, May 5.

The F.F.A. is featuring a chicken project this year. They have one thousand baby chicks at the homes of various members.

Mothers And Daughters Banquet On Tuesday

The annual Mother-Daughter banquet at the Tecumseh Friends Church will be held Tuesday evening, May 9, at 6:30 p.m. All girls of the Sunday School, their mothers, and ladies of the church are invited to attend.

Mrs. Edward Escolme is general chairman; Mrs. Naomi Sallows, program chairman; Mrs. Emma Day, dinner chairman; and Mrs. Herbert Murphy, tables and decorations. An interesting program has been planned and will include the crowning of the church's mother of the year.

CHILD STUDY CLUB TO HOLD ANNUAL MEET

The Tecumseh Child Study Club will hold its annual dinner meeting at the Presbyterian Church Fellowship Center, Monday evening, May 8, at 6:30 o'clock. Members may contact the hostesses, Mrs. Hugh Andrews, phone 457W, or Mrs. LeRoy Titley, phone 412M, for reservations.

Bishop Will Conduct Service Here, Sunday

The Rt. Rev. Russell S. Hubbard, suffragan bishop of the Diocese of Michigan, will be the celebrant at the corporate communion service at 8 a.m., on Sunday, May 7, in St. Peter's Episcopal Church. All confirmed men and boys of the church have been invited to attend by the members of the Brotherhood of St. Andrew. The director of the chapter, Robert C. G. Hadley, has announced that a breakfast will be served following the service by the Daughters of St. Peter, and Bishop Hubbard will speak briefly at that time.

Invitations have been mailed by the Brotherhood urging each man and boy to be present for the service and breakfast.

FATHERS AND SONS WILL SEE MAGICIAN

An enjoyable evening is being anticipated by the men of the Presbyterian Church, when a young high school magician from Hillsdale will entertain at the annual Father and Son banquet, to be held Wednesday evening, May 10, in the Fellowship Center. The young man has performed with his hobby before similar gatherings and has always been well received. Earl Place, program chairman, arranged for his appearance here.

Members of the Presbyterian League will serve the banquet dinner at 6:30 p.m. Reservations are to be made by May 8 with Jim Beardsley, Otto Meier and Ernest Greene.

About The Folk You Know

Attention T.H.S. alumni: Dick Eggleston is in need of volunteer workers to assist in preparing for this year's banquet, to be held June 2. Refusals to his plea for help have been many and the acceptances few, so the success of the banquet rests with volunteers. Anyone willing to help with the many details is asked to contact Dick at Mix and Raymond's right away.

Mrs. Carlyle Mason entertained several of Gregg's friends, Friday evening, in celebration of his ninth birthday anniversary. The boys enjoyed ice cream and cake and Gregg opened many useful gifts before they attended the theatre. The guests included Chummy Hartsell, Richard Gregory, Gary Elliott, Lloyd Watson, David Holden, John Brown, Bobby Place and Billy Fielder.

Saturday, May 6, Dr. C. N. Brodersen will celebrate his 20th anniversary of practising chiropractic in Tecumseh by spending the weekend with Mrs. Brodersen at their cabin near South Branch, Michigan.

Dr. Brodersen, born in Stursboel, Denmark, (then part of Germany), came to the United States in 1916. He went to Chicago, later to Adrian, Minnesota, and worked as a day laborer in farming, railroading and carpentry. After working in the Fitzsimmons General Hospital in Denver he decided to study chiropractic and went to the Rose Chiropractic College in Fort Wayne, Indiana, graduating February 12, 1930. He came to Tecumseh May 6, of that year, and for the past nine years has practiced his profession in the Brodersen Building, at 125 South Evans.

Sunday, April 30, the children, grand children, great grand children and friends of Mr. and Mrs. Gorden Berry, sr., met at Palmyra Grange Hall to celebrate the 54th wedding anniversary of Mr. and Mrs. Berry and Mr. Berry's 77th birthday. A potluck dinner was served at noon featuring a white and gold wedding cake and several birthday cakes. They received many nice gifts.

Guests were David Berry of Ann Arbor, Mr. and Mrs. Dewey Berry and family of Blissfield, Mr. and Mrs. Arnett Satterla and family and Mrs. Anna Barden of Horseshoe Lake, Mr. and Mrs. Charles Berry and family of Blissfield, Mr. and Mrs. Silas Berry and family of Riga, Mr. and Mrs. Melvin Berry and family of Blissfield, Mr. and Mrs. Gorden Berry, jr., and family of Blissfield, Mr. and Mrs. Gorden Satterla and family of Britton, John Satterla of Blissfield, Mr. and Mrs. Harlow Schomp and Gene Kelley of Metamora, Joseph Kelley of Britton, Donald Kelley of Hudson, Norman Kelley of Addison, Mr. and Mrs. David Grindstaff of Holland, Mr. and Mrs. Ralph Atcheson of Tecumseh, Miss Mary Ann Slack of Pittsburg, Pa., Donald Bleam of Blissfield, Eugene Berry of Detroit, and his fiance Miss Marguerite Richmond of Fenton, Mrs. Leona Berry of Ann Arbor and Betty Berry of Clinton.

Through the past 50 years Mr. and Mrs. Berry have been residents of Lenawee county, making many friends around Ridgeway, Tipton and Blissfield, who all wish them the best of everything. Mrs. Berry's health has not been very good but they both enjoy meeting old friends and visiting. Everyone enjoyed the get-together and promised each other to do it again soon.

SOFTBALL LEAGUE MAY BE ORGANIZED

All persons and organized softball teams interested in participating in the Civic Softball League this summer are to contact Elven Duvall, Tecumseh high school coach, as soon as possible.

The league will be limited to eight teams this season, the coach said, and will be played at night.

community. The astounding number who came to Tecumseh last summer places an obligation of honor on the Michigan town to tion, the board decided. Moreover, it was pointed out, the Tecumseh-Tecumseh affair is unique and possesses many publicity possibilities of advantage to both towns. Word has been received from the Canadian community that their plans for the day are practically complete, and that Tecumseh will soon be presented with the program.

It was also decided to hold an old-fashioned Fourth of July celebration here. With the Canadian trip on Saturday, July 1, and a local July 4th celebration on the following Tuesday, the directors pointed out that a heavy two months of preparation lay ahead of them.

Feeling that the advantages of a city form of government were not generally known, a publicity committee to present the facts to the public was created, composed of Ronald Harris, Chamber secretary as co-ordinator, L. W. Larsen, Earl Wickwire, R. O. Bashore, John Ziegler, and Robert French.

In order that the membership in the Chamber be completed, the town was districted and a number of citizens are to be asked to help in the solicitation. Board members have been contacting various prospects for a number of weeks, but they are needing help to task completed.

Among those who will be requested to help in the solicitation are Ernest Campbell, B. G. Osterhout, Dick Eggleston, Yale Kerby, Louis Schneider, jr., Russell Garno, Don Martin, Fred Hadley, Lee Randall, Dick Jennings, Paul Wolf, Claude Helm, Paul Clauda, M. G. Partridge, Ed Clark, Ambrose Hamaker, Harold Wilson, Gale Fisher, Norris Morehouse, Dr. M. G. Blanden, Dr. R. G. B. Marsh, P. C. Satterthwaite, and Donald Nixon.

In other business plans were made for the reception of H. J. Dollinger, assistant division manager of the Northern Central Division of the United States Chamber of Commerce who will visit the directors, Thursday noon, May 18.

The proposal of the Michigan Associated Telephone Company for an increase in rates was taken under advisement to study the proposition to see if the Chamber would appear at the public hearing to be set by the Michigan Public Service Commission.

Members of the clergy in Tecumseh were voted honorary memberships in the local Chamber.

Camera Club Contest To Continue Six Months

Miss Mabel Lockwood is leading in the print of the month contest by ten points, according to Clarence Tirb, secretary of the Indian Snappers Camera Club, which met Monday evening in the basement of the public library. There are six months left in the contest and anything can happen, so the program chairman is urging all members to enter in the contest. The subject for June is flowers; July, trees; and August, water. Monday evening, Darwin Smith and Miss Lockwood tied for first place. Points are given for each entry and winner.

There was a good attendance of members and visitors at Monday evening's meeting. Walt Weisinger of Adrian showed 1600 feet of his Northern Michigan film with musical accompaniment. At the June meeting, Leon Rosacrans will show his Main Street movie.

Why Take Chances With 'Ordinary' Garden Seeds?

True, the gardening season is a little late this year, but don't let it worry you. Your garden can "catch up with the weather" if you'll plant our pre-tested seeds.

Pre-tested seeds are the kind that have been tested by the growers and found to be certain and fast-growing. We've sold them at our store exclusively for many years. And each year, customers come back for more.

Why, then, take chances with ordinary seeds? Plant pre-tested seeds and catch up with the weather.

Notice Of Special Township Meeting And Election And Of Registration Of Voters

WHEREAS, at a meeting of the Township Board of the Township of Tecumseh, Lenawee County, Michigan, held on the 2nd day of May, 1950, a franchise ordinance was adopted, entitled as follows:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the public highways, streets, alleys, bridges, and other public places, and to do a local gas business in the TOWNSHIP OF TECUMSEH, LENAWEE COUNTY, MICHIGAN, for a period of thirty years.

WHEREAS, said Consumers Power Company has heretofore filed its written acceptance of said franchise, and has requested that the question of confirming the grant thereof be submitted to the qualified electors of the Township, at a special election to be held for that purpose, and has also paid to the Township Board the estimated expense of holding such special election; and,

WHEREAS, there has been heretofore filed with said Board, a petition signed by at least twelve electors, requesting that a special township meeting and election be called for such purpose;

NOW, THEREFORE, in pursuance of such resolution, notice is hereby given that a special meeting and election will be held in said Township at the Council Building, 110 So. Evans Street, Tecumseh, Michigan, on Monday, the 5th day of June, 1950, for the purpose of voting on the confirmation of the action of said Township Board in granting such franchise.

The polls of said election will be opened at 7 o'clock in the forenoon, or as soon thereafter as may be, and will be held open until 8 o'clock P.M., Eastern Standard Time. The Township Clerk will be in his office on the 16th day of May, 1950, said date being the twentieth day preceding the date of said election, for the purpose of reviewing the registration, and registering such of the qualified electors of the Township as shall appear and apply therefor, which registration may be made on said date, between the hours of 8 o'clock A.M. and 8 o'clock P.M., Eastern Standard Time.

Said franchise as granted by said Board is on file with the undersigned Township Clerk for the purpose of inspection by the qualified electors.

BY ORDER OF THE TOWNSHIP BOARD.

Mrs. Marion Harrington Weds George Kielwasser

In her home at 315 North Maiden Lane, Mrs. Marion Harrington was united in marriage to George Kielwasser, Saturday evening, by the Rev. B. O. Bashore, pastor of the Tecumseh Baptist church, who read the double ring service at eight o'clock. The bride's twin sister, Mrs. Garland Gove, and Mr. Gove, attended the couple.

The bride was attired in a navy blue dress with an orchid corsage. Mrs. Gove also selected navy with corsage of deep pink roses.

After the ceremony lunch was served featuring the three tiered wedding cake topped with a miniature bride and groom. A mixed bouquet of roses completed the decorations. Guests included Mrs. Kielwasser's daughter, Mrs. Doris Cottrell, who is with the Hormel Girls Orchestra, and her daughter Bonnie Jo Burske; her son, Ned Harrington, the Rev. and Mrs. Bashore, Mr. and Mrs. Irving Gove, Mr. and Mrs. Garland Gove, Mrs. Ella Brown, Mr. and Mrs. Dan Corkery, Mrs. Ruth LaPrad, Mrs. Margaretta Brisbin and Miss Virginia Grubbs, who is with the Hormel Girls Chorus. Mr. and Mrs. Kielwasser received lovely gifts.

When the couple left on a short trip the bride was wearing a three piece navy suit with navy and white accessories and her orchid corsage.

Accomplished by Working Together

The great benefits which result from whole-hearted cooperation probably are no better illustrated than by the accomplishments of the 15,000 dairy farmers who work together as members of the Michigan Milk Producers Association.

Some of the outstanding benefits obtained for themselves by these members are:

1. A GUARANTEED market for all of the milk they produce.
2. Guaranteed prompt payment in full. No credit risk.
3. Substantial payment for milk rejected from the market in event the member's family is quarantined.
4. Check testing of the members milk for butterfat content by Association testers to insure proper payments.
5. Improving quality of product and cutting production costs through Association Quality Control Program.
6. Safeguarding the market against seasonal fluctuations in production by means of the Base and Excess Plan.
7. Efficient representation in legislative and regulatory measures at the local, state and national levels.
8. Constant and reliable source of information regarding important subjects relative to dairy farming, milk production and market situations.
9. A unified, intelligent program of advertising and sales promotion to increase the consumption of milk and dairy products.
10. A continuing program of research and dissemination of information setting forth the great value of milk as a food in cooperation with the Dairy Council and American Dairy Association.

Fur Up-liftin Yur Kar's Face After Yuh Popped It In.

Yuh say yuh didn't? Wa'al, it seems like it was gettin t'be twice in a while when fellers—and wimmin, too, fur that matter—kum in to our stabul-hospitul and wanted to git their kar's face remade. Some o'em said they'd jist had bad luck and got bumped while parkin and others, wa'al, we won't go into that.

Anyhow, we've opened a new departmint in our hospitul fur doin' nothin but takin out rinkles where they don't belong and puttin' em in—like dimples, eh, where they're 'sposed to be. Kinda tricky bisnis, but we watched some of them plastik surgins at work and the feller we've hired fur the job—doc, we calls him—is a mighty slick operator, too.

So, bring the old hag in and we'll give her a plastik uplift or sumpin. Guarantee yuh wont' know her when our Doc's thru with the job. If she's red and yuh want her green, we'll do that, too. Paintin' kars is right down our alley.

An' here's a guarantee yuh don't always git in one of these regular hospituls. We guarantee complete satisfakshun. If we tells yuh she's goin to look like a movie star when we're done with her she will. Our doc really knows his stuff.

THE TECUMSEH HERALD

NINETY-NINTH YEAR—NUMBER THIRTY-TWO | TECUMSEH, MICHIGAN, MAY 11, 1950 | FIVE CENTS A COPY

Tax Rate Reduced

ASSESSED VALUATION INCREASE PERMITS CUT IN TAXES TO $14 PER THOUSAND

Real and personal property taxpayers in the Village of Tecumseh will pay $1 per thousand of assessed valuation less in taxes this summer than they did a year ago, due to a reduction in the rate established by the village council. This year, the tax rate in Tecumseh will be $14 per $1,000 assessed valuation. Last year it was $15.

The $14 tax rate this year will raise a total of $67,981.20 for the operation of all of the departments of the village. This money will be spent as follows:

For the general fund, $16,995.30 or 3.5 mills; highway fund, $24,279 or 5 mills; cemetery fund, $4,855.80 or 1 mill; hospital fund, $2,427.90 or .5 mills; sewer fund, $19,423.20 or 4 mills.

The village also anticipates the receipt of $79,018.80 in tax diversion money from all state funds, making the council's anticipated receipts for the year $147,000.

Tecumseh's assessed valuation of real estate and personal property increased this year over 1949 about $900,000. The $14 tax rate this year will be applied against assessed property valued at $4,855,800.

Last year, when the tax rate here was $15 per $1,000 assessed valuation, that rate was applied against an assessed valuation of $8,968,000 and raised by direct taxes for the village $59,520. The $14 rate this year is, as a result of the increase in assessed valuation, raising about $8,000 more than the higher rate did a year ago.

Village taxes in Tecumseh always are due and payable in the summer. It is expected that the treasurer will begin the collection about the first of June.

Junior Band To Make Its Appearance, Tonight

A large attendance is expected for the regular meeting of the Tecumseh Parent-Teacher Association, this (Thursday) evening, when the 48-piece junior band, under the direction of Clare Camburn, will appear for the first time and present a full length concert, in the Central School auditorium at 8 p.m. George Payne, a dancing master from Ann Arbor, who will begin teaching here next week, will also present several of his students from Dundee and Ida in a few numbers.

Included in the junior band's program will be two saxophone duets, "Cruising Down the River" and "Now is the Hour" by Ruth Ann Coates and Aileen Kimerer.

ENTRANCE ATTEMPTED

Officers here are investigating the attempted entrance to the A & P store on N. Evans street, early Saturday morning. An effort had been made to force open a rear door.

BICYCLE RETURNED

A bicycle taken from the Central school grounds, Friday, and owned by Carrole L. Kilburn, 407 W. Brown street, has been returned to the owner by police. Officers say that the bike was ridden away by a boy whose name they know.

G. O. P. Women's Club Dinner Here On May 18

Plans are complete for a Republican Women's Club dinner at the Tecumseh Country Club, Thursday, May 18, at one o'clock. Mrs. Karl Schneider is chairman and all interested women in the county are invited to attend.

Guest speakers will include Mrs. Ray Hooker of Mt. Pleasant, national committee woman; Mary Streit of Detroit, state vice chairman; and Katherine Gibson of Monroe, state president of the Republican Women's Federation.

Tickets may be purchased from Mrs. C. W. Howe at Bancroft Cleaners.

Contract O.K.'d For New Church

NEW EDIFICE TO BE BUILT BY CATHOLICS HERE AT COST OF $74,000

The contract for the construction of a new St. Elizabeth Catholic church on North Union street just south of Brown street, was awarded this week to Lee Allshouse, Adrian contractor, at a cost of $74,000. Announcement of the award was made by the Rev. Fr. Michael G. Collins, pastor of the church.

The new edifice, to be built of brick, steel and concrete, will be traditionally modern in design, about 135 feet in length and 45 feet in width. It will have an auditorium with seating capacity for 400 persons. The building will face Union street, about mid-way between Brown street and Evans Creek. The church bought nine acres of property fronting on Union street several years ago when it announced plans for the building of a new church.

The Rev. Fr. Collins said that he expected that ground for the new building would be broken in a week or 10 days and that the church would be ready for occupancy about Christmas time. The laying of the cornerstone will come in from two to three weeks with Msgr. Warren Peek of St. Thomas Church, Ann Arbor, officiating.

The present church on East Chicago boulevard is much too small to accommodate the rapidly-growing St. Elizabeth congregation, Fr. Collins said. This building was erected in 1913. When the new church is completed, the old church will be used as a parish hall, the pastor said.

The church's plans also call for the building of a rectory and a school on the Union street property. This will come at a later date, Fr. Collins declared. He said that the first interest now is for a larger church to accommodate the congregation.

4 Vacancies Filled In Local Teaching Staff

Four vacancies in the public school's teaching staff already have been filled and two others remaining will be filled within a week or 10 days, Earl H. Place, superintendent, advised the board of education at its regular May meeting, this week.

Mrs. Katherine Naser of Tecumseh will teach a sixth grade class in the school next year and Wayne F. Kaiser of Clinton, who holds a master's degree in elementary education has been hired as a fifth grade teacher. Mrs. Janet Blair, Tecumseh, has signed a contract to teach second grade and Mrs. June MacBeth of Manchester is the new English and speech instructor. The vacancies remaining are a girl's physical education instructor and an agricultural teacher. Both jobs will be filled soon, Mr. Place said.

The school calendar for the year 1950-51 calls for teacher conferences on September 5, registration a day later and the formal meeting of classes on September 11. The summer vacation next year will start on June 1.

Troop six, Girl Scouts, will hold bake sale at Hanna's Insurance Offices, Saturday, May 13, at 9 a.m. adv.

Car-Tree Crash Sends 2 To Hospital

Photo above shows the Paul S. Timmerman car of Adrian, after it had crashed into a tree following a tire blow-out on a curve in front of the Branigin farm on M-50, just west of Tecumseh. The picture was taken just after the car had been freed from the tree by a wrecker. Timmerman suffered a broken leg and other injuries. James Leonard, 14, a passenger, was not seriously hurt. The accident happened Saturday night. (Herald Photo)

School Band Is Well Received

TECUMSEH HIGH MUSICIANS GET MANY ENCORES AT THURSDAY CONCERT

Despite the unseasonable weather more than 125 friends of good music were present to hear the Tecumseh High School band, last Thursday evening, when it presented a concert in the Central Building auditorium. Clare Camburn's musical proteges showed marked improvement and laid the groundwork for similar programs in the future.

The band responded with three encores to the appeal of its audience. The playing of the soloists, duets, ensembles, quartets and the entire band proved that progress has been made this year.

Merchants Will Play 2 Ball Games, Sunday

The Tecumseh Merchants baseball team will play a double-header at the Recreation Center, Sunday, beginning at 1 p.m., for its first appearance of the season. The local lads, managed by Ed Hanley, will take on Dundee and later Blissfield.

After this pre-season warmup, the Merchants will play a game each week, expecting to have plans for league play complete by next week. Ron Henkel and Mel Murphy will pitch for Tecumseh.

There is no admission charge to the games. Last year, the Merchants, though not in a league, ended the season with a near-perfect record.

FIND MAN'S BODY IN PASTURE FIELD

The decomposed body of James Black, 39-year-old Negro, address unknown, was found in a pasture field about a quarter of a mile from Watkins Road in Manchester township, Washtenaw county, Tuesday. State police said that the man, known to them as a hitch hiker, had been dead for 10 days or more. The cause of death was unknown. The body was removed to University Hospital, Ann Arbor, and an autopsy ordered.

CAR IS ENTERED

Police are investigating the theft of a fur neckpiece valued at $30 and a rear view mirror, taken from a car owned by Richard Carter, Tipton, while it was parked in the Products lot, Monday afternoon or evening. A locked door on the car was sprung open to gain entrance.

Schneider Is Chairman Of July 4th Program

Plans by the Chamber of Commerce for the Fourth of July celebration are being developed under the chairmanship of Louis S. Schneider. The fact that enormous energy must be expended in the Canadian visitation the week before is not going to mar the local celebration. Tecumseh is becoming known for its Fourth of July celebrations and the Chamber is determined to enhance that reputation.

Among the plans already being developed will be the annual 4-H plowing championships under the direction of Fay Whelan. M. W. Wilson, Frank Owen, and Tim Neill are making plans for an outstanding wrestling card, and Tecumseh's far-famed fireworks display which annually draws thousands into the town are expected to equal or surpass any previous display.

More detailed plans for the entire day are rapidly being developed and will be announced soon.

Mrs. Lizzie Boyd, 86, Buried Here, Saturday

Mrs. Lizzie Boyd, 86, of Britton, died Thursday afternoon in Herrick Memorial Hospital and was buried in Brookside cemetery on Saturday, after the funeral service conducted from the Niblack Funeral Home in Britton. The Rev. Harry Rogers officiated.

Mrs. Boyd had been a patient in the hospital since April 5, after a fall in her home. She moved to Britton 30 years ago from Saline and was a member of the Despelder church of Macon and the Ladies Aid of the Christian church of Britton.

Mrs. Boyd was preceded in death by her husband, Thomas, 24 years ago. She is survived by a niece, Mrs. Fern Ireland of Saline and several cousins.

Alumni Banquet To Be Held Here, June 2

Richard Eggleston, president of the Tecumseh High School Alumni Association, has announced members of several committees for the banquet to be held Friday evening, June 2, in the Central School Building. However, more assistance is needed and volunteer help will be welcomed, according to the president.

Alumni who have agreed to serve on committees include the following: program, Jim Beardsley, chairman, Gibbs Barber and Mrs. Lillian Service; nominating, William Wright and Max Brandt; tables and chairs, Jack Whelan; banquet, Mrs. Crystal Barber and Mrs. Floris Snyder; setting of tables, Mrs. Barber, Mrs. Marian Hanna and Mrs. Snyder; table decorations, Lois Purkey, chairman.

3 Are Injured In M-50 Mishaps

THREE TAKEN TO HOSPITAL WITHIN A WEEK IN ACCIDENTS WEST OF HERE

Three people were injured, one of them seriously, in two accidents on a curve in M-50 just west of Tecumseh and in front of the Branigin farm, during the past week.

Paul S. Timmerman, 24, Adrian, and James Leonard, 14, also of Adrian, were hurt at 9:45 Saturday night when the car driven by Timmerman left the highway after a front tire blow-out. The car hit a large tree in the Branigin yard, hurling both of the passengers from the machine. They were removed to Herrick Memorial Hospital in ambulances.

Timmerman suffered a broken right leg and left wrist, broken ribs and possibly internal injuries. He was removed to University Hospital, Ann Arbor, on Tuesday. The Leonard boy suffered cuts and bruises. He was released from the local hospital Tuesday evening.

The Timmerman car, traveling east, was badly damaged. Timmerman was given a summons by state police for driving with an expired operator's license.

At 9:45 on Wednesday evening of last week, Mrs. Margaret Karle, 37, of Evans Lake, suffered severe bruises when she lost control of the car she was driving and it went off the highway after colliding with another machine driven by J. T. Lauffer of Jasper. Lauffer was not hurt.

Mrs. Karle was removed to Herrick hospital by ambulance and was released on Friday.

Both accidents happened on the same M-50 curve in almost exactly the same spot.

Mrs. Matilda Hawkins Is Buried At Stanton

Mrs. Matilda C. Hawkins, aged 83 years, died Thursday morning at the home of her daughter, Mrs. Lewis Munson of 837 South Union Street. Funeral services were held from the Strauss Funeral Home in Stanton, Sunday afternoon, and burial was in the Entrican cemetery.

Mrs. Hawkins had been in failing health for the last ten years. She was born October 5, 1866, in Montcalm county. Surviving are two daughters, Mrs. Munson and Mrs. Vena Marsh of Ionia, and a son, Melvin Stesner, also of Ionia.

Class Parties Get Under Way

THS COMMENCEMENT ACTIVITIES USHER IN SCHOOL'S GRADUATION SERVICE

Ushering in the 1950 high school commencement activities, the Junior class will be host to the graduating Seniors, Friday evening, May 12, at the annual Junior-Senior reception, to be held at the Tecumseh Country Club. The Gay Nineties motif will be used for the formal affair.

Members of the Sophomore class will serve the dinner, featuring southern fried chicken, at tables centered with miniature May poles and flowers. Four persons will be seated at each table. The Rev. Alvin C. Brazee will give the invocation. Earl H. Place, superintendent, and James McDowell, high school principal, will give addresses. Tom Everlove will act as toastmaster and introduce David Lott, senior class president; Ken Swarts, junior class president; Neville Hart and Mrs. Martha Kuhn, high school instructors, all of whom will make appropriate remarks.

After the program dancing will be enjoyed to the music of the Tecumseh Chieftains.

The Senior May Party, jointly sponsored by the Student Council and Board of Education, will be held Friday, May 19, in the Central Building gymnasium, from 9:30 to 12:30. From 8:30 to 11 p.m., students of the Junior High will have their own Spring party in the cafeteria of the high school.

Baccalaureate services will be held in the Presbyterian church, Sunday evening, May 28. On Wednesday, May 31, the Seniors will present their Class Night program and on the evening of June 1, commencement exercises will be held.

Miss Adah Pocklington Buried At Ridgeway

Funeral services were held at the Collins Funeral Home, Saturday afternoon, for Miss Adah Pocklington, aged 81 years, who died May 3 at the home of Mrs. Rose Cox of 406 East Pottawatamie street. The Rev. Loren Carter of Ridgeway officiated and burial was in Brookside cemetery.

The bearers were Paul Martin, Jack Staulter, Harvey Hindes, William Kopka, Lester Cox and Garth Underwood. Friends and relatives attended from Hastings, Britton, Tipton, Macon, Melvindale, Ridgeway and Tecumseh.

Miss Pocklington was born May 14, 1869, the daughter of the late George Christopher and Jennie Pocklington. She had made her home with Mrs. Cox, moving to Tecumseh from Raisin two years ago, and had been ill for several weeks before her death.

A life-long resident of the Tecumseh area, Miss Pocklington was a member of the Ridgeway Methodist church, and a former member of the Rebekahs and Maccabees of Holloway.

Surviving are a brother, Arthur, two nieces, Mrs. Hazel Alderman of Detroit and Mrs. Helen Morningstar of Tecumseh. She was preceded in death by a brother, Eugene, and her parents.

Mrs. Lena Westcott, 76, Former Resident, Dies

Burial services were conducted in Brookside cemetery, Saturday afternoon, for Mrs. Lena Westcott, 71, who died last week Wednesday at her home in River Rouge. The Green Funeral Home was in charge and the Rev. Edward Escolme officiated.

Mrs. Westcott was born in Franklin township, the daughter of the late Winfield and Mary Brown Lewis. She had made her home in the Detroit area since her marriage to Lester Westcott, who preceded her in death.

Surviving are a daughter, Mrs. Lottie Moore of Diamond Springs, Calif.; two sons, Lloyd of Arkansas and Lawrence of Ecorse, and a sister, Mrs. Edith VanValkenburg of Adrian. A son also preceded her in death.

Charles A. Butts, 74, Dies In Hospital Here

Charles Alonzo Butts, 74, died suddenly Sunday about 3 p.m., shortly after being admitted to Herrick Memorial Hospital. Funeral services were held Wednesday afternoon from the Green Funeral Home, with the Rev. B. O. Bashore officiating. Burial was in Moscow Plains cemetery.

Mr. Butts had operated the projector at the Strand Theatre for several years and continued working until about two weeks before his death. He had lived here for 29 years, coming from Hillsdale county. He was born in Munson, Ohio.

Surviving are the widow, Mary K., one daughter, Mrs. Clarke Goodacre and four grandchildren.

J. FRED RECTOR IS BURIED IN BROOKSIDE

Funeral services for J. Fred Rector, who died April 30, were conducted last week Wednesday afternoon from the Collins Funeral Home. The Rev. Ronald C. Wilson officiated and Mrs. John Calhoun played the piano before and after the service. Masonic services were held at the grave in Brookside cemetery with George McCombs, past master, in charge.

The pall bearers were Fred Sheldon, Wilfred Waldron, Don Heesen, Clare Gillespie, Clyde W. Bailey and Ellsworth A. Collins. Friends and relatives attended from Palmyra, Cleveland, Adrian, Plymouth, Fowlerville, Clinton, Baltimore, Md., Tipton, Ridgeway, Holloway, Brooklyn, Jackson, Macon and Tecumseh.

SOFTBALL SCHEDULE IS BEING PREPARED

A schedule for night softball games will be arranged as soon as eight teams sign up for participation in the Civic Softball League this summer, according to Elven Duvall, high school athletic director. All persons and organized teams interested are asked to contact Mr. Duvall as soon as possible.

This season the league will be limited to eight teams, the coach said, and will be played at night.

GOV'T COOPERATES TO MAKE INTERNATIONAL CEREMONY A SUCCESS

Replica Of The Liberty Bell To Head Tecumseh, Ont., Caravan

An exact replica of the Liberty Bell, even to the tone, and mounted on a red, white and blue government truck, will head the Tecumseh, Michigan, caravan to Tecumseh, Ontario, Canada, on July 1 when residents of this community pay a good-will visit to their neighbor of the same name across the border.

Tecumseh's assurance of the bell for the Tecumseh-Tecumseh celebration was given on Tuesday to the Chamber of Commerce by Elmer W. Gaede, public relations director of the U. S. Savings Bonds Division of the Treasury with offices in Detroit. Mr. Gaede said that Delmar Cote, state director, had confirmed the Chamber's plea for the use of the bell on the July 1 date.

Ronald Harris, secretary of the Chamber, said that details in connection with the bell's journey to Tecumseh, Michigan, and later to Canada still are in the making.

"The bell," Mr. Harris said, "is one of eight exact replicas of the Liberty Bell that rung in 1776. The bells were cast in Annecy, France, at the expense of the government, and are soon to tour the United States in connection with the Treasury's latest savings bond drive in which the slogan is 'Save for Your Independence.' On July 1, we understand, the bell that we will have here will be permanently enshrined at the capitol in Lansing. I feel that we are indeed most fortunate in being able to have the bell for our journey of international good will."

The visit of Tecumseh, Michigan, residents to Tecumseh, Ont., returns a "call" which the Ontario town made 1,300 strong to this village last July 4 when we observed our 125th anniversary. It is expected that more than 1,000 persons will make the Canadian trip.

As a forerunner of the July 1 celebration, the Tecumseh Products Chieftains will play for a civic dance in Tecumseh, Ont., probably the first week in June, Harris said. This neighborly event is the result of an offer made by R. W. Herrick, Tecumseh Products president, to Mayor T. C. Scott of Tecumseh, Ont., when he visited here last T-Day.

Mr. Gaede also announced that the bell would be in Adrian on Thursday, May 18, for a ceremony between 9:30 and 11:30 a.m. The bell comes to Adrian from Monroe. Joseph P. Libs is chairman of the Adrian program, which will include the ringing of the bell by someone in Lenawee county.

THURSDAY, MAY 11, 1950

Congratulations, Mr. Camburn

The Tecumseh High School junior band will make its initial appearance before an audience at the Central School auditorium this evening, presenting a concert for the Parent-Teacher Association. This youthful group has been practicing for weeks for this appearance and there is every indication that the public is in for a pleasant surprise.

The junior band, composed of 48 boys and girls, was organized by Clare Camburn, band director of the public schools. It should fill a long needed gap in the school's instrumental music program. It will be from the junior bands of the future that the senior band of the school will recruit its musicians. Boys and girls attending school here will, as a result, receive seven or eight years of instrumental training rather than four years, as was the practice before the junior band was organized. This should make for a much finer senior band.

On gala days, at civic functions, football games and the like, we know of nothing that will send the blood tingling through the veins of the public faster than the appearance of a smart, well organized band. Such an organization is a must in every progressive community.

There was a time when Tecumseh boasted of two bands, one organized by the school and the other the Ladies Band, which won state-wide recognition. The Ladies Band long ago fell by the wayside and now Tecumseh is dependent entirely upon the school for such a group.

Mr. Camburn is to be congratulated for the organization of the junior band. He has been a faithful servant to Tecumseh public schools in instrumental music group organization. At times the battle he has fought has been rather up-hill, but he has taken discouragement in his stride. At last, it would seem, his efforts are beginning to pay dividends.

An Unsightly Spot

In the Spring of the year, every community urges its residents to clean-up, paint-up and fix-up. It is a good idea and one that has been practiced for generations.

Now, it would seem, inasmuch as it is Spring, that it would not be out of order for the residents of this community to urge the powers that be in local government to clean up the village dump on Burt Street. It is most unsightly.

A few hours work on the part of a bulldozer and a crew of workmen would do the trick. Unsightly mounds of debris could be pushed down the ravine and a 100% improvement made in the appearance of the area.

Burt Street and Milwaukee Road carry a lot of traffic. It is the route to Grange Hall and to the Country Club, two popular spots in community life. Surely, the journey to these two places could be made more enjoyable to the eye if a little Spring clean-up was practiced by the village.

MACON

An item in last week's issue of The Herald stated the W. C. T. U. met and elected officers. This should have read the W. S. C. S. of the Methodist church.

Decoration Day will be observed Sunday, May 28, at 2 p.m., at the Macon cemetery. The program will be furnished by the committee.

Monday evening, the directors of the Macon Cemetery Association met at the home of Mr. and Mrs. Clarence Hall and elected the following officers: Mills Swick, president; Mrs. Margaret Hall, secretary; Earl Pennington, treasurer; Clarence Hall, caretaker.

The Macon Community Club will meet Tuesday evening, May 16, at the home of Mr. and Mrs. David Bush for a potluck supper at 6:30 p.m.

The Macon Woman's Club will meet today, May 11, at the home of Mrs. William Swick for a potluck dinner at noon.

Mr. and Mrs. Charles Bigelow have purchased the Hill and Dale resort at Crystal Lake near Benzonia, Mich., and will move there Monday for the summer months.

SOCIETY TO MEET

The Lenawee County Historical Society will meet Thursday, May 25, at the home of Mr. and Mrs. William Swick at Macon for a potluck dinner at 12:30 p.m.

Why just listen to reasons ?

COME SEE FOR YOURSELF !

THIS TIME we'd like to tell you about something that you cannot see in this picture—something, in fact, you cannot know about from looking at someone else in a passing Buick—or from viewing a Buick on our showroom floor.

It's the feel you get from a Buick in *motion.*

You are going to find out that it is something like traveling on your own private, jet-propelled cloud—only firmer.

Maybe you know a stretch of washboard road, where you have to slow down, or bounce and jitter.

Try that in a Buick and see how you keep a level, comfortable boulevard smoothness.

Maybe you're always on edge to dodge dips and chuckholes. Those also lose most of their jolt when you're at the wheel of a Buick—or in the rear seat.

In a few simple words—the ride of any Buick—SPECIAL, SUPER or ROADMASTER—is out of this world.

We could give you a lot of reasons. Soft coil springs on all four wheels, for example—the firm linkage of the torque-tube drive—the distribution of weight—big soft tires on wide rims—the way Buick engines are mounted.

Even Dynaflow Drive*—always silk-smooth and free of geared-drive harshness—plays its part in the marvelous Buick ride.

But why simply listen to reasons? Experience is still the best teacher.

Come see for yourself why the Buick ride is called "matchless"—and how little it costs to replace a jitterbuggy with one of these level-striding honeys.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

ONLY BUICK HAS Dynaflow AND WITH IT GOES:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • **NEW-PATTERN STYLING,** with **MULTI-GUARD** forefront, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY,** close-up road view both forward and back • **TRAFFIC-HANDY SIZE,** less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE,** from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.

Kroger Pups

As a final test on the quality of flour that will be used in baking Kroger bread, Kroger Food Foundation scientists actually bake thousands of small test loaves of bread under carefully controlled conditions. The quality of these small loaves called "pups," shows conclusively the results that will be obtained in full scale baking operations. Through constant research and practical tests, a continuing guard is maintained on the quality of Kroger products.

DELAYED OPERATION OF CHIMES NOW OVERCOME

The Beach Instrument Company of Oraton, New Jersey, has shipped a new Westminster tinning mechanism to St. Peter's church. This means that shortly Tecumseh will again be hearing the Holdway Memorial Chimes ringing out the time of day. The delay has been caused by the redesigning of the mechanism which operates the chimes on the quarter hour and the tolling of the hour.

About The Folk You Know

Employees and their families of Pallman's Department Store Co., enjoyed a potluck supper, last week Wednesday evening, in celebration of the birthday anniversary of a co-worker, Mrs. Anna Hardenburgh. The 25 persons in attendance enjoyed a social evening. Mrs. Hardenburgh was presented a gift from the group.

companions, Gary Cameron and Vere Hart; first and second spookcats, slaves of Romany Rose, Ray Puffer and Roger Pearson.

Jalaire Knudson is the white princess; Neil O'Hara, the king, is dethroned and an exile in the forest; Ross Hadley is Kink, the King's brother and the two skeletons are William Cooper and Lee Vescelius.

As the curtain opens a fiesta is in progress in the forest and the Gypsies are reprimanded for making merry while their Chief languishes in a dungeon, where he has been cast by the "Kink," brother of the King of the Gyros, a white people, whose domain includes the forest.

After an exciting plot, Romany Rose obtains the key of the dungeon, to which she journeys, and returns with the Gypsy Chief. She is rewarded with jewels from the royal treasury, and the freedom of the forest is given to her tribe. The Kink is appointed Chief Cook and Bottle Washer Extraordinary, and the two Spies are made Guardians of the Royal House Traps. Gypsies and Gyros bid farewell to each other, promising eternal friendship.

Children of the fourth, fifth and sixth grades will be members of the chorus. The public is invited to attend.

SCOUT NOTES

The Tecumseh Girl Scout Association was privileged to have Mrs. H. C. Lincoln, camping chairman from the Jackson Girl Scout Council, as its guest at the regular monthly meeting, last week Wednesday evening, at the Scout cabin.

Mrs. Lincoln discussed Camp-of-the-Hills, the Jackson Girl Scout camp located at Wamplers Lake. She also extended an invitation to local Girl Scouts to participate in the Jackson summer program. Any registered Brownie or Girl Scout eight to 18 years of age is eligible to attend this summer camp. The fee is $17.50 per week. One week sessions begin June 25 and June 2 and two week sessions begin July 9 and July 23. Parents interested in sending their daughters to this summer camp may contact their troop leader or Mrs. Elven Duvall, association president, before May 14 for additional information and registration forms.

Plans were also discussed for a day camp to be held at the local Scout cabin this summer for girls who are unable to go to summer camp. A program of Scouting activities is being formed to be held one day each week throughout the summer months, which would be directed by adult personnel in accordance with National Girl Scout policy. Scouts could enjoy and participate in a planned, supervised Scouting program at home.

Mrs. Owen Partridge reported that plans have been completed for the annual Girl Scout Court of Awards to be held May 23 at the Tecumseh Central School gymnasium at 7:30 p.m. At that time all Scouts will be presented with awards and badges earned during the Scouting year.

Another guest at the meeting was Miss Ruth Harding, Tecumseh's public librarian, who discussed the library's policy in the handling of Girl Scout books.

The annual meeting of the association will be held June 7 at the Scout cabin. At that time new officers will assume office and annual reports will be given by retiring officers and leaders.

This Time The Anti-Trust Lawyers Won A Case Against A&P

As almost everyone now knows, the anti-trust lawyers in Washington have brought a civil suit to destroy A&P.

They ask the courts to order the dissolution of this company.

They say that this suit is based on the fact that they won a suit against us at Danville, Illinois, in 1946.

They did. In that case, Federal Judge Walter C. Lindley made a decision against A&P.

Immediately thereafter, in a letter explaining his decision, Judge Lindley wrote:

"I have not condemned the A&P system. I have not made a finding which could be the basis for a suit of dissolution."

So, now we have the anti-trust lawyers saying that their suit to dissolve A&P is based on Judge Lindley's decision; while Judge Lindley himself says his decision could not be the basis for a suit of dissolution.

In previous ads we told you about the cases against A&P which the anti-trust lawyers lost. We promised to tell you about this case they won. Here is the story of the Danville case.

What Judge Lindley Objected To

At Danville, the anti-trust lawyers made all of the charges which they are again making against A&P today. They were substantially the same charges they had made and dropped at Dallas, Texas, after four federal judges had objected to some of them as "inflammatory."

In his decision, Judge Lindley was critical of some of our activities. He threw some of the charges out of court. He did not make any decision on others.

He even took occasion to praise A&P for the efficient job of food distribution it had done.

Judge Lindley said:

"To buy, sell and distribute to a substantial portion of 130,000,000 people, one and three-quarter billion dollars worth of food annually at a profit of 1½ cents on each dollar, is an achievement one may well be proud of.

"No place in the world I take it are people so well fed as in the United States. Nowhere else, I suppose, do food distributors accomplish efficient distribution at so low a margin of profit. In contrast, we are told in other nations the problem is not one of an adequate diet but one of no diet at all."

But Judge Lindley did find us in violation of the Sherman Act. He based his ruling on the dual role played by our fresh fruit and vegetable buying subsidiary, the Atlantic Commission Company, whereby that organization acted both as buying agent for A&P and as selling agent for growers.

Judge Lindley said:

"If I assume for the purpose of disposition of this case that in general the policy of A&P was to operate within the law and attribute to defendants a desire to comply with the law, there still remains the conscious, knowing adoption by all defendants of a plan of action by the Atlantic Commission Company affecting every department of A&P and every retail store which cannot be squared with the intent and purpose of the act."

In his letter explaining the decision, Judge Lindley wrote: *"I have condemned their practices through the Atlantic Commission Company."*

Judge Lindley imposed fines totaling $175,000. When his decision was upheld by the Circuit Court of Appeals in Chicago, we paid the fines. This ended the case—but we did not stop there.

What We Did To Correct This

In the light of the decision, we immediately set about reviewing our activities to be sure that there could never again be any criticism of our operations.

First, the Atlantic Commission Company abandoned the dual role to which Judge Lindley objected and which he said was the basis of his decision against us.

We did this even though the Atlantic Commission Company had been licensed for many years by the United States Department of Agriculture to act as both a buyer and seller of fresh fruits and vegetables.

The Atlantic Commission Company now only buys for A&P. In other words, *we stopped doing the thing which Judge Lindley said put us in violation of the Sherman Act.*

We made additional changes in other methods of operation which Judge Lindley had questioned at Danville, even though he did not base his decision on them.

We did even more than this!

We went down to Washington and asked the anti-trust lawyers what else they thought we should do to conform to their new interpretation of the vague anti-trust laws.

The only answer we ever got was that we should break up this company!

Despite their claim that they were not opposed to A&P's size, *they insisted that we destroy this size.*

Despite their claim that they were not opposed to our manufacturing operations, *they insisted that we get rid of our factories which produce many of the fine foods you buy at A&P.*

Despite their claim that they were not opposed to our low prices, *they insisted that we destroy many of the efficiencies that make these low prices possible.*

In other words, they insisted upon the dissolution of A&P.

We were still trying to find out from the anti-trust lawyers what else they thought we should do to conform to the law when they filed the current suit to destroy A&P.

Why, Then, Do They Want To Put A&P Out Of Business?

Ever since this suit was filed, the anti-trust lawyers have been making damaging statements that could seriously hurt our business if they were believed by the public.

They say that we were found guilty at Danville of all the charges they are making today.

This is not true. Judge Lindley did not sustain all of the charges of the anti-trust lawyers.

They say this suit is designed to enforce the law.

But A&P has clearly demonstrated its sincere desire to abide by the spirit, as well as the letter of the law.

They say they are seeking to "enjoin" A&P from engaging in certain "alleged" practices.

Actually, the whole purpose of this suit is not to "enjoin" us, but to put us out of business.

They say that this suit for dissolution is based on the decision handed down by Judge Lindley in Danville.

But Judge Lindley has said of his decision: "I have not made a finding which could be the basis for a suit of dissolution."

What, then, is the real reason why the anti-trust lawyers want to destroy this company, which for 90 years has pioneered the methods of distribution which have given the American people more good food for their money?

VESTRY OF ST. PETER'S TO MEET FOR ELECTION

At their regular meeting to be held Thursday, May 11, at 7:30 p.m., in the parish house of St. Peter's Episcopal church, the vestrymen will elect one of their number to serve as junior warden and chairman of the property committee. This office was made vacant by the resignation of Donald Goddard. Philip G. Colgrove was elected to fill the vacancy on the vestry at the last meeting of this body.

Don't blame bad luck for all your troubles. Bad luck usually is the outcome of bad judgement.

HOUR IS CHANGED

Beginning May 14 the early celebration of the holy communion in St. Peter's Episcopal church will begin at 8 a.m. instead of the time previously observed. This earlier hour provides an opportunity for those who wish to worship before taking up their customary spring activities.

Notice Of Special Township Meeting And Election And Of Registration Of Voters

WHEREAS, at a meeting of the Township Board of the Township of Tecumseh, Lenawee County, Michigan, held on the 2nd day of May, 1950, a franchise ordinance was adopted, entitled as follows:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the public highways, streets, alleys, bridges, and other public places, and to do a local gas business in the TOWNSHIP OF TECUMSEH, LENAWEE COUNTY, MICHIGAN, for a period of thirty years.

WHEREAS, said Consumers Power Company has heretofore filed its written acceptance of said franchise, and has requested that the question of confirming the grant thereof be submitted to the qualified electors of the Township, at a special election to be held for that purpose, and has also paid to the Township Board the estimated expense of holding such special election; and,

WHEREAS, there has been heretofore filed with said Board, a petition signed by at least twelve electors, requesting that a special township meeting and election be called for such purpose;

NOW, THEREFORE, in pursuance of such resolution, notice is hereby given that a special meeting and election will be held in said Township at the Council Building, 110 So. Evans Street, Tecumseh, Michigan, on Monday, the 5th day of June, 1950, for the purpose of voting on the confirmation of the action of said Township Board in granting such franchise.

The polls of said election will be opened at 7 o'clock in the forenoon, or as soon thereafter as may be, and will be held open until 8 o'clock P.M., Eastern Standard Time. The Township Clerk will be in his office on the 16th day of May, 1950, said date being the twentieth day preceding the date of said election, for the purpose of reviewing the registration, and registering such of the qualified electors of the Township as shall appear and apply therefor, which registration may be made on said date, between the hours of 8 o'clock A.M. and 8 o'clock P.M., Eastern Standard Time.

Said franchise as granted by said Board is on file with the undersigned Township Clerk for the purpose of inspection by the qualified electors.

BY ORDER OF THE TOWNSHIP BOARD.

A Beer Moment

From where I sit ... *by* Joe Marsh

Mud Lake Gets "Cleared Up"

County officers got a notice from the government not long ago, asking them to change the name of Mud Lake. Seems it's a *pond*, not a *lake*, by government standards.

Because it lies entirely inside our town limits, we asked to do the name-changing ourselves. Figured we'd think up a brand-new name. Mud Lake's really not very muddy—sort of pretty, in fact.

County people said go ahead, so we held a Town Meeting. Everyone suggested something. Windy Taylor thought "Taylor Pond" would be nice, because his place borders it—for about 30 feet! But we finally decided to call it "Turtle Pond" in honor of the real owners.

From where I sit, naming that pond wasn't the most important thing in the world—but the *way* we did it *was*. Everyone offered his opinion and then the majority vote decided it. That's the way it should be—whether it concerns naming a pond, or having the right to enjoy a friendly glass of beer or ale—if and when we choose.

CARD OF THANKS

We want to take this opportunity to thank our friends and neighbors for their many acts of kindness during our recent illness. Our hearts have been thrilled by the sincere demonstration of Christian fellowship indicated on the part of our many friends.

We want to especially say thank you to the blood donors, the friends who so generously showered us with gifts of flowers, those who remembered us with cards and letters and for the many sincere prayers that were offered in our behalf. In the past two months we have learned the true meaning of "a friend in need is a friend in deed."

Sincerely,
Mr. and Mrs. Harold Wolf

IN MEMORIAM

In loving memory of my dear husband, Lavern Mansfield, who passed away one year ago today, May 10, 1949.

Our hearts are sad and lonely,
But we wouldn't call you back;
For you sleep in God's beautiful garden
Where He gives His loved ones rest.

Sadly missed by wife and family

CARD OF THANKS

I wish to thank all those who sent flowers and cards to me while I was in the hospital; also the nurses, Dr. Blanden and Dr. Hammel. They were all so nice to me and it was appreciated very much.

Mrs. Adeline Curtiss

There Ain't Nothin' a Beauty Shop Can Do Fur a Gal

That Our Plastick Surgin Can't Do Fur Yur Automobile

Yep, its true! We'll garintee it. In our hoss-tradin hospitul we do some 'o the funniest things yuh ever heard of, jist like they do in them beauty shoppes where the wimmin go.

Yep, we're 'quipped to do face liftin', to manacure their nails, to iron out rinkles where they don't belong and we kin even put in dimples if yuh want em. And when it kums to komplexun, man our plastick surgin's a wow. If yuh want her to be a brunette instead o' a blonde, jist say so and we'll do that, too.

This new plastick surgry in our hospital's really sumpin. Jist drive the old nag in, bent and battered like, and tell us to give her the works. In a few hours' time yuh won't know her.

And here's a tip. Maybe if yuh do this to yur kar the family'd get off yur neck insistin' that yuh buy a new one. Anyhow, its worth a try. Nuff said!

THE TECUMSEH HERALD

NINETY-NINTH YEAR—NUMBER THIRTY-THREE | TECUMSEH, MICHIGAN, MAY 18, 1950 | FIVE CENTS A COPY

Tecumseh Makes Bid For 1950 National House-building Record

Big Building Year Is Seen

With well over $300,000 worth of new house construction now under way in Tecumseh and with more than $500,000 worth scheduled to be started within 30 days, indications in the building trade here are that this community will boast of $1,000,000 worth of new dwellings during 1950, a survey revealed today.

Herrick Park and Tecumseh Acres are Tecumseh's two most active subdivisions. Lots and houses in both places are selling rapidly, owners report, and before snow flies in the fall it is expected that somewhere between 60 and 70 more dwellings will make their appearance in the two areas.

In Tecumseh Acres at the present time are 49 new dwellings. Of this number, 15 are under construction and 34 have been sold and 29 are occupied.

"We are pushing construction in Tecumseh Acres as rapidly as possible," Glenn H. Kohler, real estate broker, said today. "We now have authorization for the building of another block of 30 houses, this construction to start within the next two weeks." The subdivision is owned by Town & Country Homes, Inc., of Detroit.

Mr. Kohler also announced that new streets are being built in Tecumseh Acres.

"I also understand that our company will build 12 new houses in Herrick Park, construction there to start within the next three or four weeks," Kohler said.

Robert H. Moore, head of R. S. Moore & Son Co., local lumber dealers and builders, said that there are 11 houses under construction at the present time in Herrick Park and he indicated that by about June 1 at least 15 more would be started there. He estimated that from 30 to 35 new houses would mark their appearance in the park during the year 1950.

Elsewhere than in Herrick Park and Tecumseh Acres, Mr. Moore said that there are at the present time eight or 10 houses under construction. How many more will be built here outside the two subdivisions this summer he did not predict. However, Moore was optimistic in his outlook for general building in Tecumseh during the present summer and fall.

Tecumseh has, in the past, held the national record for the construction of new houses on a per capita basis. Whether or not such a record can be hung up again this year remains to be seen.

The fact that Tecumseh Products Co., world's largest independent manufacturers of electrical refrigeration, is now employing about 3,000 persons in its local plant, and with only about one-third of that number living here, makes the housing market in Tecumseh exceedingly strong. The Chamber of Commerce has been working for months and months on housing programs, hoping to stimulate construction.

On a per capita basis, Tecumseh in years past has held the national house-building record, and there is every indication that the year of 1950 will not be an exception. Photo above shows some of the new dwellings being constructed in Tecumseh Acres where 15 houses are now under way and 30 more will be started about June 1. Below, more new construction in Herrick Park, another of the town's rapidly growing subdivisions. In all probability, two dozen or more houses will be built in this area during the summer. Council Slaps Phone Rate Hike

SAYS PRESENT SERVICE SHOULD BE IMPROVED; NEW WATER WELL SOUGHT

The village council, in session on Monday evening, went on record by resolution as opposing any increase in existing telephone rates in Tecumseh until such time as the service is improved. The Michigan Associated Telephone Company has petitioned the Public Service Commission for a hearing on rates and is seeking a sharp increase in all of its rentals.

The council's resolution, adopted by unanimous vote of all members, is as follows:

"Resolved, that the Council of the Village of Tecumseh go on record as being firmly opposed to any increase in the telephone rates, until such time as service and facilities currently utilized are improved to a degree commensurate with rates presently in effect."

A motion to purchase land necessary for the protection of a new water well on West Patterson street, as suggested by the State Health Department, was approved. The land will be bought from Frank Kish and adjoins the well site. The cost is $500. The Dunnar Drilling & Supply Co. was authorized to proceed with the digging of the new water well, to install the pump and properly house it. When this well is completed the village will have three wells in the area.

The Consumers Power Co., was granted a right-of-way for a new power transmission line along North Maiden Lane and Iroquois streets for the purpose of furnishing electrical service to adjoining land owners.

The highway committee was authorized to take bids and to purchase a new one and a half ton dump truck.

A $4,500 loan from the parking meter fund to the general fund was repaid, and current bills were audited and ordered paid. Reports of committees and department heads were read and placed on file.

Chinese Auction Nets $198 At Country Club

Wednesday, May 10, 65 ladies met for luncheon in the newly-decorated banquet room of the Tecumseh Country Club. Spring came indoors for the occasion in the garden flowers and Japanese quince, which graced the tables, and the rollicking note which predominated in the entertainment.

Mrs. Ray Sluyter and Mrs. F. K. Smith, as auctioneers, introduced a unique Chinese auction to dispose of the baked goods and novelties brought to the luncheon to augment the fund for equipping the ladies lounge. A total of $198.27 was thus raised. Mrs. Murray Day sang three numbers, "If We Had A Kingdom," "If I Knew You," and "Alice Blue Gown." She also gave a monologue entitled "On A Shopping Trip." She was accompanied at the piano by Mrs. Herbert Dillon.

Mrs. O. W. Laidlaw and Mrs. Robert Laidlaw were the hostesses. They were assisted at the door by Mrs. C. O. Butler and Mrs. A. L. VanWinkle.

Hostesses for May 24 are Mrs. Norris Morehouse, phone 224M, and Mrs. Warren Benham, Britton phone 36F3. Reservations are to be made by Tuesday noon.

Rev. Don Benedict Will Speak, Sunday

FORMER TECUMSEH HIGH GRADUATE TO GIVE SERMON AT PRESBYTERIAN CHURCH

The Rev. Donald Benedict of New York City, a graduate of Tecumseh High School in 1935, will be the guest preacher at the morning worship service at the Presbyterian church here, Sunday. The service will be conducted by the pastor, the Rev. D. C. Wilson, and the Rev. Mr. Benedict will deliver the sermon.

Mr. Benedict is pastor of the East Harlem Protestant Parish in New York City. This parish is in an area of highly congested housing and racial tension. It began in the fall of 1948 when the first store-front church was opened. The work now requires the attention of four ministers, six students from Union Theological Seminary, and part-time help from a physician and a nurse.

Commenting on the work, Mr. Benedict says, "Our whole purpose since we opened our first church in an empty store-front has been to bring Christianity to people who have been neglected by conventional Protestantism in the past."

Benedict is the son of Mrs. Leon Benedict, now of St. Joseph, Michigan, and the late Leon Benedict. The family resided in Tecumseh during his high school years.

Sacred Music Program Is Planned For Vespers

The second in a series of vesper services will be held at St. Peter's Episcopal church, Tecumseh, Sunday evening, May 21, at 5 o'clock. The guest artists will be George McLeod, baritone, and Earl Tank, nationally known organist, formerly music director of the Ford school system.

Mr. Tank has selected organ solo numbers of great melodic beauty. "Reverie" by Dickinson and "Prayer" from the "Gothic Suite" by Boellmann are among the selections he will play.

The robust baritone voice and vibrant personality of Mr. McLeod are perfectly suited for his fine program, among which are, "If Christ Came Back" by O'Hara, and "The Light of Life" by Eville. There will also be anthems sung by St. Peter's choir, the first of which "The Lord is My Shepherd" provides a fine setting for the Junior Girls Choir.

This is the second of a series of vesper services by which St. Peter's choir is bringing to Tecumseh music that is most glorious and beautiful. The appearance of Mr. McLeod and Mr. Tank as guest artists is hailed by the choir as a rare privilege.

May Party Will Be Held, Friday

KING, QUEEN TO BE CROWNED AT SPRING DANCE; OTHER SCHOOL FUNCTIONS

The king and queen of the May party will be crowned tomorrow evening, May 19, at the annual senior high Spring dance, in the Central gymnasium. Dancing will be from 10 p.m., to 1 a.m., and the crowning will take place about 11 o'clock.

While the senior high pupils and their guests are enjoying a party in the Central building, the seventh and eighth graders will be dancing in the cafeteria of the high school. Their party will begin at 8:30 and continue until 11 o'clock.

The annual Junior-Senior reception opened the pre-commencement activities. It was a gala affair with the ultra-modern Country Club for the setting. The Gay Nineties motif was used in decorations, the dinner and the programs. About 130 class members and faculty members attended.

The Rev. Alvin C. Brazee gave the invocation. Tom Overlove, master of ceremonies, introduced Kenneth Swarts, who welcomed the Seniors; David Lott, senior class president, who responded; Earl H. Place, superintendent, and James McDowell, high school principal, both of whom spoke.

For the remainder of the evening dancing was enjoyed to the music of the Tecumseh Chieftains.

TAKES JAIL TERM

Floyd I. Miller, Tecumseh, was arrested by local police Monday at 10:30 p.m., charged with drunkenness. In Justice Robert French's court he was sentenced to pay a fine of $15 and costs of $8.60 or to serve seven days in the county jail. He chose the jail term.

Canadians Plan 'Tecumseh Day'

DAY-LONG PROGRAM AWAITS LOCAL VISITORS TO ONTARIO ON JULY 1

The visitation of Tecumseh, Michigan, to Tecumseh, Ontario, on July 1 will climax a three day celebration in the Canadian town, it has been announced by Mayor T. C. Scott and M. J. Rocheleau of the sister town's committee in charge. Their "Mid-Century Festival" has been scheduled with the purpose of entertaining the residents of their Michigan namesake somewhat after the manner of their visit to Michigan last July.

The Canadian Festival is to open Thursday evening, June 29 with a baseball game between the Tecumseh (Ontario) Indians and the famous bearded House of David team. Dancing and other entertainment will follow the game.

A rather full schedule of events will take place on Friday, June 30 which has been designated as "Old Boys' Reunion." This is to be in the general nature of a homecoming for former residents of the Ontario community. Following a youth parade and school baseball game, the "Old Boys" themselves will engage in a ball game at Memorial Park. Later there is to be an old time costume and style parade. Following this there will be public recognition of the oldest old-timer, the old-timer from the greatest distance, etc. The eve-

JUNIOR BAND MAKES INITIAL APPEARANCE AT MEETING HERE ON THURSDAY

Mrs. Thomas O'Hara was seated as president of the Tecumseh Parent-Teacher Association, at the regular meeting of that organization held Thursday evening in the Central Building. Other officers named are: Mrs. Lee Purkey, vice president; Mrs. Edward Harper, secretary, and James Hartsell, treasurer.

The junior band, under the direction of Clare Camburn, gave an excellent performance for its first appearance. The young musicians played several numbers written for junior bands and Ruth Ann Coates and Aileen Kimerer played two saxophone duets, "Cruising Down The River" and "Now Is The Hour."

A group of young people, under the direction of George Payne of Ann Arbor, presented a dance recital. Those participating included Beth Noble, Linda Noble, Linda

NAMED EDITOR

Maureen McLain, daughter of Mr. and Mrs. Elliott McLain, has been elected editor-in-chief of "The Plelad." Albion College weekly newspaper, by the Publications Council. A junior journalism major, she has served as managing editor of The Plelad for the past year and has worked on the staff of the Albionian yearbook for two years. Dean of Women Audrey K. Wilder, has also named Miss McLain as editor of the woman's handbook again this year. She'll be initiated into Alpha Phi Gamma, national honorary journalism fraternity, May 24.

Merchants Are Asked To Fly Flags On May 20

Merchants are requested by the Chamber of Commerce to display their sidewalk flags Saturday, May 20, for observance of Armed Forces Day.

The third Saturday in May has been designated as the annual day in which to honor all members of the United States armed forces. This day is to replace Army Day, formerly April 6; Air Forces Day, formerly September 18; Navy Day, formerly October 27, and Marine Corps Day, formerly November 10.

Must Respect Police Tickets

VIOLATORS WHO IGNORE SUMMONS MAY LOSE THEIR LICENSE TO DRIVE

Traffic summonses must be respected or drivers will not only lose their licenses to operate a motor vehicle but the license registration of their cars also will be revoked, Chief of Police M. E. Clark warned today.

The chief pointed out that there are a few drivers who feel that a traffic summons is easy to avoid and that, if they choose not to report to the justice as ordered, nothing will be done about it. Such drivers, he said, are mistaken if the summons is issued by Tecumseh police.

Effective at once, the officer said, persons to whom summons have been issued will be expected to report to the justice on the day ordered. If they fail to report then the offense will be reported to the state police who in turn will report it to the secretary of state. The secretary then may revoke the offender's license to operate a motor vehicle and also may nullify his license plate registration.

"We do not want to cause motorists any unnecessary inconvenience," the chief said, "but we do expect traffic summonses issued locally to be respected. If they are not respected then, of course, we have no other alternative than to report the offense to the state. From that point on the offender deals with the state rather than with local authorities."

Ground Broken For New Church

CONSTRUCTION OF NEW ST ELIZABETH'S LAUNCHED AT SUNDAY CEREMONY

Ground was broken at a ceremony on Sunday morning at 11:45 for a new St. Elizabeth's Catholic church in Tecumseh on North Union street, just south of Brown street. The estimated cost of the new building is $74,000 and it is hoped that construction will be finished in time to permit the holding of Christmas services in the new edifice.

A large crowd attended the ground-breaking service and the first shovel of earth was turned by C. F. Sage, chairman of the church building committee, after the plot had been blessed by the Rev. Fr. Michael Collins, pastor of St. Elizabeth's. Participating in the service was the building committee, made up of Mr. Sage, Dean Briggs, Robert Koffron, Richard Duffin, Richard Limm and Paul Claude. Officers of the Altar Society, which group acts as an advisory committee, also were on hand. The officers are: Gertrude Golat, president; Josephine Briggs, vice-president; Jean Golat, secretary, and Agnes Neill, treasurer.

Construction work on the new church started on Monday and Fr. Collins is hopeful that the corner stone laying ceremony will not be more than a month distant. The new church, located on a site purchased some years ago, will be 135 by 45 feet, of steel, brick and concrete, in a traditionally modern design. Lee Allshouse of Adrian is the contractor.

The present St. Elizabeth church on East Chicago boulevard, built in 1913 and which is now too small to accommodate the ever-expanding congregation, will be used as a parish hall when the new church is finished, Fr. Collins said. Later, it is planned to build a rectory and school adjoining the new church.

The shovel used in the ground breaking service was the same one that was used when ground was broken for Tecumseh's new high school and for the addition to Herrick Memorial Hospital.

Memorial Plaque Presented

Photo above shows E. M. Campbell, left, receiving a plaque from Oliver Schneerer of Britton, establishing the Tecumseh Hospital Flower Memorial, (now Herrick Memorial Hospital). The presentation was made at the hospital last week, Mr. Campbell accepting as president of the hospital board.

The Flower Memorial was established by Mr. Schneerer in memory of his wife, the late Mary K. Schneerer, who was a patient in the institution. It was suggested also by Mrs. H. McWick and Mrs. Richard Jones, both of Bradford, Pa., Mr. Schneerer's nieces, who made contributions. They had established a similar memorial in the Bradford hospital.

While the memorial is known as a flower fund, Miss Gertrude Spaulding, hospital superintendent, explained that the money may also be used to further the hospital's services. Many persons, she explained, desire to make a contribution to the fund rather than to send flowers to the hospital.

Special acknowledgement cards have been printed and will be issued by Miss Spaulding to persons who, from time to time, desire to add to the memorial treasury.

45 Min. Summer Service At Presbyterian Church

Beginning Sunday morning, June 4, and continuing through July and August, there will be a morning worship service at 9 a.m. in addition to the regular eleven o'clock service. This service is aimed at those persons desiring to attend church and who also want to avail themselves of the summer Sundays out-of-doors and traveling.

This service will be almost identical with the later service and will last only 45 minutes.

Warn Fire Fans To Observe Law

POLICE THREATEN TICKETS FOR VIOLATIONS; DEPARTMENT IS HAMPERED

Fire fans—motorists who get considerable enjoyment out of following the fire trucks and, if possible, beat them to the scene of the blaze—were warned today by police to be prepared to pay fines if the practice continues.

Police let it be known that they are "definitely through" fooling with these fire-fan drivers. In the future, it was said, license numbers will be taken by firemen and traffic summons will be issued on the spot or later. The ordinance forbids following fire trucks at a distance closer than 500 feet, or parking within one block from where the fire apparatus has stopped, in answer to a fire alarm.

The penalty for violation is a maximum fine of $100 or 10 days in jail or both, in the discretion of the court.

Police declared that the habit of

On-The-Farm Training Available To Veterans

The Tecumseh Veterans Institute, which has been in operation for the past two years, is expanding and offering instruction to more veterans who are eligible for on-the-farm training.

There are still a few vacancies, and veterans wishing to take advantage of this opportunity can secure the necessary information and enrollment blanks from David Locke, 15 Mill Street, or at the high school. All applications are to be in by June 1.

House Of Magic Coming, May 26

THREE SHOWS TO BE GIVEN; PUBLIC IS INVITED; TICKETS ARE FREE

General Electric's "House of Magic," a science show which has been presented to more than 13 million persons, is coming to Tecumseh on Friday, May 26, under the sponsorship of the Tecumseh Rotary Club. Three shows will be given at the Central School auditorium, one at 1 o'clock for school children, another at 4:30 for the public and a third at 8 p.m., also for the public. There is no admission charge.

"Tickets for the 1 o'clock show, of course, are reserved," L. W. Larsen, Rotary's program chairman, said. "Tickets are available at The Herald office for the 4:30 show, but for the 8 o'clock show, all of the tickets have been taken."

The "House of Magic" presents in an interesting and entertaining manner the marvels of modern science. A man is seen shaking hands with his shadow, there is visible sound and audible light, a toy electric train obeys voice commands, paper explodes and an electric light is lighted with a match. These and many other demonstrations will be presented.

The Rotary club, which ordinarily meets on Tuesday evening, next week will meet on Friday evening and after dinner will adjourn to the school for the program.

At Tuesday's meeting, Dr. Richard Dustin was the guest speaker, discussing socialized medicine. He pointed out that it is a failure in England and would bankrupt the United States. At least six billion more in taxes would be needed, he said, to operate the plan. He urged voters to write their congressmen, expressing themselves on the proposal.

Guests at Tuesday's meeting included O. B. Feldkamp and Nate Gould of Clinton and Lamont Simmons of Milan.

Grade School Operetta To Be Staged Friday Eve

"White Gypsy," the grade-school operetta, will be presented tomorrow evening, May 19, in the Central School auditorium, at 8 p.m. Mrs. Philip Gentile is director of the production, which will include a talented cast from the fourth, fifth and sixth grades. Other children in those grades will make up the chorus.

Those in the cast are Robert Snyder, Merene Boltz, Sylvia Helzerman, Nicky Touborg, Lynn VanWinkle, Gary Cameron, Vere Hart, Ray Puffer, Roger Pearson, Jalaire Knudson, Neil O'Hara, Ross Hadley, William Cooper and Lee Vescelius.

The public is invited to attend.

PLAYLAND PROGRAM

The Brownville kindergarten classes will present a Playland program at the Central School auditorium, Thursday, May 18, at 8 p.m. Mrs. Margaret Helmerdinger is the teacher at the school. Thirty-nine pupils will participate. The public is invited to attend.

NO FIRE DAMAGE

An oil space heater at the William Fleming residence at 713 South Union St., overheated when it became flooded and the Tecumseh fire department was summoned, Friday at 9:25 p.m. There was no damage.

Another Tecumseh "First"

The Village Council has voluntarily reduced Tecumseh's tax rate from $15 to $14 per $1,000 assessed valuation. While such a reduction is not a tremendous saving to property owners, it does put Tecumseh in the headlines as accomplishing another "first" among the communities of the mid-west, perhaps in the nation.

We have not heard of any other villages or cities in this area, nor have we read about communities elsewhere reducing tax rates. Generally, taxes go up instead of down. That has been the trend for several years and the public has expected it. To reduce taxes, then, rather than increase them, comes to many as a shock.

Had the Council decided to hold to the $15 rate—which is the maximum rate under Michigan law without voters' approval—the village would have had about $5,000 more in revenue. However, the Council apparently believed that it could operate without this money and voted for the cut.

Of course, the village will have about $8,000 more in direct tax revenue this year than last, even with the reduction in effect, because the town's assessed valuation has increased nearly $900,000. The 1950 assessed valuation of the Village was fixed at $4,855,800 making Tecumseh the second largest incorporated community in Lenawee county.

It would be nice if this tax reduction pattern established this year in Tecumseh could catch on nationally. Perhaps that is too wishful a thought, but sooner or later the spend-thrift boys in Washington are going to find out that the power to tax is the power to destroy.

Some Danger Signs Needed

Two nasty accidents have occurred on M-50 just west of the village limit in the past few days, sending three persons to the hospital. Both of the mishaps took place in almost the same spot — on a curve that is known to older residents as in front of the Harry Moore farm, now the Branigin farm.

This particular curve is a nasty curve and it makes no difference which way your car is traveling. It is improperly marked with road signs and "meets" traffic, especially cars coming from the west, exceedingly fast. It is a definite danger spot on a trunk line highway that each year is carrying more and more traffic.

It would seem in order for the State Highway Department to survey the area and to place proper warning signs at the approach of the curve, both from the east and the west.

125 Mothers, Daughters At Banquet Of Friends

Some 125 mothers and daughters attended the annual banquet at the Tecumseh Friends church, last week. The men of the church served the dinner at long tables centered with spring flowers and lighted candles. The programs bore white Bibles and carnations in observance of Mother's Day and favors were tiny nut cups fringed with lace paper and topped with miniature bouquets in pastel shades.

The church named Mrs. Amos Wilson as its "Mother of the Year" and she was crowned in a ceremony which climaxed the program. To the strains of "Onward Christian Soldiers," Mrs. Wilson was escorted to her throne by Mrs. Edward Escolme and Mrs. Sheldon Chase, and was presented with a crown by Mrs. Naomi Sallows and with a large bouquet by Mrs. Herbert Murphy. Raynor VanValkenburg gave a reading "When Mother Stays in Bed" and also gave the qualifications and reasons for choosing Mrs. Wilson as "Mother."

Mrs. Sallows was toastmistress. Mrs. Lena Cox gave the invocation and preceding the dinner all sang "Faith of Our Mothers." The program was as follows: tribute to the daughters, Mrs. Wilson; response to the mothers, Annabelle Wilson; vocal duet, "If I Could Hear My Mother Pray Again," Mrs. Ida Owen and daughter Thelma, with the latter playing the piano accompaniment; two readings, "Mrs. Murphy's Permanent" and "Mandy's Wedding," Mrs. Emma Day; a talk on the origin and the founder of Mother's Day, Mrs. Ralph Comfort; whistling solo, "Let Me Burn Out for Thee," Ardis Drewyor, accompanied by Joyce Kopka and with Mrs. Sallows as reader; a talk, "The Meaning of Motherhood," Mrs. Gordon Gove, closing with two readings "The Price We Pay" and "Nobody Knows but Mother;" girls' chorus, "I Will Pilot Thee," Joyce Kopka, Thelma Owen, Marian, Norma and Carolyn Comfort, Betty Hayden and Josephine Powell. Mrs. Wilson was crowned and the benediction was given by Mrs. Escolme.

LOCALS AND PERSONALS

Mrs. Hans Schaller of East Detroit is visiting at the home of her sister, Mrs. George Schumm and family. Sunday guests in the Schumm home included Mr. and Mrs. Roland Goltz and daughter of Saline.

Mrs. Elliott McLain spent Sunday with her daughter, Maureen, at Albion College, and attended the Delta Zeta mother's picnic at Victory Park in the afternoon.

Mr. and Mrs. H. H. Hanna were at Albion College, Sunday, to attend the Parents Day observance of Zeta Phi Alpha sorority, of which their daughter, Martha Jane, is a member.

Elliott McLain spent Sunday and Monday in Detroit.

NO APOLOGY IS NEEDED

When guests say "please pass the butter", they expect a good host or hostess to do just that without the necessity of offering apologies.

There is no better sign of good living than having plenty of butter on the table as well as in cooked foods. The best recipes call for butter. It's butter that adds zest and enjoyment to every meal for Nature has endowed it with an inimitable, delicious flavor.

And butter is chock full of nourishment for it is made entirely of the richest part of milk—Nature's Most Nearly Perfect Food. Four pints of cream go into every pound of butter.

Little wonder we all mean just what we say, when we make the request:

About The Folk You Know

F. B. Wood of Berkely, Calif., was appointed judge of the appellate court of California by Governor Earl Warren and began his new duties May 15. He had been chairman of the legislative council for several years. Mrs. Wood is the former Alice Satterthwaite and Mr. Wood is the son of the late F. B. Wood of Tecumseh.

* * * *

Hammond P. Ford of Tecumseh will receive his master of science degree in farm crops from Michigan State College, East Lansing, at the college's 92nd annual commencement in Jenison fieldhouse June 4. A record-breaking 4,469 students are eligible for degrees.

Canadians Plan

(Continued from page 1)

ning will conclude with square and other old-time dancing.

Saturday, July 1, "International Day" is built around the visitors from Tecumseh, Michigan. The caravan, lead by Michigan's replica of the Liberty Bell, is to be met at the Ambassador Bridge by a delegation from the sister town with appropriate greetings. This meeting is at present scheduled for 10:30 a.m., Eastern Daylight time. From the bridge the caravan, escorted by the Ontario Provincial police, is to go directly to Tecumseh where the mayors of the two towns will greet each other more formally.

The caravan is then to move to the War Memorial where a wreath laying ceremony is to take place. Following this there is to be a parade with bands and floats to Memorial Park.

At noon the official greetings, "Tecumseh to Tecumseh" are to take place. In the early afternoon the baseball teams from the two towns are to engage in a contest—with an eye to breaking the five to five tie which resulted a year ago. Plans are also being made for a trap shoot at Sportsman's Park.

In the evening some novelty sports event has been promised, a band concert, ceremonies with dignitaries from Michigan and Ontario taking part, and a fireworks display of an hour's length.

The Canadians are sparing no effort to make the day a memorable one for their Michigan visitors. (July 1st is Dominion Day in Canada, a great Canadian national holiday, and this fact will help swell the number on hand to act as hosts). Negotiations are now being made for the presence of the Chatham pipers who made so many friends here last summer, and there will be a detachment of the Royal Canadian Mounted Police present for all of the events.

Gordon Garlick, chairman of the local Chamber of Commerce master committee for the event, announces that our own residents will be delighted with the program in store for them. "More and more our people are beginning to ask questions," Mr. Garlick stated. "The sentiment seems to be that the honor of Tecumseh, Michigan, demands that we send a huge representation after the 1300 who saluted us a year ago. Now we are pleased to report that we will not only be making a friendly gesture and defending our honor, but we shall also be having a marvelous time."

The local committee is to go to Canada a week from today to meet with the Canadians and iron out details for the expected "Big Day."

Warn Fire Fans

(Continued from Page 1)

following fire trucks in Tecumseh is one that is growing on the motorists. At a fire last Friday night, the department was seriously hampered in its activities as the result of the traffic congestion. It also was pointed out that the practice is dangerous, both to firemen and to motorists.

At the same time the fire-fan warning was issued, police also called attention to the fact that many motorists now are becoming ambulance fans—making it a habit of following ambulances to the scene of accidents. This practice also is dangerous, police declared, and they warned that traffic summons also would be issued in such instances.

"It is not difficult to find the motorists in violation," police said. "If they are following an ambulance or a fire truck they certainly are exceeding the speed limit. Perhaps if good stiff fines are meted out, the drivers will be sufficiently discouraged to discontinue the practice."

Travel Talk Enjoyed By Wit - Wisdom Club

An interesting travel talk accompanied by several reels of motion pictures in color was enjoyed by members of the Wit and Wisdom Club and their guests, Monday evening in the recreation room of the Presbyterian church. The program followed the regular dinner meeting. About 50 were in attendance.

Miss Laura Millar of Lansing, a guest of Mrs. Hoyt Whelan, was the speaker. Miss Millar, who has conducted several tours in Europe, Africa and Mexico told of her experiences and showed four reels of colored movies which she took on the last tour that she made prior to World War II.

The Rev. Alvin Brazee gave a memorial to the late Fred Rector, a member of the club. It was decided to hold the summer picnic the latter part of June and the committee in charge will be Mr. and Mrs. Faye VanValkenburg and Mr. and Mrs. Delmar Crisp.

Music for group singing at Monday's meeting was furnished by Mrs. Wilfred Waldron, who also played a piano solo.

RIDGEWAY

Mr. and Mrs. Howard Landin and Terry of Detroit called on Mr. and Mrs. T. M. Birdsall, Sunday.

Mr. and Mrs. E. T. Pocklington spent Sunday in Royal Oak with their son, Clare, and wife.

Mr. and Mrs. Henry Groth and son Billie spent the weekend with relatives at Hartford.

Mr. and Mrs. Stanley Carter and daughter of Toledo were guests Friday of Mr. and Mrs. Lorne Carter.

Sunday dinner guests of Mrs. Guy Pocklington and R. S. Pocklington were Mrs. Dora Hardman and Louise, Mr. and Mrs. Ralph Porter and John of Detroit, Mrs. Lawrence Gray and two sons of Ypsilanti and Mr. and Mrs. Ford Babcock of Tucson, Ariz.

CHURCH GUESTS

The 15-Year Club members of the Tecumseh Products Co. will be special guests at the Baptist church, Sunday morning, at the 11 o'clock service. The Rev. B. O. Bashore will preach on the subject "Capitalism and Freedom."

Plan Vacation Bible Schools

CHURCHES ANNOUNCE PROGRAMS, STARTING JUNE 5 FOR YOUNGSTERS

Daily Vacation Bible Schools at the Presbyterian, St. Peter's Episcopal, Baptist and Methodist churches will be held this year from June 5 through June 16 during the weekday mornings. The Baptist and Methodist churches are combining with the school being held at the latter church. The Friends church school will be conducted from June 19 through 30.

At the Presbyterian church, three departments, kindergarten, primary and junior, will be fully staffed for a graded presentation of the Life of Jesus. On alternate days five films will be shown giving a Biblical background to help the children visualize common New Testament scenes, the home, the school, the synagogue, travelers, and the day's work. Worship, handicraft, and recreation will complete the program. On Friday evening, June 16, there will be a demonstration for the parents. Children from four years of age through the sixth grade will be welcome.

Mrs. Richard Preston will be in charge of the school at St. Peter's church, assisted by Miss Elizabeth Dickinson. The school will be held from 9:30 to 11:30 each weekday morning. Final plans are being made now.

The Methodist and Baptist Christian education leaders met in the Methodist parlors Tuesday afternoon, and made final plans for the union vacation bible school to be held in the Methodist church June 5 to 16, inclusive. There will be departments for children from two years through the intermediate age.

Mrs. Loren Kuhn and Miss Elizabeth Escolme will have charge of the Friends church school.

D. A. R. Elects

(Continued from page one)

Mrs. J. Floyd Elliott and Mrs. Clayton Greenwald.

Thirty-four members and guests enjoyed a bountiful two-course luncheon which was served at small tables, each centered with Spring flowers. Mrs. Schneider presided at the business meeting and annual reports were given by the chapter officers and standing committees. Mrs. Hoyt Whelan conducted a memorial service for one of the early members, Mrs. E. D. Brown.

The chapter voted to sponsor the Girl Scout troop with Mrs. George Wittrup as leader for next year. Mrs. Burtsel Claus invited the members to the meeting of the Historical Society, to be held May 25 at the home of Mr. and Mrs. William Swick of Macon.

It was voted to petition the village council not to change the name of Brown Street, as it is one of the few remaining earlier landmarks of Tecumseh, having been named for Gen. Joseph W. Brown, who with Musgrove Evans, was among the first settlers here in 1824.

The program included reports of the Continental Congress by Mrs. Charles Williamson and Mrs. Hoyt Whelan. Guests included Mrs. William Roberts and Mrs. Sidney Strong of Plymouth and Mrs. J. C. Burkman of Northville.

The annual picnic will be held June 9 at 1 p.m., at the Hidden Lake Gardens with Mrs. O'Rourke as hostess.

FREE CHEST X-RAYS

The five mobile tuberculosis case-finding units of the Michigan Department of Health are now being scheduled to make free chest X-rays at county fairs and festivals throughout the state.

Local community groups or fair boards who wish the services of a unit for their local fair should contact the local health officer who makes arrangements with the Division of Tuberculosis and Venereal Disease Control of the Michigan Department of Health.

Appearing at 32 fairs and festivals in the state last year, the units X-rayed 51,724 persons and found 1,318 chest abnormalities of which 485 were probable tuberculosis.

During the business session, a report of the recent card party was given. The proceeds were divided equally between the Central School and the high school, giving $170 for each one. A movie projector, and a day bed, wool blanket and mirror for the rest room were purchased at the Central building. New curtains for the cafeteria windows were purchased at the high school. They are of a Williamsburg pattern with black inner linings so the room may be darkened for movies. The amount needed exceeded $170 so the P.T.A. voted to take the remainder from its general fund.

Scout Court Of Awards To Be Held On May 23

The Tecumseh Girl Scout Association will present its annual Court of Awards at the Central School gym Tuesday, May 23, at 7:30 p.m. All Brownies, Girl Scouts and Senior Scouts will be presented with attendance badges, merits, and proficiencies, which they have earned during the current year of scouting. Some 200 girls and their leaders will participate.

Mrs. Truman Rentschler will be mistress of ceremonies. The program will include introduction of leaders, Brownie awards, the Brownie fly-up in which six troops will participate, intermediate awards, and special adult awards. The Senior Scouts will assist Mrs. Rentschler.

Parents and friends of Girl Scouting are cordially invited to attend this high point of the year. There will be no admission charge and Mrs. Owen Partridge, general chairman, and her committee, Mrs. Ben Standen and Mrs. Leo Matheny are planning refreshments to be served immediately following the ceremony.

EXCHANGE MEMBERS PLAN GOLF MATCHES

Twenty-eight members of the Tecumseh Exchange Club have signed up for golf matches at the Tecumseh Country Club to begin the first of June. At Monday evening's dinner meeting of the organization, a nominating committee was appointed to select officers for the coming year. The committee is made up of Ellsworth A. Collins, Ned Rosacrans, Leon Williamson, Jack Morehouse, Bobby Robinson and Charles Stevenson.

Eldon D. Colthurst was the guest speaker and gave an interesting talk on soil erosion, illustrated by moving pictures.

Some economists have been predicting a depression was just around the corner for several years now. At least it won't hurt as long as it stays there.

Cartoonist Thomas Nast is responsible for the Republican elephant and the Democratic donkey.

MUSIC CLUB MEETS

The Tecumseh Music Club met Tuesday evening at the home of Mrs. Wilbur Boyce. Twelve members and six guests enjoyed a pot-luck supper followed by a program of Spring music announced by Mrs. Murray Day. Those participating were Mrs. R. S. Moore, Mrs. Nina Heath, Mrs. F. C. Dickinson, Mrs. Wilfred Waldron, Mrs. Ivah Mulvaney, Mrs. Boyce, Mrs. Lyle Grigg, Mrs. Ellsworth Collins and Mrs. Perry Hayden.

PLAN FOR TEA

A Mother and Daughter Tea will be held at the Baptist church, Saturday, May 20, from 2 to 4 p.m. for all women and girls of the church and Church School. The Junior League is in charge of the program with Mrs. Max Brandt as chairman, and the Ladies Union is planning the refreshments.

TO NOMINATE OFFICERS

Underwood-Orr Unit No. 34, American Legion, will meet this (Thursday) evening at 8 o'clock. There will be nomination of officers followed by a business meeting.

PEOPLE JUST NATURALLY COME to A&P FOR MORE FOOD VALUES!

Check These—You'll See Why!

Customers' Corner . . .

Since the anti-trust lawyers filed their suit to put A&P out of business, three interesting things have happened:

1. Many thousands of our customers have written letters expressing their opposition to this suit.
2. Public opinion polls reveal that most Americans are on our side.
3. Our business has increased. More people are shopping at A&P than ever before.

All these things indicate that our customers have confidence in the policies of fair, honest dealings which have guided this company for the past 90 years. We want to do everything we can to merit your continued support.

SCOUT NOTES

Pack Four

Many plans are in the making for a big, happy day for the Cubs of Pack 4 at Camp Kanesatake on Saturday, May 27. One hundred seventeen Cubs, Den Chiefs, Den Mothers, men on the Pack committee, and parent drivers have made reservations. With such a record turn-out, the people in charge of plans are fervently hoping for a day of sunshine and warm weather.

All Cubs are urged to eat a manzized breakfast before meeting at the Boy Scout cabin at ten o'clock for the busy hours ahead. A meal will be served at camp, but not until the boys have had a chance to explore the interesting spots that are scattered over the thirty acres of woodland.

Troop 73

Troop 73 is busy working on tests toward the rank of Second Class Scout, with Ross Hadley at the present time leading in the most number of tests passed. It is hoped that some of the ranks can be completely achieved by the time of the overnight hike, scheduled for the last weekend in May.

Among other recent activity by the troop was a recent Saturday hike in which the boys engaged in tracking, Indian War, and cooked their own dinners out of doors. The troop also took on Troop 4 in a baseball game, but lost to them by the score of 10 to 7.

RIDGEWAY

The United Workers will meet with Mrs. Lorne Carter next Tuesday evening, May 23. Mrs. Elmer Linn is co-hostess.

The many friends of Mrs. John Foote were much pleased to see her out to church Sunday morning, after her illness.

At the Mother and Daughter banquet Friday evening in the Methodist church, 112 guests were seated. A program was presented consisting of musical numbers. The speaker of the evening was Mrs. Lena S. Pocklington. Corsages were presented to Mrs. Annie Pocklington, the oldest mother, and Mrs. Dorothy Bailey, youngest mother. Some men of the church served.

W. T. Birdsall of Detroit called in town Thursday.

Mrs. James Crittenden and daughter, Grace Ann of Milan, called in town Friday evening and attended the Mother-Daughter banquet.

Mrs. Evert Netcher and two daughters of Onsted called in town Friday and attended the Mother-Daughter banquet. They presented a musical number on the program.

Mr. and Mrs. Leslie Marks and daughters were Sunday dinner guests of her parents in Adrian.

Junior Helpers Hosts To Mothers On Monday

St. Peter's Junior Helpers entertained their mothers at a seven o'clock dinner at the parish house, Monday evening. Places were marked by name cards and corsages made by Doris Tressler and Mary Lou Alderdyce. Table arrangements were in charge of Miss Alderdyce, Judy Foos and Irma Brollier.

The address of welcome was given by Miss Tressler and the invocation by Nancy Randall. The mothers enjoyed games and visiting while the daughters washed the dishes. All joined in the games planned for the remainder of the evening. Prizes were won by Mrs. Tressler, Mrs. Leo Alderdyce, Mrs. George Foos and Mrs. Helena Brollier.

The girls are all members of Mrs. Lynn Hubbard's Sunday School class.

OBITUARY

Charles Alonzo Butts

Charles Alonzo Butts was born August 2, 1875, at Munson, Mich., the son of Edgar and Maryette Butts, and died May 7, 1950 at Herrick Memorial hospital in Tecumseh at the age of 74 years, 9 months and 5 days. He spent his early boyhood in and around Jonesville and Hillsdale. On Feb. 26, 1896, he was married to Eva May Van Hyning and started farming near Moscow Plains. One daughter was born to this union. Mr. Butts and his neighbors helped to build the present Moscow Plains church. He was always active in social welfare. He retired from farming in 1916 and moved to North Adams where he owned and operated his own grocery and meat market. October 4, 1920 the family moved to Tecumseh, where he was employed as meat cutter in several markets. At the time of his death he was projector operator at the Strand Theatre. His first wife passed away May 1, 1928 and on April 24, 1929 he was married to Mary Kate Goodacre, who survives. He was preceded in death by his parents, three brothers and two sisters. He is survived by the widow Mary Kate, the daughter Mrs. Gladys Goodacre, four grandchildren, Mrs. Jeanette Miller, Ronald, Charles and Ruth Goodacre, several nieces, nephews and cousins and a host of friends. Mr. Butts was well known and respected by all who knew him, especially the younger folks who all knew him and called him "Gramp." He was a home loving and kind husband and father. Funeral services were held May 10 at 1:30 at the Green Funeral Home with the Rev. B. O. Bashore officiating. Services were also held at the grave in Moscow Plains cemetery. Bearers were LaRue Hart, Lee Randall, C. R. Taylor, Sam Lawrence, Lavern Austin and A. B. Harding. Relatives and friends attended from Jackson, Hillsdale, Frontier, Reading, Jonesville, Hanover, Battle Creek, Quincy, North Adams, Moscow, Onsted, Holloway, Britton, Ridgeway, and Tecumseh.

114 Fathers And Sons At Presbyterian Banquet

Some 114 fathers and sons enjoyed a banquet at the Presbyterian church, last week Wednesday evening. Members of the Presbyterian League served a delicious dinner in the Fellowship Center at tables decorated with bouquets of forsythia.

Douglas Andrews, 15-year-old Hillsdale high school sophomore sudent, entertained the group with a program of magic, accompanied by recorded music under the direction of his mother. The young high school lad amazed everyone with his talent and was very well received. Earl H. Place, program chairman, introduced young Andrews.

James Freckelton led in a song fest with Mrs. J. W. Spafford at the piano. Ernest G. Green was master of ceremonies.

NEW LUTHERAN PASTOR

The Rev. A. Jeschke of Dowagiac has accepted the call to the Grace Evangelical Lutheran church, and with his wife and three children will move to the parsonage on North Maumee street, soon. The new pastor will be installed June 4, followed by a reception in the church basement.

Members of the congregation are asked to return the survey sheets for the new church records on or before May 21.

BRITTON

Last Thursday evening the all-school banquet was held in the Congregational church dining hall. Thomas Culbert, as advisor, and the sophomore class as host, served the dinner, assisted by their mothers. The invocation was given by Rev. Harry Rogers. George Hawkins, as general chairman, introduced the toastmaster, Bill Penn. Remarks were given by George Beale, the teachers presented awards in sports, commercial, agriculture and citizenship. "A Television program on Parade" was the program form and proved very interesting. There was a solo by Perry Como, portrayed by Eddie Jezioski; boxing from Madison Square Gardens with Richard Croll and Allan Barrett; the Harmonicats, Fred Rhora and Billy Smith; the T. V. Teen Club included a group of students who sang several selections and a swing band played several numbers consisting of Billy Fischer, Robert Moore, and Clifford Brown and the Quiz Kids of Chicago with Charles Barrett acting as quiz master and a group of students taking part. The benediction was by Rev. E. H. DuBois.

The Methodist church held their annual Mother and Daughter banquet Friday evening with the boys and the men of the church serving the dinner. Some 97 mothers and daughters were seated at gayly decorated tables centered with roses and white tapers. A ham dinner was served. Miss Mary Lou Ricicla led the group singing with Mrs. Eloise Judkins at the piano. Mrs. Delta Croll introduced the toastmistress, Mrs. Kathryn Gibson, who in turn presented Miss Barbara Siedel with accordion solo, Miss Shirley Bortel gave the toast to the mothers, while Mrs. Kathryn Thornberry gave the response, the toast to the daughters; Miss Madalyn Downing sang a vocal solo, accompanied by Mrs. Melva Kanous at the piano. Misses Charlotte Cadmus and Ann Ricicla played a piano duet. The Church and Home Hour was the finale in the form of a radio quiz with Mrs. Lilah Cadmus acting as quiz-mistress. Several were chosen to represent the daughters, mothers and grandmothers. This event proved very entertaining with prizes awarded the winners. Mrs. Mary Adams took the prize for having the most daughters present; Mrs. Jennie Lister was the oldest mother; Mrs. Ronald Barrett the youngest mother and Miss Valorie Barrett the youngest daughter. The benediction was by Mrs. Nellie Barrett.

Mrs. Mary Adams was surprised last Thursday evening when her daughter, Mrs. Mary Wirth of Urbana, Ill., telephoned her mother to extend Mother's Day greeting. Also Mrs. Wirth's daughter, Miss Joyce spoke to her grandmother, announcing her wedding date of June 23.

Arthur Carothers received word Monday of the death of a relative Abijah Carothers of near Greenville, O. Some of the relatives from here attended the funeral today.

Ben Beasley is still confined to his home by illness but shows considerable improvement.

Mr. and Mrs. Robert Mayfield and children of Ann Arbor were Sunday dinner guests of Mr. and Mrs. Fay Wiggins. Mr. and Mrs. Richard Wiggins and daughter were evening guests in the same home.

Mr. and Mrs. Bernard Waterbury and son Daryl were in Hillsdale, Sunday, as guests of Mr. and Mrs. F. Waterbury.

Mrs. Carmen Brown will present her piano students in a recital Monday evening, May 22, at 8 o'clock in the Congregational church. Nineteen students will take part. Everyone invited to attend.

The Rebekah and Odd Fellows lodge held family night, Wednesday evening with a program and potluck supper.

Mr. and Mrs. Louis Allegrina and son of Detroit were weekend guests of her parents, Mr. and Mrs. R. B. Kanous. Other Sunday guests in the same home were Mr. and Mrs. Joe Simseck and son and Mr. and Mrs. Charles Herrick and children of Milan, Mr. and Mrs. Kenneth Kanous of Tecumseh, Mr. and Mrs. Paul Baily and children and Mr. and Mrs. Edward Kanous and family.

The Parent-Teacher Association met Monday evening in the school gymnasium with a large group attending. After the business session conducted by president Mrs. Gladys Prill, a program of local talent from the school students was introduced by George Wald. Refreshments were served by Mr. and Mrs. Ed Kanous and Mr. and Mrs. Elmer Eberhardt.

Sunday dinner guests in the home of Mr. and Mrs. G. L. Gripton were Mrs. Edward Palmer, Mr. and Mrs. Edward Gripton and children, Mr. and Mrs. Ivan McCarbery and children of Dearborn, Mr. and Mrs. Glen Gripton and Ardath and Ronald Frayer.

Weekend guests in the home of Mr. and Mrs. Clyde Brown were Mr. and Mrs. Robert Goetz of Ann Arbor.

The regular meeting of the Methodist W. S. C. S. will be held at the home of Mrs. Wilton Gittus with a potluck dinner served at noon. A program is planned for the afternoon.

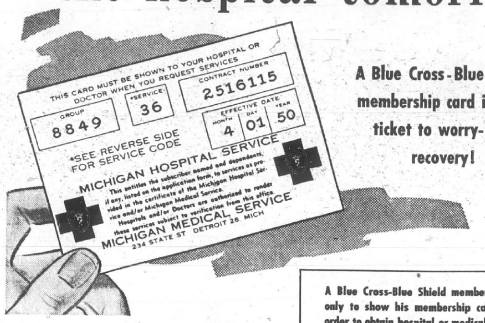
What if you have to go to the hospital tomorrow?



A Blue Cross-Blue Shield membership card is your ticket to worry-free recovery!

CHANCES ARE 1 IN 9 that you will need hospital care this year. And unexpected hospital and medical bills can be financially disastrous. Such bills often take months, even years, to pay off—may make it necessary for you to go into debt in order to meet them. That's why you and your family cannot afford to be without Blue Cross-Blue Shield Michigan's completely *non-profit, voluntary health-care plan*. The cost is only a few cents per day, and your Blue Cross-Blue Shield card may save you hundreds, even thousands of dollars in case of illness or accident.

BLUE CROSS-BLUE SHIELD OFFER SO MUCH FOR SO LITTLE!

The Blue Cross Hospital Plan pays for a broad range of benefits (up to 120 days of hospital care) in any of the 178 participating hospitals in Michigan. NO CASH LIMIT on the benefits covered.

The Blue Shield Medical-Surgical Plans give added benefits . . . pay liberal amounts for operations . . . pay toward doctor's care in the hospital in non-surgical cases.

A Blue Cross-Blue Shield member has only to show his membership card in order to obtain hospital or medical care

FOR HOSPITAL CARE—A Blue Cross member simply presents his membership card at the desk when entering a participating hospital. No need for any advance payments or credit references . . . no embarrassing questions of any sort. When the member leaves the hospital, there are no bills to pay for a wide range of services and no claims to file. Blue Cross pays the hospital directly.

FOR MEDICAL CARE—In order to obtain the surgical-medical service benefits to which he is entitled under his contract, a Blue Shield member has only to show his card to his doctor. That's all there is to it—no red tape of any kind! Blue Shield pays the doctor directly.

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for said County.

At a session of the probate court for said county, held at the probate office, in the City of Adrian, on the 9th day of May in the year one thousand nine hundred and fifty.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of LIZZIE BOYD, Incompetent.

On reading and filing the petition, duly verified, of John R. Thompson, guardian of said ward, alleging that he is now ready to render his first and final guardianship account, and praying that said account may be approved and allowed, and for such other order as to the court shall seem proper.

It Is Ordered, That Monday the 5th day of June next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it is further Ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said County of Lenawee for three consecutive weeks previous to said day of hearing.

MAURICE E. TRIPP,
Judge of Probate.

Our Iron Hoss Doktors Attend Klinics

Jist Like Yur Family Physician--And It Really Pays Dividends

Did'ja ever wonder, when yuh fetched yur iron hoss to our stabul for docktering, how it was possibul fur our Doktor to diagnos the case so quickly and prescribe the right treatment?

Waal, we'll let yuh in on sumpin. Our hoss Doktors attend clinics regularly — jist like a physician attends 'em. He spends hours learnin jist what makes kars klick and, incidentially, why they don't klick. Fur instance, we had such a klinic right here in our own garage-stabul this week with speculists from Ford's doin the operation while our boys looked on.

Yuh know, this iron hoss hospitalin is gettin to be a science. We don't profess to know it all, but we does try to keep up with the latest so that when yuh bring yur steed into our hospitul for treatment we can give yuh the newest medicines.

Yep, we've got sulfas and penicilun, forceps and scalpels, but we calls em by another name. Jist the same, they git results on iron hosses.

If yur kars buckin and don't eat her oats properly, bring her in fur a goin over. Our Docs will get her back on her feed in no time, and inexpensiv, too.

Don't wait — it may be later than you think.

NINETY-NINTH YEAR—NUMBER THIRTY-FOUR | TECUMSEH, MICHIGAN, MAY 25, 1950 | FIVE CENTS A COPY

Trip-To-Canada Boosters Named

GORDON GARLICK HEADS LOCAL COMMITTEE; PRE-VISIT DANCE PLANNED

The Tecumseh Products Chieftains will be playing for a civic dance in Tecumseh, Ontario, probably the first week in June, it was announced today by the Chamber of Commerce.

This neighborly event is the result of an offer made by Ray W. Herrick, president of the Products, to Mayor T. C. Scott of the Canadian town when he and other dignitaries of the sister community visited us last T-Day. Mr. Herrick suggested to Mayor Scott that in the event some such affair might be planned as a prelude to the visitation on July 1st that the Chieftains would be available to them.

Mayor Scott called the Chamber this week and stated that their committee was ready and delighted to accept the offer. Difficulty has been encountered in getting a date which might be free for the orchestra and on which the Swingland, on the shores of Lake St. Clair, in Canada, might be available. The date now stands at June 3.

With the definite date known, Mayor Scott emphasized that they would be delighted with a number of visitors from Tecumseh, Michigan. All visitors from here at the dance will be guests of the Ontario hosts.

Plans for the visitation will be sharply accelerated from now on. The Canadian committee has announced that their program for their Mid-Century Festival has reached the blueprint stage and that the details will be sent to the local Chamber in a very few days.

The following master committee has been appointed for the day: Gordon Garlick, chairman; Clarence Beach, Leon Williamson, Marvin Watkins, A. W. Porter, and George McCombs.

The committee has emphasized that people from around the area will be welcome to participate in the caravan and the events of the day. "You don't have to live in Tecumseh," they stated; "we want everyone in the act."

On The-Job Work Program Praised

CHAMBER OF COMMERCE SECRETARY SPEAKER AT "GRADUATION" BANQUET

The value of Tecumseh high school's cooperative training program, through which junior and senior students participate in on-the-job work away from the school, was stressed by Ronald Harris, secretary of the Chamber of Commerce, when he spoke at the "graduation" banquet, last week Wednesday evening, in the cafeteria of the new high school. Some 35 students and their employers were present.

Mr. Harris lauded the school's three-year-old work program which permits students with high enough scholastic standards, to work part-time in business or industry, under the supervision of employer and instruction. He pointed out that such training knits a community more closely and opens up jobs for local students that otherwise might never have been discovered. The training course was first offered here three years ago and only 12 students took part. This year, 37 students participated and it is expected that the number will greatly increase next year. Tecumseh is one of the smallest schools in the state to operate the plan, but enrollment is higher than in other communities.

"The trouble with most communities, Harris said, "is that when students complete high school they go elsewhere than their home town to look for a job. With this program in operation, it makes jobs available when high school is finished and gives greater security to the young folk."

Lenore McKenzie was toastmistress at the banquet. The invocation was by Earl H. Place, superintendent of schools. The employers' response to the feasibility of the course was by Claude Helms. Mr. Place, as superintendent, spoke briefly and there were musical selections by Cynthia Spafford, D. E. Crisp and M. E. Runk, instructors in the course, spoke briefly and awarded the certificates.

The banquet is an annual affair at which the students participating in the program entertain their employers.

RATE HEARING DELAYED

The hearing on the proposed rental rate advance of the Michigan Associated Telephone Company, originally scheduled for today before the Public Service Commission, Lansing, has been postponed until June 26, it was learned today.

At "House of Magic"

A train that obeys spoken commands is only one of the scores of scientific "puzzles" that will be shown at General Electric's "House of Magic" show, Friday afternoon and evening at Central school. Admission is by ticket only and two shows are open to the public without charge, one at 4 p.m., the other at 8 p.m. Tickets for the 4 o'clock show are available at The Herald office. Evening tickets are about exhausted. The show is brought here by the Rotary Club.

Merchants Team To Play Adrian Group on Sunday

Sunday, May 14, was just another field day for the Tecumseh Merchants baseball club as they won both games of a double-header. The opener with Blissfield was won 7-0. Hubert Case was the winning pitcher and Garcia the losing pitcher. The second game with Dundee was won 9-2. Ron Henkel was the winning pitcher and Pilbeam the losing pitcher. Bill Petrovich was credited with two home runs and Hubert Case and Harry Marsh with one home run each.

Sunday, May 21, the Merchants traveled to Britton to again come up on the heavy side of the score of 16-4. Mel Murphy was the winning pitcher for the Merchants. Jack Bruce was the losing pitcher.

All games played so far this season have been non-league games. League play will start June 4. There will be a schedule of the league games published as soon as it is received from the league president.

Sunday, May 28, there will be a game at 2:30 o'clock to be played at the Recreation Field between the Merchants and the American Chain and Cable team from Adrian. Some very fine ball playing ability is expected to be seen. There will be no admission charged.

Capacity Audience at Sunday Vesper Service

Cyril Wizmail, baritone of the Fort Street Presbyterian church in Detroit, proved to be an excellent substitute for George McLeod of the Detroit Institute of Art, who was unable to appear at the Vesper Service of Music, held at St. Peter's church, Sunday evening. Mr. McLeod was taken suddenly and severely ill and it was impossible for him to attend. Mr. Wizmail was welcomed by a capacity audience of music lovers, who were thrilled by a beautiful voice and grand organ accompaniment, provided by another artist, Earl Tank, a Detroit organ instructor.

The second in a series of Vesper services presented by the choir of St. Peter's Episcopal church, the program opened with Mr. Wizmail singing "The Lord's Prayer," by Malotte. Included in the baritone soloist's selections were "The Lord Is My Light," by Allitsen; "The Light of Life," by Eville; "The Voice In The Wilderness," by Scott; "The Living God," by O'Hara; "If Christ Came Back," and "There Is No Death," by O'Hara. For his organ solos, Mr. Tank chose "Dreams" by McAmis and "Reverie" by Dickinson. The offertory solo was "Prayer" from "Gothic Suite," by Boellmann. The junior and adult choirs of St. Peter's sang the anthems "The Lord Is My Shepherd," by F. J. Heppe, and "Hear My Prayer," by Will James.

Glenn Driscoll is choir director and Miss Rosemary Gilmore is organist of the church.

T.H.S. Alumni Banquet To Be Held on June 2

The Gay Deceivers of Hudson will be featured on the program at the annual Tecumseh high school alumni banquet to be held June 2 at the Central School gymnasium. Richard Eggleston, president, and his program committee, Gibbs Barber, Jim Beardsley and Mrs. Lillian Service, promise an evening of hilarious entertainment. Dancing will follow the program.

Tickets for the banquet may be purchased at Heilman's, Eggleston's Jewelry, Hodges and Wright's Drug Stores, John's Gulf Service and Easton's Service Station. Out-of-town members may write to Mrs. Joan Rosacrans for reservations.

Big Crowd To See Magic Show

"Seeing" around corners or through a brick wall might seem impossible at first thought, but it's an easy matter for "microwave unit," one of the many scientific devices to be demonstrated at the General Electric "House of Magic," show, Friday (tomorrow) afternoon and evening at the Central School Auditorium. The show is brought to Tecumseh through the courtesy of the Rotary Club.

"There will be three shows and 400 persons will be accommodated at each show," L. W. Larsen, Rotary's program chairman, said. "The first show at 1 o'clock will be for school children. At 4:00 there will be a second show for the public, and the same show will be repeated again at 8 o'clock, also open to the public. Admission, of course, is by ticket but there is no charge."

Mr. Larsen said that all tickets for the one and eight o'clock shows have been taken. There are a few tickets available for the 4:00 show

Goodwill Trucks Will Visit Tecumseh, June 1-2

Goodwill Industries of Detroit will send its trucks to Tecumseh on Thursday and Friday, June 1 and 2. In a house-to-house collection at that time they will pick up all discards such as clothing, shoes, household articles, furniture, paper books, toys, and miscellaneous articles. All these items are desperately needed at the present time.

The discards collected are used as raw materials with which handicapped people work. All the donations are unloaded, sorted, cleaned, and repaired. Material beyond repair is sold as salvage. The reconditioned merchandise is sold in one of the three Goodwill stores in Detroit.

Goodwill Industries is a self-supporting, non-profit corporation. The operating expense is financed through the sale of renovated discards. Your discards mean "Not Charity but a Chance" to disabled persons of every race and creed. It is a chance for them to receive employment, training, rehabilitation, and aid to personal growth.

Raisin Township Votes To Buy Fire Truck

Voters in the Township of Raisin by a near 10-to-1 majority decided, Tuesday, to purchase a fire truck to be housed in Holloway to protect their property. The township was empowered to expend not more than $7,000 for the project. The vote in the special election was 115 for the plan, 12 against it.

The new truck will be purchased principally by donation and it is understood that funds already raised are nearly sufficient. The township will supply the building to house the truck.

Taxes in the township are not to be increased as a result of the new venture.

INFANT DIES

John Henry Zinn, infant son of Mr. and Mrs. Wilbur Zinn of 730 N. Union St., died at Herrick Memorial hospital, Sunday at 1 p.m., a few hours after birth. Surviving are the parents, grandparents, Mr. and Mrs. William Zinn of Muskegon and Mrs. Anna Lowe of Blissfield, several aunts, uncles and cousins. Funeral services were held Wednesday afternoon from the Colling Funeral Home, with the Rev. C. H. Schmeiser of Riga officiating. Burial was in Brookside cemetery.

Week-End Jail Term Meted Out By Justice

Barnum A. Stoltz of Tecumseh, R. F. D., is going to spend the next two weekends in the county jail, thinking about the weekend he had last week.

It happened this way: Stoltz was arrested Sunday by local police on a charge of being drunk and disorderly. Before Robert French, Monday, he was sentenced to pay costs of $8.60 and to spend the next two weekends in the county jail at Adrian. The judge ordered that he report at the jail at 1:30 each Saturday afternoon and remain there until 6 a.m., the following Monday.

It seems that Stoltz has a wife and two children. To give him a straight jail term he might lose his job and his family would lose his financial support. So, Judge French considered the weekend sentence as a compromise.

Operetta Gets Capacity Crowd

GRADE CHILDREN PRESENT PROGRAM AT CENTRAL FOR PARENTS, FRIENDS

A capacity audience of parents and friends enjoyed the grade school operetta, presented Friday evening in the Central school auditorium, under the direction of Mrs. Philip Gentile. Those with lead parts in "The White Gypsy," were ably supported by several choruses, with all those participating from the fourth, fifth and sixth grades.

Lead parts were taken by: Robert Snyder, as Kom, a prince of royal blood; Merene Boltz, as Jola, Kom's slippery-fingered mother; Sylvia Helzerman, Romany Rose, Kom's grandmother, wisest of the band; Nicky Touborg, Gypsy Chief, imprisoned but beloved; Lynn VanWinkle, Guinn, pretty dancing maiden; Gary Cameron, Zingan, Kom's companion; Vere Hart, Miklo, another of Kom's companions; Raymond Puffer and Roger Pearson, first and second Spook Cats, slaves of Romany Rose; William Cooper and Lee Vescellus, skeletons; Jalaire Knudson, princess, the white gypsy; Nell O'Hara, king, dethroned, an

Lapidist Tells Of Gem Cutting

DR. H. H. HAMMEL, WHO CUTS PRECIOUS STONES AS HOBBY, TALKS TO GROUP

Don't think, just because your ring isn't a diamond, that it isn't valuable and a thing of beauty, Dr. H. H. Hammel, local surgeon and lapidist, told an interested audience at the Country Club, Sunday evening, when he spoke for more than an hour on precious and semi-precious gems and displayed scores of stones that he has processed as a hobby. Nearly 200 persons attended the meeting which was preceded by a smorgasbord dinner, at which Dr. and Mrs. Hammel and Mr. and Mrs. Geo. H. Adamson were the hosts and hostesses.

Dr. Hammel has been interested in the collection of precious stones for about 20 years and for six has cut the stones in his own laboratory as a hobby. He has, to date, processed almost every kind of stone except the diamond. He has one aqua marine cut stone weighing 42 karats, a perfect gem valued at $5 a karat to the cutter.

After he had completed his talk the guests passed by the Doctor's display of scores of cut gems including cabochons and faceted stones. The display included turquois, agate, tiger eye, sapphires, emerald, topaz, Kunzite and many, many others.

"Remember this," the doctor warned, "Diamond is the hardest of all stones and it does not scratch easily. Other stones do scratch and they deserve careful treatment and care. The ring that you have, even though it is not a diamond, took some persons hours and hours of time to cut and polish. It deserves considerable treatment."

Dr. Hammel's collection of gem stones is exceptionally large for a hobbyist. He adds to it almost weekly and he has cut well over 300 gems. Professional lapidists in New York have praised his work, declaring that he cuts with greater precision than many professionals.

Tecumseh Will Honor War Dead

PARADE SCHEDULED FOR 10 A.M., TUESDAY, AS WELL AS SERVICE IN BROOKSIDE

Tecumseh will pay a fitting tribute to its war dead on Tuesday, May 30, Decoration Day, with a parade through the business district and a memorial service in Brookside Cemetery. Stores and other places of business will be closed throughout the day, and in the afternoon scores of picnics will be held in the lakes area, the holiday marking the beginning of the vacation season. Merchants are asked to display flags in the business district at half-mast until after the parade.

Louis S. Schneider, general chairman of the civic committee in charge of the parade and exercises, will act as marshal of the day. He has announced that the parade will begin to form at 9:15 on N. Ottawa street across from the Central school building. It will move promptly at 10 o'clock south to Chicago boulevard and then west to Union street, then north to Brookside cemetery.

Leading the parade will be the national colors and guard, a car bearing wreaths honoring Civil War veterans; the speakers' and officials' cars; the ministers' cars; the Spanish War Veterans, colors and guard and delegation; the Tecumseh High School band; Veterans of Foreign Wars, colors and guard; V. F. W. firing squad; V. F. W. delegation; American Legion, colors and guard; American Legion rifle squad; Legion delegation; a car bearing wreaths to be placed at the cemetery; Boy Scouts, colors and guard and delegation; Cub Scouts, colors and guard and delegation; flower truck; Eagles, colors and guard and delegation; Girl Scouts, colors and guard and delegation; Brownie Scouts, colors and guard and delegation; fire trucks, mounted delegation and civilians in cars and on foot.

After the parade has arrived at the cemetery the program there will include an invocation by the Rev. Allan Ramsay, rector of St. Peter's church; the laying of wreaths on the veterans' graves, the firing of a volley by the firing squad and the sounding of taps. The address of the day will be given by the Rev. Donald Wilson, pastor of the Presbyterian church.

Mr. Schneider has requested that persons with horses who plan to join the mounted delegation should be at the park across from the school at 9:15 Tuesday morning.

Two Are Injured In Bridge Wreck

CARS AND TRUCKS DAMAGED MORE THAN $2,300; ONE SUMMONS ISSUED

Two persons were injured and trucks and cars were damaged to the extent of $2,300 at 7 a.m., Monday, in a three-vehicle wreck on the iron bridge over the River Raisin on Mill street.

Those hurt and removed to Herrick Memorial Hospital by ambulance were: Robert Gard, South Bend, Ind., and Miss Marie DeRoo, of Mishawaka, Ind. Gard suffered an injured knee and body bruises. Miss DeRoo suffered from bruises and shock and was released from the hospital after treatment.

The accident happened in this way, according to police: Richard C. Gross, Bellevue, O., driving a semi-truck and trailer, had driven onto the bridge, which is narrow, from the south. Richard H. Grover, Mishawaka, Ind., driving a new truck with a second truck riding on the first, piggy-back, halted his truck at the north end of the bridge to await Gard's clearance. Robert G. Gard, South Bend, was driving a new sedan, towing a second car with a bar-hitch at the read. He also was driving south and was unable to stop in time to avoid the crash, after passing the truck parked at the bridge approach.

The Gross truck was damaged to the extent of $400. Damage to the Grover truck amounted to about $25. The first sedan driven by Gard was damaged to the amount of $1,500, the second about $450.

The injured woman was a passenger in Gard's car. Gard was given a ticket for failing to have his car under control.

While attending Army Hospital meeting in Boston, my office will be closed 25 - 30 May inclusive.

139 WOMEN ATTEND LUNCHEON AT COUNTRY CLUB; STATE MEET PLANNED

Fourteen townships of Lenawee county were represented in the 139 women, who attended the luncheon of the newly-organized Republican Woman's Club of Tecumseh, held Thursday at the Tecumseh Country Club. Organized early this spring, the club is the outgrowth of the former Shawnee Republican Club organized by the late Jenny C. Law Hardy. After the luncheon forty new members were received into the organization.

The meeting opened after the invocation by Mrs. B. O. Barbore, with the pledge of allegiance to the flag and the singing of the national anthem, led by Mrs. R. S. Moore.

Mrs. Catherine Gibson of Monroe, president of the state federation of Republican Woman's Clubs, was the first speaker, and told of the work of the organization. "The clubs are all informative organizations," Mrs. Gibson stated, "It is necessary for women to become informed on world affairs and political questions, and to take part in civic affairs outside their homes," she continued. The president also announced a state-wide meeting of Republican women to be held in Lansing June 7.

Socialism and Communism have a tendency to creep into business, schools, churches and even small clubs, according to Mrs. Mary Streit of Detroit, vice chairman of the state central committee. She said that in smaller communities people are not apt to recognize them, but, once they are aware of the facts, should watch for signs and fight them at every chance.

Another speaker, Mrs. Rae C. Hooker of Mt. Pleasant, national committee woman, told of the hidden taxes of which the public is not fully aware. She urged the women, especially, to use their privilege to vote, since they make up a large portion of the voters. Mrs. Hooker is recovering from a serious illness and made a special effort to attend and speak to the women interested in their government.

Others seated at the speaker's table were Mrs. Fay Whelan, president of the local club; Mrs. Hilda Will, vice president; Mrs. Joe Rice, secretary and treasurer; Mrs. Marion Atkins of Blissfield, county vice chairman; Mrs. Gertrude Schneider, vice chairman of Tecumseh township and general chairman of the meeting, and Mrs. C. W. Howe, a member of the state central committee.

One of the most successful meetings of Republican women in Tecumseh closed with the singing of "God Bless America."

Mrs. Grace D. Kempton Will Be Buried Today

Mrs. Grace D. Kempton, aged 79 years, died Tuesday at 7:30 a.m., at the home of her brother, Charles Morseman, near Tipton, after a four days illness. Funeral services will be held today (Thursday) at the Collins Funeral Home at 2:30 p.m., with the Rev. Edward Escolme officiating. Burial will be in Tipton cemetery.

Born, March 1, 1871, in Franklin township, Mrs. Kempton lived in North Adams for 38 years, after which she moved back to the farm where she resided for 20 years and died. Her husband, Berton H., preceded her in death in the Spring of 1946. Surviving are the brother, Charles Morseman, a sister, Mrs. Perley Tripp, a niece, Isabelle Tripp, and cousins.

Baccalaureate Here, Sunday

57 THS GRADS TO GET DIPLOMAS JUNE 1; DEAN EDMONSON IS SPEAKER

Baccalaureate services for 57 graduates of Tecumseh high school will be held, Sunday evening, May 28, in the First Presbyterian church. Class Night on Wednesday evening and Commencement Thursday evening will draw to a close another school year.

To Edward Elgar's "Pomp and Circumstance" the senior students will enter the church at 8 p.m. The Rev. Allan L. Ramsay, rector of St. Peter's Episcopal church, will deliver the sermon, "What Have We To Do?" The Rev. Donald C. Wilson, pastor of the Presbyterian church, will give the invocation and the Scripture lesson will be read by the Rev. Norman MacNaughton, Ph. D. The choir of the Friends church will render special music, "Remember Now Thy Creator," by Carrie B. Adams. The Rev. Alvin C. Brazee will offer the prayer, after which Earl H. Place, superintendent, will speak briefly. The benediction will be by the Rev. Edward Escolme, pastor of the Friends church. Mrs. Kenton Hunt will be the organist.

The 1950 graduating class has purchased a key to replace the cane passed down through the years from one class to another. The key is painted golden and will be presented to Kenneth Swarts, president of the junior class, by David Lott, president of the senior class, on Class Night, Wednesday, May 31, in the Central School auditorium at 8 p.m. The remainder of the program is as follows: class history, Mary Glancy, Ger-

Legion's Poppy Sale, May 26-27

VILLAGE PRESIDENT ISSUES PROCLAMATION, URGING PUBLIC COOPERATION

The American Legion Auxiliary's annual Poppy Day sale will be held this year in Tecumseh on Friday and Saturday, May 26-27, it was announced today. The sale is an annual affair and money obtained from the flowers, made by hospitalized veterans, is used in the organization's rehabilitation work.

J. Floyd Elliott, president of the village of Tecumseh, today issued this proclamation:

"In memory of those veterans who gave their lives that freedom might live, and of those still suffering from the ravages of the two great wars, I do hereby declare May 26 and 27 official American Legion Poppy Days in Tecumseh. I earnestly ask the cooperation of the people of the community in purchasing the flowers from the Underwood-Orr Post Auxiliary on those days."

The Poppy sale on Friday will be mostly to industry. The sale on Saturday will be by personal contact on downtown streets, when everyone will be asked to buy and wear one of the flowers in memory of the veterans who sacrificed during the wars.

Detroit Pastor To Speak at St. Peter's, Sunday

On Sunday, May 28, at the 11:15 a.m. service of morning prayer in St. Peter's Episcopal church, the guest preacher will be the Rev. Irwin C. Johnson, rector of St. John's Church, Detroit.

For the past sixteen years the Rev. Mr. Johnson has served this famous old downtown church as rector and in that time has developed an outstanding program of community service. The St. John's Club for young business people was a feature of pre-war downtown community activity. During the war years the parish house of St. John's was converted into a servicemen's hostel and over 150 young men of the armed forces were given overnight hospitality each weekend during the war under the roof of a religious institution. As well as his leadership in parish life Mr. Johnson has held many positions of leadership in the Diocese of Michigan, serving on the executive council as vice president under the bishop, on the standing committee as president and secretary, and has been the leader of many of the forward looking advance programs of the church. Mayor Cobo of Detroit has appointed him chairman of the civic committee to study the problems of "Skid Row" as revealed in a recent series in the Detroit Free Press.

Mr. Johnson will preach on the general theme of Whitsunday, which is considered the birthday of the church. The public is cordially welcome to worship in St. Peter's and hear him.

Sell Tecumseh to Tecumseh

With Tecumseh high school graduation exercises just around the corner, about three score young folk, young men and women between the ages of 17 and 20, will be told by their commencement speaker that "they are now going out into the world" — on their own. A few of them, maybe 10 or 15 per cent, will go on to colleges, the others will go into trade, industry and business. This procedure is being repeated thousands and thousands of times across the state and the nation.

To tell these young folk that they are going "out into the world" is, on the face of the remark, a silly play on words. These youngsters have been around for nearly a score of years and, surprising as it may seem, some of them might be able to give commencement speakers a few ideas about the place that would be shockingly realistic. High school graduates today have ideas of their own, as some of their elder brothers and sisters proved and practiced during World War II. They pretty much realize what makes things click and they are anxious to get their fingers into the clicking mechanism. What the average high school girl or boy is looking for is opportunity. What the average community is overlooking is the opportunity to give these youngsters their chance to succeed, and to do it in their own home town.

Quite often the public school system comes in for criticism from business and industry because, they say, the schools no longer train young folk for life after graduation. They say boys and girls can't spell, that they can't punctuate, that they can't write letters or that they don't know how to work. The Tecumseh Public Schools has for three years been answering this criticism with a cooperative on-the-job training program, in which the schools and business actually cooperate. Students work part time in business and, receive school credits as well. This year, 37 Tecumseh High School students participated in this supervised cooperative course. Tecumseh is the smallest school in the state to operate such a program but, nevertheless, its enrollment in the course is larger, for instance, than Adrian's.

The first year that the course was offered here, 12 students were enrolled. Business was skeptical and so were the young folk. The fact that the enrollment has grown more than 300 per cent in three years, and that business already is looking to the schools for students who will enroll next fall is the best yardstick of its success. It seems that both business and the schools are pleased. The students helped business and both of them profited financially. Thus, an innovation of three years ago has been turned into a profitable enterprise.

However, as we see it, there is still greater profits to be reaped from the course in Tecumseh than would appear on the face of the program. The thing that Tecumseh is doing, and will continue to do, is to prove to these young men and women who will be told by their commencement speaker that they are "going out into the world" that they have a chance for opportunity and security in their own home town. Many of these young people who, under the program, held jobs as juniors and seniors in school will be able to step into these positions, full time, after graduation. They then will be trained employees, capable of doing a better job for their employers, and of earning and advancing for themselves.

And, greatest of all, their own home town gave them this opportunity. It wasn't necessary for them to go elsewhere to "get their chance," to succeed.

Over a span of years, what does such cooperation mean to a community? As we see it it means security for young men and women after school years. It means that business will be boosting for the schools and that the schools will be boosting for business. Ultimately, everybody will be boosting.

Idealistic, you say? Perhaps, but show us a community where there are plenty of boosters and where everybody is boosting for their home town, and we'll show you a successful community.

MACON

Memorial Services

Memorial services will be held at 2 p.m., Sunday, May 28, at the Macon cemetery. A program has been arranged for the afternoon. A guest speaker will be present.

The W.S.C.S. will hold an all-day meeting Thursday, May 25, at the home of Mr. and Mrs. Herman Mehler. It is desired that as many ladies of the community will come to the meeting as possible to help make wreaths with which to decorate the soldiers' graves, Sunday afternoon. The making of the wreaths will begin at 10 a.m. Pot-luck luncheon will be served.

The Quarterly Meeting of the Clinton-Macon parish of the Methodist church will be held at the Macon church, Thursday evening. The meeting will be called to order at 8 p.m. Refreshments of cake and jello will be served. All interested in the work of the church are invited to be present.

Twenty-five neighbors of the community met Tuesday evening at the home of Mr. and Mrs. David Bush. After the cooperative supper, Clayton Bigelow, president, took charge of the meeting. The group sang a familiar selection, a short business session was held and Mr. and Mrs. Clifford Knudson, program committee, presented the following program numbers: three accordion solos by Joseph Caruso of Tecumseh and a description of Boulder Dam by Mr. Knudson. Clarence Gilmore and his sister, Mrs. Alta Boyce, will be host and hostess at the June 20 evening meeting which will be the last meeting of the season. After a vacation during July and August, the club will meet in September.

Mrs. Maude Day is visiting friends, Mrs. Mary Allen Stoll of Ann Arbor and Mrs. Addie Allen of Ypsilanti.

Mr. and Mrs. Charles Bigelow will return to Crystal Lake this week Friday where they have bought property.

Mrs. Inez Halpin and daughter of Flint called Sunday on Mrs. Carrie Payne and Mrs. Marian Spitler and other relatives.

The Macon Youth Fellowship group and the Clinton, Ridgeway and Tecumseh groups were guests Sunday evening of the Britton group.

On Wednesday evening, Bill, son of Mr. and Mrs. Charles Bigelow, will appear for one number on a program presented at a recital given by the music pupils of Mrs. Neville Hart of Tecumseh.

Mr. and Mrs. Charles Gorton and family entertained on Sunday Mr. and Mrs. Robert Armor and family of Dearborn.

Mr. and Mrs. W. K. Lynch and family of Edmond, Okla., are guests of Mr. and Mrs. Carl Bartells.

Recent dinner guests of Mr. and Mrs. Berl Miller were Mr. and Mrs. Harel Miller of Detroit, Mr. and Mrs. Allison McGregor of Ypsilanti, Mr. and Mrs. Clarence Heimerdinger and daughter of Clinton, Mr. and Mrs. Charles Miller and son, Mr. and Mrs. Hazen Richardson and daughters and Marilyn Rosenberg of Onsted, Miss Verla Miller and Loyde McMichel.

Usually the fellow who tries to impress you that he wasn't born yesterday would be just as smart if he had been.

CLINTON

Mr. and Mrs. L. C. Weaver, Stanley Weaver and Mrs. Hazel Barnard attended the annual state meeting of the Christian-Congregational churches in Detroit, last week.

A large, appreciative audience enjoyed the concert given by the high school band and choir, under the direction of Richard Wegner, Sunday afternoon in the high school auditorium. The following selections were presented: Band, "Success," Bennett; "Bless This House," Brake; trumpet soloist, Lynn Wilson; "Beau Sabrun Overture," Olivadoti; "At Sight," Bennett. Choir, "Homing," Riego; "Deep River," Spiritual, tenor soloist, Gene Music; "Some Enchanted Evening," Rodgers; "Listen to the Lambs," Dett; "Dry Bones," Waring; senior quartet, Phyllis Moats, Sarah House, Gene Music, Edwin Hindes; "Nobody Knows the Trouble I've Seen," Spiritual; "O God, Our Help in Ages Past," Croft. Band, "It's a Big, Wide Wonderful World," Rox; "Overture Argentina," Nuchtel; "Progress," Bennett.

ONSTED

Mark Gilbert received his third degree at a special communication of Onsted lodge, F. & A. M., last week. Guests were from Toledo, Adrian and Medina.

The Lenawee county council of the Parent-Teacher Association was held Monday evening in the Onsted school. A potluck supper was served. Gunther Dressler, German student at Adrian high school, was the guest speaker.

Mrs. H. S. Reynolds will entertain her canasta club, May 31.

The Rev. and Mrs. F. D. Hague returned home last week from the regional conference of the I.F.C.A. held at Mt. Pleasant church near Port Huron.

Mrs. Susie Stevens, accompanied by her son, Harold Stevens, arrived home last week from Florida, where she spent the winter.

SOFTBALL MEETING

There will be a meeting of all softball managers interested in joining the city league, Monday, May 29, at the refreshment stand on the softball field at Recreation Center. Coach Elven Duvall is calling the meeting.

From where I sit ... by Joe Marsh

Why "Moose" Changed His Mind

Last week, parents were calling Moose Jackson on the phone—and kids were hooting at him in the streets. All because Moose fenced in his field near the depot, where the kids like to play ball.

Moose got sore the way folks acted—refused to budge. Then Doc Sherman, who likes to play centerfield himself sometimes, decided to "use a little psychology."

Over a friendly glass of beer at Andy's Garden Tavern, Doc says, "Sorry this came up, Moose. We were thinking of asking you to umpire—what with *your professional experience and all.*" (Moose used to play a little semi-pro ball.)

That did it! Next day Moose put up a stile over his fence. In return, the kids promised not to cause any damage. From where I sit, when you try to understand the other fellow's point of view—like his personal preference for beer or coffee—and then take into consideration the will of the majority, why, things seem to go better all around.

"YOU HARDLY KNOW THE ROAD IS THERE!"

You won't be the first to say that—not by a long shot.

One of the first things you notice, when you step from another make of car into Buick, is the wonderful difference in the Buick ride.

There are good technical reasons, if they interest you...

Soft *coil* springs all around, the gentlest type of spring man knows how to make.

A stout torque-tube, acting like the husky keel of a battleship to steady the whole carriage.

Low-pressure tires on wide, Safety-Ride rims, that stop heel-over and sway on curves.

Firm, sure, quick-acting shock absorbers, promptly snubbing the after-bounce of the bigger bumps.

The important thing is what these all add up to.

Freedom at last from jounce and jiggle. A level, floating, road-free passage over almost any kind of road, with even the worst of them tamed and gentled as never before.

Add Fireball power to all this—the roominess of wide, deep seats—the lightness of Buick controls and the liquid silkiness of Dynaflow Drive*—and you have a car just too good to miss.

Come try one, won't you? Your Buick dealer will be delighted to demonstrate without obligation—delighted to show you that if you can afford a new car, you probably can afford a Buick.

*Standard on ROADMASTER, optional at extra cost on SPECIAL and SUPER models.

ONLY BUICK HAS Dynaflow AND WITH IT GOES: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, clean-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

MACON

Mrs. Bert Bruder was pleasantly surprised Saturday morning when her father, Andrew Reynolds and wife and Mrs. Edith Clark of Fooland, Illinois, and her brother, Mr. and Mrs. Glen Reynolds and sons of Gibson City, Illinois, came to spend the weekend and help her celebrate her birthday. Other guests in the Bruder home on Sunday were Mr. and Mrs. Clifford Bruder and family of Lansing, Mr. and Mrs. Chalmer Bruder and family of Belleville, Mr. and Mrs. Edward Furlong, Mr. and Mrs. Gerald Carey and familyo f Ypsilanti, Mr. and Mrs. Hamilton Moore and sons and Mrs. Mae Smith of Britton.

Mother and Daughter Banquet

Some 135 mothers and daughters attended the annual banquet at the Macon M. E. church on Friday night, May 19.

The men of the church served the swiss steak dinner at long tables centered with Spring flowers and lighted candles. The color scheme carried out being pale green and pink.

The programs were of gay prints and resembled small aprons.

Mrs. Ralph Halliday played the march and the guests sang the doxology before being seated.

Mrs. Donna Scudder was toastmistress and the program was as follows: piano solo, Margie Papp; toast to mothers, Nancy Howell; vocal solo, Mrs. Jean Merz, Tecumseh; toast to daughters, Mrs. Ruth Howell; vocal solo, Mrs. Jean Merz; speaker, Mrs. Riggio. Gifts were presented to Mrs. Anna Hendershot of Ridgeway as the oldest mother present; to Mrs. Lila Howell for having the most daughters present, which were five; to Mrs. Caroline Grills of Ann Arbor, as the youngest mother, and to baby Caroline Olive as the youngest daughter present. The latter were part of a four generation group, which the other two members were Mrs. Carrie Beal, Macon, and Mrs. Caroline Schanz, also of Macon. The benediction was given by Mrs. Riggio.

RED CROSS MEETING

The annual meeting of the Lenawee County Chapter, American Red Cross will be held at the Chapter House, 157 East Maumee Street, Adrian, on Monday evening, June 5, at 7:30 p.m. Important business is to be transacted and all members and friends of the Red Cross are invited to be present.

and these may be had by calling at The Herald office.

Now in its 17th season, the "House of Magic" has been enjoyed by more than 13 million people, having been one of the main attractions at the New York World's fair. Tecumseh is one of the smallest communities to see the show.

There will be many more of the latest scientific demonstrations, one of them featuring the "electric eye." With its aid, an electric lamp is turned on by striking a match. And an electric eye attached to a loudspeaker makes it possible to "hear" light, the changes in light being heard as changes in sound.

In combination with a special lamp, music is sent across the room on a beam of light and heard at the opposite side of the room. This experiment of carrying the human voice or music on a beam of light has been performed for a distance of 25 miles.

The Rotary Club will attend the evening show in a body, meeting at Legion Memorial Home for dinner prior to the entertainment.

Farmers Band Together To Aid Injured Friend

Another example of the "good neighbor policy" was witnessed last week on the farm of Charles W. Allen, who fell through a trap door recently and has been unable to work.

Realizing that planting time was nearing an end, 17 neighbors of Mr. Allen fitted 21 acres of oats on his farm on Route 2, Tecumseh. There was $30,000 worth of equipment in operation and the work was completed in half a day. And while the men were working in the fields, Mrs. Herbert Murphy, Mrs. Lawrence VanGieson and Mrs. J. T. Callahan were assisting Mrs. Allen in the kitchen preparing dinner for the hungry farmers when they were finished.

Words cannot adequately express how grateful the Allens are. They only hope to repay their friends with other kindnesses.

About The Folk You Know

A beautiful vacation spot near Lake Michigan is the Hill an' Dale Resort at Beulah, on Crystal Lake, and this has been purchased by Mr. and Mrs. Charles Bigelow of Macon, who will open for the summer months on June 1. There are 12 cabins and a lodge in a secluded area, and it is operated on the American Plan . . . The Bigelow family moved there this week . . . Dr. Corwin Wright of Ann Arbor has purchased the small farm from the Bigelows.

Eleanor Cadmus, daughter of Mr. and Mrs. Percy A. Cadmus of Tecumseh, was awarded the Lenawee County scholarship from Macon high school at the recent Adrian College Honors Convocation . . . Eleanor is a senior at the college and will graduate June 4.

After choir rehearsal at the Baptist church, last week Wednesday evening, Mrs. Kenton Hunt, organist, invited the members to her home for a social time and refreshments . . . The party had been arranged beforehand, however, as Mrs. Harley McConnell, director, discovered when she was presented with a shower of baby gifts.

Nancy Delight Nixon celebrated her fifth birthday, last week, with a party, her guests being Dougie Beasley, Kathy Tressler and Johnny Hayden. It was Johnny's first honest-to-goodness birthday party and he enjoyed the "social" afternoon with the rest. Nancy received some nice gifts and her mother, Mrs. Don Nixon, served the traditional refreshments.

Geraldine Handy was the guest of honor at a surprise party, Tuesday evening, in celebration of her 17th birthday anniversary. Her mother, Mrs. Lester Handy, invited 18 guests, and all enjoyed a social time. A pink, white and blue color scheme was used and May baskets marked the places at the table. A buffet supper was served after which Geraldine received her gifts in a large May basket. Her grandparents, Mr. and Mrs. Reuben Creger of Clinton, were among the guests, and Mrs. Creger assisted Mrs. Handy in entertaining.

Mr. and Mrs. William Wehr, formerly of Tecumseh, entertained Mrs. Clyde Giltner and Mrs. Bert TurnBull, for several days at their home in Oceanside, Calif., recently, and all enjoyed the reunion immensely . . . Mr. and Mrs. Giltner are in Berkeley, Calif., for several months in the interest of the Products Co., and Mrs. TurnBull was visiting her daughter, Mrs. Gordon Merchant, at South Gate. Mrs. TurnBull and another daughter, Mrs. H. M. Waller of Flint, who accompanied her to California, arrived home Saturday evening after their five-week vacation. They flew by plane both ways and on the return trip were able to view Pike's Peak and the Grand Canyon from the air.

Mrs. Lillian Hoagland left yesterday for Minneapolis, Minn., to attend the graduation of her daughter, Wilma, an honor student at North Central Bible Institute. Then they will take a six weeks trip through the west, visiting relatives in Los Angeles and San Francisco.

Mr. and Mrs. E. J. Francouer entertained at dinner, Sunday, in celebration of the 13th birthday of their son, Robert, which occurred Saturday. Guests included Mr. and Mrs. Harry Creger and Mrs. E. V. Francouer of Deerfield.

Joe Rice Is Honored By The Masonic Lodge

Joe Rice was elected Grand Master of the Grand Council, Royal and Select Masters of Michigan, at the state assembly of the Council held in Flint, Saturday. Mr. Rice is plant lay-out and processing engineer at the Tecumseh Products Company.

Mr. Rice is a member of Camden Lodge, F. & A. M.; Hillsdale Lodge, F. & A. M., and Mt. Ararat Council, R. & S. M., of Hillsdale; Tecumseh chapter, R. A. M., and Tecumseh chapter, O. E. S.; Adrian Commandery, Knights Templar; Ann Arbor Shrine, W. S. of J.; International Lodge Royal Ark Mariner, Windsor, Canada; Detroit Consistory, A. A. S. R., 32nd degree; Michigan Council of Thrice Illustrous Masters; Illinois Council of Thrice Illustrous Masters; and honorary life member of Jeremial Council, R. & S. M., of Fernfdale.

L. W. Larsen was appointed a member of the committee for re-editing the ritual.

A public reception for the Grand Master will be held June 10 in the Masonic Temple in Jackson, with the Rt. Rev. G. Paul Musselman of the Old Mariners' Episcopal church of Detroit as speaker.

65 Mothers, Daughters Attend Baptist Tea

Some 65 mothers and daughters enjoyed the annual Mother and Daughter Tea at the Baptist church, Saturday afternoon, from 2 to 4 o'clock.

Each of the guests was presented with a program, made in the shape of a fan with flowers on the front cover. Mrs. Max Brandt, toastmistress, announced the program as follows: toast to mothers and daughters, Eris Bailey and Mrs. Cy Bailey; recitation, Phyllis Honeycutt; piano selection, Camilla Grigg; song, Evelyn Beland and Jean Ann Hoag; piano selection, Barbara Hall.

Recipients of plants were Mrs. L. S. Buhler, the eldest mother present; Mrs. Brandt, the youngest mother; and Mrs. George Green, jr., of Jackson, the mother with the most daughters present. Two families with four generations were represented. They were Mrs. Harriett Knight, Mrs. Floyd Bryan, Mrs. Fred Bryan and Ruth Ann Bryan; and Mrs. Lou Spalding, Mrs. Dean VanValkenburg, Mrs. Ronald VanValkenburg and Marjory and Janie VanValkenburg.

Tea for the grown-ups, chocolate milk for the kiddies, and cookies for all were served by Mrs. C. H. Williamson and Mrs. Ted McConnell.

Miss Lenore Larsen Is Honored at Shower

On Saturday, May 20, Miss Mary Lou Carlson entertained at the Tecumseh Country Club at a bridal shower in honor of Miss Lenore Larsen of Jackson, formerly of Tecumseh. Covers were laid for 16 guests at a supper served in the banquet room. Yellow tapers, yellow roses and daisies decorated the table and a miniature bride in satin gown and veil denoted the place of the guest of honor. Miss MardaGene Duncan, accompanied by her parents, Mr. and Mrs. Harry Duncan, joined the group for the opening of the shower gifts.

Miss Larsen's marriage to Clinton Mark O'Jibway of Detroit is to be an event of June 10. Members of her bridal party were present at the shower. These include Mrs. Jack Larsen of Ann Arbor, matron of honor, Miss Rae Nita Larsen and Miss Mary Lou Carlson, bridesmaids. Mrs. John Larsen of Jackson, mother of the bride-to-be, was also a guest. Mrs. Earl Fetkenheir of Adrian and Mrs. Esther Husting of Milwaukee, Wis., were other out-of-town guests. Mrs. Husting is visiting her brother, Louis Carlson and family.

PICTURES ON DISPLAY

Prize winning pictures taken by members of the Indian Snappers Camera Club are on display in the windows of the Tecumseh Camera Shop. The subject for the print of the month contest for June is flowers, and a good showing is expected at the June 5 meeting at the Tecumseh public library, when Leon Rosacrans will show his "Main Street" movie.

PAST CHIEFS CLUB

The Past Chiefs Club met Friday evening at the home of Mrs. Walter Hizer, with Mrs. Lilly Gray assisting. A business meeting was held followed by cards, with prizes being awarded to Mrs. Myrle Brollier, Mrs. Lynn Harris and Mrs. Fred Marsh. The next meeting will be held with Mrs. Luther Wood.

CLASS REUNION

Tecumseh high school class of 1925 is planning a reunion in connection with the annual Tecumseh high school alumni banquet, June 2. Members of the class should communicate with Mrs. Lawrence Price, Mrs. Walter Plaus, Mrs. Charles Sager, Mrs. John Saling, Mrs. Charles Manley, Llewellyn Sisson, Raynor Aylesworth, or Sam Sisson for details of the get-together.

NO MEETING MAY 31

Golf and canasta were played following the luncheon at the Tecumseh Country Club, Wednesday afternoon, May 17. Luncheon tables were attractively decorated with spring flowers and 22 were seated. Hostesses for the afternoon were Mrs. A. L. VanWinkle and Mrs. James McDowell. Honors at canasta were awarded to Mrs. A. W. Porter and Mrs. Marvin Watkins.

There will be "no" meeting on Wednesday, May 31.

Lt. Robert H. Wilson Wins Wings of Gold

First Lieutenant Robert H. Wilson, of the United States Marine Corps, today wears the coveted Navy wings of gold. Having successfully completed his flight training, he was designated a naval aviator during ceremonies at the Naval Air Station, Pensacola, Florida.

Robert, son of Mr. and Mrs. M. W. Wilson of 609 Outer Drive, Tecumseh, graduated from the Naval Academy in 1946. Since then he has been stationed at Quantico, Va., and at Camp LeJeune, N. C.

His flight training began in October 1948 when he reported to the U. S. Naval School, Pre-Flight at Pensacola, Florida. "The Annapolis of the Air," where he succeeded in completing a stringent schedule in military, academic, and physical training.

From Pre-Flight he has been sent to the Naval Air Basic Training Command. This phase of training consisted of primary, aerobatics and instruments, gunnery and tactics, and was climaxed by six take-offs and landings in his SNJ "Texan" trainer aboard the aircraft carrier, USS CABOT.

He was then sent to advanced training at Corpus Christi, Texas. This was a four month syllabus in combat type aircraft. Graduation from advanced training has won him the coveted Navy wings of gold.

Chester M. Gooding Is Buried at Macon

Funeral services for Chester M. Gooding, 64, of Milan, who died May 16 in St. Joseph Hospital, Ann Arbor, were held Friday afternoon at the Stevens & Bush Funeral Home in Milan. The Rev. William A. Johnson officiated and burial was in Macon cemetery.

Friends and relatives attended from Milan, Willow Run, Ottawa Hills, Macon, Saline, Clinton, Ann Arbor and Ypsilanti.

Mr. Gooding was born April 23, 1885, in Macon and had lived in Milan for the past 20 years. He had been in failing health for the past two years. Surviving are the widow, Mary, daughter, Mrs. Floyd Wanty, one granddaughter, Virginia Lee, all of Milan; two sisters, Mrs. Leon Temple of Ottawa Hills, Toledo, and Mrs. Nellie Kehoe of Willow Run Village; and several nieces, nephews and cousins.

NEW ENGINEER IS HIRED BY VILLAGE

Angus G. Leitch of Charlevoix, has been hired as village engineer of Tecumseh by the council. Mr. Leitch is now on the job and expects to move his family here in the near future.

Leitch served for six years as engineer at Charlevoix. He is 62 years of age, has a background of 40 years experience, and is a graduate engineer. He replaces Al Bagshaw, named temporary engineer upon the resignation of Kenneth Dawson.

Gardens Grow Over Night If You Plant Pre-tested Seeds

It's true, you'll be surprised how fast your garden grows when you plant pre-tested seeds!

Pre-tested seeds, you know, are the kind that have been tested by the grower and found to be "tops" for the gardener. We have been selling them at our store for years, and each year we note an increase in our customer list.

Why don't you plant pre-tested seeds this year? You'll have a garden to be proud of and, perhaps, one that is the envy of your neighbors.

SCOUT NOTES

Cub Pack Number Four

All Cub Scouts expecting to march in the Decoration Day parade will please report in uniform for a marching rehearsal at the ball park at 6:45 this evening, Thursday, May 25. Several Boy Scouts will help with the practice.

All Cubs are asked to be at the Boy Scout cabin between 10 and 10:30 Saturday where transportation will be provided for the day at Camp Kanestake.

The Westminster Junior League of the Presbyterian church will prepare the lunch for all present. This will be a non-profit service on the part of this group.

Mrs. Lawrence Price, Mrs. Maxwell Smith, Mrs. George Elliott, Mrs. Robert French, and Mrs. Clair Rozelle are making many exciting plans for the entertainment of the boys.

Mrs. Harold Naser and Mrs. Earl Place are directing an award ceremony to be held at the archery range as a part of the day's activities.

Mrs. Lester Munger, Mrs. Donald Martin, and Mrs. Cecil Fielder will assist in serving the lunch.

A lot of fun is in store for the boys in spite of the fact that no swimming or boating will be allowed. Cubs need not wear uniforms. They are asked to bring softball gloves or mits if they wish.

Boy Scouts

Tecumseh Boy Scouts of both Troop 4 and Troop 73 will have an active part in this year's Memorial Day observance. Some of the Scouts have been assigned to meet with the Cubs at the ball park tonight to help with marching practice. Others will have various messenger assignments, etc., on the day of the parade. Those Scouts not having any other assignment are asked to meet at the Central school building in uniform at 9 a.m., Decoration Day to march in the parade.

LOCALS AND PERSONALS

Mr. and Mrs. Clifford Crisp of Fayette, Ohio, were weekend guests of their son, Mr. and Mrs. Delmar Crisp and daughter.

Tommy Judd, jr., and his roommate from the University of Michigan, spent the weekend with Mr. and Mrs. Thomas Judd.

Mr. and Mrs. Don Caley and daughter Jane of Kalamazoo were Sunday dinner guests of Dr. and Mrs. Arthur Brown and daughter Mary. The Caleys took Jane and Mary back to Albion College in the evening.

Mr. and Mrs. Ned Rosacrans were in Detroit on business, Tuesday.

Mrs. J. W. Beardsley and Mrs. Gordon Garlick were guests of Dorothy Jean Brandt at Ypsilanti, Saturday, when pledges were initiated into Pheta Lambda Sigma sorority, followed by a luncheon.

E. Whitecotton of Three Rivers, has purchased the John R. Nyland house on W. Chicago boulevard

Officers Are Installed By Business Women

Mrs. Leon VanValkenburg installed the officers of the Tecumseh Business and Professional Woman's Club at the regular dinner meeting of that organization, Monday evening, in the Presbyterian Fellowship Center. As she read a rhyme befitting each officer, she asked them in turn to pull a ribbon, on the end of which was attached a corsage. Those installed, all of whom were re-elected at last month's meeting, were Mrs. George French, (by proxy), president; Miss Mable Lockwood, first vice president; Mrs. Dale Tingley, second vice president; Mrs. Ogland Lay, secretary; Mrs. Dualne Service, treasurer.

In the absence of the president, Miss Lockwood presided at the business meeting. Miss Ruth Harding gave an interesting report on the meeting of the Lenawee County Federation of Women's Clubs, held in Hudson recently, and noted that the local club is the only B. & P. W. club with a membership in the county federation. Annual reports of the officers were made and committees announced for the coming year.

A spirited discussion on voting a sum of money to the recreation fund was held and a satisfactory decision arrived at. An amendment to the constitution in regard to the number of years one person may hold an office was approved. Mrs. Furnell Osburn was named chairman of a committee to make flowers for Memorial Day.

Miss Marie Koernig, program chairman, introduced Sally Jo Rentschler, who played two flute solos, accompanied by Miss Geraldine Handy. One of Sally's selections, Handel's "Sonata No. Three," was the composition she played when she won first place in both the district and state music festivals. Her other number was "Waltzer-Rondo" by Bach. Mrs. F. C. Dickinson entertained with a delightful review of the book "The Peaceable Kingdom," by Ardyth Kennelly.

Preceding the business and program, dinner was served at tables decorated with Spring flowers to some 50 members and guests. Mrs. Nyra L. Parrett led in devotions.

AMERICA'S LOWEST PRICED EIGHT!

IT'S THE BIG ECONOMY PACKAGE!

LOW FIRST COST
LOW OPERATING COST
HIGH RESALE VALUE

Only low-priced car with a V-type engine!

Ford—only Ford—in the low-price field offers you the smooth, spirited performance of a V-8 engine. Yet a Ford V-8 is yours for hundreds of dollars less than any other "Eight." Yes, even hundreds less than most "Sixes."

Only low-priced car with a "Lifeguard" Body!

Welded, all-steel body scientifically reinforced for strength—"sound-conditioned" for quiet. Quality coach work and baked-on enamel mean long life—high resale value.

Only low-priced car with King-Size Brakes!

Trips are treats with features like Ford's big 359 sq. in. easier-acting brakes to take the work out of driving—and your non-sag foam rubber driver's seat to banish fatigue. Trips are treats, too, when you see how far you go on so little gas and oil.

Only low-priced car to receive "Fashion Award"!

Yes, Ford's the only car on the road to receive the New York Fashion Academy's coveted Fashion Car Medal two years in a row . . . the only low-priced car to receive it, ever!

White sidewall tires and wheel trim rings optional at extra cost.

ONSTED

The annual Junior-Senior reception was held Thursday evening at the Onsted Community school. The theme, "Good Bye and Good Luck," was carried out in green and silver decorations, with a silver horseshoe in the center of bowls of Spring flowers. Favors were silver horseshoes and green nut cups were used. The traditional Class Day ceremonies were held with Roger Pawson acting as toastmaster. Elaine Hawkins played the processional and the following program was presented: invocation, Father Petho; "Luck is Where You Find It," Superintendent Little; toast to seniors, "Treble Insurance," Mary Wilkins; response, "Symbol of Life," Donald Renner; class history, Mardell Burton and Joyce Linsner; musical selection, Kendall Merlau; class will, Albert Taylor and Richard Wiegert; song, "Memories," Junior class; phophecy, Ann Conklin and Beverly Siegfried; guest speaker, Sidney Straight of Adrian College; giftatory, Richard Riley and Jean Spangle; presentation of cane, Richard Wiegert; acceptance of cane, Carol Pawson; benediction, Father Petho.

Springville school District No. 1, held its promotion exercises, Thursday evening, at the Methodist church. Fifty-three pupils were seated on the platform while a program of recitations and songs, announced by Jean Feller, was given. The Rev. B. O. Bashore of Tecumseh was the guest speaker. Clare Wallace, president of the school board, presented the promotion certificates. The school picnic was enjoyed Sunday at Wamplers Lake.

Mr. and Mrs. Paul Toland and family were in Holland last week to attend the Tulip Festival.

Mr. and Mrs. Herbert Glancy visited the Holland Tulip Festival recently.

The American Way

The words "Michigan" and "fishing" are practically synonymous at this time of the year. And after an exciting day's fishing, it's the "American Way" to enjoy a glass of cool, refreshing Michigan brewed beer to top off the day.

For beer is the kind of beverage Americans like. It belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. Beer Belongs . . . Enjoy It

NOTICE OF MORTGAGE FORECLOSURE SALE

Default having been made in the condition of a certain mortgage made the 19th day of March, 1948 by Charles E. Metzger and Iris N. Metzger, as mortgagors, to Adrian State Savings Bank as mortgagee, and recorded on the 23rd day of March, 1948 in the office of the register of deeds for Lenawee County, Michigan in Liber 326 of Mortgages on page 142, which mortgage was assigned by said Adrian State Savings Bank to Ralph Phelps and/or Hazel Phelps as assignees on the 19th day of February 1949 by an assignment recorded on the 21st day of February 1949 in the office of the Register of Deeds for said County, in liber 335 of mortgages on page 131; and on which mortgage there is claimed to be due and unpaid at the date of this notice $2772.80 principal and $178.87 interest; no suit or proceedings at law or in equity having been instituted to recover the debt, or any part thereof secured by said mortgage, and the power of sale in said mortgage contained having become operative by reason of such default.

Notice is hereby given that on the 10th day of June, 1950 at ten o'clock in the forenoon at the east front door of the Courthouse in the City of Adrian, that being the place for holding the Circuit Court for the County of Lenawee, there will be offered for sale and sold to the highest bidder, at public auction for the purpose of satisfying the amounts due and unpaid upon said mortgage, together with the legal costs and charges of sale, including an attorney fee of $50, provided by law and in said mortgage, the land and premises in said mortgage mentioned and described as situated in the City of Adrian, County of Lenawee and State of Michigan, to-wit:

Commencing at the intersection of the south line of west Maple Avenue with the west line of Summer Street and running thence westerly on the line of Maple Avenue One hundred and ninety-six (196) feet for a further place of beginning; thence southerly at right angles with Maple Avenue one hundred and twenty (120) feet; thence westerly parallel with Maple Avenue fifty-seven (57) feet, more or less, to the east line of land now, or formerly owned by Foltz; thence northerly on the east line of said Foltz land to the south line of Maple Avenue; thence easterly on the line of Maple Avenue fifty-seven (57) feet; to the place of beginning. Said land being a part of the west half of the southwest quarter of section thirty-five (35), town six (6) south, range three (3) East.

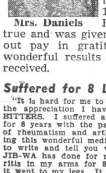
I TRIED O-JIB-WA AFTER READING OF WONDERS IT DID FOR OTHER SUFFERERS

After 8 years of constant suffering it seems really wonderful to be free of the pains and stiffness of Rheumatism and Arthritis, says Mrs. Roy Daniels Sr., a resident of suburban Detroit.

Regardless of what you have tried without results, it is our honest opinion that you owe it to yourself to give O-JIB-WA BITTERS a chance to help you. The following testimonial of Mrs. Roy Daniels Sr., of 14775 Ola St., Romulus, is true and was given freely without pay in gratitude for the wonderful results that she has received.



Mrs. Daniels

Suffered for 8 Long Years

"It is hard for me to express in words the appreciation I have for O-JIB-WA BITTERS. I suffered almost continually for 8 years with the pains and stiffness of rheumatism and arthritis, before using this wonderful medicine. I just had to write and tell you what wonders O-JIB-WA has done for me. I had arthritis in my arms for 8 years and then it went to my legs. It was so bad, that it even hurt me to sit in a chair and it was hard to get started to walk. I had to force myself to keep going, as I was unable to do my own housework, so lived with my daughter."

Recommended to Many

"I read in the paper what O-JIB-WA BITTERS had done for others, so I thought I would try it. After using one bottle, all my pains left me and I also had a lot more pep and energy. O-JIB-WA is really wonderful. I wouldn't be without it in the house. I have recommended it to many people, especially whenever I heard any person mention arthritis and they all seem to get results. It is wonderful."

ATTENTION PLEASE

We the makers of O-JIB-WA BITTERS, wish to thank Mrs. Daniels and the many other users of our products, who so graciously indorse O-JIB-WA without reward because of what it has done for them.

No medicine being sold today for Rheumatism and Arthritis has received such public acclaim and enthusiastic recommendation by its users than O-JIB-WA BITTERS. The reason for this is because O-JIB-WA is not just a plain deadener as are so many tablets on the market today, containing primarily aspirin and salicylates. O-JIB-WA works through the blood stream and loosens stiff joints to relieve the distressing pain, even when the stiffness has become deep seated. O-JIB-WA BITTERS has a tonic effect on the stomach, liver, kidneys and nervous system. O-JIB-WA is quick in action and in most cases aids in correcting the cause of these horrible agonies. Regardless of what you have tried without results, you owe it to yourself to try this great all herb medicine. Don't give up hope. Don't put off. Give O-JIB-WA BITTERS a chance to help you. THE TECUMSEH HERALD

NINETY-NINTH YEAR—NUMBER THIRTY-FIVE | TECUMSEH, MICHIGAN, JUNE 1, 1950 | FIVE CENTS A COPY

TECUMSEH to TECUMSEH NOTES

Our Canadian friends are hopeful that a large delegation from Michigan will be at their dance this coming Saturday evening. Those who visited us last T-Day have carried back word about the excellent music of our Tecumseh Products Chieftains who will be the guest orchestra. We are to dance under the stars at Swinglland on the shores of Lake St. Clair, seventeen miles from the mouth of the Windsor side of the tunnel. The citizens of Tecumseh, Ontario, vow that we'll have a wenderful time.

Delmar Cote, state director of the United States Savings Bond Division of the Treasury Department who has previously made arrangements for Michigan's Liberty Bell to head our caravan to Canada has further good news. The bell is to be here by three in the afternoon of the day before so that is may be exhibited at the change of shifts at the Products.

Mr. Cote is arranging this in appreciation of the effort made by "Red" Wilson and Mable Lockwood during the present bond drive. He is requesting copies of the bond issue of the TP Broadcast and the bond letter given to Products workers so that he may send them to other factories as an example of what a company can do to stimulate the bond drive.

In order that the Tecumseh, Ontario, people may see some of the industrial activity of Tecumseh, Michigan, Larry Lawson of Sales and Engineering and Don Nixon of Quaker Oats are planning exhibits for the Products and for Quaker Oats in store windows of the sister city. If any of our other plants feel they can make an interesting exhibit, they may call the Chamber of Commerce and arrangements will be made.

Bert Lacasse, manager of the Canadian ball team, has started to grow a beard for the occasion. "This has a double purpose," he explains. "In the first place it helps advertise our game with the House of David on Thursday evening. In the second place, as this beard grows longer and thicker, it will remind various committeemen that the time is steadily growing shorter."

As the Michigan committee was preparing to leave from Canada last Thursday, Sid Arbour rushed up to tell them to wait a moment as the organist of the Rendezvous was dedicating a special number to them. The number was "The Road to the Isles," a famous bagpipe piece, and served as a reminder that our friends, the Chatham pipers, will be on hand for the July 1st festivities.

Units to take part in the parade are now being planned. The ladies of the American Legion and VFW auxiliaries are already drilling for the march. There will be a 40 and 8 box car also. And the local veterans' organization will provide suitable escort for the Liberty Bell.

Committeemen Leon Williamson, George McCombs, and Archie Porter are looking for sure bets, with new hats as the stakes.

Plans are being made for chartered buses for those who do not wish to drive on July 1st. Watch for announcements.

Again to our Tecumseh friends all over the area: We want you to join us in the trip to Tecumseh, Ontario. You'll have a good time.

Blind Lady's Cat Is Home, Aided By Herald Story

"Tudelum," the cat which wandered away from the home of its mistress, Mrs. Carrie Payne of Macon, several weeks ago, has been returned, aided by a story in The Herald.

According to a letter from Mrs. Payne to The Herald, a kind neighbor brought Tudelum to her last week and said that the cat had been staying out around his barns. However, the neighbor is of the opinion he couldn't have been there too long, since his long fur was free of burrs, etc., that he would have picked up had that been the case.

"I have neuritis in my eyes and its very painful," Mrs. Payne wrote, "but, somehow, it hasn't hurt nearly so much since my Tudelum is home. He is a very happy cat. He has been around every chair and table leg at least fifty times and so far hasn't been more than a few feet from my niece or I any of the time."

Tudelum is home again. Where he has been during the past few weeks matters little. What does matter, is that once again he is giving joy and companionship to elderly, blind Mrs. Payne.

Scholarships, Valued in Thousands, Await THS Grads, Tonight

Above are the honor students of Tecumseh High School, including the valedictorian and salutatorian and other students who won scholarships. Left to right back row, David Green, valedictorian, Doug McDowell, Sherry Fielder, Gordon Keyser, Dale Bowen. Front row, Florence Tilton, salutatorian, Shirley Teske and Mary Glancy. (Herald Photo)

Can You Identify These Youngsters?

Can you identify the youngsters in this picture? Perhaps, if you look real close, you'll discover that most of them will receive high school diplomas at Tecumseh's commencement, tonight. This picture was taken in 1937 when the class entered kindergarden at the West Branch. The Herald did not make the individual identification, believing that it would be more fun for the readers to do it. Mrs. Bertram Updike is the teacher shown with the class.

Public Warned Of Trespassing

PRIVATE PROPERTY, USED AS A DUMP, IS CLEANED UP BY THE OWNER

The private property on Milwaukee Road, owned by Perry C. Satterthwaite, and which has been used, without authority, by some persons as a dump, has been cleaned up at the owner's expense, greatly improving the appearance of the area. Milwaukee Road leads past the Grange Hall and the Country Club, is much traveled and is one of the prettiest by-roads in the section.

"This is the third time that I have been forced to clean up the property," Mr. Satterthwaite said in discussing the matter. "This time we used a bulldozer and after the clean-up we fenced the property with barbed wire and have posted no trespassing signs. I sincerely hope that the public will respect the warning."

The property lies along the south side of the highway and slopes rather sharply to the river. In the past it has been an easy spot for the disposal of refuse, in-

DRUNK DRIVER TAKES TEN-DAY JAIL TERM

Antonio Buttera, jr., Adrian, accepted a 10-day jail term rather than pay a fine and costs of $83.60, after he had pleaded guilty in Justice Robert French's court, Monday, to a charge of drunk driving. He was arrested on Sunday by local police on Chicago boulevard west of Adrian street. He said that he had had six or seven bottles of beer.

F. W. Wasse, Tecumseh, R. D., paid a fine of $15 and costs of $5.60 on Monday when he pleaded guilty in the same court to a charge of being drunk. He was arrested on complaint of Officer Harding in the parking lot at the rear of the Strand theatre.

GARAGE ENTERED

The Keeling Motor Sales, Britton, was broken into sometime Monday night, entrance being gained through a window. About $10.75 in cash and car parts were stolen. State police are investigating.

TAKEN TO HOSPITAL

Richard Putnam, Tecumseh, was removed to Herrick Memorial Hospital on Monday at 4:30 p.m., by ambulance, after he had become ill while walking in the 100 block on E. Logan street.

Clifford G. Brown, 32, Buried at Ridgeway

Clifford G. Brown, 32, died suddenly Sunday morning at 9:30, in his farm home on the Clinton-Macon Road. Funeral services were held Wednesday afternoon in the Clinton Congregational church, with the Rev. O. E. Priest officiating. Burial was in Ridgeway cemetery.

Mr. Brown had finished his farm chores, had gone into the house to change his clothes and fell over dead. He had moved from Ridgeway to his present home nine years ago.

Surviving are the widow, Margaret; three sons, James, Larry and Richard Lee; his mother, Mrs. Emma Mault, and a sister, Mrs. Ina VanNest of Clinton. His father and a brother preceded him in death.

Bible Schools To Open Monday

CHILDREN OF NURSERY AND THROUGH JUNIOR AGE WILL BE ACCEPTED

Daily vacation Bible schools will open next Monday, June 5, in the various churches, for children from nursery through junior age.

The Baptist and Methodist churches are uniting with sessions for two and three year olds being held in the Baptist primary room under capable direction. Mrs. George Wittrup will be in charge the second week. Gretta Porter, Sally Rentschler, and other members of the Youth Fellowship will assist both weeks. The rest of the classes will be conducted in the social rooms of the Methodist church. The four, five and six year olds will have for their teachers, Mrs. Morris Cornell, Mrs. Robert Grigg and Mrs. William DePuy. For children who were in the first, second and third grades this school year just completed, the teachers will be Mrs. Lawrence Holdridge, Mrs. Ronald VanValkenburg, Mrs. George Derby, Mrs. Clayton Mikesell and Mrs. Faye VanValkenburg. Mrs. Walter Hizer, Mrs. Eugene Fisher and Mrs. Lenore West will have charge of the junior department. Mrs. Lyle Grigg and Mrs. Dick Carter will be the song leaders, Mrs. Gerald Osworth will be the piano accompanist, and Mrs. B. O. Bashore will assist in telling stories. Friday evening, June 16, a program will be held for parents. The classes will be held from 9 to 11:30 a.m., Monday through Friday, for two weeks.

Honors Assembly Here On Friday

PROGRAM AT CENTRAL AUDITORIUM TO BRING SCHOOL YEAR TO CLOSE

Honors Assembly Day, to be held Friday, June 2, at 9 a.m., in the Central School auditorium, will officially close the 1949-50 school year. Sports letters will be presented to eligible students as well as many other special awards.

High school examinations were given through Wednesday, and today the teachers are preparing the final grades. Report cards will also be issued Friday morning.

Grade students began singing, "No more pencils, no more books, etc." on Monday. Tuesday nearly all participated in the Memorial Day parade by marching with the Boy and Girl Scout organizations or by riding a bicycle. Individual class picnics were enjoyed on Wednesday.

Poppy Day Sale Nets Auxiliary Over $536

A tentative total of $536.75 from the Poppy sale by the auxiliary of Underwood-Orr Unit, American Legion, Friday and Saturday, was announced today by Mrs. Carl Thompson, poppy chairman. More funds will be forthcoming this week.

Mrs. Thompson expressed her thanks to the public for being so receptive to a worthy cause. Money obtained from the flowers, made by hospitalized veterans, is used in the auxiliary's rehabilitation work.

POLICE PLAY NURSE TO TWO TINY BABIES

Chief of Police Clark was nursemaid to two fourteen-months-old babies, a boy and a girl, for a little more than half an hour, Saturday afternoon, after he had received a complaint from shoppers that the youngsters were crying in a parked car in the downtown district.

The babies were taken to headquarters and 38 minutes later their mothers, each 21 years of age, were located as they completed a shopping tour. The children, happy to see their "mamas" dried their tears.

REPORTS MONEY GONE

Richard Henkel, 411 W. Kilbuck, told police Tuesday that he went swimming at the gravel pit and left his billfold in his clothing in the locker room. When he returned about $40 in cash was missing from the wallet.

Honor Group To Get Awards

Scholarships to colleges, valued at several thousands of dollars, will be presented to seven members of the Tecumseh High School graduating class at commencement exercises, to be held this evening at Central Building auditorium. Two of the scholarships, worth $2,000 each to the recipients, are from the Herrick Foundation, established by Ray W. Herrick, president of Tecumseh Products Co., and Mrs. Herrick. This is the first year for the awarding of the Herrick scholarships, which will continue indefinitely.

The graduating class this year at Tecumseh High is unusual, in that it has one all-A member for the four year term, and 24 others out of a class of 57 who have a B average for their high school years, according to James McDowell, principal. No scholarship awards were made to students who had less than a B average during their high school careers.

David Green, son of Mr. and Mrs. George Green, sr., is the valedictorian of the class with an all-A average for the four years. He will receive tonight the honor entrance scholarship to Chicago University, valued at $750 a year for four years. This is a competitive scholarship which he won on merit. He will major in liberal arts.

In high school here, Mr. Green was two years president of the Student Council, editor of the Senior Echoes, senior annual, participated in extempore speech for two years, declamation for four years, was a member of the Varsity Club, participated in the senior play, band for two years, was a member of the reserve basketball team for two years and played varsity basketball for two years.

Florence Tilton, daughter of Mr. and Mrs. Geo. Tilton, Tecumseh, R. D., is the salutatorian of the graduating class. She has participated in the school's cooperative training program by working at Herrick Memorial Hospital.

Gordon Keyser, son of Mr. and Mrs. Paul Keyser, will be presented with the Regents Alumni Scholarship which he won at the University of Michigan in competition. In his high school career, Mr. Keyser was a member of the student council, of the annual staff, of the debate team for two years, declamation for one year, and was in both the junior and senior plays. At the University he will study engineering.

Parade Is Held On Memorial Day

LARGE CROWD AT PROGRAM HELD TUESDAY MORNING IN BROOKSIDE CEMETERY

Tecumseh paid tribute to its war dead on Tuesday, Memorial Day, with a program at Brookside Cemetery and a parade through the business district. Stores and other places of business were closed throughout the day and hundreds of persons, following the ceremonies, took off for the lake resort area on picnics and reunions, the holiday officially opening the vacation season.

The three-block-long parade, which included all veterans organizations as well as Boy and Girl scouts, bands and marchers, got under way promptly at 10 a.m., moving west on Chicago boulevard from Ottawa street, and north on Union to Brookside. Louis S. Schneider acted as marshal of the day and general chairman. At the cemetery, the invocation was by the Rev. Allan Ramsay, rector of St. Peter's church, and the address was by the Rev. Donald Wilson, pastor of the Presbyterian church. A volley was fired by the V. F. W. squad, and taps were sounded.

The assembly at Brookside this year was one of the largest in recent years. The clear, warm day brought hundreds of former residents to the exercises.

"HOUSE OF MAGIC" ATTRACTS GOOD CROWD

General Electric's "House of Magic," brought here last Friday under the sponsorship of the Rotary Club, attracted large crowds at three shows at the Central Building auditorium, afternoon and evening.

The regular meeting of Rotary was held at American Legion Home on Friday evening instead of Tuesday and after dinner members of the club attended the show.

There was no meeting of Rotary this week, the regular meeting date falling on Memorial Day.

Mrs. Mae C. Cady, 58, Buried In Brookside

Funeral services were conducted Saturday afternoon from the Collins Funeral Home for Mrs. Mae C. Cady, 58, who died Wednesday, May 24, at 11:50 a.m., in the University hospital, Ann Arbor. The Rev. Edward Escolme officiated and burial was in Brookside cemetery.

The bearers were Robert Bachtal, Ray Bachtal, John Forgacs, Levett DeJonghe, Harley Slick and Roger Phipps. Friends and relatives attended from Ridgeway, Britton and Tecumseh.

Mrs. Cady was born November 16, 1892, in Oshkosh, Wisc., and had been in failing health for the past three years. She was a member of the Methodist church of Fremont, Mich., and was a resident of Sand Lake in Kent County. She is survived by one son, Les F. Cady of Ridgeway, and several friends.

Canadian Visit Plans In Making

LOCAL CARAVAN TO TECUMSEH, ONT., TO BE MET AT BRIDGE BY ESCORT

Plans for the Tecumseh to Tecumseh visitation on July 1st are now moving into the detailed stage of planning as a result of a joint meeting of the Canadian and Michigan committees in Tecumseh, Ontario, last week. Ten local committee men were entertained at the meeting by about thirty of the Canadians, presided over by Mayor Thomas C. Scott of the Ontario town.

Our Canadian namesake is planning a three-day celebration known as the "Mid-Century Festival" with the various events increasing in tempo until "International Day" on Saturday when the Michigan delegation is to arrive.

On Thursday evening, June 29, their baseball team is to play the famed House of David bearded team from Benton Harbor. The bearded players, not only play excellent ball, but are skilled exhibitionists in entertaining a crowd.

Friday, June 30, is their "Old Boys' Day." This will serve as a homecoming with special attention given to oldest residents and former residents who have returned from the greatest distances. In addition to these events there will be a youth ball game and a game for the old timers. An old time style show and dance is scheduled for the evening.

Saturday, July 1st, will be devoted to events to make the day memorable for the Michigan visitors. The caravan is to be met at the Ambassador Bridge by the Marshal of the Day and will be given police escort to Tecumseh. After exchange of greetings the

ONLY TWO PERSONAL INJURY MISHAPS REPORTED IN COUNTY ON TUESDAY

Motorists in Lenawee county apparently got most of the reckless nonsense out of their systems over the weekend previous to the Decoration Day holiday because on Tuesday, officers said, only two minor personal injury mishaps were reported county-wide. However, earlier in the week, three persons lost their lives in flaming wrecks that sent about a dozen people to hospitals.

Nation-wide, the traffic death toll probably will near the 500 mark with Michigan leading in

Flaming Wrecks Fatal To Three

OTHERS ARE INJURED IN SERIES OF ACCIDENTS OVER THE WEEKEND

Richard Creger, severely burned in a wreck that cost two other lives on US-112, Saturday night, was removed to University Hospital, Ann Arbor, on Tuesday, from Herrick Memorial Hospital. He was still in an unconscious condition.

Three men, one of them a college student, were burned to death and several others were injured, some of them seriously, in a series of automobile accidents in Lenawee county over the weekend.

Robert Creger, 18, son of Maynard Creger, Brooklyn, and who had been living with his grandparents, Mr. and Mrs. William Creger, south of Tecumseh, was fatally burned at 10:45 o'clock Saturday night when the car he was driving and in which his brother, Richard, 17, and Caroline Pate, 13, and her sister, Anna, 14, of Tipton, were passengers, crashed into the side of a transport carrier on US-112, just west of the Town Line road.

Cecil Turner, 48, Evansville, Ill., the truck driver, died at 12:30 a.m., Monday in University Hospital, Ann Arbor, from third degree burns he received in the flaming wreck.

State police say that they found no one who witnessed the accident. William Weigle, Clarks Lake, was driving some distance ahead of the Creger car and after he had passed the truck a quarter mile back he heard an explosion and saw flames shoot into the air through his rear view mirror. He turned his car around and attempted to free the victims from the wreckage and notified state police.

The truck driver was pinned under the cab of the truck, owned by the Casseno Auto Transport, Evansville. His clothing was burned off and he was badly bruised as well as burned. He was removed to Herrick Memorial Hospital here and later transferred to Ann Arbor.

Robert Creger was burned to death in the driver's seat of the car. His brother, Richard, suffered head injuries, burns and cuts. He was in a semi-conscious condition

THURSDAY, JUNE 1, 1950

A Poor Economic Pattern

Since the days when we were kids, most of us past the age of 21 years have been taught that it was wise to live within our income. We are not inferring that we were trained to be penny-pinchers, but nevertheless we soon discovered that when our allowance was gone we were through spending. That is why American families in the past — and a few of them today — did and are attempting to live within the family income.

And here's the irony of it all: the U. S. government is mailing pamphlets to householders telling them how to budget, how to solve their money problems, and at the same time it (the government) is spending about five and a half billions more than the 36½ billion it will collect in revenue this year. And, what is more, it is expected to do substantially the same thing in 1951.

Twenty years ago, the federal debt amounted to seventeen billion dollars. Today, the admitted debt is 258 billion dollars. In the past 20 years there were only two years, in 1947-48, that the government balanced its budget and lived within its income.

Today, every man or woman who works, pays one-fourth of all that he or she earns in some form of taxes. That means that if you work four days, you keep three day's pay and give the other day's pay to the government. If socialized medicine (the national health insurance plan) is adopted, it is estimated that payroll taxes will more than double.

We've said before that the power to tax is the power to destroy. It is just as true now as it was 125 years ago. But a thoughtless public is becoming more and more demanding upon its government for the operation of socialistic, easy-to-get money schemes that are sucking the financial blood from the veins of the nation. And to satisfy this public and to perpetuate itself, a lame-brained government in Washington refuses to call a halt.

It may be old-fashioned to live within your income, but it's still good sense. Unless the government sets the pattern, we'd say that it is useless to clutter up the mails with budget pamphlets to Americans. Certainly, this paternalistic government is setting a very poor example for its sons and daughters to follow.

Will It Stay That Way?

The so-called public dump on Milwaukee Road, which actually is private property, is being cleaned up by the owner, Mr. P. C. Satterthwaite. It is unfortunate, but nevertheless true, that he is doing the work at his own expense. Now comes the question, how long will it remain that way?

The property is located along the south side of Milwaukee Road, a very pretty highway that leads past the Grange Hall and the Country Club. The rolling land slopes steadily from the road to the river and affords an easy spot for the disposal of debris. And from the appearance of the place last week and weeks before, scores of persons were using it as a dumping grounds for tin cans, paper, garbage and other waste. It was fast becoming an eye-sore.

The Herald called attention to the unsightly spot a couple of weeks ago and Mr. Satterthwaite on his own initiative, ordered the clean-up. He says that he has warned and warned persons not to dump rubbish on the plot, but to no avail. He even fenced the area with barbed wire at one time, but the fence was torn down.

It hardly seems fair that the owner of a piece of property should be put to the expense of cleaning up somebody's rubbish, but in this case the owner is paying the bill. He is doing it because he wants the area to look good, and he would like to keep it that way.

With the site cleaned up, residents should have enough public pride to keep it that way. And for those who do not have that pride we would, if we were in Mr. Satterthwaite's place, use the force of law to protect our property.

Mr. Satterthwaite is to be congratulated for his public-spiritedness. And in the same breath we'd like to suggest to him that in the future he crack-down on those who trespass on his property.

New High School Debt-Free In '53

SUPERINTENDENT REVIEWS ENTIRE BUILDING PROGRAM FOR PUBLIC

So that the public may be brought up to date in connection with the building and the cost of the new high school on North Maumee street, Earl H. Place issued a statement this week, approved by the board of education, showing that the building will be debt free in 1953. He estimated that the total cost of the school to the district, as it now stands, is about $500,000.

Mr. Place's statement in its entirety follows:

Everyone in Tecumseh is justly proud of the new high school usually referred to as the $400,000 high school. Open house and the dedication program have been held and with additional visitors coming to see various classrooms, the total estimate of people, aside from students, having toured the building since January 3, 1950 has been set at 2,500. Each person who voiced an opinion was enthusiastic in his approval.

Originally a $300,000 high school building was considered a goal. The first plans had to be changed several times because of increased enrollment. The prices of materials and labor advanced. Therefore, on account of the cost of construction, in the fall of 1948 it was imperative to deduct four classrooms and the gymnasium from the architects blueprints. The extra accommodations and the gymnasium could well be used at the present time but were not sufficiently urgent to be considered compulsory. These will be added when money becomes available.

It became necessary to start building so contracts were approved for that part of the building which could be financed and actual construction commenced on December 3, 1948. The classroom section was ready for occupation on January 3, 1950.

The equipment for the beautiful new home economics room, the new stainless steel cafeteria kitchen, the new tables and chairs for bookkeeping room, cafeteria and library, the new tablet arm chairs for several of the classrooms, the new study top desks for the study hall, the new chemistry laboratory, and the physics-biology laboratory have done much toward making the Tecumseh high school a well equipped building. As soon as it is financially possible, new machines for the Shop, new desks for the Agriculture Room and several office practice machines will be ordered.

The Board of Education has acknowledged with sincere appreciation the following gifts made possible by A. R. Hines, district manager, General Electric Company, Detroit, Michigan; Three apartment size electric ranges, one clothes washer, one clothes dryer, one electric commercial range. Mr. Hines in his presentation indicated a most cordial relationship between the company he represents and the Tecumseh Products Company and expressed hope that the appliances would be of distinct educational value to the community.

Recently a lot was purchased on East Shawnee Street by the Board of Education. On it are two quonset huts which will be sold and removed to provide another entrance-way to the school. During the summer of 1950 a new sidewalk will be built from Shawnee Street to the south door of the high school. This will ease the traffic congestion on Maumee Street.

The Board of Education believes that it is important that the taxpayers of Tecumseh District No. 7 know the actual cost of the building as it now stands, including the money paid the general contractor, the plumbing and heating and the electrical contractors, the cost of the site, the architect's fees, the equipment, the furniture, the landscaping, the site for additional sidewalks, the construction of the sidewalk, the interest on the bond issue, and such miscellaneous expenses as blueprints for the gymnasium, lawyer's fees, printing, advertising for bids and certain unanticipated expenses which will total $500,000.00.

Money for the school has been assured from the following sources: Gifts totaling $170,000.00, income from the sinking fund and the bond issue, and items charged to capital outlay. The combination of funds has made a new educational institution possible for the boys and girls of this community and area.

The entire $180,000.00 bond issue and $11,141.50 in interest money will have been completely paid on June 30, 1953. At that time the high school will have been paid for in full.

Viking Male Quartet at Ridgeway, June 6

The Viking Male Quartet and the Rev. Charles Ide of Olivet Nazarene College, Kankakee, Ill., will appear in the Ridgeway Church of the Nazarene, Tuesday evening, June 6, at 8 p.m. Members of the quartet are Curt Brady, Cincinnati, Ohio; Dr. L. K. Neiderhiser, Grove City, Pa.; Edsel Mattax, Decatur, Ind., and William Leggee, Wheaton, Ill. Their presence in the Ridgeway church is a part of a fourteen week tour of the mid-west. The quartet has also traveled with the Orpheus Choir, well known musical organization of Olivet College. They will present a musical program of vocal and instrumental numbers alike.

The Rev. Mr. Ide, field secretary of Olivet Nazarene College, a native of Michigan, was four years director of the Youth for Christ Crusade with headquarters in Grand Rapids. For four years Mr. Ide has been pastor of the First Church, Milwaukee, Wis., and also director of Boys and Girls For Christ. A cordial invitation is extended to the public to attend this service.

BRITTON

Decoration Day services were held at the Ridgeway Methodist church, May 30, at 2 p.m. The Rev. Harry Rodgers, pastor of the Congregational Christian Church of Britton delivered the address. The American Legion had charge of the program at the cemetery, directly after the service at the church, to pay tribute to the ones who gave their lives that we might enjoy our America.

The Britton Boy Scout Troop held a paper pickup on Saturday, May 27. Each person cooperated in the drive by having their paper ready.

Mrs. Emery Downing was hostess to the North East Britton Extension Club Friday evening. A lesson on room arrangement was presented.

Mrs. Ruby Kniffin was pleasantly surprised recently when her son and wife, Mr. and Mrs. Frank Kniffin, entertained at dinner in honor of Mrs. Kniffin's birthday anniversary. The guests were Mrs. Allie Luckhardt and daughter of Wamplers Lake, Mr. and Mrs. Lee Hastings of Adrian, Mr. and Mrs. Earl Taylor, Mr. and Mrs. Lee Taylor, Mrs. Myrtle Taylor, and Mrs. Tom Hamilton and Eddie.

Mr. and Mrs. Ernest Palmer were recent dinner guests of his son and wife, Mr. and Mrs. Paul Palmer, in Toledo.

The annual Junior-Senior banquet was held Friday evening in the Congregational dining hall. The senior class left Sunday evening from Toledo by train for their annual trip to Washington, D. C.

The Methodist pastor has full information on the Summer Camps sponsored by the Methodist church in Michigan. Any young people interested in going to Junior, Intermediate and Senior Camps should get registration material and make arrangements this month.

Joyce Zimmerman Bride of Raynor Spreeman

Joyce Zimmerman walked up the aisle of the Dundee Congregational church at 7:30 o'clock, Saturday evening, May 20, to repeat her nuptial vows to Raynor Spreeman of Ridgeway, before an altar decorated with baskets of gladioli and asters. The Rev. Kenneth Griswold read the double ring ceremony during a beautiful candlelight service.

The bride is the daughter of Mr. and Mrs. Frank Zimmerman of 497 Riley St., Dundee. Her husband's parents are Mr. and Mrs. Charles Spreeman of Ridgeway.

The bride's satin gown was designed with a nylon marquisette yoke, Chantilly lace bodice, lace sleeves and bertha. The full gathered skirt ended in a train of imported shadow sheer net over satin. With her gown the bride wore a short veil of shadow sheer net with a Dutch cap of old lace, which was first worn by her grandmother. Her bouquet was of gardenias and ivy.

The honor matron, Mrs. J. R. Goupill of Milan, and the bridesmaids, JoAnn Johnston of Tecumseh and Miss Penny Eaton of Cleveland, sister of the bride, wore gowns of yellow, orchid and green organdy, respectively. All wore matching halos and carried gardenias and ivy. Gloria Spreeman, of Palmyra, niece of the groom, carried a basket of sweet peas.

John Theodore Sisson of Tecumseh served Mr. Spreeman as best man. Seating the guests were Lawrence Ash of Britton and Gene McNamara of Cleveland, Ohio.

Ruth Wilcox accompanied Mrs. H. C. Weghorst when she sang, "Because" and "Ave Maria."

The bride's mother selected navy blue print crepe with a corsage of red roses for her daughter's wedding. The groom's mother was attired in a navy print with red roses for her corsage.

Guests attended from Pontiac, Palmyra, Adrian, Tecumseh, Detroit, Grosse Pointe, Ridgeway, Monroe, Toledo, and Cleveland.

When the couple left on a southern trip, the bride was wearing an ensemble of white with green accessories. They are at home at 497 Riley St., Dundee.

No New Taxes, Alger's Pledge

G.O.P. CANDIDATE SAYS TAXES HIGH ENOUGH AT PRESENT TIME

Secretary of State Fred M. Alger, Jr., who has announced his candidacy for governor on the Republican ticket, revealed today he intends to carry his campaign to the people with a pledge of "No new Taxes."

Alger said he does not intend to outline a complete platform until after the current special legislative session, but felt the tax issue was of sufficient importance to warrant an announcement of his stand at this time.

"I am unalterably opposed to new or additional taxes of any kind," he said. "If the people of Michigan see fit to nominate and elect me as the head of their state, they will have my promise to do everything possible to not only put an end to new levies, but to run their government jut as I would run any business within its income."

"We are today faced with a ridiculous situation. If it weren't so serious, it would be almost laughable. I refer to the wild theories advanced by my political opponents which would have us, in these times of comparative prosperity, spend more than we receive.

"What kind of thinking produces such shortsighted ideology? What do the spenders think will happen when the day of reckoning arrives, as it surely must? Admittedly I may be old-fashioned in my thinking, but I was always taught to run a business on the basis of setting a little aside for future contingencies. Government is business today — big business."

Alger said he did not wish to be misunderstood about his position with respect to the furnishing of government services.

"Of course we all want and we all need the services offered by our state government," he continued. "We want good roads, good police protection, good state institutions and all the rest for which we are willing to pay a fair and just price in the form of taxes.

"But where does the spending stop? It is my conviction the public has reached the saturation point in taxation and that the weight of governmental expense has become so great our entire economic structure will suffer permanent damage. In the event the federal government reduces its wholly ruinous burden on taxpayers then at that time and that time only Michigan might consider raising additional funds to furnish increased public service.

"I sincerely believe the majority of the people of Michigan will agree the time has come to stop the tax-and-spend cycle which positively will eventually find us in bankruptcy.

"I say there should be no new taxes. And if a majority of the voters feel as I do, I will consider it an inviolable trust to see to it the state does not squander its citizens' money on services it cannot afford."

Alger, who is completing his second term as secretary of state, served in World War II as a Naval Commander. His grandfather, the late Brig. Gen. Russell A. Alger, commanded the Michigan Cavalry during the Civil War, was chosen first department commander of the G.A.R. in 1867, was elected governor of Michigan in 1884, was appointed U. S. Secretary of War in 1897 and died in office while serving the state in the United States Senate.

The candidate's father, the late Col. Fred M. Alger, served in the first World War and was one of the founders of the American Legion during the 1919 Paris caucus.

PARISH PICNIC FOLLOWS SUNDAY MORNING SERVICE

A "Family Service" will be held in St. Peter's church at 10 a.m. on Sunday, June 4. Immediately at the close of the service all Sunday School children, their parents and all members of the church will leave for the annual parish picnic to be held at the Hayes State Park on Wamplers Lake. During the service the children will be presented with attendance awards and certificates of promotion. Mrs. O. W. Laidlaw, superintendent, will have charge of the presentation.

At the picnic, games and contests will be under the direction of eGrald Driscoll. The service on June 4 will mark the beginning of the summer service hour of 10 a.m., while the early celebration of the holy communion will continue to be at 8 a.m. each Sunday.

Dale J. Bowen, son of Mr. and Mrs. Dale Bowen, will receive a scholarship to Purdue University where he will study engineering. In high school he was president of the junior class, president of the student council his senior year, was a member of the annual staff, participated in the junior and senior plays, a member of the Varsity Club, a band member for two years, played on the football reserves, on the reserve basketball team for two years and a member of the varsity basketball team for two years. He also was a member of the Naval Reserve Officers Training Corps.

Sherry Fielder, daughter of Mr. and Mrs. William Fielder, won a scholarship to Michigan State College and will study nursing at Sparrow Hospital, Lansing. She was the senior class treasurer, a member of the annual staff, a member of the cast of the senior play, and played in the band for three years.

Mary Glancy, daughter of Mr. and Mrs. Carl Glancy, will be awarded an entrance scholarship to Adrian College where she will study to be a secondary school teacher. In school here she was a member of the annual staff and of the senior play cast, and played in the band for two years.

Shirley Teske, daughter of Mr. and Mrs. Otto Teske, will be awarded one of the Herrick Memorial Scholarships. She will attend college at Ypsilanti State Normal, majoring in elementary education. Miss Teske was the D. A. R. Good Citizen Girl of the year, a member of the annual staff, of the cast of the junior and senior plays, and was active in operettaf and chorus work.

Doug McDowell, son of Mr. and Mrs. James McDowell will be awarded the other Herrick Memorial Scholarship. He will take his college training at the University of Michigan, and will study coaching. Mr. McDowell in school here was a member of the Student Council, the annual staff, Varsity Club, president of the senior class, a member of the band for two years, of the football reserves for three years and of the varsity team for one year, basketball reserves for one year and varsity team member three years. He also was a member of the track team for two years.

Five of the scholarships will be presented at the commencement exercises tonight by Earl H. Place, superintendent of the schools. The Herrick Memorial Scholarships will be presented by the Rev. Edward Escolme, pastor of the Friends church.

The Herrick Foundation Scholarships are awarded on the basis of the students' desire to go to college; scholastic standings high enough to be recommended to college (B average); activities in high school; general character; and need. It is one of the largest scholarships available to the students of Tecumseh High School.

The scholarship, it was explained at the school, is the gift of the Herrick Foundation, established by Mr. and Mrs. Ray W. Herrick.

The selection of students who will receive the scholarships annually is made by a committee of three local citizens, none of whom are connected with the Tecumseh Products organization.

The scholarship consists of $500 annually for four years in college or $2,000 for each of the two scholarships, one to be awarded to a boy, the other to a girl. The Herrick Scholarships will continue indefinitely, it was said.

At the principal's office at the school, it was said that still more scholarships may be received from other colleges.

Flaming Wrecks

(Continued from page one)

at the hospital here, yesterday. Caroline Pate suffered burns and cuts. She was able to go home, Monday. Her sister, Anna, suffered a fractured shoulder and burns and bruises. She is still a patient at the hospital.

State police are unable to assign any reasonable cause for the mishap. It occurred on a straight stretch of highway. The truck was going east, the Creger car west. The Creger car hit the truck headon just to the rear of the cab and in the auxiliary fuel tank. The gasoline ignited almost instantly, officers say.

Coroner Ed Braun held that the death was an accident and that an inquest was not necessary. The body of Creger was removed to a Brooklyn funeral home. The body of Mr. Turner was taken to Evansville.

Geo. Musko, 22, Hillsdale College freshman, was burned to death in an auto accident on Geneva Road, three and a half miles west of Rome Center at 1:20 Sunday morning. Five passengers in the car were hurt. The mishap involved another car.

Musko's body was removed from the burned-out rumble seat of the car after the flames had been fought by Adrian firemen. Musko resided in Eldorado, Ill.

Riding in the Musko car were: Joanne Hadden, 19, Adrian, Peggy Ann Miller, 19, Adrian, William E. Anderson, 20, the driver, Lakewood, O., Sharon Arnold, 20, Poland, O., and Tom Peters, 20, Detroit. All were removed to Bixby Hospital, Adrian, for treatment. Some were seriously hurt.

Occupants of the other rar were Robert O'Conner, 25, Wayne, his brother, Melvin, 26, Adrian, and Mrs. Phyllis Ash, 29, Hudson. Robert O'Conner's condition at the hospital was reported as serious. The others were believed less seriously hurt.

The accident happened as the O'Conner car attempted to go around the Anderson car. The impact split open the gasoline tank and the fire followed. Musko was in the rumble seat and was apparently unable to get out.

James Stutesman, 14, who lives southeast of here on a farm, was hurt Saturday at 3 p.m., when he was thrown from a motor bike he was riding. He was treated at Herrick hospital for a fractured collar bone and released.

Mrs. James Bolan, 35, Adrian, and her daughter, Mary, 3, were hurt in a collision with a panel truck driven by Robert Grice, 23, Toledo, Saturday morning on US-223 north of Ottawa Lake. Mrs. Bolan and her daughter were patients in Bixby Hospital, and Grice in a Toledo hospital. All were seriously hurt.

Fred Kendall To Appear at Vesper Service Here

The third of the series of vesper services will be held at St. Peter's Episcopal church on Sunday evening, June 18, at 5 o'clock. The soloists for this occasion will be two outstanding radio and church musicians, Fred Kendall, tenor, and William A. Fox, organist, of Radio Station WJR and the Columbia Network.

Mr. Kendall is widely known from his very fine sacred programs on WJR. He also appears as special and oratorio soloist at St. Paul's Cathedral and other Detroit churches. Mr. Fox, in addition to being staff pianist and organist at Station WJR is organist at the Church of the Messiah in Detroit.

This is the last Vesper Service of Music before the summer season at St. Peter's. By these services, the choir of St. Peter's has brought to Tecumseh splendid artists and fine sacred music.

R. Jess Sproull Dies; Is Buried at Clinton

Funeral services were conducted Sunday afternoon from the Hause Funeral Home for R. Jess Sproull, 79, who died last week Wednesday at 2 p.m., at his home in Clinton. The Rev. H. R. Sullivan officiated and burial was in Riverside cemetery.

Surviving Mr. Sproull are four daughters, Mrs. Hazel O'Hara of Onsted, Mrs. Florence Sloan and Mrs. Viola Escott, both of Tecumseh, and Mrs. Ilah Power of Detroit; a son, Chester of Jackson, and a brother, William of Allen; twenty-seven grandchildren and 11 great grandchildren.

Future Farmers An Active Group

BUSY YEAR IS BROUGHT TO CLOSE; ACTIVITIES OF PAST YEAR REVIEWED

Terminating a year of activity that rivals any of the chapters in this area, the Tecumseh chapter of the Future Farmers of America relinquish the reins of the organization to a new set of boys. The newly-elected officers are: Ray Jackson, president; Freddie Long, vice president; Charles Bishop, secretary; Merlin Wagner, treasurer; and Richard Young, sentinel.

Among the achievements during the past year accomplished under the leadership of the retiring officers, President Don Bailey, vice president Lawrence Young, secretary James Winzler, reporter Fred Feight, treasurer Jerry Eaton and senitnel James Hubbard, and with the guidance of David Locke, are the following:

Sponsoring exhibits of projects carried during the summer at the Lenawee County Fair. These consisted of six steers, four dairy cattle, two sheep and two hogs. Also 20 samples of corn and other grain were exhibited. All exhibits netted the chapter eight blue ribbons, 12 red ribbons and 15 white ribbons, as well as $35 in prize money.

The chapter boasts a championship judging team in dairy judging and livestock judging in the county. On October 26 they sponsored the third annual Parent and Son banquet, which was the largest ever. In November, 16 new members were initiated into the mysteries of the chapter and the surrounding area. This brought the total enrollment to 40 members, an all time high for the school. Also, during this month some 16 exhibits were made at the county corn show at Adrian and they placed among the ribbon winning group.

In December the chapter sponsored a trip to the Livestock International in Chicago, involving 20 boys and a subsequent radio program and report to the Exchange and Rotary Clubs of Tecumseh. The annual Co-Ed Christmas Party was a regular event and the chapter was host to the Britton Agricultural Club with a program and a presentation of the Green Hand Degree. At this time the harvesting of five acres of popcorn raised during the year was announced. This netted over $245 for the treasury and was increased in January by the sponsorship of the Hoosier Corn Huskers, which netted some $35.

February brought the sponsorship of the second swine feeding experiment in which several feeds were tested in the growth of a litter of pigs purchased by the chapter. In March the county FFA contests were held and the local contestant placed first and the parliamentary procedure team placed third. The FFA truck was also overhauled and made ready for the spring sheep dipping season. This service has been rendered to some 5000 sheep in the area on some 40 farms, in the past four years. The chapter now has a complete unit consisting of a portable tank, truck centrifugal pump and engine, as well as a seed treater equipped for use. The second registered Duroc sow has been placed on a farm in this area.

Summer projects now number four steers, four dairy cattle and 1,200 baby chicks, together with other crops and livestock.

The chapter is sponsoring a softball team in the local league for the second time and hopes to do as well or better than last year.

For these activities, David Locke, instructor, announced the following awards to the boys based on the FFA point chart. First, Freddie Long, trip to Kansas City, state FFA convention, all expenses paid; second, Fred Feight, ten dollar award; third, Jerry Eaton; fourth, Tony Rebottaro; fifth, Lawrence Young; sixth, James Winzler; seventh, Merlin Wagner; eighth, Duaine Horton; ninth, James Hubbard; tenth, Calvin Suydam, all five dollar awards.

Major activities will terminate with a trip to a night baseball game at Detroit, June 16.

Annual Flower Show To Be Staged, June 16

The Tecumseh Garden Club will present its annual Flower Show Friday, June 16, in the American Legion Home from 2 to 9 p.m. A program at 7:45 will be an added attraction. Mrs. Clarence Beach is chairman of the affair.

There will be sections for the general public, men only, junior gardeners and Brownies, and all entries must be in by 10 a.m., the day of the show. A schedule of requirements will be published in next week's issue of The Herald.

LUNCHEON RESUMED

The weekly Ladies Day luncheon will be resumed at the Tecumseh Country Club, Wednesday, June 7. The hostesses will be Mrs. M. G. Partridge, phone 144J, and Mrs. Donald F. Wright, phone 274M. Reservations must be made by Tuesday noon.

About The Folk You Know

Mrs. Robert Hoekstra entertained at a cradle shower for her sister-in-law, Mrs. Charles Hensen, last week Wednesday evening, at her home on North Union Street. Games interspersed a social evening and the prizes awarded were in turn presented to the mother-to-be. After Mrs. Hensen opened an array of useful gifts, the hostess served light refreshments.

* * * *

Miss Evelyn Murphy, whose marriage to Donald Baker will be an event of June 10, was the guest of honor at a linen shower, Wednesday evening, at the home of Mrs. Bill Pace. The guests enjoyed a social evening with games, the prizes from which were presented to the bride-elect, who was also showered with lovely gifts. Refreshments served by the hostess featured a cake with white icing topped with pink roses and three miniature umbrellas.

* * * *

Evelyn and Don were further honored at a family party given by his brother and wife, Mr. and Mrs. Russell Baker of Detroit. Eighteen relatives and friends enjoyed a social evening and games. Before the honored couple were allowed to open their gifts, they were required to guess the contents of each. The hostess served a luncheon from the table centered with a cake topped with a miniature bride and groom. A heart-shaped cake had the name "Evelyn" written on it, and on another identical one, the name "Don" was written. Completing the decorations were clever figures denoting the bridal party. These were made from spoons, paper doilies and ribbons and were in the same colors Evelyn had chosen for her attendants.

Albert Schumm, son of Mr. and Mrs. George Schumm of 508 West Chicago, will be among the many students to receive their diplomas from Adrian College this June.

Through his college career, Mr. Schumm has given considerable time and effort toward bettering the sports program by editing the sports page of the College World his junior year and directing sports publicity during his senior year. His press work has won him the nickname of "Chalk Talk" by his fellow students, who regard him as one of the most outstanding sports writers ever to come out of Adrian. Being one of the most outstanding personalities on the Adrian College campus, Schumm was nominated to Who's Who in American Colleges and Universities. He was active in both the Camera and Press Clubs and lettered in golf for three consecutive years making him eligible to membership in the Letterman's Club.

Schumm served 33 months in the Service before entering Adrian College in 1946. Upon graduation he will take over the position of playground director and teacher at Garden City.

* * * *

The Misses Dorothy and Louise Bowen entertained at a miscellaneous shower for two bride-elects, Miss Lenore Larsen and Miss Mary Lou Carlson, Monday evening. Fifteen guests enjoyed a social evening during which Lenore and Mary Lou unwrapped many lovely gifts. Refreshments were served from a table centered with pink candles and an arrangement of tulips and lillies-of-the-valley.

Clair Manwaring was one of 55 members of the Marching and Symphonic Bands at the University of Michigan to receive awards, Sunday, during a picnic at the Dexter-Huron Metropolitan Park. Mr. Manwaring received a silver charm to mark his first year of participation in the bands.

Store Modernization Program Is Considered

Plans are being made by the Chamber of Commerce whereby Tecumseh merchants may have a consultant available to them on ways in which they might modernize the interiors of their stores.

The plans will be a result of a visit made by Ronald Harris, Chamber secretary, to one of the nation's leading store fixture concerns in Grand Rapids.

"Many merchants in Tecumseh have stated their interest in store modernization," Mr. Harris stated. "What most of them need is an answer to some of the problems attendant. Among the problems most frequently mentioned are cost, the matter of the store which cannot increase its size, and the merchant who does not own his building or have a long term lease.

"These problems can all be met we have been assured. We are expecting the area representative of the company to be in Tecumseh soon to see how we want to develop the 'clinic', or whatever the best manner of presentation may be," Mr. Harris concluded.

Canadian Visit

(Continued From Page 1)

group will move to the Veterans' Memorial for a wreath laying ceremony, with appropriate music by the Assumption College band.

A parade will be organized there and move to the Memorial Park where most of the events of the day will take place. There will be a formal Tecumseh-Tecumseh ceremony followed by a recess of an hour or two. In the early afternoon there will be a Tecumseh-Tecumseh ball game and a Tecumseh-Tecumseh trap shoot.

In the early evening there will be some novelty events such as three-legged races, sack races, egg throwing contests, etc. in which the Canadians hope to establish some competition with some Americans from here. There will be music and fireworks at the end of the evening.

The visiting committee was impressed with the detailed organization set up by the Canadians. The events are under the direction of the Tecumseh Community Centre, an organization created last year under the laws of the Province of Ontario to make more recreation facilities available to Ontario communities. By statue, Mayor Scott is general chairman, with M. J. Rocheleau as secretary, and Sid Arbour, treasurer. Directors are Bernard Dupont, Hubert Lacasse, Henri Reaume, and Wallace Mosley. Chairmen of various recreation activities make up the personnel of the Centre.

Members who attended the meeting from Tecumseh, Michigan, were Gordon Garlick, chairman, Marvin Watkins, Clarence Beach, A. W. Porter, George McCombs, Leon Wilkinson, and Ronald Harris of the Chamber of Commerce committee, Keith DesErmia representing the Veterans of Foreign Wars, and Charles Howe, representing the American Legion.

Proposed Sanitary Code For Lenawee Explained

This is the first of a series of four question-and-answer articles explaining the proposed sanitary code for Lenawee County which is being sponsored by the Lenawee County Health Council. This organization is made up of representatives of various county-wide organizations, a few of which are the Farm Bureau, Grange, Extension Clubs, Red Cross, Medical Society, Nursing Organization, County Educational Society. Upon studying the picture of health as a whole in the county, it was thought that a sanitary code was one of the important projects the Health Council should consider.

QUESTION: I live on a farm and am contemplating the installation of a water flush sewage disposal system. Will this sanitary code affect me?

QUESTION: I am considering building a tenant house on my farm with a water flush sewage disposal system. Will I be affected by the code?

ANSWER: The answer to both questions would be "No." The code will not, in general, affect the farmer, unless his house is within 150 yards of another dwelling. If the tenant house is built over 150 yards from the main farm home and is 150 yards from any other dwelling, it would not come under the code. The purpose of the code is to control the building of septic tanks and their location in new subdivisions and areas around cities which are now rapidly growing. The code specifies the distance required from other dwellings and the acreage necessary. Even though the majority of farms do not come under the code, it is hoped that every one putting in a water flush sewage disposal system will use this code as a guide for good sanitation pays in the long run.

Public Warned

cluding paper, tin cans, garbage and the like.

The property is owned by Satterthwaite and anyone going onto the land is trespassing. The owner said that he imagined that most of the offenses were committed at night. He said that once before he fenced the land with barbed wire and that the fence was broken down when cars were driven over and through the wire.

The property is within the village limits and Satterthwaite has discussed with the council the possibility of issuing summonses to persons found violating the no trespassing signs warning. A special officer may be posted in the district, it was said.

LOCALS AND PERSONALS

Mr. and Mrs. George Schumm and Al accompanied her brother, Henry Leutheuser of Saline, to Willow Run Airport, Saturday afternoon, when he left by plane on a six-weeks trip to Germany to visit relatives.

Mr. and Mrs. Neal Brazee and son Edward, Mr. and Mrs. George Schumm and Mrs. Elizabeth Wing and daughters were dinner guests of Mr. and Mrs. A. C. Brazee of Iron Creek, at a family gathering, Sunday.

Holiday Drivers

(Continued from Page 1)

fatalities, over the long weekend. It was, across the nation, one of the heaviest death tolls from all causes over a Memorial Day holiday.

In Tecumseh, not a single traffic accident came to the attention of officers. "We were very fortunate here," Chief of Police Irving said. "However, we had several extra officers on duty and streets were patrolled."

Alfred Miller, 26, Chicago, and his wife, were injured at 5:45 p.m., Tuesday, when he lost control of his car on a curve about two miles east of Clinton on US-112. They were removed to Herrick Memorial Hospital here, suffering from bruises and cuts. Miller was released yesterday and his wife will be released today. They were returning to Chicago from a honeymoon trip.

Theresa Gray, 17, and her mother, Ethel Gray, Hudson, suffered cuts and bruises at 10:15 p.m., Tuesday when their car collided with another driven by Arthur Stall, Hillsdale. The Gray car was driven by Kenneth Gray. The accident happened at the intersection of US-112 and M-50 at Cambridge Junction.

Sheriff's officers said that they did not have a single serious accident in the county on the Tuesday holiday. Traffic, it was said, was exceptionally heavy but driving was much slower than on Saturday and Sunday.

BRITTON

Mrs. Gertrude Gittus entertained the Methodist W.S.C.S. at her home last Wednesday with 25 members and guests present for a potluck dinner. Mrs. Margaret Richards presided at the business session and plans were made for a local training school for the new officers. A program was presented by Mrs. Kathryn Thornberry, Mrs. Lilah Cadmus plans for the next meeting.

The Junior-Senior banquet held last Friday evening in the Congregational dining hall started the final activities leading to graduation. On Sunday the 28 high school seniors and class advisor, Warren Piche, left Toledo by train for their trip to Washington, D. C. The group plan to visit places of interest and will return Thursday morning. On Sunday, June 4, graduation week starts with Baccalaureate services to be held June 4 in the Congregational church with Rev. F. B. Clifford to deliver the message. June 6 will be class night. June 8 the graduation night and June 9 will finish up the year with the alumni dinner and dance.

The Congregational Philathea class held a regular meeting Wednesday at the church with a potluck dinner at noon. The afternoon was spent on a sewing project.

Sunday dinner guests in the home of Mrs. Ethel Steel were Mr. and Mrs. Leon Schrader and Mr. and Mrs. Roy Steel and grandson of Jackson and Mr. and Mrs. LaVern Steel and family.

Miss Rosemary Gilmore and Mrs. William Niblack were in Detroit over the holiday visiting relatives and friends.

Mr. and Mrs. Fred Rhora were in Whitehouse, O., Sunday, visiting relatives.

Mr. and Mrs. Fred Rieve entertained at dinner, Sunday, Mr. and Mrs. Edward Rudel of Lincoln Park and Mrs. Emma Rudel of Detroit.

Please don't keep your complaints about either the food or service you get in A&P stores to yourself. Tell them to us!

We know that most people are not letter-writers. If something doesn't please them about a store they simply take their trade elsewhere.

We don't want that ever to happen in our stores.

The men and women of A&P try to give you always the best food, the best values and the best service.

But perhaps we fail you once in a while; and in any case there is always room for improvement.

You will be helping us make your A&P store a better place to shop if you will let us have your complaints and suggestions.

Historical Group Elects Officers

SCHOOLS ARE TOPIC OF SOCIETY, IN ANNUAL MEETING ON THURSDAY

Mrs. Burtsel Claus was re-elected president of the Lenawee County Historical Society, which met Thursday at the home of Mr. and Mrs. William Swick in Macon. Other officers named are: Mrs. Eugene Ryan of Addison and Mrs. Guy T. Pocklington of Ridgeway, vice presidents; Miss Edith Ingersoll of Tecumseh, secretary; Miss Clara Waldron of Tecumseh, treasurer; Mrs. F. S. Kellogg of Adrian and Mrs. C. H. Williamson of Tecumseh, historians.

Preceding the business meeting a potluck dinner was served to some 53 members and guests. It was voted to present a petition to the Tecumseh village council asking that no change be made in the name of any part of Brown Street, one of the few remaining original landmarks of the village. It was also voted to purchase two volumes of Michigan history for the Lenawee County Library. Nine new members were welcomed into the organization.

"Lenawee County Schools," was the program topic, which, as the basis for a discussion later, brought out many interesting facts about Tecumseh schools.

The program opened with a piano solo by Mrs. W. G. Waldron. A report of a Franklin township school meeting held in 1867 was read by Mrs. Claus and a history of the Tecumseh schools was given by Miss Ingersoll. A committee composed of Mrs. H. E. Whelan and Miss Waldron of Tecumseh, Mrs. E. C. Dersham and Mrs. D. W. Sturtevant of Britton was appointed to investigate and determine the exact location of the Raisin Institute, after that institution and its founder, Aunt Laura Haviland, was discussed by Mrs. Dersham. The Institute was begun in 1837.

Oak Grove Academy of Medina township was reviewed by Mrs. Kellogg, and Mrs. Harmon Gamble told of an organization known as "Medina Academy Girls" which meets annually. Mrs. Irene Kenrick discussed the early schools of Blissfield. The program closed with a vocal solo, "Last Night," by Mrs. Tom Birdsall of Detroit and Ridgeway.

Bible Schools

(Continued from Page 1)

At the Presbyterian church, three departments, kindergarten, primary and junior, will be fully staffed for a graded presentation of the life of Jesus. On alternate days five films will be shown giving a Biblical background to help the children visualize common New Testament scenes. Worship, handicraft and recreation will complete the program. Children from four years of age through the sixth grade will be welcome. A demonstration will be held for parents on Friday evening, June 16.

Teachers for the school, with sessions every day from 8 to 11:45 a.m., are Mrs. Wade Hendershot and Miss Betty Jo Hanna, beginners; Mrs. Al Helzerman, Mrs. Al Williams and Miss Beverly McLaury, primary, and the Misses Frances Gorney, Cynthia Spafford and Joyce Smith in the junior department. David VanWinkle will assist the Rev. D. C. Wilson with the visual education and recreation.

"The Church, the Steeple, the Ministry and People" is the theme of the school at St. Peter's Episcopal church, which will be conducted under the direction of Mrs. Richard Preston, assisted by Miss Elizabeth Dickinson. The classes will be held in the parish house from 9:30 to 11:30 each weekday morning for children from primary to intermediate age. The closing program will also be held Friday evening, June 16, so that the parents may see what the children have learned.

The Friends church vacation Bible school will be held June 19 through the 30th, under the direction of Mrs. Loren Kuhn and Miss Elizabeth Escolme.

Presbyterians To Hold 9 a.m. Sunday Service

Tecumseh Presbyterians are invited to attend 9 o'clock Sunday worship services at their church for the duration of the summer, the Rev. D. C. Wilson, pastor, said today.

The early morning service is being held for the benefit of those who will want to make an early start for their Sunday activities this summer, but who feel their day incomplete without morning worship.

Because this early service is for the convenience of church members, they are urged to "come as they are"—in garden, golf, or other casual clothing. Attendance is the important thing, says the Rev. Mr. Wilson.

The regular 11 o'clock Sunday morning service will be continued throughout the summer.

Local—Clubs—Social ACTIVITIES

Dr. and Mrs. G. C. Ely of Montpelier, Ohio, and Roger Ely and Mar Lou Gilman of the University of Michigan, Ann Arbor, spent the weekend at the home of the latter's parents, Mr. and Mrs. C. W. Gilman. Roger and Mar Lou returned to Ann Arbor in the morning and were joined later in the afternoon by Dr. and Mrs. Ely, Mrs. Gilman and Dr. and Mrs. Arthur H. Brown and daughter Mary.

Mr. and Mrs. Dale Hoag and son of Saginaw were weekend guests of her parents, Mr. and Mrs. Fred Sheldon, and his mother, Mrs. Bertha Hoag. Additional Sunday dinner guests were Mr. and Mrs. Paul Sheldon and sons of Dundee and Mr. and Mrs. Joe Skinner and Mrs. Gertrude Skinner of Toledo.

Mr. and Mrs. Fred Sheldon were in Toledo, Wednesday, to assist their grandson and wife, Mr. and Mrs. Joe Skinner, celebrate their first wedding anniversary. It was also the date of Mr. and Mrs. Sheldon's 51st anniversary.

Mr. and Mrs. J. M. Artman arrived home yesterday after spending the holiday weekend with their daughter and husband, Mr. and Mrs. E. M. Algner of Cincinnati, Ohio. Their son, James, jr., was also at the Algner home during his parent's visit.

Mr. and Mrs. E. C. Brandt and Mrs. Max Brandt and son Jimmy spent Sunday in Coldwater visiting relatives.

Dean Leonard, son of Mr. and Mrs. Carl Leonard of Clinton, suffered facial burns when something in a barrel in which he was burning trash exploded. His injuries were minor.

Mr. and Mrs. Charles Hensen visited her father, Frank Hoekstra, at Oshtemo, recently.

Mr. and Mrs. H. J. Lowry and daughter LouAnn of Detroit and Mr. and Mrs. Earl Haughn of Pontiac were Memorial Day guests of their sister, Miss Margaret Lowry.

Richard Watkins has arrived home from New Orleans, La., for the summer vacation.

Mr. and Mrs. Fred Whelan and Mr. and Mrs. Henry Kempf spent the weekend at their cottage at Vineyard Lake.

Dr. Richard E. Dustin, Harold Hall and Dr. Robert Dustin arrived home Wednesday morning after spending a week at the Dustin cottage at Lake Temagami in Canada while on a fishing trip.

Mr. and Mrs. Leo H. Stoll and son Jeffrie returned to Philadelphia, Monday, after spending a few days with Mrs. Stoll's parents, Mr. and Mrs. Ernest Robison.

topic "Improving Human Relations."

The entire commencement program is as follows: Processional, Mrs. Fred Dickinson; invocation, the Rev. Edward Escolme; salutatory, Miss Florence Tilton; "Piano Concerto in B Flat Minor" by Tschaikowski, Miss Marilyn Lindsley; address, Dr. J. B. Edmonson; vocal duet, Misses Marlys and Evelyn Arnold; valedictory, David Green; presentation of scholarships, Earl H. Place; Herrick Foundation scholarships, the Rev. Mr. Escolme; presentation of class, James McDowell; presentation of diplomas, Jens K. Touborg; benediction, the Rev. Mr. Escolme.

Last evening, Class Night was held at which time a new key, replacing the cane, was presented to the junior class. A review of the four years of high school was given and prophecies made. President David Lott made his address and the class song was rendered by Marian and Norma Comfort.

In their caps and gowns of gray with yellow tassels the seniors entered the Presbyterian church, Sunday evening at 8 o'clock for the Baccalaureate service.

"What Have We To Do?" was the topic of the sermon given by the Rev. Allan L. Ramsay, rector of St. Peter's Episcopal church, in which the relationship of the church, home and school was stressed. The Rev. Donald C. Wilson gave the invocation and Dr. Norman MacNaughton read the Scripture lesson. The choir of the Friends church sang a special number and the Rev. Alvin C. Brazee offered the prayer. The Rev. Edward Escolme gave the benediction. Mrs. Kenton Hunt was the organist.

The annual Tecumseh High School Alumni banquet will be held Friday evening, June 2, with a reception in the Central School auditorium at 5:30 p.m. The banquet will be served at 6:30, followed by a program featuring the Gay Deceivers. Dancing will conclude the evening. Plans are being made for the class of 1925 to have a special reunion at that time. Dinner reservations are to be made of tulips and lilies-of-the-valley.

No, It's Not Too Late To Produce From Your Garden

Maybe your neighbor's garden is up, but that doesn't mean that it is too late for you to plant your garden.

And that is especially true if you plant our pre-tested seeds — the kind that have been tested by the grower and found to be fast-growing.

We have sold pre-tested seeds at our store for years. And each year, our sales grow larger. That is one of the best recommendations that we know of for the seeds we sell—and the reason that we are suggesting that you try them, too.

School Notes ...

Joan Breitenwischer wrote a poem for a class assignment which was submitted to the Detroit News writing contest. Joan won a golden key and a dictionary at the award presentation. Here is Joan's poem:

LOOKING OUT THE WINDOW

The fog fuses all the
Trifling things
Into the background,
Leaving only those
That are graceful
And worthy of being seen.

The supernal snow forms
An ermine cape about
The shoulders of the
Universe. Pines,
Tall and stately, reach
Their green branches
Skyward, and are being
Rewarded with a richer
And fuller cape.

The small bushes peer up
At the pines from
Under powdered wigs,
Through which no wind
Rustles like a comb,
Disturbing the wig.

From behind the two
Big pines shine the
Lights of windows,
Becoming lights
On a high Christmas tree.
They shine on icicles
Turning them into
Diamond coated cones,
Marching down the
Snowy edge of the roof.

The snow on the wires
Forms a pearl necklace
Around the sky's throat.
Briefly the lights of
A car outline the
Fence, which stands
Guard around the
White yard.

The bony
White fingers of the
Leafless trees stretch
Out, begging for food
From a bountiful sky.

As night creeps out
Of its hiding place,
It seeks to cover
Everything with a
Blanket of death, but
Can not dim the
Brightness of the snow,
Which shines and
Sparkles just as
Gayly by the light
Of silvery stars and
A merry moon.

BOWLERETTES ENJOY ANNUAL BANQUET

Officers elected for next year are: Mrs. Lois Lancaster, president; Mrs. Belva Zink, vice president; Mrs. Ruby Wilberell, secretary and treasurer; Mrs. Esther Hooten, sergeant at arms. Pins were awarded to Mrs. Anita VanNest, Mrs. Edith Moeller, Mrs. Ione Weaver, Mrs. Esther Poley and Miss Joyce Miller.

DAUGHTERS TO MEET

The Daughters of St. Peter will meet Tuesday evening, June 6, at 8 p.m., at the Parish house.

So called "closet dramas" are those designed to be read, but not acted.

Gas Is Coming To Tecumseh

A construction program that will bring natural gas service to Blissfield, Tecumseh, Clinton and Manchester by early fall is now under way, according to H. H. Koelbel, division manager for Consumers Power Company. The picture shows a construction crew preparing for the laying of mains in Blissfield. Pipe for the other communities is being assembled, and the construction crew will move from one to another until the job is completed. Mr. Koelbel said many residents of the four communities already have indicated an intention to use natural gas for house heating as well as for cooking and water heating. Laying mains in Tecumseh probably will start about mid-June. The company installs the service pipe up to 100 feet without charge.

SCOUT NOTES

The Tecumseh Cub Scouts held their May pack meeting at the Boy Scout Camp Kanesatake, Washington Lake, Saturday, May 27. Eighty cubs and approximately thirty parents and friends assembled at Elliott park and went in a group to the lake, where dinner, games and entertainment were enjoyed throughout the day.

Upon arrival at the camp, each cub was presented with a detailed map showing the location of various undisclosed treasurers and a spirited and exciting hunt ensued. The hunt extended over a course of approximately two miles and prizes suitable to the occasion were given each cub.

The treasure hunt was organized and directed by Mrs. Lawrence Price, assisted by Mrs. Max Smith, Mrs. George Elliott, Mrs. Clair Rozelle and Mrs. Robert French.

After the hunt the hungry cubs were served a picnic dinner in the outdoor council place. The meals were eaten by the group while seated on the hill sides surrounding the council fire. The food was prepared and furnished at cost by the Westminster Junior League of the Presbyterian church, under the direction of Mrs. James Barton, assisted by Mrs. Wellington Wotring. The dinner was served by Mrs. Lester Munger, Mrs. Don Martin and Mrs. Cecil Fielder assisted by others.

Following the dinner the cubs practiced marching in preparation for the Memorial Day parade. They were led by Bob Hanna and Cliff Deaner. Paul Wright, area Scout executive, was present and ably assisted throughout the day.

The events of the day closed with the awards presentation. This ceremony was impressively and colorfully enacted by means of an Indian ceremony. Special honors were given to those cubs having reached the highest rank attainable in cubbing, the Webelos badge. Webelos badges were given to John Naser, Bruce McDowell, Allen Dickinson, Nicky Touborg and Kent Davison. The awards were presented by Frederick Deaner assisted by David Elliott, John Elliott, Richard French and Richard Johnston. The award ceremony was under the direction of Mrs. Earl Place and Mrs. Harold Naser.

Mrs. Naser's appearance at this meeting closed her active participation in the local cub scout movement. She has served two full years in the capacity of den mother and has been instrumental in bringing about the success the pack has enjoyed during her participation.

Other awards presented at the meeting were as follows: William Atkinson, wolf badge; Leo Pask, three silver arrows; Max Smith, two silver arrows; William Fielder, two silver arrows; Dickie Baker, bear badge, one gold and one silver arrow; Lee Vescellius, wolf badge and one gold arrow; Tommy Tressler, one gold and two silver arrows; David Rutherford, one gold arrow; Richard Johnston, two gold arrows.

Use Of Iodized Salt Is Urged To Aid Health

Use iodized salt for all eating and cooking purposes, to prevent simple goiter, and to improve your nutrition, your physical health and mental alertness, the Michigan Department of Health said today in pointing out some new facts on the need for iodine in Michigan diets.

Without iodized salt, the diets of most Michigan people are deficient in iodine, the Department said. Michigan is in a geographical belt where the soil, the food and the water from it do not provide enough iodine for human health.

Iodine in proper amount, like iron, copper and calcium and certain other chemical elements, is essential throughout life. Not only will an adequate amount of iodine prevent simple goiter, but it is necessary to normal physical and mental health. A long-continued iodine deficiency may result in a chronic state of border-line nutrition or in serious illness.

Recent nutrition studies show that it is as important to get your iodine as it is to get your vitamins, the Department said.

Iodized salt was made available for Michigan people 26 years ago this month through the cooperation of the salt manufacturers of this state, the Michigan State Medical Society and the Michigan Department of Health. Iodized salt contains sufficient added iodine to supply the human needs.

Court Of Awards Held By Scouts

YEAR OF TRAINING ENDED BY PRESENTATION OF AWARDS AT CEREMONY

The Girl Scouts of Tecumseh ended their current year of scouting at the annual Court of Awards, held last week in the Central gymnasium at 7:30. More than 180 Brownies and Girl Scouts representing 12 troops participated and received awards.

All of the troops in uniform marched into the gym accompanied by their leaders and were seated in a semi-circle facing the presentation platform. The program opened with the pledge of allegiance and the singing of "America" by the scouts and their guests. An address of welcome was given by Mrs. Truman Rentschler, Girl Scout Association Secretary of Supplies, who named Mrs. Elven Duvall as the Girl Scout of the Year for her outstanding work as president of the association. Brownies from Troop 1 presented the Brownie colors followed by a medley of Brownie songs.

Mrs. Duncan Oliphant and Mrs. Clifford Cameron, co-leaders, presented Sunflower Troop 7 of first year Brownies with attendance clusters. Receiving the clusters were Jo Anne Cousino, Jane Dillon, June Hartley, Sandra Howard, Sally Hunt, Karen Hall, Janet Harris, Jane Harsh, Carol Kilborn, Doris Oliphant, Judy Palmer, Kendra Ringman, Carol Pease, Mary Kay Ries, Donna Skinner, Sharon Schultz, Sally Vincze, Carol Wotting, Sharon Fielder, Patty Teegarden, Brenda Hall and Shirley Head.

Mrs. George Wittrup, leader, assisted by her troop committee chairman, Mrs. Howard Truesdale, presented the same award to her first year Brownies, Poppy Troop 9, the members of which are Harriett Blanden, Janette Buehrer, Ann Cameron, Mary Colgrove, Phyllis Honeycutt, Mary Roberts, Peggy Robinett, Mary Seager, Alice Titley, Judy Truesdale, Jean Wagner and Karin Walker.

Second year Brownies of Red Rose Troop 1, led by Mrs. A. L. VanWinkle and Mrs. Raynor Ross, received their second attendance cluster as did Daffodil Troop 12, led by Mrs. George Meads and Mrs. Helen Jepson, and Pink Carnation Troop 13, led by Mrs. Joe Rohweder and Miss Roberta Holmes. In the absence of Mrs. Rohweder and Miss Holmes, the awards were presented to Troop 13 by Mrs. Leo Matheny and Mrs. Lyle Grigg. Members of Red Rose Troop 1 are Bonnie Currier, Kathryn West, Mary Manchester, Nanette Walper, Marilyn Helzerman, Joanne Wing, Sharon Muhn, Sharon Mason, Sherry Tucker, Carole Ross, Ruth Elaine Raymond, Mary Lou McConnell and Ann Kempf; of Daffodil Troop No. 12, Janice Brady, Nancy Day, Marjorie Chase, Karen Golat, Rodna Jepson, Elizabeth Kizer, Marilyn Mack, Anne Preston, Margene Warren and Mary Lee Packard; of Pink Carnation Troop 13, Shirley Ferguson, Sandra Smith, Suzanne Rohweder, Sharon Gallant, Donna Nixon, Janet Osworth, Marianne Handy and Joann Robinson.

Wild Rose Troop 10 was presented clusters by Mrs. Howard Wick, leader, and Mrs. Oakly Baxter, committee woman, and also participated in the Brownie "fly-up" ceremony at which time they received their wings and became full fledged Girl Scouts. These girls were Judith Ann Baxter, Janet Brollier, Joyce Brollier, Joyce Hadsell, Marjorie Haviland, Joan Johnston, Arlene LeBaron, Sharon Ries, Carol Spangler, Donna Spangler, Joyce Stuart and Alice Wick. Fushia Troop No. 11 led by Mrs. Owen Partridge and Mrs. Leo Matheny, and Goldenrod Troop 14 led by Mrs. Thomas Gallant, jr., and assisted by Mrs. Kenneth Rutherford were similarly honored. Goldenrod troop members are Judy Bird; Sharon Chase, Ruth Cooper, Jean Gordon, Sandra Irelan, Edna Jepson, Lois Kizer, Evelyn Perrin, Carol Rutherford and Nancy Weaver. Members of Fushia troop are Elaine Butler, Lois Butler, Jane Colgrove, Dorothy Goodwin, Brenda Heeman, Joan Kempf, Judy Ripley, Mary Ann Mason, Joyce Matheny, Karolyn Mueller, Martha Owen, Joyce Partridge and Mary Jo Tressler.

Following the retiring of the Brownie colors and the presentation of the Girl Scout colors by Girl Scouts of troop 8, the Girl Scouts invited the new "fly-ups" to accompany them in the Girl Scout promise and laws. They then presented a selection of favorite scouting songs concluded with the "Girl Scout Hymn."

Mrs. LeRoy Titley and Mrs. Marie Greiman introduced their Girl Scouts of Star of Bethlehem Troop 5, who were awarded second class badges and attendance stars. These were Sally Baker, Betty Barton, Marcia Bashore, Betty Lou Bird, Merene Boltz, Wilma Bumpus, Margaret Champanois, Betty Day, Marilyn Edgar, Judyanne Fairbanks, Mary Ellen Folk, Sylvia Helzerman, Meredith Hoffmeister, Carol LaBarron, Mary Pat McCann, Karen Murphy, Mary Lou Partridge, Judy Seidel, Dianne Skinner, Pat Smith, Shirley Watson, Vicki Johnston, Linda Dewey, Patty Fielder, Marie Atkins and Lola Braden.

Mrs. Steve Maples and Mrs. Betty Wilcox, co-leaders of Daisy Troop 8 presented similar awards to their Scouts. Members of the troop are Sylvia Busche, Beverly Champanois, Patricia Clauda, Rita Crosby, Judy Francouer, Carol Glisson, Sandra Hall, Suzanne Hite, Judy Kempf, Wilma Kerentoff, Judy VanWinkle, Bonnie Mack, Janet Martin, Ruth Meads, Sally Mullaney, Flora Nixon, Rosemary Robinson, Judy Rudock, Geraldine Scott, Nila Stephenson and Judy Whiting.

The high point of the evening was the presentation of proficiency badges to Cardinal Bird Troop 6 by their leader, Mrs. Benjamin Standen, assisted by Mrs. Willis Porter, committee chairman. At this time she introduced Brenda Porter and Barbara Ousterhout, who obtained their curved bars, the highest rank in Girl Scouting. Other awards made in this active troop were the following: Ruth Ann Coates, colorcraft, good grooming, world neighbor, world trefail, first class, membership star; Theresa Cornell, clothing, drawing and painting, glass, good grooming, needlecraft, outdoor cook, first class, membership star; Betty Greene, child care, clothing, cook, design, drawing and painting, foods, glass, good grooming, five year service numeral, membership star; Sandra Judson, basketry, bookbinding, colorcraft, design, drawing and painting, glass, good grooming, first class, five year service numeral, membership star; Elizabeth McKenzie, design, glass, membership star; Sally Miller, cook, first aid, home nurse and housekeeper, (all this work done in Jackson last year), and bird, design, drawing and painting, garden flower, glass, good grooming, needlecraft, tree, wild plant, first class, membership star; Barbara Ousterhout, Bibliophile, clerk, design, good grooming, journalist, curved bar, membership star; Brenda Porter, Bibliophile, clerk, design, good grooming, journalist, curved bar, membership star.

After the retiring of the Girl Scout colors, Mrs. Rentschler introduced Mrs. George Wittrup and presented her with a five year service numeral for her five years as a Brownie troop leader. For his excellent assistance during the past year, E. M. Campbell was presented with an official Girl Scout lapel pin by the Girl Scout Association, making him an honorary member of Girl Scouting. The program was concluded with the audience joining the Scouts in singing "God Bless America."

Refreshments of Girl Scout cookies and ice cream were served immediately following the program by Mrs. Frank Owen to more than 200 Scouts and their guests from a table attractively appointed with Spring flowers. Mrs. Owen Partridge was general chairman of the Court of Awards assisted by Mrs. Leo Matheny and Mrs. Ben Standen. Mrs. Herbert Dillon and Miss Nita Spangler were the program accompanists.

"Main Street" — a home-town movie of home-town folk—will be shown by its producer, Leon Rosacrans, at the regular meeting of the Indian Snappers Club, Monday evening, June 5, at 7:30 p.m. in the basement of the Public Library. All these interested in seeing the movie are invited to attend.

Child Study Club Had A Busy Year

ANNUAL REPORT OF SECRETARY AND TREASURER RELEASED TO PUBLIC

Annual reports of the Tecumseh Child Study Club were released this week for publication. Accomplishments were many including the spensoring of a Brownie Scout troop, furnishing sanitary containers for the high school and subscribing to a record club, besides the regular projects and donations. The club has a membership of 32, having lost eight members and gained six new members during the year.

The report of Mrs. Virgil Tucker, recording secretary, includes the following: A box of clothing was sent to Germany in November; club acted as sponsors of Brownie Troop No. 7 and gave a party for them; made a contribution to Town Hall; three dollars sent to the Tuberculosis Association; $50 voted from the Community Chest fund to purchase sanitary containers for the girls' rest rooms in the high school; $50 from the Community Chest voted for repairs on the record players in the schools and remaining money was spent for records.

It was voted to take $15 from the general fund to subscribe to the Young People's Record Club; the layette was contributed to some worthy person in need; paid for milk for several needy children; paid from general fund for used Cub Scout uniforms. The club now has a committee investigating how it can help with the recreation program. Members contributed favors at each meeting for their children and any remaining were distributed at the hospital. Three outside speakers were enjoyed and many entertaining programs were given by the members. The Christmas auction proved successful and netted a total of $36.12.

Mrs. LeRoy Titley, treasurer, reports as follows: Youth Fund—Receipts, balance on hand Sept. 12, 1949, $101.10; Community Fund, $100. Disbursements, repair on record players, $50. Balance on hand May 3, 1950, $151.10.

General Fund—Receipts, balance on hand Sept. 12, 1949, $55.77; dues for 1949-1950, $38.00; bazaar, $37.12; total, $130.89. Disbursements, intang. tax, 5c; dinners and ice cream, $4.74; library books, $10.20; milk for school children, $8.00; Girl Scouts, $11.46; Cubs, $18.00; records, $15.00; T.B. Assn., $3.00; Town Hall, $5.00; postage to Germany, $1.20; total, $76.65. Balance on hand May 3, 1950, $54.24.

Reference Pamphlets Available At Library

Fifty-three volumes of pamphlets containing articles from the National Geographic magazines commencing with the year 1917 are now ready for use at the Tecumseh public library, where the issues were accumulated.

Every article from the publication was bound separately and classified under an appropriate title. Each volume has a heading plus a sub-heading for easy reference. For example, under the heading "Nature" there are sub-headings like Marine Life, Insects, Domestic Animals and Fowls; under Oceania is Polar Lands and Pacific Islands; under Travel is American Flights, Travel and Geography, and Parks and Scenery. There are several volumes on Europe, the United States, the Americas, etc.

Each pamphlet has its own card and will be issued separately. Another file of the National Geographic is bound by the year, which also serves its purpose.

New books at the library include: "Oxford Companion of American Literature," James D. Hart; "They Sought a Country," Nygaard; "Here's Your Hobby," Zarchy; "Hie to the Hunters," Stuart; "Linda's Homecoming," Whitney; "Three Came Home," Keith; "Steel Horizon," Churchhill; "Campus Zoo," Barnes; "Sue Barton: Neighborhood Nurse," Bolyston; "Meg's Fortune," Malvern; "Barracoon," Hervey; "Famous First Facts," Kane.

George Washington's second in augural address is the shortest on record.

Adult Education Meet In Ann Arbor, May 9

ANN ARBOR—The 18th annual Adult Education Institute will be held at the University of Michigan, May 9-11, under sponsorship of the University Extension Service and the Michigan Federation of Women's Clubs.

Five series of lectures are planned for the three-day program, on the topics of medicine, international relations, living in the later years, modern science, and fine arts. The Institute is attended each year by about 1,000 Michigan club women.

Among the speakers will be Patricia Rabinovitz, of the Wayne County Bureau of Social Aid; Elizabeth L. Breckinridge, of the Welfare Council of Metropolitan Chicago; and the following members of the University of Michigan faculty: Harold M. Dorr, professor of political science; Dr. Leonard B. Himler, associate professor of mental health; Glenn D. McGeoch, professor of music literature; Lawrence Preuss, professor of political science; Arthur W. Bromage, professor of political science; Dr. F. Bruce Fralick, professor of ophthalmology; and John A. Perkins, assistant provost of the University.

OVER 2,000 PROJECTS HANDLED BY U-M UNIT

ANN ARBOR—Since its establishment in 1920, the Engineering Research Institute at the University of Michigan has worked on over 2,000 research projects.

During the past year, the Institute has handled 202 projects valued at more than $2,600,000.

Another Accident On A Poorly-Marked Highway

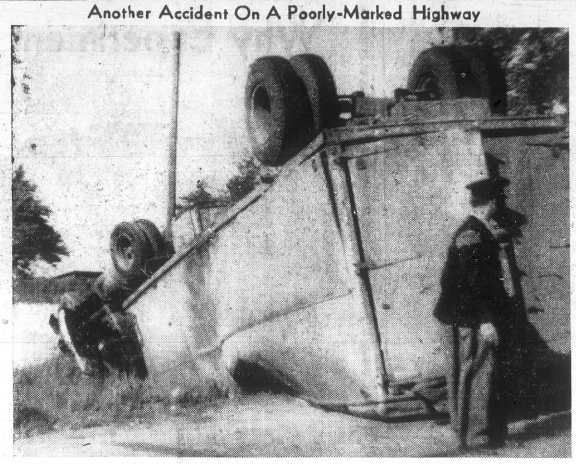

Photo above was snapped a few minutes after a semi-truck and trailer overturned at the top of Waldron's Hill on M-50, at 4 p.m., Monday. The accident happened in heavy traffic. The brakes locked, causing the truck to jack-knife, state police said. Preston Henderson, 42, Toledo, driver, suffered an injured shoulder and was taken to Herrick Memorial Hospital.

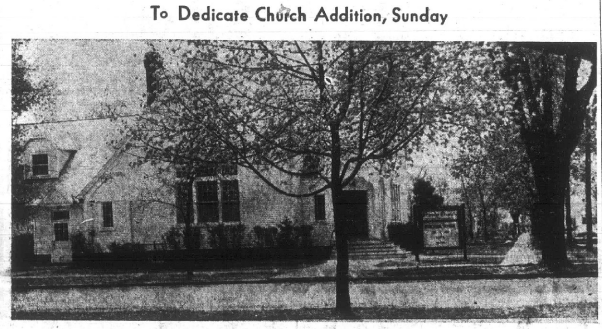
This is the third serious accident to happen on M-50-52 between Tecumseh and Billington's Corners in the past three weeks. The highway is poorly marked, and there are insufficient warning signs at curves and hills. However, despite the ever-increasing number of mishaps on this particular stretch of road the County Road Commission and the State Highway Department continue to ignore the need for adequate traffic control signs and signals.

To Dedicate Church Addition, Sunday



Pictured above is the enlarged Tecumseh Friends Church which will be officially dedicated at a special service, to which the public is invited, on Sunday at 3 p.m. The cost of the newly completed addition was more than $17,000 and the church's physical property is now valued at over $50,000.

Church Addition To Be Dedicated

ENLARGED FRIENDS CHURCH TO BE FORMALLY OPENED, SUNDAY AFTERNOON

The dedication of the enlarged Friends Church of Tecumseh will be held on Sunday at 3 p.m., when a special program will be presented and the Rev. Byron L. Osborne, D. D., of Cleveland, will be the principal speaker.

The Friends, sometimes known as Quakers, is one of Tecumseh's oldest church societies, having been organized here in 1842. Its congregation has grown steadily, until today it is one of the largest in the village, and its Sunday School, likewise, is one of the most active.

It was because of this steady growth and sincere church interest that it was decided, more than a year ago, to enlarge the size of the edifice, located at the corner of Pottawatamie, and VanBuren streets. And Sunday's dedication will officially mark the opening of the enlarged church, completed at a cost of $17,389.40, for new construction, furniture and improvements to the church proper. The church's physical property today is valued at about $50,000.

Sunday's program will get under way with a prelude by the Sunday School orchestra and there will be vocal numbers by the choir, the girls' chorus and others. The prayer will be offered by the Rev. J. Edgar Williams of Detroit, the church's oldest living pastor. A brief historical sketch of Quakerdom in Tecumseh will be given by Naomi Sallows. The dedicatory prayer will be offered by the Rev.

First Wrestling Bout at Recreation, June 14

The Tecumseh Recreation Center board of control is sponsoring its first wrestling show at Recreation Center, Wednesday, June 14, at 8:30 p.m. The board has been successful in arranging to get four outstanding wrestlers who have appeared on many television shows out of Detroit and Toledo. The card is made up of two main events: Bert Ruby vs. Ted Perva; and Tarzan Paul Orth vs. Frank Hurley. Both of the bouts are for one and one-half hour limit, two out of three falls. The referee will be Lester Philbin.

The Recreation Board is also planning a big feature wrestling event to be held here on July 4.

TWO-DAY CELEBRATION WITH CARNIVAL WILL BE STAGED, JULY 3-4

A full-scale Fourth of July observance to follow right on the heels of the visitation to Canada is the heavy load set for various committees by the Chamber of Commerce.

Louis Schneider, sr., chairman of the Fourth of July observance, met with the Chamber Board of Directors at their June meeting Tuesday night for the purpose of exchanging suggestions on details. A carnival has been secured and the affair will be staged downtown on Monday and Tuesday, July 3 and 4. The village council at their meeting Monday evening gave approval to the blocking off of Chicago Boulevard for the two days.

Gordon Garlick, chairman of the Canadian event, also met with the board, and the two chairmen will soon be publishing a full schedule of the details of their programs.

Mrs. Edna T. Parker Buried In Brookside

Funeral services for Mrs. Edna T. Parker, who died Thursday, June 1, were conducted Saturday afternoon from the Collins Funeral Home, with the Rev. Donald C. Wilson officiating. Burial was in Brookside cemetery. The bearers were Maurice Tuckey, Harold Wilson, L. H. Titley, Leland VanCamp, Thomas Brooks and LaRue Hart.

Friends and relatives attended the services from Benton Harbor, Climax, Monroe, Ida, Brooklyn, Milan, Jackson and Tecumseh.

Mrs. Parker was injured in a fall on May 24 and was taken to St. Joseph's hospital in Ann Arbor, where she died. The widow of the late Joseph Parker, she was the oldest child of William and Mary McWhinney. She was born February 28, 1869, at Lowell, Mich. She was a member of the First Presbyterian church of Tecumseh.

Surviving are all her children, Mrs. Rufus Clark of Manhattan Beach, Calif.; Floyd Parker of Monroe, Miss Bernice Parker and Mrs. Hubert VanCamp, of Tecumseh; also her sister, Mrs. C. F. Whitney of Pueblo, Colorado, and two brothers, P. G. McWhinney of San Francisco, Calif., and Frank McWhinney of Nashville, Mich. Also surviving are several grandchildren, five great-grandchildren, several nieces, nephews and cousins.

Two WJR Artists At St. Peter's on June 18

Fred Kendall, tenor, and William A. Fox, organist, both of Radio Station WJR and the Columbia network, will be the soloists at the third in a series of Vesper services at St. Peter's Episcopal church, Sunday evening, June 18, at 5 o'clock.

Mr. Kendall won national acclaim when he won first place in Arthur Godfrey's Talent Show. He is widely known for his sacred programs on WJR and appears as special and oratorio soloist at St. Paul's Cathedral and other Detroit churches. Mr. Fox is director of music at Northern high school in Detroit and is organist at the Church of the Messiah, in addition to being staff pianist and organist at WJR.

Tecumseh Leads County In Population Increase

PRELIMINARY CENSUS SHOWS 4,006 RESIDENTS; GREATER TECUMSEH, 5,000

Tecumseh is the fastest growing community in Lenawee county. It made the greatest percentage of increase in population in the past decade of any city or town in the county.

Preliminary figures from the 1950 U.S. census show that the village's population today is 4,006, an increase of 1,035 in 10 years. The 1940 census placed Tecumseh's population at 2,921.

The 4,006 figure is the number of residents actually living within Tecumseh's corporate boundaries. However, there are rapidly-growing subdivisions to the west, south and north, and residents in these areas are not included in total. In all probability, then, the population of "greater Tecumseh" is about 5,000.

Tecumseh's population gain of 37.1% in 10 years gave it an easy lead in percentage of increase over every other community in Lenawee, even Adrian. The preliminary census shows the County Seat town to have 18,402 residents, an increase of 4,172 in 10 years. However, the percentage of increase was only 29.3. Greater Adrian's population, including its fringe subdivisions, is estimated at 21,000.

Other preliminary census figures show:

Hudson, 2,777, an increase of 351 over the 1940 figure of 2,426.

Morenci, 1,981, an increase of 136 over the 1940 figure of 1,845.

Clinton, 1,335, an increase of 209 over the 1940 figure of 1,126.

Blissfield, 2,348, an increase of 204 over the 1940 figure of 2,144.

The job of taking the census was started in April and is now complete. Some 350 enumerators worked at the task in this four-county area, and of that number 70 were in Lenawee county.

What the official census for Lenawee will be is not yet known. This figure will be announced later at Washington, when the community preliminary figures will be confirmed.

Township Votes Gas Franchise

CONSUMERS AWARDED 30-YEAR PROGRAM AT SPECIAL ELECTION, MONDAY

At a special election on Monday, voters in the Township of Tecumseh awarded the Consumers Power Company a 30-year franchise for the distribution of natural gas. Sixty-four votes were cast and all were in favor of the franchise.

Two years ago a similar franchise was voted to the company in the Village of Tecumseh and workmen will start within a week or two laying gas mains in the village. It was the company's desire to lay mains in the township at the same time, provided, of course, residents desired the service. Monday's vote clearly indicated township interest.

Consumers expects to furnish gas to local residents by mid-August or September for space heating and other domestic and commercial purposes. Mains are now being laid in Blissfield. After the mains are laid here, the crew will move on to Clinton and Manchester.

Graduates Hear Dean Edmonson

U. OF M. INSTRUCTOR COMMENCEMENT SPEAKER; 57 RECEIVE DIPLOMAS

Fifty-seven Tecumseh high school graduates received their diplomas, Thursday evening, in the presence of parents and friends. In their caps and gowns of gray the graduates promenaded to the stage banked with flowers to the processional played by Mrs. F. C. Dickinson. The program was held at Central School Building.

The Rev. Edward Escolme, pastor of the Friends church, gave the invocation. Miss Florence Tilton delivered the salutatory address and a piano solo, "Piano Concerto in B Flat Minor" by Tschaikowski, was played by Miss Marilyn Lindsley.

"Improving Human Relations" was the topic of the commencement address delivered by Dean Edmonson, of the University of Michigan.

Oliver V. Schneerer To Be Buried, Friday

Oliver V. Schneerer, 82, died Tuesday evening at 5:30 at the Parrett nursing home, after a few days illness. He was born in Sandusky, Ohio, on April 10, 1868, the son of Charles and Christina Schneerer. He was a graduate of Blissfield high school and of Brown's Business University in Adrian. On Sept. 30, 1896 he was united in marriage to Mary Belle Kedzie of Adrian. To them were born three children, a son Louis who died in infancy, a daughter Fern and a son Lyle, who survive. Mrs. Schneerer preceded him in death five years ago.

Besides his son and daughter he is survived by a sister Mrs. Ellis A. Baker, Chicago Ill., also a number of nieces and nephews.

He had lived at his farm home southeast of Tecumseh for the past 40 years, where he followed his occupation as a farmer. Prior to this time he had worked for a number of years for the Yum Yum Tea Store in Adrian, following which he worked for five years on his mother's farm near Blissfield. For many years he had been a devout and keen student of Bible prophecy, and had made generous contributions to a number of radio religious broadcasts. He attended the Tecumseh Friends church and was in vital sympathy with its ministry.

Funeral services will be held Friday at 4 o'clock in the Tagsold Funeral Home in Blissfield. The Rev. Edward Escolme will officiate and burial will be in Pleasant View cemetery, Blissfield.

TWO FIRE ALARMS

Firemen were summoned twice last Thursday. At 2:40 p.m., a straw pile threatened the barn at the Floyd Billington farm at Billington's Corners. Firemen extinguished the blaze before it could do any damage. At 7:15 p.m., burning brush on the bank west of the Ford Mill was the reason nearby residents called firemen when they feared the fire would damage a house at the top of the hill.

ASK FLAG DISPLAY

Son-In-Law Joins With E. A. Collins In Business

Ellsworth A. Collins, local funeral director, announced today that his son-in-law, Orval H. Minney, of San Diego, Calif., would in the future be associated with him in his business, as a registered apprentice.

Mr. Minney was attending the University of Pittsburgh when he entered the Navy Air Corps during World War II and he served for 27 months, a part of the time on submarine patrol. Later, he was transferred to the Naval Cadet Training Program, and for the last three and a half years he has been under Naval Civil Service in San Diego.

Mr. and Mrs. Minney and their two children arrived Saturday from San Diego. They will make their home with Mr. and Mrs. Collins at 313 W. Pottawatamie street.

CONTINUES TO IMPROVE

The condition of Dean Clement, 10-year-old son of Bernard Clement of near Britton, who suffered a serious head injury when a tractor overturned on him, continues to improve. He is a patient in Herrick Memorial Hospital, where he was taken after the accident last week Wednesday.

Proof Of Good Fishing

This time, the big ones didn't get away and just to prove it The Herald's candid camera snapped Dr. Richard Dustin, left, and Harold Hall as they unloaded their car at the Doctor's home on Bidwell street. The two big pike were caught at Lake Timagami in Canada.

It's Great Fishing In North Bay Area

BIG ONES SELDOM GET AWAY, AND THERE ARE PLENTY OF SMALL ONES, TOO

It's great sport, fishing at Lake Timagami, about 600 miles north of here in the Georgian Bay area. That's the feeling of Dr. Richard Dustin and Harold Hall who returned last week from a week's stay at the Dustin cabin, located about 75 miles north of North Bay. They were accompanied on the trip by Dr. Robert Dustin of Pontiac, a brother of the local doctor.

Usually, the big ones you hear about get away but this time, just to prove that they caught fish that didn't need to be magnified, the anglers brought home two pike, one weighing 14 pounds, the other 18 pounds. One of the fish measured 42 inches in length, the other 38. Of course, they caught smaller ones and they brought plenty of those home, too.

Dr. Dustin has been going to the Timagami cabin for about 25 years with his family. This year, he said, the ice left the lake about six days before they arrived and the water was very cold. The best fishing, and with artificial bait, was at a depth of from 10 to 30 feet.

Alumni Banquet Attended By 250

CLASS OF 1925 HOLDS ANNIVERSARY REUNION; NEW OFFICERS ARE NAMED

The Tecumseh high school Alumni Association met for the 34th time in the Central School, Friday evening, when dinner was served to some 250 persons. A highlight of the affair was the 25th anniversary reunion of the class of 1925.

Perry M. Hayden was in charge of the reception in the auditorium, after which all marched to the gymnasium for dinner. The Rev. Alvin C. Brazee gave the invocation.

Richard Eggleston, president, presided at the business meeting. Officers for the coming year were elected as follows: President, Sam Sisson, 1925; vice president, Harold Easton, 1941; corresponding secretary, Clara Gillespie Easton, 1942; assistant corresponding secretary, Floris Howe Snyder, 1944; recording secretary, Lois Purkey, 1949; assistant recording secretary, Dorothy Babcock Gabler,

Annual School Meeting, July 10

TWO VACANCIES ON BOARD OF EDUCATION; BOTH INCUMBENTS TO RUN

The annual meeting of the Tecumseh School District will be held on Monday, July 10, it was announced today. The terms of two members of the board of trustees expire with the approaching meeting, and successors must be chosen.

Those whose terms expire are Jens Touborg, president of the board, and Paul Breitenwischer. Both men have announced that they will be candidates to succeed themselves.

Under Michigan law, persons who desire to run for seats on the board must circulate and file petitions with the secretary. These petitions must be circulated and filed between the dates of June 10 and 20, inclusive. They must bear the signatures of at least 50 voters of the district. Petitions for circulating and filing may be had by calling at the office of Earl H. Place, superintendent, in the high school building.

It was said today that both Mr. Touborg and Mr. Breitenwischer would circulate and file petitions within the approved time, placing their names on the candidate list.

More Traffic Lights Needed

At least two and possibly three more traffic lights are needed inside the corporate limits of Tecumseh, and steps should be taken immediately by the Village Council to have them installed by the state, if the heavy flow of cars on M-50 and M-52 is to be properly controlled.

There are two terrifically dangerous intersections on Chicago Boulevard, one of them at Ottawa Street, the other at Pearl Street. The third danger spot is at the intersection of Logan and Evans Streets, where an ever-increasing amount of traffic crosses M-52. All of these intersections have had more than their share of accidents, fortunately none of them fatal.

Chicago Boulevard, as most any resident of the village well knows, is, at times, little more than a speedway. Because it is a boulevard, with one lane of traffic moving west, the other east, all too many crack-pot drivers seem to think that the sky is the limit as far as speed is concerned. To "beat the light" at the Boulevard and Evans street is a game that too many drivers play from two blocks away, east or west. And, except when the police scout car is cruising around, there is nothing to stop them. The result is the condition that exists today — an extremely dangerous condition.

Ottawa Street, direct route to the Tecumseh Products plant from the Boulevard, carries hundreds of cars daily as men go to and from their jobs. Pearl Street, too, is another route to Products that many men follow to avoid downtown traffic. And the movement of cars on North Pearl Street is far, far greater than it was even three years ag, because of the development of subdivision areas to the north.

Logan Street is a direct route to Tecumseh's new high school from the west. Cars going to the school from other directions use the Logan-Evans Street corner, and cars leaving the school again use the intersection as they fan out in all directions. In addition, hundreds of school children and pedestrians cross the intersection daily.

Tecumseh is the fastest-growing community in Lenawee county, and its traffic has kept pace with its growth. However, Tecumseh, today, has no more traffic control lights than it had 20 years ago, when its population and its traffic was fifty per cent less. And yet, to keep pace with our growth, and with the increasing traffic problem, the Council has found it necessary to buy and equip a police scout car, and to increase the police force by at least 500 per cent in 20 years.

We have no quarrel with the Council as to the need for a scout car or for an enlarged police force. The money we spend for policemen's salaries and for the operation of police equipment is the penalty that we, as taxpayers, must pay for the lawlessness of the few. It has always been that way, and it probably will always be that way.

However, the installation of traffic lights at these three dangerous intersections is not going to add to the taxpayers' load, except for maintenance, and that is certainly trivial. The cost of changing a light bulb or the small amount of electricity that the lights burn, would be negligible compared to the cost of repairing broken bodies or bones, to say nothing of the loss of life.

Council members well recognize the need for more traffic lights in Tecumseh. They know, as well as we know, that insofar as control lights are concerned that we are operating on the same program today that we did in 1930. They know, too, how rapidly Tecumseh is growing, and that its population has nearly doubled in 20 years. And they also know that 1,000 or more cars from other communities traverse Tecumseh's streets as they carry workers to Products every day.

Tecumseh has traffic problems that it did not have 20 years ago. It is time that something more was done to control them.

FAMILY TREAT. *They'll all have fun in this roomy 4-door Sedan with generous luggage space for trips. Shown here is the SPECIAL. Same body type available also in the SUPER series.*

Look at the FUN you're missing!

SURE, we know—a car is a "necessity" these days. A modern family "couldn't get along without one." Or so you tell yourself.

Come, come, sir! We know, and so do you, the real reason you got the new-car fever—and the kind of car you are hankering for.

You want a car with some fun in it, don't you?

A car you'll get a big bang out of every time you see it parked in front of your house—every time you slip into its front seat—every sweet and easy mile you travel in it.

Well, come see what this beauty does for you.

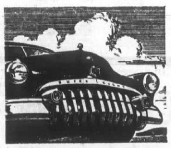
How the doors swing open in warm welcome at a thumb touch on a button. How the broad seats invite you to take it easy. How the big straight-eight under the bonnet snaps into purring life at your toe-touch.

And then note—

How smoothly you slip away from the curb—especially when Dynaflow* is handling the power transmission.

How firm and steady the whole car feels. How it holds on curves, free of "heel-over" and sway. How each coil-sprung wheel quicksteps over bumps and rough spots that mean jounce and jiggle on most cars—how buoyantly road-free a Buick is.

* *Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.*



FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs — vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Fun? You bet it's fun—too much fun to miss.

And there's no reason to miss it, really, for this strapping traveler is priced under many sixes. Starts at figures just an easy step above the so-called Lowest Price cars.

What's keeping you from trying one, when the nearest Buick dealer is ready to demonstrate without obligation any time you want to call on him.

Only Buick has Dynaflow— and with it goes:

HIGHER-COMPRESSION *Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)* • ***NEW-PATTERN STYLING,*** *with* ***MULTI-GUARD*** *forefront, tapered-through fenders, "double bubble" taillights* • ***WIDE-ANGLE VISIBILITY,*** *close-up road view both forward and back* • ***TRAFFIC-HANDY SIZE,*** *less over-all length for easier parking and garaging, short turning radius* • ***EXTRA-WIDE SEATS*** *cradled between the axles* • ***SOFT BUICK RIDE,*** *from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube* • ***WIDE ARRAY OF MODELS*** *with Body by Fisher.*

Non-Partisan News Letter

(Special to The Herald)
By Gene Alleman

July 1, 1950 will be a red letter day for Michigan's newest educational institution, Ferris Institute, at Big Rapids.

It marks the occasion when this trade school, founded 64 years ago by Woodbridge N. Ferris, becomes a state vocational training center.

When the state legislature in April, 1949, voted to accept the institute as an outright gift, it did two things:

First, recognition by the State of Michigan that Ferris Institute would fill a big gap in our present educational system. Ferris has specialized in vocational education. Not every high school graduate can afford to attend college; not every graduate has capacities to attain a college degree. But nearly every high school graduate may learn a useful trade, a valuable livelihood, by taking a program of vocational training.

The legislature also paid recognition to the fact that Ferris Institute was a going concern with assets of more than $1,000,000.

Its tradition of practical education is liberal in scope; thousands of men and women with no more formal education than the eighth grade have profitably pursued practical studies at Ferris.

High school youths may attend specialized trade courses in the following: Watch and clock repair, architectural or machine drafting, refrigeration and air conditioning, radio repair and electronics, printing, stenographic and secretarial, higher accounting, business administration, B. S. degree in pharmacy, B. S. degree in commerce of science teacher training, college preparatory (high school), and advertising-salesmanship.

Some of these courses are short in time; others run for four years.

The one-time superintendent of schools at Pittsfield, Illinois, became the founder of Ferris Institute. Mr. Ferris founded the school Sept. 1, 1884 as the Big Rapids Industrial School. Later, the name was changed to Ferris Industrial School and in 1899 shortened to Ferris Institute.

In January, 1902, the Pharmacy building was completed for four-year training.

In 1912 when Republicans were feuding over the Progressive movement, Ferris was elected governor on the Democratic ticket. He then became United States Senator and died in Washington in 1928 while serving as senior senator from Michigan. Arthur H. Vandenberg was named as his successor.

The school has had its ups and downs and during the depression of the 30s the enrollment dwindled to less than 300 students as compared with nearly 1200 today.

When the school officially becomes a state institution on July 1, Ferris Institute will have achieved the educational record of having trained more than 75,000 men and women for the actual duties of life.

President Byron Brophy is proud of this tradition.

He is determined to carry on the founding spirit of Woodbridge N. Ferris in the new coming era of public service.

You'll hear much more about Ferris Institute in the years ahead.

Its You Who Must Protect Yourself Against Cancer

"Cancer is a personal affair: You are the only person who can protect you against cancer.

"Some cancer is preventable and most cancer is curable if you get to your physician in time.

"Go to your physician for periodic physical examinations, and go to him immediately in between times if any of the seven signs of cancer appear:"

That is what State Health Commissioner Albert E. Heustis says in the March issue of "Michigan Public Health" which heralds April as Cancer Control Month in Michigan.

The seven signs which may mean cancer and which call for an immediate examination by a doctor are:

1. Any sore that does not heal—particularly about the tongue, mouth or lips.
2. A painless lump or thickening, especially in the breast, lip or tongue.
3. Irregular bleeding or discharge from the nipple or any natural body opening.
4. Progressive change in color or size of a wart, mole or birthmark.
5. Persistent indigestion.
6. Persistent hoarseness, unexplained cough, or difficulty in swallowing.
7. Any persistent change in normal bowel habits.

"It is better to have 20 examinations for cancer and find none than to miss one examination when early cancer or pre-cancerous condition is present," Dr. Heustis states.

These facts and others about cancer, about Michigan's plan for cancer control and how to organize for cancer control in the local community are contained in the March issue of "Michigan Public Health," official bulletin of the Michigan Department of Health. Single copies of the issue or a subscription can be obtained free of charge by sending a postcard to the Michigan Department of Health, Lansing 4, Michigan.

Young Shut-ins Learn By Phone

EDUCATION IS NOW BROUGHT TO INDIVIDUALS BY USE OF COMMUNICATION

Going to school by telephone will bring education, companionship and new interests to thousands of young shut-ins invalided by rheumatic hearts, polio and arthritis. Eight states have already leased phone wires to teach these sick children, who learn through a device that enables them to listen to and talk to their teacher and classmates, according to Alice Lake. Writing in McCall's for May, she tells about one asthma victim and the difference "school" has made in his life:

"Thousands of lonesome young shut-ins with rheumatic hearts, polio, arthritis, get little schooling, no companionship. Bobby Filippello, eight, of Little Falls, N. J., asthma victim, used to stare aimlessly out the window. Now Bobby goes to school via telephone. A hanging mike sends the teacher's voice to a receiver in his home. Each morning Bobby salutes the flag with his class. A receiving unit on his desk picks up every giggle at school.

"Bobby pushes a lever from 'Listen' to 'Talk' so the class can hear him. The voice box was developed by Executone Co., pioneered in Iowa. Now schools in eight states lease phone wires to teach shut-ins. The cost is only $15 monthly. Classmates feel they know Bobby and chat with him over the voice box at recess. In Iowa one young polio victim never in school was made class president.

"Bobby's mother says he's happier, eats better, is so eager for school that he 'arrives' a half hour early. Telephone school is supplemented by home instruction when the teacher visits her pupil. Bobby belongs now, as classmates drop in for visits after school. Social contacts, loss of isolation, bring new life to listless home-bound youngsters. Results show in better school marks, improvement in health."

A&P SELF SERVICE

Phyllis Jean Kable Is Bride of Robert D. Aten

Two large hampers of white snapdragons and fern banked the altar at St. Joseph's Catholic church in the Irish Hills, Saturday, June 3, for the wedding of Phyllis Jean Kahle and Robert Doyle Aten. The Rev. Fr. Emery Petho read the double ring service at one o'clock.

The daughter of Mr. and Mrs. Wayland E. Kahle of Tipton, the bride selected a gown fashioned of candlelight satin. The basque bodice was made with an illusion neckline, and off-shoulder berthe of satin and nylon tulle, which was crushed and caught with satin roses with pearl centers. The long sleeves ended in points at the wrist. The full skirt of the gown was banded with a nylon tulle flounce at the bottom and ended in a full cathedral train.

The bride's imported illusion fingertip veil fell from a braided satin halo entwined with pearls. She carried a white pearl prayer book, a gift of the groom, and a bouquet of white gardenias, lilies of the valley entwined with white tulle and fern with long white satin streamers. She was given in marriage by her father.

The bridal aids, Miss Shirley Baker as honor maid, Mrs. Russell A. Spalding of Ypsilanti, and Mrs. Robert Karle of Tipton, were gowned identically. Over the strapless white taffeta gowns were worn fitted Chantilly lace jackets designed with long pointed sleeves, Peter Pan collars, and buttoned to the neckline. Each carried a white satin fan edged with lace. Red rosebuds branched from a cluster of the rosebuds and lilies of the valley at the base, and satin streamers were of matching red and white. They wore white satin half hats drawn to one side and fastened with white plumes.

Mrs. Glenn Taylor was the soloist and, accompanied by Mrs. Fred C. Dickinson, rendered "On This Day O Beautiful Mother" and "Ave Maria."

John O'Reilly of Detroit served the groom, who is the son of Mr. and Mrs. Merritt Aten of Jackson, as best man. The ushers were Richard Dean Kahle of Tipton, brother of the bride, and George Lieber of Detroit.

At the reception held for some 200 guests at the American Legion Home in Tecumseh, the mothers of the couple received in gowns of Navy blue sheer and corsages of white rosebuds. Mrs. Kahle selected a white milan straw hat and navy blue accessories to complete her ensemble. Mrs. Aten's navy accessories included a picture hat. The bride's grandmother chose pink crepe with a corsage of pink carnations, and the groom's grandmother chose pink crepe with a matching corsage.

The bride's table was centered with the traditional four-tiered wedding cake topped with red roses and lace. Lighted candles and two bouquets of red roses and lilies of the valley completed the arrangements. Mrs. Raynor Hardy cut the cake and presiding at the coffee urns were Mrs. Charles Greenfield of Clinton and Mrs. Douglas West of Tecumseh. Mrs. Carlton Jones of Port Huron and Mrs. Glenn Taylor of Tipton served punch, and assisting in serving were Mrs. Lawrence Mohr of Tecumseh and Mrs. Richard Carter of Tipton. Mrs. Robert Baker of Tipton was in charge of the guest book. Mrs. Charles Driffill acted as hostess.

Out of town guests were from Chicago, Ill., Sylvania, Metamora, and Fayette, Ohio, Lansing, Detroit, Port Huron, Trenton, Ypsilanti, Camden, Jackson, Tecumseh, Clinton, Adrian, and Fort William, Ontario.

When the couple left on a week's motor trip through Canada the bride was attired in a blue and white check suit with navy and white accessories and a corsage of red and white rosebuds. Upon their return they will reside in their newly-purchased house at 106 Gibson Street, Clinton.

Graduating from Tecumseh high school in 1947, the bride is employed in the master mechanic's department of the Tecumseh Products Co. The groom graduated from Clinton high school in 1943, spent four years in the U.S. Marine Air Corp in the 4th Marine Division as a First Lieutenant and attended the University of Detroit for two years. He is now employed in the Budget department of the Tecumseh Products Co.

RIDGEWAY

James Westfall of Ypsilanti was a Sunday evening caller of Mr. and Mrs. Elmer Linn.

Mr. and Mrs. Howard Wilson attended the 94th Annual Conclave of Knights of Templar at Flint, Saturday.

Mrs. Edgar Buttolph of Britton called in town Sunday evening.

Rev. Lorne Carter and son and wife and daughter were in Canada this week visiting the former's mother.

Mrs. Ed Stables of Tipton called in town Saturday.

Mr. and Mrs. Chester Beach of Tecumseh were Sunday evening guests of Mr. and Mrs. C. H. Beach.

Mr. and Mrs. Will Fletcher visited Mr. and Mrs. Clarence Hunt of Holloway, Sunday.

SCOUT NOTES

Troop 73

Troop 73 recently held its long awaited overnight trip on the Raisin River. Starting on a Saturday and arriving home late on a Sunday afternoon, the Scouts enjoyed the most advanced bit of camp work they had yet experienced.

Three canoe loads of boys made the trip: Jimmy Place, Glenn Hayliland, Donald Partridge, Nickey Touborg, Gary Hizer, Ashley Chase, Ted Cornell, Gary Roberts, Gary Cameron, Bob Francouer, Ross Hadley, Bob Martin, Dick Mohr, Robert Manley, Allan Dickinson. Bill Damon and James Beardsley took charge of the trip, assisted by Bob Hadley who went along for the first part.

The canoes were put into the river south of Manchester on Saturday, going south of Clinton where they spent the night. Canoeing and canoeing exercises, and cooking were part of the formal training, while a capture game in which Ashley Chase skillfully treed himself made up part of the fun.

The group arrived back in Tecumseh about five o'clock Sunday afternoon.

Mary Lou Carlson Will Be Married, July 1

Mr. and Mrs. Louis A. Carlson are announcing the approaching marriage of their daughter, Mary Lou, to Raymond A. Hasey of Los Angeles, California. The wedding is to take place July first.

Mr. Hasey is the son of Mr. and Mrs. Raymond A. Hasey of Milwaukee, Wis. After graduation from high school there he earned a Ph. B. degree at the University of Wisconsin prior to entering its law school, from which he was graduated in June, 1949. During the war he was an officer with the A.A.F. stationed in England and participated in extensive combat duty. He returned to college in 1946.

Mary Lou was graduated from Tecumseh high school in 1944 when she matriculated at the University of Wisconsin, where she majored in art, continuing her study in 1948 and 1949 at the Toledo Museum of Art, the University of Michigan, and, during the past year, at the Chicago Art Institute while employed in Chicago.

Mr. Hasey has held a position in Los Angeles, Calif., since February of this year. The couple will be married in Las Vegas, Nevada. Members of Miss Carlson's family will accompany her there for the wedding. The couple will reside in Los Angeles.

The farther north a bird summers, the farther south it will winter.

(Continued from Page 1)

1935; treasurer, James Colson, 1949.

A memorial for ten members deceased during the year and for the late Earl Lindsley, who served on the board of education for 19 years, was conducted by the Rev. Mr. Brzeze. The deceased members are: Jennie Nyland Tallman, 1882; Mary Haight Brown, 1890; Edward M. Palmer, 1890; Isabelle Case Keyser, 1901; Raymond T. Mills, 1906; Robert J. Collins, 1923; Herbert L. Henderson, 1911; Viola Graham, 1926; Beverly J. Shaw, 1927; Robert Grigg, 1933.

Mrs. Amey K. Scutt and Mr. and Mrs. R. S. Moore represented the oldest class present, 1890. Mrs. Scutt was presented with flowers since she was the eldest one there.

A welcome to the class of 1950 was given by Ruth Rogers Keyser, 1950, and her son, Gordon, responded. C. R. Dustin reviewed the history of the class of 1925 and displayed a five-dollar gold piece the members had given him for coaching a play and which he has since carried. Mr. Dustin, a guest of the class of 1925, introduced E. E. Crampton of Belding, superintendent from 1921-1925, also a guest.

The Three Gay Deceivers from Hudson, experts in pantomine, presented a hilarious program. Dancing to Ray Waters orchestra followed.

The class of 1925 held its reunion in the music room, with 25 members of the original class of 57 present. Similarities to this year's graduating class were pointed out. The 1950 class also has 57 members; Dr. J. B. Edmonson delivered the commencement address as he did in 1925, and the yellow rose was the flower both classes selected. A corsage in class colors of blue and yellow and featuring the yellow tea rose was given to each lady present. Letters from members were read and pictures of children shown, as was a school picture taken of the class of 1921. After joining the alumni in the gymnasium, the class sang their song, "Tecumseh Big Chief Wahoo."

It was told that 46 members of the class are married, eight are single, and three, Lyle Hunt, Daniel Howe and Beatrice Munger Daniels, are deceased. The combined class members are the parents of 92 children and two are grandmothers. Sherman Warner, who teaches in El Paso, Texas, is the only one of the men who is not married. Thirty-eight attended college and 14 are or have been teaching. Members are scattered in eight states and 13 live in Tecumseh.

Mr. and Mrs. Walter Pfaus entertained the class at their home after the dance. The refreshment table was centered with flowers in class colors and a silver "1925."

Out of town alumni who attended included Glen A. Stewart, 1910, Margaret Ayres Huston, 1912, and L. R. Huston of Detroit; Homer Hanham of Toledo and Marcus Fisher of Lansing, 1920, Mr. and Mrs. Wendall Cleveland of Lansing, 1921; Alice Whelan Fisher of Lansing, 1922, Mr. and Mrs. W. Cuyler Fisher of Bryan, Ohio, Robert and Sylvia Sanderson Chandler of Whitmore Lake, Robert and Charlotte Lamkin Hutton of Detroit, Silas and Flora Rentschler Berry of Riga, Mr. and Mrs. George Wilson of Gaylord, Myra Fridd Grzenda of Jackson, Clark and Frances Gillespie Rathbun of Fowlerville, Melvin Langton of Washington, D. C., and Mr. and Mrs. Albert Thayer of Ypsilanti, 1925; James F. Temple and Jack Beardsley of Birmingham, 1929, and Bettie Williamson Dawson of Ypsilanti, 1938. Others were from Adrian, Ann Arbor, Britton, Manchester, Clinton, and Onsted.

25 Local Students Had Perfect Attendance

Twenty-five Tecumseh school students had perfect and punctual attendance during the 1949-50 school year, according to a release from the office of the superintendent. The sixth grade headed the list with seven having perfect records.

The list of students having perfect attendance records are: Sharlene Seitz, kindergarten; Karren Butler, first grade; Alice Jane Fridley, second grade; Nancy Day, third grade; Larry Anderson, Larry Lee Coates, Johnny Elliott and Roldon Dermyer, fourth grade; Barry Packard, Ray Larned and Lloyd King, fifth grade; Robert Dermeyer, Edith Kimeren, Shirley Larned, Josephine Furgason, Vere Hart, Robert Manley and Aaron Sparks, sixth grade; Teddy Cornell and Lois Merrick, seventh grade; Tom Baldwin and Albert Hart, eighth grade; Leslie Wisner, ninth grade; Illeen Beach, tenth grade; and John Colson, twelfth grade.

RECEIVES DEGREE

Miss Marjorie Wickwire, daughter of Mr. and Mrs. Earl Wickwire of W. Chicago boulevard, received her bachelor of philosophy degree at Siena Heights College commencement exercises, Tuesday afternoon.

Three Local Boys To Get Degrees at Tri-State

Kennard Lowell Wise, Glenn A. Socks and Dorman G. Titley, all of Tecumseh, will graduate from Tri-State College, Angola, Indiana, today, June 8. Mr. Wise will receive the degree of Bachelor of Science in Mechanical Engineering, and Mr. Socks and Mr. Titley the degrees of Bachelor of Science in Aeronautical Engineering.

While in Tri-State, Kennard, the son of Mr. and Mrs. K. B. Wise, was an active member of the Mechanical Engineering Society from March, 1949, to June, 1950. In September, 1949, he became a member of the Society of Automotive Engineers, which promotes the arts, sciences, and engineering practices connected with the design, construction, and utilization of automotive apparatus.

Glenn, the son of Mr. and Mrs. Peter Socks, and Dorman, the son of Mr. and Mrs. Herman Titley, were both active members of the Aeronautical Engineering Society from March, 1948, to June, 1950. The A. E. Society affords students the opportunity to hear speakers and programs and to see movies concerning the practical field of aeronautical engineering.

RUFUS S. BEARDSLEY CRANBROOK GRADUATE

Rufus Spencer Beardsley, son of Mr. and Mrs. John Beardsley of Bloomfield Hills, and a grandson of Mrs. Mable Beardsley of Tecumseh, will graduate from Cranbrook School for Boys an honor student, Saturday, June 10.

Rufus maintained an honor award scholarship, on which he entered Cranbrook in the seventh grade, all through his high school career. He has been awarded a scholarship to Kalamazoo College.

Outstanding in all the major sports—football, baseball and basketball—Rufus was captain of his baseball team, which won 14 straight games out of 17, the best record in Cranbrook's history. The young athlete was named as the best guard in the mythical all-star interstate basketball team. He was also elected prefect of the lower school.

Rufus was born in Tecumseh and lived here until about ten years ago, when he moved to Bloomfield Hills with his parents.

DAUGHTERS MEET

The Daughters of St. Peter met Tuesday evening at the parish house, with ten members and one guest in attendance. In the absence of the president, Mrs. O. W. Laidlaw presided at the business meeting.

Mrs. Allan Ramsay, program leader, gave an interesting talk on the vacation Bible school being held for children of St. Peter's church. Mrs. Laidlaw read a paper on the Old Mariners' church in Detroit.

Mrs. Louis Schneider, Mrs. Anna Hardenburgh and Mrs. Anna Haughn were the hostesses and served refreshments which included a decorated birthday cake, in honor of Mrs. Cecile Smith, whose birthday anniversary occurred Tuesday.

W. C. T. U. TO MEET

The W. C. T. U. will meet Tuesday afternoon, June 13, at the home of Mrs. Jessie Brown at 2:30.

Children's Day

(Continued from page 1)

A dramatization of Bible stories and group singing will be included in the program at the Presbyterian church, which will begin at 10:30. Mrs. Sam Sisson is in charge.

Church school at the Methodist church will also begin at 10 a.m., when children will meet for roll call and collection. They will present their program at 10:30, followed by the regular church service. Mrs. Lenore West, Church School superintendent, has arranged the program.

The Tecumseh Friends church will have a unified service at 10:30 a.m. The children of the Sunday School will present the following program: song, congregation, "Tell Me the Story of Jesus;" recitation, "A Welcome To You," Mary Sue Gordon; scripture, Walter Wiemer's boys; prayer, superintendent; song, primary and juniors, "Children of Jerusalem;" song, beginners, "God Is Love;" recitation, "My Measure," Richard Meads; exercise, "His Love," Zaiga Friemanis, Marilyn Johnson, Danny VanValkenburg, Larry Grey; recitations, "Christians," Eugene Verrier; "Helpers," Donald Roe; "A Wish," Kitty Mangrum; "I'm Thankful," Eugene White; "Helping Mother," Nancy Lou George; recitation, Donald Sniffen, Carole Campbell, Joyce Randolph, Michel Hanna, Leola Gove, Sharon Martin; "The First Children's Day," Marilyn Manley; exercise, "Precious Treasures," Dorthy Roe, Charles Baird, Barbara Close, Danny Wiemer; recitation, "A Little Bird," Paul Gove.

Church Addition

(Continued from page 1)

Lawrence Linton, pastor of the church here from 1915 to 1918. The Rev. Edward Escolme, for 32 years pastor of the church, and at present its pastor, will speak on "Our New Addition." Dr. Osborne then will deliver the address.

The Rev. Harold B. Kuhn, Ph. D., will be the speaker at a meeting on Sunday evening at 7:30 at the church. Dr. Kuhn spent last summer in Germany, speaking at University centers and in German churches. He received his degree of doctor of philosophy from Harvard University. He plans to minister in Germany later this summer.

The history of the church shows that the fourth group of the Society of Friends to be founded in Lenawee county was in Tecumseh. In 1842 and that the first meetings were held at the homes of Aaron Comfort and Samuel Satterthwaite, the founders of the local society. However, at a still earlier date, friends from here worshipped at the Raisin Valley Meeting, which was established in 1831. In 1843, Tecumseh Friends purchased the old Presbyterian session house and used it as a meeting place for about 50 years. The present church was built in 1891 and, according to the record, "dedicated without a cent of debt." Later, in 1927, a parsonage was built, just south of the church.

John Greenleaf Whittier, one of America's best loved poets, and a Quaker, was one of the contributors to the Tecumseh church building fund in the early days.

REPUBLICAN WOMEN TO ORGANIZE CLUB

A tri-township Republican Woman's Club will be organized at a meeting to be held at the home of Mrs. William Niblack of Britton, Friday, June 9, at 2:30 p.m. All women of Ridgeway, Raisin and Macon townships, regardless of party affiliations, are urged to be present. The speakers will be Mrs. Catherine Jordon of Monroe, Mrs. Florence Howe of Tecumseh and Mrs. Eugene Ryan of Addison.

Jack Pine Drive-In Sold To Lester Handy

Sale of the Jack Pine Drive-In west of Tecumseh on M-50 by Clair Manwaring to Lester Handy was announced Monday when the new owner took possession. Mr. and Mrs. Handy and their two daughters will operate the establishment, though Mr. Handy will remain an employee of the Tecumseh Products Company. It is the desire of the Handy family to continue to give the best possible service to their customers.

Mr. Manwaring will graduate from the University of Michigan School of Music with a Bachelor of Music degree, June 17, and has accepted a position as band director of the Frankfort, Mich., high school. The sale of his business here was necesary because he was unable to open early enough in the Spring or remain open long enough in the Fall.

In announcing the sale of the drive-in, Mr. Manwaring said he has enjoyed being a business man in Tecumseh, and hopes that his established customers will continue to give their patronage to Mr. Handy and his family.

Legion Auxiliary Will Hold Summer Picnic

The American Legion Auxiliary met Monday evening in the Legion Home, with 25 members in attendance. In the absence of the president, the business meeting was conducted by Mrs. Charles Osburn. Mrs. Ned Rossacrans, Mrs. Vern Manwaring and Mrs. Osburn were named as delegates to the state convention to be held in Grand Rapids in August. Mrs. Louis Schneider, Mrs. Charles Howe and Mrs. Joe Russell were named as alternates. Banquets are to be discontinued for the summer months except those which are already booked. A nominating committee was appointed to submit a list of officers at the September meeting. The summer picnic will be held in August.

The program chairman, Mrs. John Snyder, assisted by Mrs. Richard Eggleston, gave an interesting talk on Pan-Americanism. Refreshments were served by Mrs. Harold Easton and committee.

GROCERY STORE SOLD

The sale of Brady's Grocery, located at the corner of Russell and Occidental Roads, was announced today by Arthur Brady, owner and operator. Mr. and Mrs. Donald Tietsema of Detroit made the purchase and will take possession the latter part of the week.

TECUMSEH to TECUMSEH NOTES

Some thirty or forty Tecumseh, Michigan, residents experienced Canadian hospitality last Saturday at Swingland, east of Tecumseh, Ontario, at a dance sponsored by the Recreation Centre of the sister town. Our Canadian friends were taking advantage of an offer made recently by R. W. Herrick to send the Tecumseh Chieftains over to play for some dance which might be a warm-up for the mass visitation on July 1st.

* * * * *

The Canadian committee experienced some of the unanticipated difficulties which generally appear when a big event project is staged. Saturday evening turned considerably cooler than expected and there was less dancing than there otherwise would have been. Something went wrong with the loudspeaker and they were deprived of hearing the orchestra's vocalist — a great disappointment to the Canadians who had heard the glowing reports concerning her talent as brought back by Mayor Tom Scott and his delegation from last T-Day. A longer than anticipated delay at the border for the orchestra and trouble with their bus added to their worries. But nothing seemed to detract from the fun of the crowd.

* * * * *

Our Tecumseh Chieftains orchestra made a fine sight at dinner at the Paris. A regular banquet table had been set up in the center, and scores of Canadians looked in admiration at the spruce organization.

* * * * *

The Canadians continued their pleasant custom of dedicating numbers to their Michigan visitors. The Paris orchestra dedicated a number to R. J. McCoy as an mayor of Tecumseh, Michigan — the number appropriately being "My Wild Irish Rose." The ex-mayor bowed gracefully and then obligingly came in on the chorus with a solo for which he received a thundering ovation.

* * * * *

New items to participate in the caravan are now expected to develop regularly. There are now expected to be at least ten 40 or 50 box cars. Lenawee County Voiture, 997, 40 et 8 and Jackson County Voiture 746, 40 et 8 will both be along. The United Products Workers are talking of providing some humor items. Some drum and bugle organizations are showing an interest in joining along with Tecumseh's marching outfits, and chairman Gordon Garlick is bound and determined to locate a short-coupled "whirligig" car.

* * * * *

The committee is still eager to have other sections of the county to go along with us. A delegation to Clinton Monday night and another to Britton Tuesday night explained the affair and extended them a cordial invitation.

* * * * *

Last week we reported that Bert Lacasse, manager of the Ontario ball team was beard growing as a warning of fleeting time. A week's development showed that the Ontario committees will have ample visible evidence that time is passing. His brother Hector started his a week later, but his progress is also commendable.

* * * * *

Our committee is now expanding its personnel. Representatives of a number of the larger organizations in town are taking part and planning their own participation in the event.

Graduates Hear

ment address by Dr. J. B. Edmonson, dean of the school of education of the University of Michigan. His talk was well received and made an impression on both the graduates and audience.

A vocal duet was rendered by the Misses Marlys and Evelyn Arnold, after which David Green gave the valedictory. Earl H. Place, superintendent, presented scholarships and the Rev. Mr. Escolme made the presentation of two Herrick Memorial scholarships. Elmer Burleson, commander of Hall-Slater post, Veterans of Foreign Wars, presented Good Citizen medals to the valedictorian and salutatorian.

James McDowell, principal, presented the class to Jens Touborg, president of the board of education, who awarded the diplomas. The Rev. Mr. Escolme gave the benediction.

All attended the graduation exercises at Adrian College, when Al Schumm received his bachelor of science degree and teacher's certificate.

Vacation Bible Schools Draw Large Attendance

Large attendances marked the first week of Daily Vacation Bible Schools in Tecumseh, being held in the individual churches for the first time. The schools will continue through next week and demonstrations for the parents will be given Friday evening, June 16, in the respective churches.

The Baptist-Methodist combined school reports a total of well over 100 children. Two and three year olds are meeting at the Baptist church and on Tuesday a total of 18 were in attendance. The nursery school plan is new and those in charge are enthused with the reception it has been given by the parents. All other children through junior age are meeting at the Methodist church.

The Presbyterian school membership was about 85 on Tuesday and there, too, the teachers were well pleased with the turn-out. Enrollment at St. Peter's church on Tuesday was 34 and eight helpers, which is an excellent attendance for that church, too.

Only persons who have been dead for ten years can qualify for election to the Hall of Fame.

VILLAGE REPRESENTED AT PHONE RATE HEARING

J. C. Beardsley, village attorney, was instructed by the council, in session Monday evening, to represent the village at the Public Service Commission's hearing, June 26, in Lansing, when the Michigan Associated Telephone Company's petition for advanced phone rental rates here, will be heard. The council, at an earlier meeting, went on record as opposing the rate jump at this time.

Hall-Slater Post, V. F. W., was granted permission to sponsor a carnival here, June 12 to 17. The Illinois Fireworks Co., was granted permission to discharge fireworks at Tecumseh's July 4 celebration, and the Chamber of Commerce was granted the right to close off Chicago boulevard between Ottawa and Pearl streets, for the village's Independence Day observance, July 3-4.

Current bills were audited by the council and paid, and reports of committees and department heads were read and placed on file.

BICYCLE LICENSES AVAILABLE, SATURDAY

New 1950 bicycle licenses will be available on Saturday at police headquarters, Chief Clark announced today. The ordinance requires that all bicycles in Tecumseh be licensed. The fee for the first license is 50c, renewal licenses 25c.

Licenses will be issued at headquarters between 10 a.m., and 6 p.m., Saturday, the chief said. He asked that renewal cards be brought in by former licensees, and serial numbers by those first applying for a license.

ROTARY CLUB MEETS

The regular dinner-meeting of the Rotary Club was held Tuesday evening at Legion Memorial Home. Jess Moore, Blissfield, was the guest speaker, presenting motion pictures taken on a recent fishing trip in Canada. Donald Norris, owner of Van's Pastry Shop, was admitted to club membership. Guests at the meeting included Jack Schwaland and Harold Crane, both of Blissfield.

DRAWS HEAVY FINE

John Hartman, Britton, arrested by police here on June 3, charged with being drunk, was ordered to pay a fine of $15 and costs of $8.60, when he was arraigned in Justice French's court, Monday. The justice also ordered that Hartman pay $44.65 for damage he did to the village jail while he was confined.

DRUNK DRIVER FINED

Delacy P. Holmes, Detroit, was arrested here on June 4 by police, charged with drunk driving. In Justice Robert French's court, he paid a fine of $75 and costs of $8.60 and his driver's license was revoked.

PLEADS NOT GUILTY

James L. Marsh, Tecumseh, arrested last week by police on a disorderly charge, pleaded not guilty when he was arraigned before Justice Robert French. His trial was set for June 15.

BRITTON

The Methodist W. S. C. S. officers met at the church Monday afternoon for a training school, with each new officer having her duties explained and a general discussion of the work and programs for the new year. Mrs. Clifford served refreshments.

RIDGEWAY

Mr. and Mrs. Frank Bartle of Flint were guests part of the past week of Mr. and Mrs. Will Fletcher.

Mr. and Mrs. Gordon Smith of Battle Creek were guests the past week of Mrs. Vie Marks.

Mr. and Mrs. T. M. Birdsall spent Sunday with relatives in Ann Arbor.

Mrs. Orpscilda Miller is entertaining the W.S.C.S. at her home, today.

The Men's Forum will meet next Tuesday evening, June 13.

The body of Mrs. Laree Knivenson of Detroit was brought here for burial, Monday.

Mrs. Bernard Bishop and daughter have returned home from Herrick Memorial Hospital.

Carol Jean Cox Weds Harley Griffith, Jr.

At a Monday afternoon ceremony in the University Heights Evangelical United Bretheren Church in Indianapolis, Ind., Carol Jean Cox, daughter of Mr. and Mrs. Carl Cox of Tecumseh, exchanged nuptial vows with Harley Griffith, jr., son of Mr. and Mrs. Harley Griffith, sr., of Fowler, Ind.

The Rev. Charles Jennings of Indiana Central College read the double ring marriage service before the altar decorated with palms, ferns, candles and flowers, at 3:30 o'clock.

The bride chose a gown of white marquisette over satin. The bodice of the gown was made with a yoke of dainty lace and the skirt featured a bustle-bow back and short train. She carried a pale orchid surrounded by white roses and stepanotis and ivy. Mr. Cox gave his daughter in marriage.

Miss Delpha Cox of Tecumseh and Mrs. Charles Bryant of Danville, Ind., attended their sister. They wore white marquisette over green and lavender faille with white picture hats and carried garden flowers in basket form.

Bill McGrath of Fowler, Ind., served as best man and the ushers were Elwood McBride of Indianapolis, Milton Truesdale of Ithica, Wis., and Bud DeBaun of Shelbyville, Ind.

Miss Marilyn Sonner of New Albany, Ind., played a program of wedding music on the organ and accompanied Don Durante of Greenfield, Ind., when he sang "I Love You Truly," "Through the Years" and "The Lord's Prayer."

After the ceremony a reception was held in the basement of the church, which was decorated with spring flowers, candles and white bells.

When the couple left for Cincinnati, Ohio, the bride was wearing a sheer summer dress with black and white accessories and the orchid corsage from her bridal bouquet. Upon their return they will reside in Goodland, Ind.

Mrs. Griffith graduated from Indiana Central College in 1949 and will teach school at Wadena, Ind., next fall. The groom graduated from the same college on Sunday and will coach and teach at Goodland.

Mothers Warned of Whooping Cough Danger

"Keep your well baby away from other people," the Michigan Department of Health warned today as it reported 208 new cases and one death of whooping cough in the past week.

Deaths of 15 small children and more than 4,300 new cases of whooping cough have been reported in the state so far this year, according to Dr. F. S. Leeder, Director of the Division of Disease Control, Records and Statistics. The majority of the deaths were of infants and children under five years.

"Your baby is born without protection against whooping cough. There are four things you can do to save him from the disease," Dr. Leeder said.

"First of all, keep the well baby away from other people when there is whooping cough anywhere in the community. This includes older brothers and sisters, aunts, uncles and grandparents as well as neighbors. Don't take the baby shopping or into any crowd.

"Second, see to it that your baby's immunization against whooping cough is started by the time he is SIX MONTHS of age and completed before his FIRST BIRTHDAY.

"Third, make sure that your baby has a booster shot against whooping cough when he is THREE years of age.

"Fourth, have your child's immunization boosted again at age FIVE, several weeks before he enters school.

"If any of these protective measures have been omitted in your family, now is the time to have them done," Dr. Leeder said. "The life of a child is a high price to pay for neglect."

What Type Student Likely To Succeed?

SIX FACTORS TO DECIDE FATE OF THOSE ATTENDING THE U. OF M.

ANN ARBOR—What type of student do you think will make a satisfactory record in studies at the University?

Six factors which decide the question were outlined to high school principals and other school officials at a University conference. Robert L. Williams, assistant to the provost, listed them as:

1. A strong interest in college work.
2. The ability to manage personal affairs.
3. Good high school teaching and a proper selection of high school courses to fit the line of study to be pursued at the University.
4. Good work habits.
5. A desire to succeed.
6. A reasonable amount of financial resources.

The importance of these requirements in indicating success was discovered in a 20-year study of student records, Williams reported. Mere observance of a required schedule of courses for admission is not enough, he said. He quoted Hayward Keniston, dean of the University's College of Literature, Science and the Arts, as believing the quality of work done in high school was more important than the subjects studied.

Williams pointed to the absence from the list of two items which many people have mistakenly considered as essential to success at the University — graduation from a large high school and being included in the upper brackets of the graduating class.

Williams said "it seems odd that the question regarding the size of the high school should even arise" in predicting academic success at the University. "Certainly, there is no logical basis for the belief that mental ability, high intellectual interest or good teaching is confined primarily to the large cities or large high schools," he declared.

A report made by Registrar Ira M. Smith which shows that graduates from the top 50 per cent of a high school class, rather than just 10 or 25 per cent, can succeed at the University if they can "pass" the six requirements was cited by Williams.

Two Meadowridge Cows Rated as Tested Dams

COLUMBUS, O.—Two Michigan registered Jersey cows have been rated as Tested Dams by The American Jersey Cattle Club. The distinction was awarded Noble Dictator Carmen and Thomas' X Puss, both for having three offspring with official production records. They are owned by Meadowridge Jerseys Inc., of Ridgeway, Michigan.

Noble Dictator Carmen's descendants averaged 8,582 pounds of milk and 424 pounds of butterfat, and Thomas' X Puss descendants averaged 7,988 pounds of milk and 436 pounds of butterfat, both were in twice daily milking, mature equivalent basis. The tests were checked by the official representatives of the club.

Both cows also have been classified for breed tpye. Each receiving Very Good, equal to a score of 85 to 90 points on the breed's score card which gives 100 points for a perfect animal.

The production testing and type classification work carried on by Meadowridge Jerseys Inc., are part of a program offered by The American Jersey Cattle Club to make possible the continuous improvement of the Jersey breed. The club's national headquarters is in Columbus, O.

Proposed Sanitary Code For Lenawee Explained

This is the second of a series of four question-and-answer articles explaining the sanitary code which is being sponsored by the Lenawee County Health Council.

QUESTION: Why is it felt that a sanitary code is necessary in the county? What could a sanitary code accomplish?

ANSWER: The code, if passed, should accomplish a great deal in the way of better sewage disposal in those areas which are being built up. It is also hoped that it will reduce the great amount of septic tank effluent going into county drains, open ditches, and rivers without first having proper treatment. It is a known fact that the effluent from septic tanks carries over material in suspension. Bacteria that cause sicknesses such as typhoid fever and the dysenteries is also carried over. It pollutes the streams, and if enough gets into the river it becomes difficult for cities that depend upon this water for a source of drinking supply to produce a good potable water in the filtration plants. It is felt that the code is necessary to reduce this type of pollution and to guarantee any person building in a growing suburb that the sewage disposal system of his neighbors will not cause him any trouble. Also, by careful control of construction, it is hoped there will be less problems of maintenance.

CLINTON

Cpl. George Hammond of Fort Ord, Calif., arrived home Sunday to spend a months' furlough with his parents, Mr. and Mrs. George Hammond.

Thirty-three members of the graduating class received diplomas at the commencement exercises held Thursday evening. James Meeks, president of the board of education, presented the diplomas after the class was introduced by Supt. E. W. Dersham. Honor students receiving scholarships are: Elsie Parker and Phyllis Moats, regents-alumni scholarships to the University of Michigan; Gene Music, music scholarship to Defiance College, Defiance, Ohio; Joyce Ann Garey, band scholarship to the University of Michigan, and Edwin Hindes, general scholarship to Adrian College. Dr. Kent Leach, of the bureau of school services of the University of Michigan delivered the commencement address entitled "Your Money's Worth." Phyllis Moats gave the salutatory and Elsie Parker the valedictory.

Among those who entertained for their graduating children were Mr. and Mrs. Fred Tirb, Mr. and Mrs. John Feldkamp, Mr. and Mrs. Harry Garey, Mr. and Mrs. Roscoe Parker, Mr. and Mrs. Rudolph Pratt, Mr. and Mrs. Reid Bailey, Mr. and Mrs. Edwin Bihlmeyer, Mr. and Mrs. Gerald Ogden, Mr. and Mrs. Clarence Wiedmayer and Mr. and Mrs. George Semark.

Mr. and Mrs. Clarence Wiedmayer of Clinton announce the engagement of their daughter, Wilma M. Wiedmayer, to James B. Moore, son of Mr. and Mrs. Kenenth Moore of Evans Lake.

David Weinberg spent from Thursday to Sunday with his aunt and uncle, Mr. and Mrs. William Winkelman of Ann Arbor.

Mr. and Mrs. Steward H. Pardee and daughter Mary have arrived home from Tucson, Ariz., where they spent several months for Mr. Pardee's health.

ONSTED

Mrs. Frank Morey entertained the past matrons club at her home, Wednesday evening. Dinner preceded a business meeting.

A daily vacation Bible school is being conducted in the Onsted Gospel church by Miss Eva Mae Baugh, daughter of Mrs. Helen D. Baugh, who is the National Chairman of the Christian Business and Professional Women of America, and head of Youth Home Missions, and Miss Betty Saltsman. Classes are being held every weekday except Saturday through June 16 from 9 a.m. to 11:30 a.m.

Recent guests of Mr. and Mrs. Oscar Wyatt were Mr. and Mrs. Quentin Hazen of Detroit.

The graduating class of the Onsted schools have returned home from a trip to Washington, D. C.

Mr. and Mrs. Elwyn Turner and son Ray Eugene of Kalamazoo were recent guests at the Ray Turner home.

Mr. and Mrs. Robert Rainey were in Indianapolis, Ind., for a few days last week.

Mrs. A. B. Kidney and Mrs. Ben Glancy underwent surgery at Herrick Memorial hospital, Tecumseh, last week.

TIPTON

Mrs. Della Dangler, Mr. and Mrs. Orin Feight and son James, Frank Feight, Mr. and Mrs. William Walker and Mrs. John Norcross attended the funeral of Victor Feight at Parkersburg, Ohio, recently.

Recent guests of Mr. and Mrs. Lloyd Billington were Mrs. Zora Case of Jackson and Mrs. Hazel Bigham and daughters, Gretchen and Dorothy.

Mr. and Mrs. Munger have moved from their farm home to their newly-built house east of the village. They were given a surprise farewell party by some fifty neighbors.

Freedom from Rent
Freedom from Worry
Freedom from Want
Freedom from Fear

Here in Tecumseh, more and more people are enjoying these four freedoms by purchasing new, modern homes in TECUMSEH ACRES. And the minute they move in they begin enjoying FREEDOM FROM RENT. Their monthly payments are applied on the purchase price. They enjoy FREEDOM FROM WORRY because they are their own landlord. And because their equity in the property grows steadily, there's FREEDOM FROM WANT. And when you combine the benefits of these first three freedoms you have FREEDOM FROM FEAR.

A FAMILY'S GREATEST DESIRE IS TO OWN A HOME

VETERANS! If you actively served in the Armed Forces of the United States for 90 days or more between September 16, 1940, through July 25, 1947, and were honorably discharged, you can purchase a home of your own and NO DOWN PAYMENT IS REQUIRED. More than a million and a half World War II veterans have purchased homes with the aid of the V. A. Home Loans. Seventy thousand veterans already have paid their loans in full.

If you are not a veteran, you can purchase one of these fine homes, by using F. H. A. financing.

NOTE THESE FINE FEATURES IN TECUMSEH ACRES HOMES

Tiled bath room, bath tub and shower. Complete Youngstown all-metal kitchen cabinets. Colman Automatic oil furnace. Gum wood flush doors throughout. Completely insulated. Plenty of closet space. Here you can provide your family with a large amount of space for garden and play area, so essential to healthy, growing children.

Tourist Season Outlook Is Good

STATE, HOWEVER, MUST FIGHT FOR ITS SHARE OF VACATION TRADE

The outlook for Michigan's summer tourist season is good, but there is no bed of roses in the picture, according to Robert J. Furlong, Administrative Secretary of the Michigan Tourist Council.

"Our state will get its share of the nation's vacation business, but we will have to fight for it," said Furlong. He explained that competition at home and abroad has reached a new high in the tourist industry. With few exceptions, he said, every state is spending unprecedented amounts to bring travelers to their vacation areas. In addition, Canada and Mexico are luring visitors with advertisements that reach into every section of the United States. "Add to this the Holy Year trek to Europe coupled with tourist advertising never before realized in the travel industry," continued Furlong.

He pointed out that according to a recent national survey, Michigan placed third in the nation's tourist business in 1949—second only to California and New York.

"Our state is ready to maintain its position among the leaders," he said. "There are approximately ten per cent more tourist accommodations in Michigan than there were a year ago. In addition to these new facilities there has been a general improvement and expansion program carried on by those who have been in the tourist business for several years."

The competition that exists among states and foreign countries is felt throughout the entire tourist industry, according to Furlong. Owners of resorts, motels, cottages, gas stations, amusement centers and all of the others who do business directly with the tourist are facing competition more than ever before. Furlong sees this as a healthy sign. "It means an upgrading of our facilities for serving the vacationer. Accommodations in Michigan today are much better than they were in the 'easy money' years immediately following the war. Competition encouraged resort owners to repair boats; it prompted them to install running water in cabins; it encouraged them to put new emphasis on hospitality. This adds up to a sturdier foundation for Michigan's tourist industry."

Furlong's prediction that the state's tourist business will be good this year is based on several factors. Inquiries resulting from the Tourist Council's late winter and early spring national magazine advertising program show a widespread interest in Michigan vacations. In 1950 more wage earners than ever before will be eligible for paid vacations. There is an increasing number of automobiles in the country. Savings deposits are up. There has been no downward trend in America's "family habit" of taking a vacation. A discouraging winter sports season in Michigan—due to the lack of snow—resulted in a postponement of many vacations to the summer months. Resort operators throughout the state report that early reservations are "good."

All of this, says Furlong, points to the fact that Michigan will remain up front among the vacation lands of the world, but he repeats: "There is no bed of roses in the picture."

Wild Greens Are Good, And They're Good For You

Wild greens make good vegetables, the Michigan Department of Health said today.

Some of the small shoots of wild greens just coming up in Michigan back yards and along Michigan roadways are excellent eating and have just as many vitamins and minerals as the leafy green vegetables bought in stores or grown in home gardens, according to the Department.

Some of the commonest weeds which bother the Michigan gardener are considered excellent eating in other lands. Pursley (pusley), for instance, when eaten raw or steamed is considered a great delicacy in some countries. Shoots of milkweed can be used like asparagus and their flavor compares favorably with that vegetable.

The average family picks dandelion greens to cook or use in salads and takes water cress from country streams for use in salads or sandwiches but few housewives know other edible wild greens.

Young leaves of marsh marigold, chicory, wintercress, pigweed, mustard and sorrel are edible. Like all green leafy vegetables, wild greens belong to the group of "protective" foods, chiefly because they are so high in iron and vitamin B. They also contain considerable amounts of other minerals and vitamins such as Vitamins B1, C and G and colcium, and they afford bulk or roughage.

In selecting wild greens, take only the small tender leaves and shoots. Wash them several times in pans of warm water. Pick them oft the top of the water each time so that the sand and grit go to the bottom. Do not allow them to stand in water. Cook them in just the water that clings to the leaves. Salt them when you put them over the fire. Turn with two forks during the first few seconds of cooking so the water goes to the bottom. Cook only five to eight minutes. Greens get bitter and mustard-colored if they are cooked too long. Use cooking water in gravies, soups or stews. These rules save food values and make the greens more attractive and palatable.

For seasoning, use salt, pepper and butter, or bits of crisp fried salt pork. Variety can be had by adding hard boiled eggs, or slices of crisp bacon, or finely chopped pepper or onion.

Use only greens you can identify. Some wild greens are poisonous.

The Michigan Department of Health has printed a pamphlet "Wild Greens are Good and Good for You," which helps to identify the edible wild greens and tells how to prepare them. A copy may be obtained free of charge from your local health department or from the Michigan Department of Health, Lansing 4, Michigan.

Some teachers use the pamphlet as background for a field trip and "tasting" party.

There's More To Fishing Than Just Catching Fish

If the streams stay cold, high and roily, the wily trout may be hard to intrigue, but there's more to trout fishing than just the catch, Dr. Albert E. Heustis, State Health Commissioner said today.

If, in order to be well-balanced in this increasingly complex world, a man needs not only his work, his health, his family and social life, but a hobby as well, then the importance of a day spent in the open air trying to ensnare the rainbow, brown or speckled beauties is obvious.

The benefits of such things as the hand tieing of minute lures, the winding and polishing of a rod, the quiet outdoors, the sound of birds and crickets, the sunshine all around you, exercise, anticipation, relaxation and good companionship cannot be measured in grams or international units. But if a man is to work well, maintain his mental equilibrium and live happily he needs these things.

An then the trout—if he catches any—are good for him, too, with their protein, calcium, potassium, iron, and vitamins including A, thiamine, riboflavin and niacin, to say nothing of their flavor.

Just looking forward to trout fishing, talking about it and planning for it, is a morale booster, Dr. Heustis said.

Trout fishing is for fun, he added. Wear boots or waders and clothes which will keep you dry and warm. Take it easy, don't over-do, watch your footing and watch your hooks.

With the possible exception of Herbert Hoover, George Washington was the United States' wealthiest president.

If its news call The Herald.

Big Fireworks Display, July 4

"OLD FASHIONED" FOURTH OF JULY CELEBRATION IS PROMISED HERE

Plans for Tecumseh's Fourth of July celebration are now progressing rapidly under the direction of Louis Schneider, chairman of the Chamber of Commerce committee sponsoring the event.

"It is evident that the people of our trading area look to Tecumseh for what is known as an 'old-fashioned' Fourth of July," Mr. Schneider said, "and our plans are calling for just such a celebration."

Mr. Schneider is developing an hour-by-hour schedule of events which will be published as soon as all events are assured. But among the items which seem likely to be most prominent are:

The most popular feature of all will be the huge fireworks display on the night of the Fourth. The Tecumseh Products Company is again donating this outstanding spectacle for the celebration. "We have been assured by the fireworks company that this year's display will be the most outstanding yet," stated R. W. Herrick, president of the company. "Each year we have secured a thousand dollar combination produced un-

Bible Schools End On Friday

DEMONSTRATIONS FOR PARENTS, FRIENDS TO BE GIVEN IN THE EVENING

Daily Vacation Bible Schools, operated here during the past two weeks by the Methodist, Baptist, Presbyterian and St. Peter's Episcopal churches will come to a close on Friday evening with programs for the parents and friends.

The demonstration and program for the Methodist-Baptist school will be held in the Methodist church at 7:30. The demonstration of the students' handiwork will precede the program. This school has had a total enrollment of 102.

At the Presbyterian church at the same hour, Friday evening, there will be a demonstration and program for parents and friends of students of the school of that church. The enrollment there this year has been 85.

The combined enrollment in the three church schools here this year is nearly double that of a year ago, it was said.

After a successful two week session, the summer vacation school of St. Peter's church will hold a public closing service and demonstration on Friday at 7:30 p.m. Under the direction of Mrs. Richard Preston, assisted by Miss Sandra Judson and Miss Mary Katsoris, the primary children have been learning songs and recitations as well as doing hand work in connection with the general theme of the school. The older children meeting in the church and Youth Center led by the Rev. Allan L. Ramsay, assisted by Mrs. Helen Lasceles and Mrs. Ramsay, have been preparing a course entitled "The Church, The Steeple, The Ministry and People." They have been studying the meaning and use of the church building and equipment, the church calendar, and many other things pertaining to church life.

As part of the handwork they have made model churches, crosses, dolls dressed as church leaders and family members, and have filled notebooks with information and their memory work.

The parents and friends and the general public are invited. Following the service and demonstration refreshments will be served.

GOSPEL TABERNACLE TO BUILD NEW CHURCH

The Gospel Tabernacle has purchased a site on Bidwell St., from Maynard Mulvaney, and will break ground for a new church, July 16. The lot adjoins that on which the present church building stands on North Pearl St.

GETS 30-DAY TERM

Richard Jordan, 24, Clinton, formerly of Tecumseh, was taken into custody here last week by state and local police, charged with contributing to the delinquency of a minor. In Justice Lowe's court in Adrian, Jordan was sentenced to spend 30 days in the county jail.

TRACTOR DESTROYED

A small garden tractor owned by Harold Clark, east of Tecumseh, was destroyed by fire, Friday afternoon at 1:15. Tecumseh firemen were summoned.

Price Of Hair Cuts To Advance To $1, June 19

Butch hair cuts, cropped close to the scalp, may soon be the fashion.

At least two barber shops here announced today that effective on June 19, the price of haircuts would be $1.00 instead of 85c, and that shaves would increase to 75c. Similar prices also will be effective in Clinton, it was said.

Barbers in Detroit already have announced that haircuts there would be $1.25, and that the day before a holiday or on Saturday the price would be $1.50.

Interest Keen In Canadian Trip

COLORFUL CARAVAN TO MAKE JOURNEY TO "SISTER CITY" ON JULY 1

Pounding hard on details, the Chamber of Commerce committee on the trip to Tecumseh, Ontario, is rapidly getting plans in shape. The committee, under the chairmanship of Gordon Garlick, now meets weekly, and the rapidly developing events give promise of a program of more than major proportions.

"Our chief job," said Mr. Garlick, "is to organize the caravan, fill it with colorful items, and then take enough people to Tecumseh to show our Canadian friends how deeply their Michigan namesake appreciates the amazing salute they gave us on the occasion of our 125th Anniversary last year."

As the plans now stand, the caravan is scheduled to leave here about 8:30 in the morning of July 1st. It will be led by Michigan's replica of the Liberty Bell which will arrive in Tecumseh in the middle of the afternoon of the day before.

Dedication Is Attended By 500

ADDITION TO FRIENDS CHURCH FORMALLY OPENED WITH SUNDAY SERVICE

The new $17,000 addition to the Tecumseh Friends Church was formally dedicated on Sunday with two services, one at 3 p.m., the other in the evening. More than 540 persons attended the two programs.

The new addition was named, "Escolme Parlors," honoring the Rev. Edward Escolme, pastor of the church for 32 years. A plaque on the wall of the addition, near the pastor's picture, expresses appreciation "for the loving, tireless labor he contributed to the construction of the enlarged church home."

The Sunday afternoon program opened with orchestra music, a hymn, and the Scripture lesson by Ralph McCarbery, Sunday school superintendent. The opening prayer was by the Rev. J. Edgar Williams, oldest living former pastor. Ralph Comfort sang a solo and a brief historical sketch of the life of the church was given by Naomi Sallows. Greetings to friends were extended by Perry Hayden, and the Rev. Mr. Escolme spoke briefly on the new addition. The dedicatory prayer was by the Rev. Lawrence Linton, a former pastor, and the address was by the Rev. Byron L. Osborne of Cleveland. Vocal music also was furnished by the church choir and girls' chorus.

The Rev. Harold Kuhn, who has spent many years in Germany, speaking at University centers, was the guest speaker at the service in the evening.

The church was banked high with floral offerings for both of the services. The cash offering taken at the morning service will be used for the purchase of 50 chairs for the prayer meeting room.

Rev. and Mrs. Linton enjoyed meeting old friends, and the Rev. Mr. Williams, pastor here 52 years ago, expressed amazement at both the growth of the church and the town.

Dr. Osborne, who gave the main address, graduated with the Rev. Mr. Escolme from Cleveland Bible College. Mr. Williams was his pastor when he was a lad in N. Carolina.

After Another Road Mishap

Photo above shows the condition of a car driven by Beverly Thomas, 69, Clinton, after it had rolled over three times and struck a telephone pole just inside the west village limit on M-50-52, Thursday at 5 p.m. Thomas, with an injured shoulder and leg, was given a traffic summons by police. This accident happened in the area that the township has asked to be a speed control zone. It is one of the most dangerous, and poorly marked sections of highway between Tecumseh and Adrian.

Police To Begin Pick-Up Of Dogs

WILL BE IMPOUNDED IF FOUND ON STREET; $1 A DAY BOARD BILL CHARGED

Police, acting on the instruction of the Village Council, will start this weekend to pick up and impound all dogs found running at large within the village.

Through the cooperation of Geo. Kilbourn, county dog warden, dogs found off their premises will be impounded and a board bill of $1 a day will be charged to the owner. The dog will be kept locally for three days, then transferred to the county pound at Adrian. After being impounded for two weeks, dogs will be given away or otherwise disposed of, it was said.

"We will attempt to contact the owner of any dog we impound," Chief of Police Miles Clark said, "but if the dog is not licensed this may be difficult. Persons who find their dogs to be missing should contact the police at once because they may avoid paying a long board bill."

Warden Kilbourn said that his department had recently received complaints from farmers about dogs killing sheep. One such incident took place last weekend near Seneca. He said that in a search for the dogs, one was shot and the owner of the other animal was ordered to keep the dog tied up on his premises.

REGISTERED LIVESTOCK IS ROTARY CLUB TOPIC

Registered livestock and the value of such a program to the nation's farmers was the topic of an interesting discussion by Dale Dean, manager of Meadowridge Farms, Ridgeway, when he spoke to the Rotary Club here Tuesday evening, following dinner at Legion Memorial Home. Meadowridge Farms, a Jersey project owned by C. M. Brown, recently was the scene of one of the most successful Jersey auctions in the nation. Cattle sold at the auction averaged nearly $1,000 a head, a record in the U. S.

City Softball League Plays Opening Games

The City Softball League got under way Monday evening at Recreation Center.

Five teams have entered the league this year, according to recreation director, Elven Duvall. This allows four teams to play two games each Monday evening with one team drawing a bye. There is still an opening for one team in the city league.

The schedule of games is as follows:

June 19: Jokers vs. VFW, 7:15; FFA vs. Britton, 9:00.

June 26: Tipton vs. Britton, 7:15; Jokers vs. FFA, 9:00.

July 10: VFW vs. FFA, 7:15; Tipton vs. Jokers, 9:00.

July 17: Britton vs. Jokers, 7:15; VFW vs. Tipton, 9:00.

July 24: Tipton vs. FFA, 7:15; VFW vs. Britton, 9:00.

July 31: VFW vs. Jokers, 7:15; Britton vs. FFA, 9:00.

August 7: Britton vs. Tipton, 7:15; FFA vs. Jokers, 9:00.

August 14: FFA vs. VFW, 7:15; Jokers vs. Tipton, 9:00.

August 21: Jokers vs. Britton, 7:15; Tipton vs. VFW, 9:00.

The first team listed under each date is playing as the home team.

Ex-Superintendent Of Clinton Schools Dies

Wright Douglas Moats, superintendent of the Clinton schools from 1937 until 1948, died at St. Joseph's hospital in Ann Arbor, Monday. He became critically ill Sunday and was taken to the hospital.

Mr. Moats' health failed in 1948 and he was ordered by his doctor to resign his position in the school system.

Born April 17, 1893, in Defiance county, Ohio, Mr. Moats received his A.B. degree from Huntington College in Indiana in 1914 and his M.A. from the University of Michigan in 1937. He came to Clinton as superintendent from Waldron in 1937. When he retired he had taught for 35 years.

Mr. Moats is survived by his wife, Clella; five daughters, Mrs. Virginia Woodliff, Mrs. Kathryn Sage and the Misses Vivian, Barbara, and Phyllis, at home; two grandchildren, William and Robert Sage; a brother, B. H. Moats of Sherwood, Ohio; and a sister, Mrs. Geneva Beringer of Defiance, Ohio. A son, William, preceded him in death.

Funeral services will be held at 2:30 p.m., Thursday, in the Congregational church. The Rev. H. R. Sullivan will officiate with burial in the Riverside cemetery.

Village Opens New Offces

PATTERSON HOUSE, JUST SOUTH OF COUNCIL BUILDING IS REMODELED

The Patterson house, just south of the Council Building, purchased some years ago by the Village of Tecumseh, has been remodeled and now houses the offices of the village clerk and the village engineer. The clerk's office is to the left as one enters the front door. The engineer's office is in back of the clerk's office.

When Wade L. Jones was clerk of the village the offices for many years were located in Mr. Jones' office, in the Lilley Bank Building. After last March's election when Robert Kroner became clerk, the offices of the village were moved to the second floor of the Council Building on South Evans street. However, because of cramped quarters and the difficulty some folk had in climbing the long flight of stairs, it was deemed advisable to move into the new quarters.

J. Floyd Elliott, president of the village, indicated today that in the not-to-distant future it also may be possible for the village to open a public rest room in the new village building. However, he pointed out that it first will be necessary to determine whether or not the village has sufficient funds to do the work.

"The repair of our streets this summer, as a result of last winter's destruction, is going to cost thousands of dollars," Mr. Elliott said. "Until we know a little more about how much it is going to take to repair the streets, we will delay our answer on the rest room project."

The old public rest room, maintained for years in the Council Building, was closed and the space given over to offices for the police department. When the rest room was discontinued, it was pointed out that the rooms had been abused, and that the cost of maintenance was much larger than it should have been, had those who visited the rooms used reasonable care and judgment.

WINS $1,000 AWARD

A James Smith, son of Mr. and Mrs. Jack Smith of Tecumseh, a student at the University of Michigan School of Architecture, has been awarded the school's $1,000 cash scholarship award. Mr. Smith will graduate from the school next year.

Local Man Arrested In Theft Of More Than $700

Frank Ingle, 40, of 152 E. Chicago boulevard, pleaded not guilty to a charge of grand larceny when he was arraigned in Justice Robert French's court here. His trial was set for Friday, June 16. He was released on $1,500 bond.

Ingle was arrested on Saturday afternoon by local and state police in connection with the theft of more than $700 from the Tecumseh Recreation, S. Evans street. Police say that they recovered the money and checks from Ingle's parked car, and from a basement near where he resides.

According to officers, the money was taken from the tavern at about 2:30 Saturday afternoon. It was in a cigar box on a counter shelf. Local authorities asked the cooperation of state police and Ingle's arrest followed in a matter of a few minutes.

Township Asks For Speed Zones

BOARD PETITIONS STATE IN EFFORT TO END MISHAPS ON M-50 CURVE

The Township Board of Tecumseh has petitioned the State Highway Department and the Michigan State Police to make an immediate survey of that section of M-50-52 west of the Village limit to Matthews Road, with the idea of making the area a speed control zone. LeRoy H. Titley, supervisor, forwarded the necessary resolutions to the state last weekend, and he believes that the state will take prompt action.

The area is one of the most dangerous along M-50-52 between Tecumseh and Adrian. There are two nasty curves in the route, and one hill. Within the proposed speed zone distance, scores of accidents have happened during the past months and years, three of them within the last few weeks. At the present time highway is poorly marked, there are few road signs, and the curve lines on the pavement are not visible.

The township has in mind the setting up of some kind of speed zone similar to that established on M-52 north of Adrian. That area, too, was the scene of many serious accidents before the zone was established.

It was pointed out today that it will be necessary for the village to cooperate in the establishment of the proposed new zone, probably by proper markings on the area west of Adrian street to the corporation limits. There is another dangerous curve in the route just as it connects with the boulevard at Adrian street, inside the corporation.

Friends Vacation School To Open Monday, June 19

The Daily Vacation Bible School will be held at the Tecumseh Friends church beginning Monday, June 19, and continuing until June 30. Sessions will be held each morning except Saturday from 9 o'clock until 11:30. There will be classes for children of all ages. All are welcome. The school is in charge of Mrs. Loren Kuhn and Miss Elizabeth Escolme.

ASKS EXAMINATION

Geo. Hollingsworth, 52, formerly of Clinton, was arrested in Jonesville last week by state police, charged with uttering and publishing worthless checks. Arraigned in justice court, he demanded examination.

Boysville Is Host To 2,000

OPEN HOUSE ON SUNDAY MARKS END OF SEMESTER AT CATHOLIC SCHOOL

More than 2,000 persons, many of them from widely scattered communities throughout the state, were guests at Boysville, Sunday, as the Catholic school prepared to bring the final semester of the year to a close. The "open house" originally was scheduled from 2 to 5 o'clock in the afternoon but guests began to arrive as early as 10 o'clock, and most of them remained until the closing hour.

Boysville is operated by the Knights of Columbus and is in charge of six Brothers, in addition to two instructors, three maintenance men and a cook. This year, 68 boys were enrolled in grades eight through ten. In addition to their academic training they also receive instruction in manual arts including mechanics and woodworking.

The boys acted as guides at the "open house" and proudly showed the visitors through all departments of the school, including their immaculate dormatories, recreation rooms, school rooms and workshops. They were especially proud when visitors entered their woodworking shop where much of their handicraft was on display.

About 4 o'clock in the afternoon the youngsters staged a rodeo, using the 12 saddle horses that have been donated to the school by farmers in this area. It was a real show, accompanied by western music on loud speakers. Bro-

Expect Crowds At Flower Show

WILL GET UNDER WAY AT 2 P.M., FRIDAY; PROGRAM IN EVENING

The annual Flower Show, sponsored by the Tecumseh Garden Club, will be staged tomorrow (Friday) in the Legion Home, from 2 to 9 p.m. A program will be a feature of the evening and will be presented at 7:45, after which flowers entered in the show will be sold.

The judges for the purple ribbon award will be Mrs. W. H. Barton, Mrs. Leland Miller and Mrs. Clinton Leonard, all of Lansing. Judging the arrangements and specimens will be Mrs. C. L. Holm of Dearborn, Mrs. George Kothe of Inkster, Mrs. W. J. Bonstead of Detroit, Mrs. John Burke of Battle Creek, Mrs. L. Ingerson of Battle Creek and Mrs. A. L. Waite of Dearborn. All these women are state accredited judges. After the judging is completed, the judges and committees will be entertained at the Tecumseh Country Club for luncheon.

All persons except the show chairman, the judges and clerks will be excluded from the show while the judging is taking place. Entries are to be made by 10 a.m. Any made later will not be judged. There will be sections for the general public, men only, junior gardeners, and Brownies. The public is urged to make entries, or, if that is not possible, to visit the show sometime during the day or evening.

Mrs. Clarence Beach is general chairman of the show and is being assisted by chairmen Mrs. Nell Pearson, Mrs. Al Helzerman, Miss Anne Carson, Mrs. Charles Kempf, Mrs. O. W. Laidlaw, Mrs. Thomas O'Hara, Mrs. Morris Miller, Mrs. L. W. Larsen, Mrs. Joe Rice, Mrs. George Witrup and Mrs. Kennard Wise.

Bus Service To Monroe To Be Started, June 22

Direct bus service between Monroe and Adrian, via Dundee and Tecumseh will be started Thursday, June 22, by Short Way Lines, Inc. of Toledo, Ohio.

Three trips daily will be operated in each direction and will serve Ridgeway and Britton, en route.

Connections will be made at Tecumseh Junction for Jackson, Lansing, Battle Creek and other western Michigan points. This will shorten the traveling time to these points.

Service has been needed very much between Tecumseh and Monroe as under present schedules it is necessary to travel either via Ann Arbor or Toledo, which consumes much valuable time and costs more than under the proposed direct route.

All trips will carry package express which has proven to be a very popular service for merchants and others.

Buses will leave Tecumseh for Monroe at 10:05 AM, 3:50 PM and 8:05 PM and will leave Monroe for Tecumseh at 8:20 AM, 2:30 PM and 6:10 PM.

FREE RECREATION PROGRAM PROVIDES FUN FOR YOUNG AND OLD

Swimming, Softball, Golf And Movies Available To All The Public

Tecumseh's summer recreation program will open Monday, June 19, Elven Duvall, director, announced this week. A varied schedule of activities for children and adults, including swimming, softball, archery, a free movie every week, tennis and golf tournaments, has been planned for the summer months.

Swimming and life-saving instructions will be offered at the spring-fed Lake Tecumseh, better known as "The Pit." TheMisses Dorothy and Louise Bowen will conduct classes for age groups from four years to 104, and adults are especially urged to "get in the swim." The instructions are free of charge, but a fee of fifteen cents is necessary for the maintainance of equipment at the lake. All interested in swimming classes are asked to sign up Monday, June 26, at nine o'clock in the morning. Adults may sign up at their convenience.

The Tecumseh Child Study Club is co-sponsoring a well planned story hour for the younger set in cooperation with the recreation council. Chairman Reva Raymond is working with Miss Ruth Harding, librarian, to make this year's story hour a success. Two sections will meet in the basement of the library once a week for eight weeks, beginning Wednesday, June 21. The pre-school group, three through five year olds, will meet from 2:30 to 3 p.m., and the elementary group, six through ten year olds, will meet from 2 to 2:30, every Wednesday. For the excellent entertainment and educational values for the children, mothers are urged to have their children attend the summer story hour meetings.

The softball program is already moving along under a full head of steam, according to Mr. Duvall. Every Thursday evening six softball teams from the Tecumseh Products League participate in three games, the first starting at 6:15 p.m. The city league opened Monday, June 12, with five teams playing two games an evening.

Tecumseh residents are privileged in being able to see the Tecumseh Merchants baseball team play some of the best teams in southern Michigan. The Merchants ball club has a league schedule of fourteen games with a home game every other Sunday afternoon. The squad is being managed and coached by Grenval Spangler.

"Mike" Hite and "Hal" Hall, two of the top archers in the state, have volunteered to provide archery instructions and practice for senior high students and adults. Mr. Duvall urges adults to try this sport, as a tremendous field is opening up in bow and arrow deer hunting. Instructions are free and will be given Tuesday and Thursday of each week from 7 to 8:30 p.m.

Tecumseh merchants and the Recreation Council are co-sponsoring a community free movie every Wednesday evening at Recreation Center. A feature picture, one cartoon, and a serial will make up the program. Everyone is invited to attend.

Tournaments in tennis and golf for teen-agers are being planned and all interested are asked to contact Mr. Duvall and sign up. If sufficient interest is shown, pairings will be drawn up and published showing opponents and time of matches.

Horseshoe pits are being set up on the playground by the tennis courts and will be available to everyone.

Every afternoon from 2 to 4, Mr. Duvall will conduct a recreation period for elementary and junior high students. The playground across from the Central school will be the scene of operations. Some of the activities available will be outdoor basketball, volleyball, schuffleboard, horseshoes, tennis, softball and baseball.

In making the announcement, Mr. Duvall reminded residents that these activities are free of charge and open to every resident in this area.

Why Does a Community Grow?

Tecumseh leads county in population increase!

That was the headline in last week's issue of The Herald. In a short sentence of six words it announced that in all of Lenawee county, no other village or city showed as decided an increase in the number of residents as did Tecumseh. The percentage of gain, 27.1% to be exact, was figured over a 10 year period, 1940 to 1950.

Today, according to the preliminary U. S. census figure, Tecumseh has a population of 4,006. That is an increase of 1,085 over the 1940 census figure of 2,921. It is conservatively estimated that "greater Tecumseh," which includes the village's fringe subdivisions, has a population of 5,000 or more. Actually, then, Tecumseh's gain in the past 10 years was in excess of 2,000. And that is Tecumseh's true gain because 10 years ago there were no fringe subdivisions.

In studying this 10-year growth it is only logical to ask: "Why has Tecumseh grown?" And, if the question were to be answered by a resident of the village, his or her answer might be different than the answer given by a non-resident. What, then, is the difference?

We suspect that should you ask the first 10 people that you meet why Tecumseh nearly doubled its population in the past 10 years, nine of the 10 would tell you that it was due to the ever-increasing growth of Tecumseh Products Co. And that, probably, is the true answer, because the growth of Products has been the compelling influence. It would be extremely difficult for a town to stand still in size, when within its limits is a factory that has steadily pushed up its employment to some 3,000, and its payroll to $1,000,000 a month.

But that is the answer of a Tecumseh resident. The non-resident might answer the question by asking another: "Why, with a factory employing 3,000 people and a payroll of $1,000,000 a month, isn't Tecumseh's population 10,000 or 12,000?" A well-informed non-resident knows that a community, in round numbers, should be at least four times its total employment.

It then might become necessary for the Tecumseh resident to explain that less than 900 of the 3,000 employed at Products live here, and that more than 2,000 employees drive here to their work each day, some from as far away as Ohio. It might be necessary, too, just to keep the record straight, to explain that despite the fact that Tecumseh has lead the nation on a per capita basis in home building in the past three years, that it still is a long way from meeting the needs of potential residents. It should be told, too, that houses to rent—even two room apartments—are as scarce as hen's teeth.

That, briefly, then is the reason why Tecumseh has nearly doubled its population in 10 years, and it is also the reason why it does not have a population of 10,000 or more. The only way that Tecumseh can continue to grow—and it must grow if it is to keep pace with its industry—is to build more houses. People demand a place to live, and there are at least 6,000 or 8,000 people living elsewhere who are obtaining their livelihood in Tecumseh.

The fact that Tecumseh is supporting another community much larger than its own seriously affects Tecumseh, economically. The fact that out of every $12,000,000 that Products produces in payroll $8,000,000 or more goes elsewhere is not a desirable condition. If ALL of Products' payroll remained in Tecumseh its residents would be spending $12,000,000 instead of $4,000,000, and its business district would be doing three times as much in volume sales as it is today. There would be more tax revenue, too, for the support of government, our schools would benefit, and all of us would be better off.

The fact that Tecumseh is the fastest growing community in Lenawee county is, as we see it, a challenge. Tecumseh is on the threshold of opportunity — of greater things. We have the need for more houses, there are hundreds and hundreds of people who would like to live here but they can't find a place to house their families.

Will we continue to grow as much in the next 10 years as we have in the past 10 years? It is up to us, the residents of Tecumseh. Particularly, it is up to the men in business and in industry, to the Chamber of Commerce and the service clubs.

Tecumseh has the need for greater growth. Will it meet its challenge?

TECUMSEH to TECUMSEH NOTES

We have been hearing occasionally that Tecumseh can't stage a Fourth of July Celebration because that is the day we are going to Canada. Let's not get mixed up. The trip to Tecumseh, Ontario, is on Saturday, July 1. The Fourth of July is the following week. The two events are close enough to give the Chamber of Commerce a lot of work this coming few weeks, but the two events do not take place at the same time!

* * * * *

Round trip bus tickets go on sale today. Scores of people prefer the bus ride and a very reasonable price has been offered. The price is $2.50 per person and includes the bride tolls. Tickets are on sale at Wright's Drug Store, Hodges Drug Store, The Products Union Office, the V.F.W., the American Legion, and the Chamber of Commerce. They will also be on sale in Britton and Clinton. Tickets must be purchased by Saturday, June 24th in order to reserve the busses.

* * * * *

Another item about which many of our citizens seem to be concerned is the distance involved in the trip to our sister town. "Canada," they seem to think, must be a long ways away. As a matter of fact, Tecumseh, Ontario, is only nine miles from Windsor, and 72 miles from Tecumseh, Michigan. You often make longer drives than that on a Sunday afternoon.

* * * * *

Folks who recall the Britton long rifles in the Tecumseh Echoes celebration a few years ago, will be pleased to know that they are going to make the trip with us. The organization had disbanded, but this seemed like a fine promotion for them to get together again. They'll be in their frontier costumes, powder horns, and all.

* * * * *

Our Canadian friends have some skillful and enthusiastic trap shooters. Hence, a popular feature of the afternoon of the first of July will be a trap shoot—Tecumseh vs. Tecumseh. Vic Humble has his team nearly complete and it is made up of some excellent shots.

* * * * *

Large numbers of the Canadian visitors last year took advantage of the picnic tables in our parks and brought their lunches with them. Mayor Scott of our namesake town tells us that there will be plenty of picnic tables over there. If you want to take your picnic basket you'll find the facilities excellent.

* * * * *

Last week we reported that in our desire for 40 et 8 box cars, we had ended with two — one from Lenawee County and one from Jackson. Now the same thing seems to be happening with German bands. Glenn Driscoll has been working on one. Red Wilson has his eye on another, and Chuck Butler is pursuing a trail with still another possibility.

R. W. Herrick also has some ideas for the caravan. There will in all likelihood be a Products float in the caravan, and there may even be souvenirs in commemoration of the day. It was Mr. Herrick who started Red Wilson after one of the German bands.

* * * * *

Several local organizations have shown an interest in chartering their own bus, with appropriate banners for the trip. If your organization is making such plans, let the Chamber of Commerce know. They'll be able to give you the proper information concerning the bus.

* * * * *

Are you scared about the "red tape" of entering Canada? Be assured. If you drive you'll need your registration certificate. If you are foreign born or a naturalized citizen you'll need proof of citizenship. The red tape practically is non-existent. Watch this column for a listing of the few, simple details.

ASSOCIATION TO MEET

A meeting of the Presbyterian Women's Association will be held Wednesday evening, June 21, at 8 o'clock. The Presbyterian League with Mrs. Hoyt Raymond as leader will be in charge of the program. Mrs. Charles Kempf is chairman of the refreshment committee.

TO MEET TODAY

The Past Presidents of the Tecumseh Monday Club will meet today, June 15, at the home of Mrs. Maynard Mulvaney, 303 W. Chicago Blvd., at 7:30 p.m.

R. R. CAR ENTERED

Police are investigating the breaking and entering of a N.Y.C. railroad car in the freight yards here, Friday, by boys. A quantity of aluminum strips were reported stolen.

MACON

Mrs. Fred Healey has returned to her home in Jackson after visiting her sister, Mrs. Effie Kuder and other relatives.

LUNCHEON AT CLUB

At the Ladies Day Luncheon at the Tecumseh Country Club on Wednesday, June 7, 26 women were seated at tables decorated with iris and other spring flowers. Most of the women played golf afterward, but three tables were arranged for bridge and canasta. Honors were awarded at bridge to Mrs. Paul Ammer, and at canasta to Mrs. Paul Breitenwischer. Mrs. M. G. Partridge and Mrs. Ray Schlegel asted as hostesses. Hostesses for the luncheon on June 21 will be Mrs. Gibbs Barber and Mrs. Seymour Barritt. Reservations must be made by Tuesday.

AUXILIARY MEETS

The Herrick Memorial Hospital Auxiliary met Tuesday evening at the Fellowship Center of the Presbyterian church for a potluck supper at 6:30, after which a meeting was held. The hostesses were Mrs. Robert H. Moore, Mrs. Hugh Andrews, Mrs. A. W. Porter, and Mrs. Ned Baldwin.

An experience of 33 years in our profession is at your service.

A Dear Heart

From where I sit ... *by* Joe Marsh

Oh—My Aching Feet!

Other night just as I was settling down with a book and a mellow glass of beer, the wife calls down, "Joe—I almost forgot—you and I are going over to the High School and take dancing lessons!"

Now, I can waltz with the best of them, so I put up a quiet struggle against going but it was no use. Turns out it was the class in square dancing. And from the look on some of the other men I judged I wasn't the only one there who had been taken by surprise!

Miss Williams and Curly Lawson taught us what to do with our feet, and before it was over, darn if I wasn't actually enjoying myself. Going back next week, too!

From where I sit, we sometimes get an idea into our head for or against something and then hang onto it for dear life. Whether it's square dancing, or the right to enjoy temperate beer or ale now and then, we owe it to ourselves as Americans to take an open-minded attitude — that's even *after* we make up our minds about it!

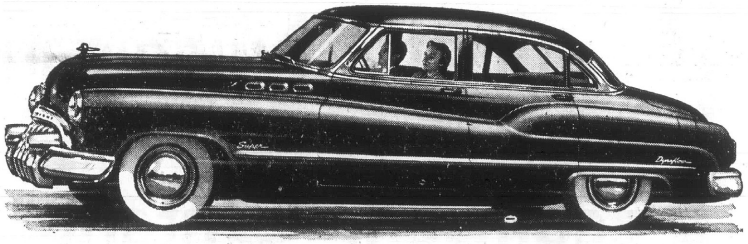
How SMOOTH can a ride be?



THAT'S a question well worth answering before you settle on your next automobile.

For what fun is there—what thrill—in a car that is prisoner to the city streets, slowed down by roads a Buick is built to take in stride?

So we'd like to show you just how much smoothness your money can buy. How levelly you float over cobbles and car tracks—over rutty gravel and wavy black-top—in this stunning traveler.

The car will be any Buick you prefer—SPECIAL, SUPER or ROADMASTER. *You* can name the place—pick a spot or a stretch you know so that you can measure Buick's smoothness against your own experience—and we'll promise you a new sensation in riding comfort.

The time can be any time you want to arrange with your Buick dealer—who is ready to show with actual figures that "if you can afford a new car you can afford a Buick."

See him, will you, and treat yourself to some real comfort?

Only Buick has Dynaflow* and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • ***NEW-PATTERN STYLING,*** with ***MULTI-GUARD*** forefront, taper-through fenders, "double bubble" taillights • ***WIDE-ANGLE VISIBILITY,*** close-up road view both forward and back • ***TRAFFIC-HANDY SIZE,*** less over-all length for easier parking and garaging, short turning radius • ***EXTRA-WIDE SEATS*** cradled between the axles • ***SOFT BUICK RIDE,*** from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • ***WIDE ARRAY OF MODELS*** with Body by Fisher.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

The annual tea of the W. S. C. S. will be held at the Methodist church, Thursday, June 22. Program at 2 p.m.

A capacity audience was present at the Sunday school hour Sunday morning for the annual Children's Day program which was given at the Methodist church. The pianist was Mrs. Lois Hagan. The musical part of the program included the following: a piano solo, "Moonlight Waltz" by Betty Hawkins; group singing, "A Sunbeam," by the primary department; group sing, "Brighten the Corner," by Betty Hawkins, Cheryl Mickel and Judy Crittenden; song, "Jesus Loves Me," by beginners and kindergarten classes; song, "Friends, Friends, Friends," by primary department; song, "Give Your Best To The Master," by Mrs. Hall's class of girls and accompanied by Mrs. Hall; recitations and readings; "The Signal," by Richard Moore; "Our Day," by Susan Frost; "Work for Jesus," by Beth Ayres; "Two Clocks," by Kendra Frost; "Light A Lamp for Some One," Brenda Bugbee; "Like Jesus," Raymond Howell; "Full Speed Ahead," by Ronald Lemerand; "Questions for Every One," by Judy Hawkins. The school sang the Birthday Song for Mrs. Mary Gillen, "The Lord's Prayer" was repeated in unison, collection was taken up by Billy Swanston, Truman Jordan, and Dean and Donald Moore. Following a few remarks by Clarence Hall, superintendent, the program was closed with singing, "This Is My Father's World," by the assembly with Mrs. Ralph Halladay at the piano. The church was decorated with many beautiful flowers.

The Lenawee County Library Bookmobile will be in Macon at the Community church from nine until twelve Friday morning (June 16). There will be 1700 books for both adults and children, and Jack Charters, Bookmobile librarian, will have a story hour for the children at ten o'clock. All books are of course free to read, for any resident of Lenawee County.

ONE Look

Yes, a look will show you why it's Ford for Fashion, again for '50! Once again Ford's modern styling earned it the Fashion Academy's coveted medal as "Fashion Car of the Year." No other car at any price has received such an honor 2 years in a row.

"It's the Fashion Car of the Year!" "And it costs so little to buy!"

ONE Listen

You can hardly hear the '50 Ford's powerful V-8, or its compaision in quality, the 95-h.p. Six—both are "hushed" to a whisper. Your ride is quiet, too, because "sound-conditioning" throughout Ford's roomy and sturdy "Lifeguard" Body keeps noise out!

"It's so quiet." "You can hardly hear it run" "And you go so far for so little money!"

ONE Ride

One "Test Drive" and you'll know the luxury comfort of Ford's "Mid Ship" Ride . . . the safety of its "Lifeguard" Body and King-Size Brakes . . . its big car roadability. BEER
AMERICA'S BEVERAGE OF MODERATION

The American Way

In Michigan the game of golf is gaining in popularity every year. It's a healthful, companionable game. And it's "The American Way," after reaching the 19th Hole to relax and enjoy a cool, sparkling glass of Michigan brewed beer.

For beer is the kind of beverage Americans like. It belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. Beer Belongs . . . Enjoy It

Scouts To Hold Camporee Soon

DISTRICT GET-TOGETHER WILL BE AT BLISSFIELD ON JUNE 16 AND 17

The Wolverine Council of the Boy Scouts of America will hold a district camporee at Ellis Park in Blissfield, Friday and Saturday, June 16 and 17. The camporee committee is composed of R. Knight, chairman; Dr. Robert Laidlaw, Clifford Webster, James T. Close, Jack VanSchaick and Paul Wright.

The troops are scheduled to arrive at the park at 5 p.m., to set up camp. At 6 each troop will plan its own activities and a camp fire with stunts and songs will be enjoyed at 9. Taps will be sounded at ten.

Rising early on Saturday morning, the Scouts will eat breakfast at 7:45 followed at 9 by camp "gadet" time, which is dressing up the campsites. At 10:15 preparation will be made for the parade, which will begin at 10:30. Camp inspection at 11 will be followed by dinner at 11:30. A Gold Rush will begin at 1:30 and clean up at 4:30. After supper, the boys will break camp at 6 p.m., and the public is invited to watch this. At 7 p.m., the Scouts will prepare for the formal retreat; at 7:15 a campsite inspection will be in order; at 7:30 awards will be presented and retreat will follow at 8, after which the boys will head for home.

Troops should know tenderfoot, second and first class requirements and especially the following: water purification methods, knot tying, maping, first aid, tent pitching, tracking and judging.

Troops should bring the following items: Scout handbook, four Scout axes, four knives, four files and whetstones, six jackets, two packsacks, three silva compasses, eight sheets of 8½ x 11 paper, notebook, pencils, neckerchiefs, one per man; first aid kit, 5 ft. to 6 ft. length rope, one per man.

Proposed Sanitary Code For Lenawee Explained

This is the third in a series of four articles published by the Lenawee County Health Council in regard to the County Sanitary Ordinance.

QUESTION: What would the proposed Sanitary Ordinance involve; that is, what part of sanitation would it be concerned with, and who would be the people most affected by it?

ANSWER: The proposed ordinance would involve only that part of sanitation dealing with sewage disposal. That is, any person affected by the code would be required to comply with certain standards in regard to the building and location of the septic tank and tile field. These standards have been recognized for years by the Federal Housing Authority, and recently by the Veterans Administration. Prior to the approval of a loan by either of these agencies, it is necessary to secure approval of the sewage disposal system and water supply. Of course, this applies only to those places not served by a city system.

Persons affected by the ordinance will be those building upon parcels of land of less than two acres, or where the house is less than 150 yards from any other house, food establishment, or public building. This will affect mainly those building in subdivisions, rather than the person on a farm.

Hidden Lake Gardens Scene of D. A. R. Picnic

The Abi Evans chapter, Daughters of the American Revolution, had their annual picnic Friday at Hidden Lake Gardens with Mrs. O'Rourke. After a 1 o'clock picnic luncheon attended by thirty-four members and guests, the group enjoyed a tour of the gardens and greenhouses.

At this time a committee in charge of a rummage and baked goods sale for fall was named. On this committee are Mrs. O. W. Laidlaw, Mrs. B. O. Bashore, Mrs. Fay Whelan, Mrs. W. J. Penman, Miss Ethelyn Garlinghouse, and Miss Isabel Tripp. Mrs. Louis Schneider, regent, appointed as program committee for the coming year, Mrs. A. H. Brown, chairman, Mrs. F. C. Dickinson, Mrs. Neil Pearson, Mrs. Francis Stone, Mrs. C. H. Williamson, and Mrs. George Wittrup.

The chapter also met Tuesday for a 1 o'clock luncheon at the Country Club on Horton Road at Jackson, as the guest of the Sarah Treat Prudden chapter, D.A.R.

This was the closing meeting of the D.A.R., with meetings being resumed in September.

Boysvillels

(Continued from Page 1)

Carlos Dolan, riding instructor, was genuinely proud of the skill displayed by the lads.

Beginning today, most of the boys at the school will return to their homes or to homes of friends for the summer vacation. They will, however, anxiously await the reopening of school in September.

Boysville, a 2-year-old school, at Macon, is in charge of Bro. Hilarion, formerly of Milwaukee, and a specialist in boys' work. It is the policy of the school to accept boys with problems, rather than problem boys, and the school motto is, "It is better to build a boy than to mend a man." Like Boystown in Nebraska, Boysville does not believe that there are any bad boys.

"Our boys are not problems," Bro. Hilarion said, "but all of our boys do have problems. It is our job to help them in any way that we can." Broken homes, death of one or both parents, and sickness present many boys' problems. Last year, the school selected its 68 boys from an application list of more than 200. This year, the school hopes to increase its enrollment to 84. Its application list will be even longer.

Bro. Hilarion hopes that a gymnasium may be built at the school within a year, and another dormatory added. When this is done, enrollment of about 125 boys will be possible. Next year, boys between the eighth and eleventh grades will be accepted and the following year the twelfth grade will be added. All boys come from Michigan. Then, it is hoped, the school will be accredited by the North Central Association. Ultimately, it is hoped to build the school enrollement to about 300.

The school is located on land formerly owned by Henry Ford and many of the buildings used were Ford buildings. There is 130 acres of land in connection, and it is planned to raise much of the school's meat, including pork and beef, and garden crops. Grain and hay crops are marketed.

During the vacation season, Boysville will operate two summer camps for mutes—boys and girls who do not hear or speak. A group of girls will come for a two weeks' stay starting June 26 and later there will be a group of boys. This project was started last year and won nation-wide attention.

Kindergarten Children Need To Visit Doctor

Children who will be entering school this Fall for the first time should be examined by their family physician and dentist and have all physical defects corrected before school opens in the Fall, Pearl M. Haist, supervising nurse of the Lenawee county health department, said this week. The children also need to be protected or immunized against whooping cough, diphtheria and vaccinated for smallpox. This means complete protection, not just one inoculation but the complete series, and parents are urged to have the immunizations on their children started now.

Children who have had these immunizations early in life need a booster dose before entering school and a re-vaccination. The county will again pay the physicians for immuning children whose parents are not able to provide this service.

Forms for the doctor to fill out regarding physical examinations and immunizations have been given to the parents by census takers, P.T.A., or the school, and when these are completed by the doctor they will be taken to the school when the child enrolls next Fall. Any parents who do not have a form may secure them by writing to the County Superintendent of Schools in the Court House, or the County Health Department, 119 W. Church St., Adrian.

and Detroit city police the caravan will head for the Ambassador Bridge. The Liberty Bell will be followed by official cars and items which will take part in the parade in Canada.

Among these will be color guards furnished by local veterans' organizations, the high school band, 40 et 8 box cars from Lenawee and Jackson counties, the veterans, the veterans' auxiliaries, German band, Britton rifle club, Products Union clowns, and others that are developing daily.

The caravan will be met at the Ambassador Bridge by the Canadians for brief ceremonies. Then, under escort of the Ontario Provincial police they will set out for Tecumseh. There our veterans will lay a wreath on their Memorial.

Following this there will be a parade to Memorial Park. During the noon hour there will be welcoming ceremonies and a recess for lunch. In the afternoon there will be a ball game with the Tecumseh, Michigan, Merchants taking on the Tecumseh, Ontario, Chieftains. At the same time there will be a trap shoot, Tecumseh vs. Tecumseh.

In the evening there will be novelty sport contests such as egg throwing contests, three-legged races, sack races, etc. — Tecumseh vs. Tecumseh wherever possible.

There will also be music and a fireworks display.

Among other interesting features will be the presence of red coated Royal Canadian Mounted Police, the Chatham Canadian Legion Bagpipe band which was the great feature of last year's event, the Assumption College band, and the presence of dignitaries representing the state of Michigan and the Province of Ontario.

Mayor Tom Scott of Tecumseh, Ontario and Chairman Garlick of Tecumseh, Michigan, give every assurance that Tecumsehites on both sides of the "crick" will long remember July 1, 1950.

The annual district plowing contest which each year attracts some of the leading 4-H Club contestants from the area will be staged here again. In addition to this there are plans being made for a kiddie and pet parade in the afternoon. There will be a number of children's races and sports and some free acts on the Fourth.

The W. G. Wade Shows will set up their rides on Chicago Boulevard on the third and some events are being planned for that day, chief among them being an outstanding wrestling card in the evening.

"Watch for details," Mr. Schneider states. "The big Canadian trip will be over, and we are going to show the public that Tecumseh is big enough and energetic enough to follow right up with another great promotion for the pleasure of our citizens and neighbors."

Program Announced For Vesper Service, Sunday

Unusual interest is centered on St. Peter's Episcopal Church, Tecumseh, next Sunday evening, June 18, because of the nation-wide regard for the superb voice of Fred Kendall of Radio Station WJR of Detroit. Mr. Kendall appears as guest artist with St. Peter's choir in a Vesper Service of Music at 5 p.m. and has prepared a program of unusual character and beauty. Guest organist on the same program is William A. Fox of Church of the Messiah, Detroit, and a staff organist at Radio Station WJR.

Mr. Kendall will sing "Consider and Hear Me" by Alfred Wooler, and "My God, My Father" by Frank Wrigley, both songs of melodic and spiritual beauty. He will also sing the Recitative and Aria from "Elijah" by Mendelssohn, and will close his program with the familiar hymn "Abide With Me."

Mr. Fox offers a rich and unusual program. "Christ's Entry into Jerusalem" by Saxton, "Toccata in G. Major" by T. H. Dubois, and "Marche Religieuse" by Guillmant are among the finest religious organ compositions the world knows.

This Vesper Service is a special evening service of worship at St. Peter's Church, and all are welcome. There are no tickets nor admission. The regular offering of this service will be applied toward vestments for the Junior Choir. The choir of St. Peter's church is proud to present these very fine artists as it's part in bringing the world's finest religious music to Tecumseh.

Girl Scout Officers Named At Annual Meet

The Tecumseh Girl Scout Association held its annual meeting at the Scout Cabin Wednesday evening, June 7, re-electing Mrs. Elven Duvall president for the coming year. Mrs. Truman Rentschler was elected vice-president; Mrs. Ben Standen, secretary-treasurer, re-elected; Mrs. Lyle Grigg, corresponding secretary; Mrs. Hoyt Raymond, registrar; Mrs. Raynor Ross, custodian. The nominee for office of supply secretary, Mrs. Howard Wick, withdrew her candidacy and that office will be filled in September.

Annual reports were given by the retiring officers, Mrs. Grehval Spangler, vice president, Mrs. Rentschler, supply secretary, Mrs. Robert Manchester, registrar, and Mrs. Raymond, custodian. A report on the Court of Awards and the uniform fund was given by Mrs. Owen Partridge and Mrs. Raymond reported on the bazaar. Reports on the activities of each troop were given by the leader, and Mrs. Duvall summarized the year's activities for the association.

Mrs. Ben Standen, treasurer, reported receipts for the year of $966.59, leaving a balance June 1 of $663 89.

Meetings of the association will be resumed the first Wednesday in September.

Miss Evelyn Murphy Weds Donald A. Baker

Miss Evelyn Mae Murphy, daughter of Mr. and Mrs. Lavern Murphy of Tecumseh, Rt. 2, and Donald Arthur Baker, son of Mr. and Mrs. Claude Baker of Northville, were united in marriage Saturday evening, June 10, at 8 o'clock, at St. Peter's Episcopal church, by the Rev. Allan Ramsay.

The bride was attended by Mrs. Jean Pace, matron of honor, Verna Gail Murphy and Helen Petrovich, bridesmaids, and Irene Marie Murphy, junior bridesmaid. Proctor Pace acted as best man.

Immediately after the wedding, a reception was held at the Legion Memorial Home with about 130 guests in attendance.

For their wedding trip, Mr. and Mrs. Baker went to Toronto, Canada.

The bride is a graduate of Tecumseh high school in 1947, and is employed at the Cameron Drug Co. The groom graduated in 1948, from Northville high school and is employed at the Monroe Ford plant.

A&P SELF SERVICE

Local—Clubs—Social ACTIVITIES

Mr. and Mrs. Robert Allen and daughter Anita entertained recently in honor of their daughter and husband, Mr. and Mrs. Robert Hoag, who have returned to Michigan from Lincoln, Nebraska, and who were celebrating their birthday anniversaries. A lovely decorated birthday cake and ice cream were served to the guests, among whom were Mr. and Mrs. Clifford Wolf and son Larry of Tecumseh, Mr. and Mrs. Gordon Gove and children of Tipton, Mr. and Mrs. Gus Wellnitz of Tipton, Mrs. Clara Hoag, Donald, Paul and Esther Hoag of Belleville, and Mr. and Mrs. George Elstrom of Adrian. A wire recording of the church wedding of Mr. and Mrs. Hoag was enjoyed and a surprise recording of the birthday party was cleverly made by Clifford Wolf and played back. Mr. and Mrs. Hoag received many nice gifts.

Callers in the home of Mr. and Mrs. Carl Burch on Sunday were Bernard Richmond, Mrs. Minnie Hague, and Mrs. Ray Lewis of Ann Arbor.

George Zimmerman of Owosso spent last week at the home of Mr. and Mrs. Henry Campbell. Other guests at the Campbell home were Mr. and Mrs. Myrl Campbell on Saturday and Mrs. Walter Miller and children who called on Sunday evening.

Lois and Mary Morse of Delton, Mich., are guests this week of their uncle and aunt, Mr. and Mrs. Marion Morse and son Jimmy.

Evelyn Beland, daughter of Mr. and Mrs. Charles Beland, and Mary Wing, daughter of Mrs. Elizabeth Wing, are among those ill with the measles.

Mrs. Delia Carpenter returned Tuesday from Tampa, Florida, after spending the winter there.

Donald Carlson was home from Chicago for the weekend to visit his parents, Mr. and Mrs. L. A. Carlson.

Mrs. Harry Creger underwent a major operation at Bixby hospital, Adrian, on Wednesday.

FARM IS SOLD

Frank Buck announces the sale of Bittersweet Farm, located on Green Road, to Mr. and Mrs. Austin Partridge of 209 N. Pearl St. In the deal, Mr. Buck takes the Pearl street house and the two moves will be made about July 1. The Partridge house was formerly owned by Mr. Buck before his move to the farm.

TO ATTEND GAME

The Tecumseh F.F.A. plans to leave Friday for Detroit, for a night baseball game. This is the substitute for their annual trip that they usually make during the summer. Twenty-four boys will leave by bus accompanied by David Locke, instructor, who has sponsored the trip every year since he has been here.

BANDITS ROB WOMAN

Upper Marlboro, Md.—Two bandits, wearing combination false nose and eyeglasses, held up Miss Peggy Miller, daughter of the store owner, and escaped with approximately $3,000 in cash and checks. A clerk Ellsworth Thomas, 38, who entered a side door at the same time the gunmen was ordering Miss Miller not to move, was grabbed and thrown to the floor.

The first United States Census was taken in 1790.

Use Our Pre-tested Seed For "Second Plantings"

When you make "second plantings" in your garden this year, radishes, peas, beans, etc., be sure that you plant our pre-tested seed.

That's the best way that we know of to convince you that pre-tested seed is the only kind of seed that ever should be planted. It grows faster—catches up with the weather.

We've sold pre-tested seed for years. And each year our customer list grows longer. Do you know of a better recommendation for quality?

Miss Lencre lone L arsen, Bride Of Clinton Mark O'Jibway

Miss Lenore Ione Larsen became the bride of Clinton Mark O'Jibway of Ferndale, Saturday morning in St. Mary's Catholic church, Jackson, with the Rev. Fr. Joseph Green officiating.

The bride is the daughter of Mr. and Mrs. John Larsen of Jackson, formerly of Tecumseh, and the groom is the son of Mrs. Jack Burnett of Ferndale and the late George O'Jibway.

Miss Larsen chose a gown of chantilly lace and satin featuring a fitted bodice and long sleeves. A satin border on the skirt extended into a circular train. A cloche of braided satin tubing held her fingertip illusion veil. Her bouquet was of lilies of the valley and white carnations.

Mrs. Jack Larsen, sister-in-law of the bride and matron of honor, was gowned in yellow with a matching picture hat and cascading bouquet of white daisies.

Miss Rae Nita Larsen, sister of the bride, and Miss Mary Lou Carlson of Tecumseh acted as bridesmaids. Their turquoise gowns and hats were fashioned identically to those of the matron of honor. They carried yellow daisies. Margarite Ann de Neergaard of Tenafly, Ney Jersey, assisting as flower girl, wore a white frosted marquisette dress over yellow.

The bride's mother was gowned in beige rose crepe with navy accessories and a corsage of lavender orchids. The groom's mother wore a navy dress with navy and white accessories and also chose a corsage of lavender orchids.

A buffet luncheon and reception was held after the ceremony at the Cascade clubhouse.

For a wedding trip through northern Michigan, the bride wore a cinnamon linen cape dress with brown and white accessories. Her corsage was of white orchids.

The bride attended the Tecumseh schools, and is a graduate of Ann Arbor high school and Jackson Junior College. The bridegroom was graduated from St. James high school, Ferndale, and attended the University of Detroit. He is a senior at Michigan State College. After June 17, they will reside at East Lansing.

TANK FLATTENS 2 CARS

South Haven, Mich.—During an Armed Forces Day demonstration, a Sherman tank, which, to the Army is considered just a "light" model, went out of control after swerving to avoid hitting a car backing out of a parking place, and squashed a pickup truck and then plowed on into a line of parked cars, flattening one and badly damaging three others.

Local Police To War On Unsafe Vehicles

Chief of Police, M. E. Clark, today announced that the village of Tecumseh has joined with the State Safety Commission in conducting an all-out drive against unsafe vehicles during the month of May.

The motoring public is being thoroughly informed of the dangers of unsafe brakes and other equipment through an intensive public educational program in newspapers, over the radio, in motion picture theaters and by safety posters, leaflets and stickers, he said.

Last year's increase of 9% in the number of vehicles and 6% in the traffic volume in Michigan make it even more important than ever for every driver to have a safe car which will help him to see better, stop quicker and keep his car under control, according to Chief Clark.

Pointing out that last year, in a similar safety program, the law enforcement agencies of Michigan checked the brakes on over 100,000 cars and found a high proportion in unsafe condition, the chief said, "All motorists are urgently requested to cooperate on this important safety program by having their cars checked at their regular service station. Our department will check the brakes of all cars stopped for traffic violations."

Now That School Is Out, Watch Out For Children

A million Michigan children — glad in the freedom of school let out—are rushing out to play.

With skates and bikes, kites and boats, and dolls and jumping ropes, and careless in their vacation fun, they need every protection that Michigan adults can give them.

Be sure that your car does not harm one of them.

Check to make sure that your own home, yard and drive have no hazards for your children — no place where they can be caught unawares and injured.

Enroll your children in the organized playground activity in your home community and show them how to get to the playground and back home safely.

Let them go swimming at a guarded beach where the buddy system issued, but be sure that some adult sees to it that they do not stay in the water after they become tired nor so long that they become chilled.

Plan for a rest period for your children each afternoon. A rested child is not only safer from illness, he is safer from accidents.

"USE PLENTY OF BUTTER"

That was the advice given the June bride when she questioned her mother-in-law as to what Jim liked to eat.

Said the understanding mother of the groom: "I hope Jim never hints your cooking isn't like mother used to make but I'm glad he's liked his home and the food I have served.

"I learned early—thank goodness—that butter adds a flavor and zest to food which can be obtained in no other way. Of course, I use plenty of other dairy products, too. They have a flavor all their own, are full of nourishment and easy on the pocketbook."

The BEST COOKS use PLENTY of BUTTER

There are no substitutes for Milk and Dairy Products. Nature provides them with nutrition and deliciousness.

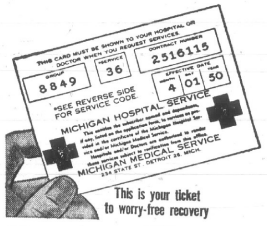
The best friend you could have

when accident or illness strikes!



This is your ticket to worry-free recovery

YOUR BLUE CROSS - BLUE SHIELD Membership Card is truly a "friend indeed" in case of accident or sudden illness. For this "ticket to worry-free recovery" cuts red-tape fast whenever you are in need of hospital or medical care.

When you present your Membership Card at any of the 178 participating hospitals in Michigan no one will ask you for advance payments or credit references. There'll be no embarrassing questions. And when you leave, BLUE CROSS - BLUE SHIELD pays hospitals and doctors *directly* for benefits covered.

Chances are 1 in 4 there'll be hospital or medical bills in your family this year!

Such unexpected expenses can easily wipe out hard-won family savings. Often it's necessary to borrow money in order to meet them. That's why you and your family need BLUE CROSS - BLUE SHIELD protection—now, while you can get it for only a few cents a day!

No other health-care plan offers so much for so little!

Blue Cross Hospital Plan covers a broad range of benefits (up to 120 days of care) in any of the 178 participating hospitals in Michigan. NO CASH LIMIT on the benefits covered.

Blue Shield Medical - Surgical Plan pays liberal amounts for stated surgical procedures—and payments for doctor's visits to the hospital in non-surgical cases. Just knowing payments will be made toward your doctor's bills is worth many times the low cost of this plan!

Talk over with your employer how your company can make BLUE CROSS - BLUE SHIELD available to you!

Or ask your friends who are members. BLUE CROSS - BLUE SHIELD is available to employed people without physical examination or health statement, through the group enrollment plan.

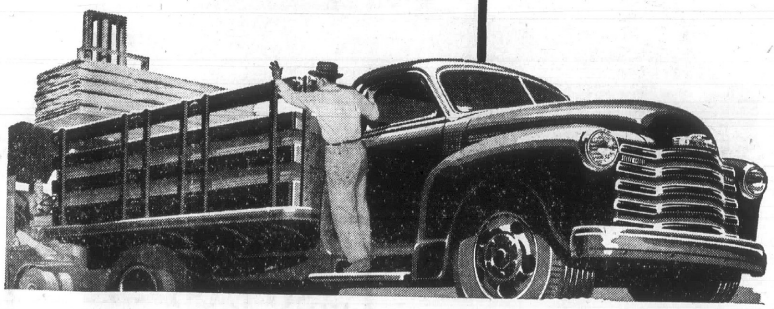
You can haul more loads . . . more miles . . . for less . . . with Chevrolet Trucks



Take time out to talk to some Chevrolet truck users. You'll find it revealing. You'll discover that Chevrolet trucks pay their way by hauling more loads—more miles—for less! And you'll find that this extra measure of value is even more apparent in the *new* Chevrolet models. Definitely, they're America's first-choice trucks. Heavy-duty units feature a brand-new 105-h.p. Valve-in-Head engine with the power to pull heavy loads and conquer steep grades. They offer new Power-Jet carburetion for smoother, quicker operation. They bring you the fast, safe shifting of Chevrolet's 4-speed Synchro-Mesh transmission. But whatever your hauling requirements, Chevrolet trucks are your best bet. See them in our showroom. You'll agree.

Almost everybody has a good word for the immensely popular Pontiac. The most enthusiastic spokesmen are those who *own* this great car. The facts behind this admiration of Pontiac are very simple—

Pontiac is America's lowest-priced Straight Eight. Pontiac is the lowest-priced car with GM Hydra-Matic Drive. Pontiac is the most beautiful thing on wheels. And Pontiac is famed everywhere for its dependability and economy.

Those are the facts, and they are impressive. But they are a *lot more impressive* to the person behind the wheel of a Pontiac. He knows for sure that *dollar for dollar, you can't beat a Pontiac!*

NINETY-NINTH YEAR—NUMBER THIRTY-EIGHT | TECUMSEH, MICHIGAN, JUNE 22, 1950 | FIVE CENTS A COPY

To Return Canadians' Friendship Visit

Caravan Of Busses And Cars To Leave Here On July 1st

Saturday, July 1st, in just nine more days, the citizens of Tecumseh, Michigan, will be out in force to give a good neighbor salute to Tecumseh, Ontario, in the Canadian town. "We shall never forget Saturday, July 2nd, 1949," the committee in charge declares, "and we intend to fulfill our ambition of giving them in return a day which they shall never forget."

A storm of activity is now taking place in the two towns as committees on both sides of the river are furiously whipping the final details into shape. Mayor Tom Scott of the Ontario town was in Tecumseh, Michigan, last Thursday. The next day he was away to Chatham, Ontario, arranging further details. The same day Gordon Garlick, the Michigan village's chairman and Ronald Harris, Chamber of Commerce secretary, were in Detroit and Tecumseh, Ontario, on still other details. On Sunday, Steve LeBlanc, Albert, "Spike," Lesperance, Oliver, Mickey, and Clovis' Baillargeon of Tecumseh's Canadian Legion were here with display and other materials for our veterans' organizations. This week, committeemen George McCombs, and Clarence Beach are taking exhibits of local products for display in the windows of the Canadian namesake town.

This amazing example of international goodwill is the result of a promotion staged last year during the Michigan town's 125th anniversary. It was suggested to officials of the Canadian town that they might wish to salute us on one of the days of that celebration. The Canadians were not content to make a "token" salute, but came in a huge caravan of 1,300 of their citizens, along with a bagpipe band, a youth drum and bugle corps, a baseball team, and other novelties. All they have asked in return is that the Michigan community pay back the call and give them an opportunity to show us what a good time can be had in their town. Tecumseh's goal is to do just that.

Tecumseh, Ontario is staging a Mid-Century Festival, June 29th through July 1st. July 1st is to be their International Day, the climax of their celebration, and dedicated to the pleasure of their guests from their American namesake community. The compliment is even greater when the Americans realize that July 1st is Dominion Day, a great Canadian national holiday, comparable to the Fourth of July in the United States.

As far as the Michigan residents are concerned the events of the day will start with the organizing of the caravan which is to make the trip. The caravan is scheduled to move out of Tecumseh at 8:30 in the morning. As an unusual feature it will be led by Michigan's replica of the Liberty Bell and its escort car which are to arrive here at 2:30 in the afternoon of the day before.

The Liberty Bell will be followed by units which are to take part in the ceremonies and parade in the Canadian town, and these units in turn will be followed by other busses and the private cars. All will be marked so as to identify them for the customs authorities and help our Canadian friends to distinguish them.

The caravan will have escort by the Michigan State Police as far as the corporate limits of Detroit. At that point the escort will be taken up by Detroit City Police who will escort the caravan to the Ambassador Bridge. At the bridge there will be very brief ceremonies after which the caravan will go on to Tecumseh under the escort of the Ontario provincial police.

At the city limits of Tecumseh the caravan will be met by Mayor Scott and will then move to the Veterans' Memorial. At the Memorial the Michigan veterans' organizations will lay a wreath. Since the caravan will be along the highway, it is requested that only those units taking part in the ceremony leave their cars.

Following the wreath laying ceremony the Canadians will organize the parade which will move from the center of the town to Memorial Park and the festivities of the day will begin.

After a few formalities, there will be time for lunch, either at various concessions, or on the beautiful picnic grounds which are adjacent to the park.

Among the events of the afternoon will be a ball game with the Tecumseh, Michigan, Merchants playing the Tecumseh, Ontario, Chieftains. At the same time a team from the Michigan town will engage a team from the Ontario town in a trap shoot. In the early evening there will be novelty contests in which the Canadians hope there will be Tecumseh vs. Tecumseh contests as often as possible. There will be music and the entire celebration will be ended with a giant fireworks display.

A large number of items will be in evidence to lend color to the caravan to the events of the day in Canada. In addition to the Liberty Bell which will go from Michigan, there will be the Tecumseh High School Band, a uniformed color guard, and marching units of the Auxiliaries of the American Legion and Veterans of Foreign Wars.

The Tecumseh Products Company is preparing an appropriate float, the United Products Workers are setting up a number of clowns, and Crawford's Musical Madcaps will make entertainment throughout the day. Britton's "Long Rifles" will be an unusual feature, as will 40 and 8 box cars from both Lenawee and Jackson counties, and there will also be a German band from here.

The Canadians in their turn will have features for the day. Redcoated Canadian Mounted Police will be a colorful and novel sight to most Michigan visitors, and everyone from here will remember their good friends, the kilted Chatham Canadian Legion bagpipe band which will be on hand by popular demand from citizens in both towns.

Here's The Schedule For Saturday, July 1st

Following are the items of activity and the general schedule of events for Tecumseh-Tecumseh Day on July 1st:

The caravan is to be organized here at 8:00 a.m. The Liberty Bell and escort car will be in the lead. Following will be the official cars of village dignitaries and committeemen. Following these will be the items which are to take part in the parade in Ontario. Then will come the rest of the busses and private cars.

The caravan is scheduled to leave Tecumseh, Michigan, at 8:30. Those in the caravan are asked not to wait until that time to appear to be placed in line. Be ready at 8 o'clock.

The caravan will have a Michigan State Police escort as far as Detroit. At Detroit it will be picked up by Detroit city police who will escort it to the Ambassador Bridge.

There will be brief ceremonies at the bridge for press photographers. DO NOT LEAVE YOUR CARS AT THIS TIME. The caravan will leave the bridge for Tecumseh, Ontario, under the escort of the Ontario Provincial Police.

Mayor Tom Scott will meet the caravan at the corporation limits of Tecumseh, Ontario. It will then move directly to the Veterans' Memorial where there will be a brief wreath-laying ceremony. Since we will still be on a main highway and the ceremony will be short we are asked once more NOT TO LEAVE OUR CARS AT THIS TIME.

The Canadians will then form the parade. To reduce confusion, the Michigan items will form as a unit and be fitted into the procession by the marshall of the parade.

The parade will move to Memorial Park, about a half mile away. At the Park there will be welcoming ceremonies, and then an informal time for lunch. There will be concessions for lunch as well as a large picnic grounds.

At 2:00 p.m. the Tecumseh, Michigan, Merchants will play the Tecumseh, Ontario, Chieftains in baseball. At the same time a Tecumseh, Michigan trap shooting team will have a contest with a team from Tecumseh, Ontario.

Following these contests there will be no scheduled events, allowing opportunity for citizens of the two towns to become further acquainted and to have some unorganized pleasure.

About seven in the evening there will be novelty sports, under the direction of the Canadians who will wish our people to participate with them.

There will be music and other events until time for the fireworks which will be presented after darkness falls.

There will be no attempt to organize a caravan on return. You may leave as early or as late as you please. Busses will probably depart at varying hours as groups may decide to leave, but their departures will be announced over loudspeakers so there need be no danger of anyone's being left behind.

Chieftains Plan Big Pow-Wow

The mayors of the two Tecumsehs — Tecumseh, Michigan, and Tecumseh, Ont. — got together last week for a final word on the pilgrimage that local residents will make to Canada, July 1. Of course, the Indians were there, there was the pipe of peace, and relations were most cordial. Left is Mayor J. Floyd Elliott and right, Mayor Tom Scott of Ontario. The Indian, left, is Robert Scott, the mayor's son, and the other Redskin is Robert H. Moore who has portrayed Chief Tecumseh for this community in many pageants and celebrations.

Father, Child Crash Victims

CLARENCE RANDOLPH AND DAUGHTER, JOYCE, THROWN FROM AUTOMOBILE

Father and daughter were injured, both of them seriously, in an automobile accident at the corner of Pearl and Pottawatamie streets, Friday at 11:30 a.m.

Clarence Randolph, 37, of 307 So. Union street, and his daughter, Joyce, aged four, were taken to Herrick Memorial Hospital as a result of the crash. Mr. Randolph suffered hip and chest injuries. Joyce was hurt about the head, and there was a deep cut in her right shoulder. She was released from the hospital on Saturday.

The accident happened, according to Tecumseh police, when a car driven by Ronald H. Miller, 17, of Adrian, going east on Pottawatamie, struck the rear of the Randolph car, going north on Pearl street. Both Randolph and his daughter were thrown out of the car, which went out of control as a result of the impact. Wife Randolph in the car were his wife, daughter and son. Miller's mother, Mrs. Ruth Miller, was riding with him. No one else was hurt in the accident.

Police issued a summons to Miller for failure to yield the right-of-way at an intersection.

Border Formalities For Tecumseh Trip Explained

In going to Canada, you are entering a foreign country. The cordial relations existing between the two nations has reduced border formalities to a minimum for the trip to Tecumseh, Ont., July 1, but keep the following items in mind:

If you are a natural born American citizen, you'll need only to tell the official who asks you the place of your birth.

If you are a naturalized American citizen, be prepared to present your certificate of naturalization.

If you are a resident alien (war brides, etc.), more difficulties are possible. You'll need proof of your legal residence in the United States. H. E. Wiley, Chief of the Entry and Departure Section of the U. S. Immigration Service tells us that you should have a border crossing permit, and that you had best get this BEFORE July 1. Get it at the offices on the Detroit side of the Detroit-Windsor tunnel, and have the permit with you on July 1. You also will need proof of legal entry into the U. S., as well as a passport-size photograph.

If you are driving, have your car's registration certificate with you.

If you plan to leave Canada by some other way than the way you enter, PULL OUT OF THE CARAVAN AT THE BRIDGE. You will need a special permit to present at the port of exit you use on your return to the United States.

Don't take guns. Special arrangements are being made for the color guards and the trap shooters. We are told that you may take your cameras without any difficulty. Don't have a lot of miscellaneous items in your trunk that might delay you for inspection.

UNLESS YOU ARE A SPECIAL CASE OF SOME KIND, YOU'LL FIND NO GREATER DIFFICULTY ENTERING ONTARIO THAN YOU WOULD ENTERING OHIO. FOLLOW THE ABOVE RULES.

State To Study Safety On M-50

TRAFFIC CONTROL ZONE WEST OF VILLAGE IS NOW UNDER CONSIDERATION

The Michigan State Highway Department and the Michigan State Police will make an immediate survey of that area of M-50-52 from the Village limit to Matthews Road, with the idea of making the area a traffic control zone, LeRoy Titley, supervisor, has been advised. Mr. Titley, a week ago, acting on the authority of the township board, requested that the state check the section, and its traffic dangers.

When the state will make the survey, Titley said he did not know, but he declared that the Department's letter indicated that it might be this week. It is expected that the survey will determine the number of cars traveling the route, both east and west, and the speed of the cars. This data now may be assembled with automatic counters.

The section under consideration is believed by many to be the most dangerous stretch of highway between Tecumseh and Adrian. In the area is one long hill and two difficult curves. At the present time the road is very poorly marked, there are few traffic signs, and road paint on the pavement is worn off.

Three accidents have happened during the past month in the requested control area, and in each instance one or more persons have been taken to hospitals.

New Gas Mains Are Being Laid

SERVICE FOR HEATING AND OTHER PURPOSES AVAILABLE IN EARLY FALL

About 20,000 feet of mains have been laid in Tecumseh during the past week by Consumers Power Company, preparatory to bringing gas to this village for domestic and industrial use. Between 80,000 and 100,000 feet of mains will be laid before the job is finished, and it is estimated that another month will be needed to complete the work.

In most every instance, the mains are being laid in the boulevard. On Chicago Boulevard, it was said, mains will be laid on each side of the street, eliminating the necessity of tunneling under the pavement.

The Consumers company announced some weeks ago that gas for heating and domestic and industrial purposes would be available to users here by late August or September.

As soon as the mains have been laid in Tecumseh the crew will go to Clinton and Manchester to do a similar job. Mains already have been laid in Blissfield.

George Beale Resigns From Britton Schools

George Beale has resigned as superintendent of the Britton public schools to accept a similar position with the Richmond public schools, which have an enrollment of about 800 students.

Mr. Beale has been superintendent of the Britton schools for the last six years, coming there from Mackinaw City. During that period the school enrollment has more than doubled and a reorganization of ten school districts in the Britton area is now under way.

Swim Program Opens, Monday

RECREATION SCHEDULE NOW UNDER WAY; INTEREST IS VERY GOOD

The summer recreation program opened Monday with a diversified schedule of activities for young and old alike. According to Elven Duvall, director, great interest is being shown in archery, instruction in which is being offered every Tuesday and Thursday evenings at Recreation Center.

A large turnout of youngsters and adults is expected at Lake Tecumseh (The Pit) next Monday, June 26, when registration for swimming and life saving instructions will be held. The instructors, Dorothy and Louise Bowen, have announced the tentative swimming schedule as follows:

Monday, Wednesday, Friday — 9 to 10 a.m., junior and senior life saving; 10 to 11 a.m., beginners;

MacNaughton Returns As Methodist Pastor

Dr. Norman MacNaughton was returned as pastor of the Tecumseh Methodist church, at the annual meeting of the Detroit Conference of the Methodist church held in Detroit over the weekend. This marks the beginning of Dr. MacNaughton's ninth year in the local church.

Other appointments in this area include F. Burr Clifford to the Britton church, Vaughn Whited, Clinton, and James Muir, Springville.

WARNING IS ISSUED AGAINST NOISY 4th

Chief of Police Miles Clark today warned against a noisy Fourth of July in Tecumseh—and on the days preceding the Fourth. Shooting of fireworks, he declared, is contrary to Michigan law, and police have been instructed to deal with offenders.

One lad discovered that the shooting of firecrackers was illegal, last Saturday. He was warned by police, and so was an older boy who made the purchase of the fireworks in Ohio and then gave a portion of his "celebration" to the first lad.

LIBERTY BELL REPLICA TO VISIT HERE

Pictured above is Michigan's replica of the Liberty Bell which will be in Tecumseh June 30 and July 1, and will lead the caravan to Tecumseh, Ont., on the morning of July 1.

The Village of Tecumseh and its residents will enjoy an unusual distinction, next week Friday and Saturday, when Michigan's replica of the Liberty Bell comes here for display and to lead the caravan to Tecumseh, Ontario.

Through special arrangement with the Treasury Department, the bell, mounted on a red, white and blue truck, will arrive in Tecumseh at about 3 p.m., June 29. It will be taken immediately to the main gate of Tecumseh Products Co. where it will remain for about an hour. It then will go on display in the downtown district.

Saturday morning, and again by special Treasury permission, the bell will head the caravan to Tecumseh, Ontario, Canada, leading the procession of some 2,000 citizens to the Dominion city. It will remain in Canada throughout the day.

The bell is one of 49, cast in the Swiss Alps at the government's direction, and it is an exact replica of the original Liberty Bell, even to the tone. On July 4, Michigan's bell—the one that will be in Tecumseh next week—will be permanently enshrined at the Capitol in Lansing, with fitting ceremones.

Big Homecoming Planned, July 4

FIREWORKS, PARADES, CARNIVAL, CONTESTS PLANNED FOR TWO DAYS

"A Safe and Sane Fourth of July" is the goal of the Chamber of Commerce for Tecumseh and its neighbors. To help assure such a result the Chamber is preparing a huge Fourth of July celebration for the purpose of giving residents of the area plenty of entertainment without their having to make long trips on the crowded highways over the holiday.

"The ghastly record of highway injuries over the long Memorial Day weekend should be enough to convince us of the limits to pleasure involved in taking a trip," states Louis Schneider, chairman of the local celebration. "Consequently we are planning events which will be lots of fun, but minus any hazards. Even the huge fireworks display given to us by the Tecumseh Products Company will be under the direction of licensed operators who will know their work and how to protect the great throngs which will witness the spectacle."

The holiday events will open on Monday, July 3, when the W. G. Wade shows will open their rides and concessions on Chicago Boule-

New Village Ordinance Gives Right of Seizure

The Village Council, by ordinance adopted Monday evening, authorized police to seize abandoned and lost property, and to dispose of the same after a period of 30 days.

The ordinance is aimed at lost and abandoned property which creates a nuisance or is unsightly. Owners of such property who appear within 30 days after seizure may have their property by properly identifying, and paying the expense of moving and storage.

Angus G. Leitch was named as village engineer by the council at a salary of $100 weekly. Mr. Leitch has been on the job here for several weeks, coming to Tecumseh from Charlevoix.

Purchase of a 2-ton truck from Schneider Bros., Garage, Inc., at a cost of $1,625 was authorized. Five hundred feet of fire hose for the fire department will be purchased at a cost of $1.02 per foot. Six hundred and fifty feet of cast iron pipe will be purchased at a cost of $2.06 per foot.

Other business before the council was routine, including the auditing of bills and reports of committees and department heads.

Tecumseh Represented At Phone Rate Hearing

James C. Beardsley, village attorney, will go to Lansing on Monday where he will represent the Village of Tecumseh at a hearing before the Public Service Commission in which the Michigan Associated Telephone Company is seeking a sharp increase in local telephone rental rates.

The Village Council here has gone on record as opposing an increase in the rental rate, and Mr. Beardsley has been instructed to oppose any proposed boost, on behalf of the village.

Whether or not other communities in this area affected by the proposed increase will be represented, Mr. Beardsley said that he did not know.

NEW EQUIPMENT ADDED AT CAMPBELL CLEANERS

Campbell Cleaning Shop, operated by Halsey Eggleston, is installing new modern equipment in an effort to keep pace with its rapidly expanding volume of business. The shop was closed for two days, insofar as cleaning was concerned, but resumed operations on Wednesday.

A complete new cleaning system has been installed, as well as new presses and other equipment. While this work was being done, carpenters were busy remodeling the interior of the shop.

"We regret that it was necessary for us to halt our operations for a couple of days, while the new machinery was being installed, but we know it will put us in a position to better serve our customers in the future," Mr. Eggleston said.

We Salute Tecumseh, Ontario

Except for the formality of the Customs, residents of Tecumseh, Michigan, will scarcely realize that they are, so to speak, in a "foreign country" when they cross the border into Canada next July 1st to help their sister village, Tecumseh, Ontario, celebrate Dominion Day. Whether the entrance to Canada is made by way of the tunnel or Ambassador Bridge, (we understand that the caravan will enter by way of the bridge), so-called "red tape" will be reduced to a minimum, and the welcome mat will be spread.

It will be recalled that one year ago, July 4th, some 1,300 or 1,400 residents of the Canadian village came to Tecumseh, Michigan, to help this town celebrate its 125th anniversary. They came by the bus load, by the car load and by the truck load. And they came with just one thought in mind, to extend "hands across the border" in a spirit of genuine friendship. Tecumseh, Michigan, acted as host for the day to these Canadian citizens and, as a result, friendships that will last for a lifetime have been established. Mayor Tom Scott, for instance, is as much at home here as he is in Canada. He has attended several civic functions here in the past year, and he has discovered, and we have found out, too, that the problems, civic, social and economic, that are common to the Canadian town are also common to this Michigan village. Life here and life there are the same, it is only the imaginary international border that makes the difference.

Tecumseh, Michigan, and Tecumseh, Ontario, were attracted to each other by the similarity of names. Both towns were named after the Pottawatamie Indian chief. This area was Chief Tecumseh's stamping grounds in the days before the Detroit River was considered to be a dividing line between two great nations.

Canadians, many of whom were visiting the United States for the first time when they came here a year ago, found out, we hope, that we in Tecumseh are "good neighbors." It must have been that way, else they would not have requested that we do them the honor of returning the call next weekend. It is nice that Canada thought so well of us as to ask us to visit them in their home community. Such frequent visits are certain to cement friendship.

When an estimated 2,000 persons from here go to Canada on July 1st to return Tecumseh's good-will visit, hundreds of new friendships will be made, perhaps many more that will endure for life. Some of those who will make the trip, (it is only 72 miles), will set foot for the first time on "foreign soil." For those folk it will be a day of disillusionment. They, too, will discover that Canada, although under a different form of government, is made up of honest-to-goodness people, just like those who make up the United States.

What a lesson the whole world could take from these two international visits of good will. True, both Tecumsehs have something in common because of the similarity in names, but what's in a name? Its the folk who make up the towns, the cities and the hamlets, regardless of the corporate name, that actually count, be they Canadians, Americans or what-not.

The residents of Tecumseh, Canada, and Tecumseh, Michigan, are to be congratulated for their splendid spirit of good-neighborliness. They had the foresight to grasp, through the similiarity of names, a means of bringing together men, women and children, citizens of two great republics, on missions of good will.

Great international movements have started from lesser things than these two "across the border" visitations.

And who knows what may come of these? True friendship, remember, endures forever.

TECUMSEH to TECUMSEH NOTES

This is the last week for you to make reservations if you wish to go by bus on July 1st. Saturday night, June 24th is the deadline, because the bus company has to know how many busses must be made available. Round trip tickets are $2.50 and they are for sale at the following places: Chamber of Commerce, Wright's Drug Store, Hodges Drug Store, C. F. Smith Store, V.F.W., American Legion, Tecumseh Grange, Products Union office, Griffin's Barber Shop in Britton, Conklin's Bakery in Clinton, and Benham's Grocery in Ridgeway.

* * * *

Sorry to disappoint some of our eager inquirers. The price of the bus ticket includes bridge tolls, not "bride" tolls as a typographical error informed you last week.

* * * *

To help you at the customs and to help our Canadian friends know who is from Michigan, car stickers and lapel ribbons will be available. They are only for those who are going to make the trip and will be ready at the Chamber of Commerce next week.

* * * *

Tecumseh, Ontario has made one enviable gain over us during the last week. They have just cut in on their new dial telephones. They held a breakfast celebrating the event, with town dignitaries and officials of the Bell Telephone Company of Canada taking part. The first long distance conversation over the new system was between Mayor Tom Scott and Chamber secretary Ronald Harris on some details for the July 1st event.

* * * *

Because of the difficulties of organizing them from the caravan, our Boy Scouts and Cub Scouts are not being asked to march in the parade in Canada. However, the Canadian Scouts would like to do some entertaining of the Scouts from Michigan. So it would be a good idea for all of our Boy Scouts and Cub Scouts who are going to make the trip to wear their uniforms.

* * * *

There have been some lively local arguments concerning the size of our Canadian namesake. When Mayor Scott visited us last week he said that their latest figure is 3800. With our preliminary census figure giving us 4006, we see how close the two towns come to being the same size.

* * * *

Those of us who are interested in our Recreation Field will take a careful look at the grand stand at their Memorial Park. Just a year old, it was put up by volunteer labor and with some gifts of materials in addition to those they needed to purchase. It seats about 1200, and with the immediately adjoining bleachers they can readily seat 2000 at their ball games. They are now busily at work trying to complete their club house and tool shed before July 1st.

* * * *

Remember again, that it will be very convenient for you to take a picnic basket along with you. A lovely grove is right next to the park.

* * * *

Remember also that the Canadian visitation is July 1st. Our Fourth of July comes the following week, and some of our Canadian friends say that they believe they will pay us a visit for the occasion.

Crossings should be Seen and not Felt

WHEN the sign says "Stop, Look and Listen," the prudent driver does.

But after that what? Must you still move forward at a cautious crawl or pay toll in jar, jitter and jounce?

Not, good sir, when you're at a Buick's wheel.

You step on the throttle; move easily, swiftly forward. Your wheels dance—your tires drum-roll over rail and plank.

But four gentle coil springs, one on each wheel, are working their magic—and you *hear* rather than *feel* the rough spot you have crossed.

That, of course, is only one kind of rough going you can meet in your travels. It's only one kind of discomfort your Buick's built to master.

For beside gentle coil springing, every Buick rides on soft, low-pressure tires. Every one is steadied by a rigid torque-tube. Every one boasts a rigid, weaveproof frame—soft, sure shock absorbers—even special engine mountings to minimize vibration.

They can have the special added smoothness of Dynaflow Drive,* cushioning power-thrust in spinning oil.

So rough spots seem to level out at your coming. Boulevards take on a new smoothness. You know what riding comfort is—why the Buick ride is called matchless.

So how about it?

Come climb into a Buick and see for yourself what we mean. You'll get a style-thrill and a power-thrill along with your ride-thrill—and a story on price that eliminates your last excuse for not traveling in the Buick manner!

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Only BUICK has Dynaflow—and with it goes: HIGHER-COMPRESSION *Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)* • **NEW-PATTERN STYLING,** *with* **MULTI-GUARD** *forefront, taper-through fenders, "double bubble" taillights* • **WIDE-ANGLE VISIBILITY,** *close-up road view both forward and back* • **TRAFFIC-HANDY SIZE,** *less over-all length for easier parking and garaging, short turning radius* • **EXTRA-WIDE SEATS** *cradled between the axles* • **SOFT BUICK RIDE,** *from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube* • **WIDE ARRAY OF MODELS** *with Body by Fisher.*

YOUR KEY TO GREATER VALUE

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style-note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Flower Show Grand Success

ANNUAL EVENT STAGED BY GARDEN CLUB AT LEGION MEMORIAL HOME, FRIDAY

On the sixteenth of June, the Tecumseh Garden Club held its annual Flower Show, at the American Legion Home on West Pottawatamie Street.

A lovely scene, depicting the setting for a June garden wedding, set the theme for the show. A "Gates-Ajar" trellis, covered with sprays of mock orange and flanked on each side with a white fence and large baskets of pink and white peonies, caught the eye on entering.

An entertaining program was enjoyed by guests in the evening. Mrs. Murray Day, the soloist, accompanied by Mrs. Wilfred Waldron, rendered "Without a Song" and "Nature's Springtime." Diane Dillon and Grace Moore did a gypsy dance, and Suzanne Rohweder and Sharon Ries a toe dance. All are members of Rae Nita's dancing class. They were accompanied by Mrs. Glenn Driscoll. Mrs. Pauline Kopka concluded the program with two readings.

Mrs. Charles A. Shierson of Adrian, retiring president of the Federated Garden Clubs of Michigan was an honored guest. Other guests were present from Washington, D. C., Indianapolis, Ind., Boston, Mass., Crystal Springs, Fla., and numerous neighboring towns.

Mrs. Clarence Beach, general chairman of the show, desires to thank all the guests, neighboring Garden Clubs and members for helping make the event such a success.

Mrs. Leland Miller, Mrs. Clinton Leonard and Mrs. W. H. Barton, all of Lansing, were the purple ribbon judges who scored the show. Mrs. C. L. Holm of Dearborn, Mrs. George Koths of Inkster, Mrs. W. J. Bowstead of Detroit, Mrs. A. L. Vacation Schools Brought To Close

PARENTS AND FRIENDS ATTEND DEMONSTRATION PROGRAMS, FRIDAY EVE

The Methodist-Baptist Daily Vacation Bible School demonstration program was presented Friday evening in the Methodist church before a large audience of parents and friends. The school had 124 children and 40 helpers enrolled, making the total enrollment 164. The attendance the first week averaged 120 and the second week, 110, making an average attendance of 115.

The program opened with a group song "Boys and Girls For Jesus" followed by the invocation by Dr. Norman MacNaughton. After the group sang "The Welcome Song" Mrs. Truman Rentschler presented her nursery class in a series of songs and finger plays. "We're Happy," "Jesus Loves Me" and "God Sends You His Love" were the songs and God's World" and "The Church" were the finger plays. They then played "Here We Go Round the Mulberry Bush." In the nursery department 24 children were enrolled with an over-all average attendance of 15.

The beginners sang "Oh, Be Careful" and "Jesus Loves Me," after which Mary Ann Meade, Adelle DePuy and Roger Mikesell recited. A group song "Happy Day Express" preceded the primary presentation. Dressed in appropriate costumes, Kathy West, Chinese; Laurane Williams, Indian; Roger Meade, Philipino; Marjorie VanValkenburg, Japanese; and Jean Ann Hoag, India, represented Jesus loving all the children of the world, as the entire primary class sang "Jesus Loves Little Children." As the group sang "The B-I-B-L-E" they held up miniature Bibles of their made.

After a group song, "Heavenly Sunshine" the juniors sang "I Have The Joy" followed by the parable of the Sower from Matthew 13:3-9. A hymn "Lord, Speak To Me" was sung by the group.

The Rev. B. O. Bashore took charge of the offering service and explained the money would be used to buy Japanese bibles. A recognition service for those receiving diplomas and perfect attendance awards and a hymn was followed by the benediction.

Schools at the Presbyterian and St. Peter's churches also closed Friday evening with demonstrations programs for the parents. Handwork was distributed and taken home by the students. Eighty-five children were enrolled at the Presbyterian school and a large enrollment was also recorded at St. Peter's.

Friends Vacation School Has Enrollment of 80

Daily Vacation Bible School at the Tecumseh Friends Church began Monday morning and the daily attendance thus far has been over 80 children from ages three to 14. The school will continue throughout next week, Friday, June 30, with sessions each weekday morning from 9 to 11:30.

Mrs. Loren Kuhn and Miss Elizabeth Escolme are in charge of the school. George Meads, Mr. Kuhn and the Rev. Edward Escolme are teachers for the boys from 8 to 14, and Mrs. Kuhn and Mrs. Meads have the girls in the same age group. Children from three through seven are being taught by Miss Escolme, Mrs. John Kelly, Shirley Meads, Barbara Cornell, Carolyn Chase and Mrs. Escolme.

All children in the community are welcome to attend.

William Pitt was prime minister of England at the age of 24.

Ends Own Life

John W. Mull, 79, ended his own life about 7:30 o'clock, Wednesday morning, in his home at 61 Mill street, by firing a charge into his abdomen with a shotgun. Coroner Robert French ruled that the death was suicide and that an inquest was not necessary.

Mr. Mull, a life-long resident of this area, lived alone. He had been in failing health for some time, and under the care of a physician. Wednesday, at about 9 a.m., Dr. M. R. Blanden, his doctor, visited the Mull home on a routine call. He found Mr. Mull's body.

Mr. Mull was born December 6, 1870. He was a member of the Odd Fellows and the Rebekahs. Surviving is one brother, Adam, of Adrian, and several nieces and nephews.

Funeral services will be held Saturday afternoon at 2:30 from Collins Funeral Home, the Rev. B. O. Bashore officiating. Burial will be in Brookside.

ship and operation of the funeral home formerly owned by Guy E. Helding.

After establishing the partnership with his father in 1941 he was in Tecumseh until entering the United States Navy in 1942. Serving more than three years' duty on ship and in foreign stations he reentered college to finish his course in business administration.

A graduate of the Worsham Mortuary College in Chicago, in 1938 he was associated with the Charles K. Wetherby Co. in Jackson and later served the H. G. Steiffel Funeral Home of Reading before coming to Tecumseh.

During Mr. Green's absence the Green Funeral Home has been operated by George E. Green, sr. who will remain in Tecumseh at his home at 107 South Maiden Lane and continue the partnership in serving this community.

Mr. and Mrs. Green, jr., and three daughters will be in residence in Tecumseh after July 1.

ADRIAN MAN SPEAKS TO THE ROTARY CLUB

Mel Partridge, vice-president elect of the Rotary Club, presided at Tuesday's meeting, at the Legion Home, in the absence of Clarence Gilman, president, and L. W. Larsen, vice-president. The two officers and their wives were in Detroit attending the International Convention of Rotary.

Hub Daley of Adrian, was the guest speaker, discussing the nation's railroads and what they have meant to the growth of America. Mr. Daley in his early life was a railroad man and he still is fascinated by the industry. His talk was interesting and much enjoyed.

Guests at the meeting were O. D. Feldkamp, Clinton, and Harry Kulp, Ann Arbor.

HUSBAND AND WIFE GET COLLEGE DEGREES

Ronald and Mary Jane Hayden Wells received their bachelor of arts degrees from Asbury College, Wilmore, Ky., during commencement last week. An unusual feature of the graduation was that seven married couples were candidates for degrees, so the husbands presented their wives with diplomas, and in turn the wives gave diplomas to their husbands. Mrs. Wells also received a degree in voice.

MRS. MAUDE ALBAN BURIED AT CLINTON

Funeral services were conducted Saturday afternoon from the Deuse Funeral Home in Clinton for Mrs. Maude E. Alban, aged 79 years, who died in a Toledo hospital last week Wednesday. The Rev. C. F. Riggio officiated and burial was in Riverside cemetery.

Mrs. Alban lived on a farm north of Clinton, moving there from Adrian, about 35 years ago. Surviving are two sons, C. Elwood and R. Glenn, both at home; three daughters, M. Marie Ogden of Clinton, G. Emma Bertke of Manchester, and M. Ethel Lezotte of Wayne; and a granddaughter, Linda Lezotte.

LEAGUE SUPPER

Mrs. Clifford Curran was hostess, Tuesday evening, when the Baptist Junior League entertained the Ladies Union at a 6:30 supper. Mrs. B. O. Bashore was the assisting hostess. Forty-three were in attendance.

Mrs. Curran conducted devotions followed by a spontaneous inspiration. In the absence of Mrs. Ralph Young, who was to have given a book review, Mrs. Bashore reviewed her trip to Boston, Mass., giving the highlights of the Northern Baptist Convention.

The Perfect Method

Jim—Alice might marry you if you propose to her correctly.

Fred—How had I better do it?

Jim—Sit on the edge of the Grand Canyon, get her to sit on your knee and tell her you'll push her off if she doesn't say "yes."

About The Folk You Know

Mr. and Mrs. Leon VanValkenburg entertained at "Van's Haven" at Sand Lake, Sunday, in honor of Mr. and Mrs. Roger VanValkenburg, who were recently married. Some 50 friends and relatives enjoyed a picnic dinner and social afternoon. Guests were from Fairfield, Adrian, Morenci, Clinton, Tecumseh, Hudson, Howell and Detroit. The newly-weds received many lovely gifts.

Miss Sally Rentschler is leaving Saturday to spend eight weeks at the National Music Camp at Interlochen, Mich. She will be a member of the 150-piece NMC high school band and hopes to be accepted for the National High School orchestra at the end of the first four weeks. Her classes include band, elementary conducting, a woodwind ensemble, and two private flute lessons a week. She will be majoring in flute and minoring in piccolo. This is Sally's second summer at the camp. Dr. and Mrs. T. Rentschler will accompany Sally and her friend, Rachel Wineburgh of St. Mary's, Ohio, who is also attending Interlochen, and return Sunday evening.

Mrs. William Powell was hostess at a cradle shower honoring Mrs. Carl Stevens, Friday evening. Twelve were present and prizes at cards were awarded to Mrs. R. J. McCoy, Mrs. R. P. Sutton and Mrs. R. C. Osburn, who presented them to the guest of honor. Refreshments were served and Mrs. Stevens received many lovely gifts.

Business men should feel free to attend the barbecue and ice cream social at the Baptist church, Saturday evening. Begin serving at 5 p.m., on the church lawn, or, in case of rain, in the dining room.

Big Homecoming

(Continued from Page 1)

vard between Pearl and Ottawa streets. The Wade shows have served Tecumseh in the past and the committee is assured of a clean carnival with attractions for people of all ages.

Monday evening will see the second of a series of outdoor football matches at Recreation Field. The people of the area were very much pleased with the exhibition staged last week, and the card to be held the night of the third will be outstanding.

The events of the Fourth will be those of the nature that have made American old-fashioned, Homecoming Fourth-of-July celebrations a great tradition. There will be two parades—a kiddie and pet parade in the morning, and a large parade with bands and floats in the afternoon.

The annual district 4-H plowing contest which each year increases in popularity will also be held in the morning. Lenawee County contestants have made an enviable record in past years, and there will be high-ranking competitors for state honors.

Races, hog-calling contests, a greased-pig chase, street dancing are also among the old-time favorites which are being planned. Also making appearances will be Crawford's Musical Madcaps, billed as "World's Wackiest Band."

This band, which will also make the trip to Canada, has a far-flung reputation for side-splitting entertainment coupled with musical excellence. In addition to appearances at various local events, they have played at the Michigan State Fair, Briggs Stadium, the Detroit Masonic Temple, the Book-Cadillac and Statler Hotels.

The climax of the celebration will be a huge fireworks display, the gift of the Tecumseh Products Company. This annual display has become the most famous in southern Michigan, and will be even greater this year. Because the Products Company has always dealt with the same fireworks company that company is adding 20% to the combination, both in numbers of items and in quality.

The Canadian trip followed by an outstanding Fourth of July celebration at home, will give people of the Tecumseh area one of the greatest weekends in history.

DAVID VAN WINKLE GOES TO BOYS' STATE

David VanWinkle, son of Mr. and Mrs. LeRoy VanWinkle, and star athlete of Tecumseh high school, was appointed by Underwood-Orr post No. 34, American Legion, to be its representative at Boys' State to be held at Michigan State College, June 15 through June 21. Jerry DuFour, commander, announced. A senior student in the local high school, Dave has established an enviable athletic record there and has participated in many extra curricular activities, besides maintaining a high scholastic average.

Fog indicates approaching fair weather.

The annual Baptist Church and Church School picnic will be held Tuesday evening, June 27, at the Recreation Center. Games for young and old at 5 p.m., will be followed by a picnic supper at 6:30. The evening will close with a campfire and devotional period.

Three Are Hurt In M-50 Mishap

ACCIDENT NEAR BIRDSALL ON SUNDAY EVENING SENDS TRIO TO HOSPITAL

A two-car collision on M-52 north of Birdsall, Sunday at 6:15 p.m., resulted in hospitalizing three men with serious injuries. Sheler W. Putman, 19, of Adrian, was treated and X-rayed at Bixby hospital, Adrian, and removed to Marine hospital in a serious condition. Passengers in his car, Bob Powell, 20, and Billy Jack Starnes, 19, both of Johnston City, Tenn., are in fair condition at Bixby.

Mr. Powell suffered a possible concussion and Starnes received a severe cut on the right side of his neck and other deep gashes on his head.

According to sheriff's officers, Robert F. Hanke of Adrian, who was driving the other car involved, said he was driving south on M-52 at about 40 miles an hour, when he saw the car being driven south by Mr. Putman turn off the road onto the berm on the east side as though it were going to stop. Instead, the Putman car shifted sharply to the left, and headed directly in front of the Hanke vehicle, which struck the rear of the other car.

The Putman car rolled over on its top and Powell and Starnes were thrown clear. Putman was pinned underneath the car.

Hanke and two passengers in his car, Don Krout and Harold Filter, all escaped injury.

Local Folk To Attend Brotherhood Convention

The National Office of The Brotherhood of St. Andrew in York, Pennsylvania, has received the registrations of the Rev. Allan L. Ramsay, Robert Hadley, Ross Hadley, James Wilson and William Browne, jr., all of Tecumseh, who will attend the 52nd National Convention of The Brotherhood at Dickinson College, Carlisle, Pennsylvania, June 26 to 30.

Among the delegates will be Lt. Col. Paul C. Rusch, noted American missionary in Japan, where he is Executive Vice President of The Brotherhood of St. Andrew. Colonel Rusch will be joined by a number of delegates from Japan as well as by Jack Huang of China, Frederick R. Stevenson of Scotland, E. S. Whitworth of England and Eugene P. Pucay of the Philippines, and by men from Canada and British Guiana, so that representation will be international in character.

The Brotherhood of St. Andrew is a world-wide organization of laymen in the Anglican Communion.

GET TRAFFIC TICKETS

Charles Johnson, Britton, and Mattie Jane Kerr, Clinton, received traffic tickets from police Tuesday morning after the cars had collided on Mill street. Johnson was given a summons for not having his car under control. The Kerr summons was for making an improper left turn.

Over-Capacity Crowd Hears Radio Artists

The third in a series of Vesper Services of Music presented by the choirs of St. Peter's Episcopal church Sunday afternoon, drew an over-capacity audience, who came to hear a favorite young tenor, Fred Kendall. The guest organist, Williams A. Fox, also prompted many favorable remarks. Mr. Kendall and Mr. Fox both are heard regularly over radio station WJR and appear in Detroit churches.

The audience was especially pleased with Mr. Fox's "Toccata in G Major" by T. H. Dubois, which is seldom heard because it is such a difficult number. With this selection he played "Marche Religieuse" by Alex. Guilmant during the offertory. His organ solo selections were "Oh, Sacred Head Once Wounded" and "Jesus, Care of My Soul." The organ prelude included "Magnificat in F Major" by C. A. Claussmann, and "Christ's Entry Into Jerusalem" by S. Saxton.

Admiration for Mr. Kendall's talent was only strengthened by his appearance here. His selections included "The Lord's Prayer" by Malotte, "My God, My Father" by Frank Wrigley, "Consider and Hear Me" by Alfred Wooler, "Ye People Bend Your Hearts," recitative, and "If With All Your Hearts," aria, from "Elijah" by Mendelssohn, "Pour Out Thy Heart Before The Lord" by MoMique and "Abide With Me" by Wm. H. Monk.

The adult choir under the direction of Glenn Driscoll sang "Angel Voices Ever Singing" by Bortnjansky, and the junior choir rendered "God Whose Name Is Love."

LOCALS AND PERSONALS

Following the Vesper Service of Music held in St. Peter's church last Sunday evening, Fred Kendall and William Fox were entertained at dinner in St. Peter's rectory, A. C. Hamaker, chairman of publicity, and Glenn Driscoll, director of music, and their wives were also guests of the Rev. and Mrs. Allan Ramsay.

Mr. and Mrs. Floyd Davis of Salina, Kan., are visiting their cousins, Mr. and Mrs. James Miller and Mr. and Mrs. Clair Beland, this week.

HOLLOWAY

Mr. and Mrs. Walter German will hold open house, Tuesday, June 27, from 8 to 10 p.m., in celebration of their 25th wedding anniversary. Mrs. Carrie Whitmarsh of Adrian is spending the week at the home of Mr. and Mrs. Walter German. Mrs. J. W. Rainey and Mrs. Grace Rainey of Birmingham came last evening to spend a week at the German home.

BRITTON

Miss Marcella Niblack entertained last Thursday evening in the home of her parents at a shower in honor of Miss Vera Scott who is a bride-elect of Saturday. The group of young ladies enjoyed games with each prize won presented to the honored guest. Miss Scott unwrapped an array of lovely gifts. Refreshments were served by Miss Niblack.

Police Chief Has A Heart, Injured Girl Discovers

Some folk may dislike policemen, but it is doubtful if such will be the case in the life of Joyce Randolph, four-year-old daughter of Mr. and Mrs. Clarence Randolph, So. Union street, who was hurt in an accident here, last Friday morning.

Joyce was taken to Herrick Memorial Hospital by Chief of Police Miles Clark. She was cut and bruised, and she cried from pain.

Chief Clark couldn't get Joyce off his mind, Friday afternoon. He still could hear her cry. So, he went to the V.F.W. carnival, told one of the concession men that he'd like a gift for a little girl who had been injured. The carnival man obliged, and he refused payment.

A few minutes later, Joyce had a large life-like rabbit in her hospital bed. She was still in pain, but she smiled, and so did the chief.

"Cops have hearts, and this cop has a child, too," he was heard to remark.

MISS MARY MORDEN HONORED BY ALUMNI

Miss Mary Morden of Saline, who is an alumnus of the Tecumseh High School, class of 1906, was the guest of honor at the June alumni banquet at the Saline High School. After being escorted by the Alumni Association president, Max Collins, and wife, to her place at the speaker's table, the audience sang "Happy Birthday," by coincidence it being that anniversary. Mr. Collins presented her with an orchid corsage, a token from the Fairbanks family of Seattle, Washington, who were former Saline residents, alumni members and special friends of Miss Morden. They also sent the floral centerpiece for the table.

Then Mr. Collins presented her with a gold loving cup with this inscription, "Mary Morden, in recognition of 26 years service, Alumni of Saline High School, 6-9-50." She accepted this token of esteem and gave an interesting talk of her experiences which included a brief history of the school and reminiscenses of her pupils during that time.

Miss Morden concluded her long term as teacher in the Saline school in April, 1948, on account of poor health. All but one year had been spent teaching in the third and fourth grades.

After graduating from the Michigan State Normal in 1908, she taught three years in Trenton, then ten years in Detroit before coming to Saline to reside with her mother after the death of her father, the late Dr. Morden.

The Morden family lived in Macon for many years, where Mrs. Morden was born, then moved to Saline in 1913 where Dr. Morden continued his practice until his death in 1920. Miss Morden had also taught the past thirty years a class in the Sunday School of the Federated church.

MACON

The closing meeting of the club year of the Macon Woman's Club was held on the lawn at the home of Mr. and Mrs. Ray Gilmore. A picnic dinner was served at tables set under beautiful pine trees, and decorated with flowers and greenery.

The hostess was assisted by Mrs. Ellen Collins and Mrs. Dill Burleson.

Mrs. C. F. Riggio was an honored guest of the club for this occasion, and gave a short prayer of thanks.

The club welcomed Mrs. Linfoot, who has been ill since joining the club early in the year.

A short business session was held at which time it was voted to join the State Federation of Women's Clubs.

The birthday song honored Mrs. Duncan Robison and Mrs. Ralph Halladay.

A short program of songs and recitations in charge of Mrs. Charles Gorton and Mrs. Ellen Collins was given by young pupils of Mrs. Gorton's school, Janice, Mary and Catherine Merritt, the Thomas twins and Ronnie Thomas.

The event of the afternoon was an auction of small wrapped articles, donated by the members. The sale added over twenty-five dollars to the treasury to be used to help make the club's contributions to worthy causes.

Mrs. Richard Robinson made a very efficient auctioneer.

Mrs. Blanche Travis called attention to an article in the June issue of the American Magazine written by her cousin, Raymond Layman of Chicago. The article was titled "Vacation Express" and was a review of the author's experiences as a pullman conductor in various parts of the United States for the past forty years. He is now on the Zephyr between Chicago and Denver. The article gives many helpful hints to travelers.

The club convenes again September 7.

INDUSTRIAL PRODUCTION

April industrial production shot to the highest level since February, 1949, because of expanding steel, auto and machinery production and further gains apparently were made in May according to the Federal Reserve Board. The Board's index of industrial production rose two points in April to 189 and was 10 points higher than in April, 1949. The index is still six points below the post-war high of 195, set in October and November, 1948.

ALL WE ASK IS A FAIR TRIAL

FOR OVER 35 YEARS, O-JIB-WA BITTERS HAS BROUGHT AMAZING RESULTS TO PEOPLE SUFFERING WITH RHEUMATISM, ARTHRITIS AND STOMACH TROUBLE

Here are a few excerpts from letters received at our home office. Read what these users say, then get a bottle of O-JIB-WA BITTERS and see what this amazing medicine will do for you.

Mrs. H. M., Flint

● I cannot praise O-JIB-WA BITTERS too highly, for I no longer suffer with the terrible pains of Rheumatism and Arthritis. It has helped me marvelously, and I again have complete use of my hip and knee. I am now able to do my housework and can even run if need be. I no longer suffer from backaches and my general health has improved 100%. I don't suffer from sour stomach, heartburn and gas anymore either. I cannot say enough for this wonderful medicine.

Mrs. J. M., Cadillac

I saw your advertisement in our local paper and decided to try your Bitters. After reading over the ingredients, I was familiar with many of these herbs and knew of their good qualities. After using, I was not disappointed, for I no longer have pains in my knees and arms, and work is no longer a drudge. My sleep is more sound, and I am no longer nervous. Your medicine is wonderful, and I wish to thank you over and over again for putting such a real honest, worthwhile medicine as O-JIB-WA BITTERS on the market.

Mr. B. K., Jackson

My right leg, hip and shoulders bothered me almost constantly for over 4 years. I lost many days of work. The continued pain affected my nerves and made me restless and jumpy, and I was always getting up nights with weak kidneys. A friend at the plant where I work persuaded me to give O-JIB-WA BITTERS a trial. After three weeks I was much better. My pains and stiffness became less and less and everyday I felt much improved. Walking again became a pleasure. O-JIB-WA BITTERS has curbed 4 years of misery in my life.

Mr. W. V., Flint

● For 4 long years I suffered miserably with gas, indigestion, heartburn, headaches, and dizzy spells, and was always tired and weak. But after taking O-JIB-WA BITTERS for just 40 days, my stomach trouble is a thing of the past. I am now able to eat anything without the slightest fear of gas or indigestion. My headaches, dizzy spells and nervousness have left me, and I have lots of pep. My general health has improved greatly thanks to this amazing medicine, and I highly recommend it to those who suffer as I suffered.

Mrs. L. B., Saginaw

I can't begin to thank the person who induced me to try O-JIB-WA BITTERS enough, for it really has proven a Godsend to me. I had terrible Arthritis, and within 30 days from the time I started to take O-JIB-WA, I began to get relief and was able to get around with the use of a cane. Within 3 months, I threw ahe cane away and was entirely free of all aches and pains, and able to do my work without any trouble at all. I feel much younger; am able to crochet and comb my own hair again, and am enjoying better health than I have in years. I gladly recommend O-JIB-WA to all.

Mrs. M. H., Highland

● My system was full of acid; I lost my appetite completely and was very run down and tired. I was enemic and couldn't even care for myself. I read about O-JIB-WA BITTERS in the Pontiac paper, and decided to give it a trial. Nothing in my life helped me so greatly. Thanks to O-JIB-WA, I can do my own work and care for myself. I am free of my over acid condition that bothered me so greatly, and my friends tell me I look better than I have in many years. I have recommended it to many people and my daughter is using it at the present time.

Mr. H. R., Monroe

I can certainly recommend O-JIB-WA BITTERS, for it has done me a world of good. For over 3 years, rheumatism and arthritis has made life miserable. I tried so many things without results that I was skeptical and would not have tried O-JIB-WA except for the continued urging of a fellow worker, whose wife couldn't walk at all before taking this medicine. It also proved a blessing to me. I can now climb stairs with ease; my everyday chores are no longer a burden, and in spite of my 69 years of age, I have more pep and feel better than I have in years.

Strike at the Cause

O-JIB-WA BITTERS is an all-herb medicine which acts to correct the cause of Rheumatism, Arthritis and Neuritis. O-JIB-WA acts to clear the blood of Poisons and waste that foster these conditions, tones up weak, sluggish organs, promotes better digestion and strengthens the kidneys. Yes, O-JIB-WA is truly an amazing medicine, and will probably do more for you than anything that you have ever tried, so why not get a bottle today and give it a chance to help you. O-JIB-WA IS NOT EXPENSIVE! In fact, it is very reasonable and within the reach of all. It is available in three economical sizes for your convenience, and O-JIB-WA is sold by all leading drug stores in Michigan and is especially recommended by WRIGHT & SON DRUG in Tecumseh and all leading drug stores in Michigan.

SEE THIS EXACT REPLICA OF THE Liberty Bell

It will be at the main entrance to Tecumseh Products Co., at 3:30 Friday afternoon, and in downtown Tecumseh later in the day. Saturday, July 1, at 8:30 a.m., it will lead the Caravan to Tecumseh, Ontario, Canada.

An exact replica of the famous original Liberty Bell, true even to the tone—is coming to town as a reminder of the independence we Americans enjoy.

This is one of 49 such symbols of Liberty now participating in the "Tour of the Bells." The tour will cover every state in the Union and the District of Columbia to keynote the 1950 Savings Bond Independence Drive.

These historic bells are mounted on specially decorated Ford Series F-5 Trucks supplied by the Ford Motor Company.

We cordially invite you to inspect this interesting Liberty Bell exhibit, and urge you to support this year's Savings Bond Drive. Save for your independence—buy U. S. Savings Bonds.

To Make Trip To Canada With Caravan, Saturday

The Musical Madcaps, billed nation-wide as "America's Wackiest Band," will make the trip to Tecumseh, Ontario, Saturday with the caravan from this village when 1,500 or more local folk return the Canadian's friendship visit of last July 4th. The Madcaps will spend the day in Ontario. The Chamber of Commerce also has hired the group to furnish fun a d music here for the Fourth of July Homecoming Celebration. The Madcaps will play during the day here on the Fourth and also at Recreation Center in the evening, just before the display of $1,000 worth of fireworks.

Canada Caravan Leaves, Saturday

1,500 EXPECTED TO MAKE THE TRIP; LIBERTY BELL LEADS PROCESSION

Everybody's going to Canada.

That, in four words, is the way Ronald Harris, secretary of the Chamber of Commerce, summed up last minute preparations for the return visit of Tecumseh, Michigan, folk to Tecumseh, Ontario, Saturday morning at 8:30

e caravan will form on Chicago Boulevard, east of Evans street. It will move promptly at 8:30 a.m., with a state police escort to Clinton, then on US-112 to Detroit where a city police escort will take the procession immediately to Ambassador Bridge and into Canada. In the Dominion, Canadian police will act as an escort through Windsor and on to Tecumseh.

"We remember," Mr. Harris said, "that a year ago, on our 125th anniversary, about 1,300 from Tecumseh, Ont., visited us. This year, we believe, about 1,500 or more will return the visit. It is a fine spirit of international friendship, and one that can be perpetuated."

By special arrangement, Michigan's replica of the Liberty Bell will lead the procession. The bell, cast in the Swiss Alps, will arrive here tomorrow afternoon and at 3:30 will be at the main gate of Tecumseh Products Co. Later in the afternoon and in the evening, it will be on the downtown streets.

Tentatively, this is how the caravan, with its seven or eight chartered busses, will line up:

The Liberty Bell will lead the procession, and immediately behind the bell will be an honor guard, formed by the Veterans of Foreign Wars in their new uniforms.

Official cars carrying the mayor, members of the council, Chamber of Commerce officials and committee members will follow. Next will be members of the American Legion Auxiliary and the VFW Auxiliary in their uniforms for the parade in Canada. The 40 & 8 box cars from Lenawee county and Jackson county will follow these along with the Britton "Long Rifles" in their frontier costumes. The Tecumseh Products float will come next, followed by the bus carrying the Tecumseh high school band. Then the chartered busses will take their place and a huge line of private cars will follow. Crawford's Musical Madcaps who are to furnish entertainment in Canada will join the caravan at the Ambassador Bridge.

There will be brief ceremonies at the bridge and then Ontario Provincial police will take over the guidance of the caravan. It will move to the town limits of Tecumseh where it will be met by Mayor Tom Scott of the sister city. There will be another brief ceremony at the Veterans' Memorial and then the parade will be organized.

With music and color the parade will move to Memorial Park and the day's activities will be well under way, not to stop until after the fireworks at the end of what is expected to be one of the great days in the history of the two towns.

July 4th Program To Go On The Air, Friday

Tecumseh's Fourth of July Homecoming Celebration will go on the air from WPAG, Ann Arbor, at 10:45 a.m., Friday, June 30.

A complete summary of the program and an invitation to the public generally to attend was taperecorded here Tuesday afternoon when Howard Heath, farm director, and Ted Turner, sales manager of the station, visited Tecumseh. The recording was made from Schneider Bros. Garage, Inc.

Those who will be heard on the air Friday, and who will tell about the homecoming are Louis Schneider, general chairman, the Rev. B. O. Bashore, chairman of publicity, Ron Harris, secretary of the Chamber of Commerce, and Earl L. Wickwire, editor of The Herald.

Persons or organizations wishing to make arrangements for the following events for the Fourth of July are to see these chairmen: Kiddie and Pet Parade, Youth contests, Elven Duval; Bicycle events, W. D. Hite; Patriotic parade, Louis Schneider; concessions, Yale Kerby.

Mrs. Joan Lott Hesse, 23, Buried Here, Wednesday

Mrs. Joan Lott Hesse, 23, of Lansing, died suddenly Sunday at 3 a.m., in St. Lawrence hospital. Funeral services were conducted Wednesday from the Collins Funeral Home, with the Rev. D. C. Wilson officiating, assisted by the Rev. Alvin C. Brazee. Burial was in Brookside cemetery.

Born October 22, 1926, in Detroit, Mrs. Hesse was the daughter of Mr. and Mrs. John R. Lott of Tecumseh. She was a member of the Tecumseh Presbyterian church and graduated from Tecumseh high school in 1944. She received her A. B. degree in 1948 from Alma College and was married to Mr. Hesse in September 1948.

Surviving besides her husband, are a son, John Alvin, aged one year; her parents, a brother, David, and her grandmother, Mrs. D. W. Beck, all at home. Her grandfather, David W. Beck, preceded her in death September 1949.

$100 FIRE DAMAGE

Local firemen answered a call Friday at 10:30 a.m., to the home of G. J. Waldron, 300 S. Outer Drive, Herrick Park, when parafin heating on the stove boiled over and caught fire. Damage to the kitchen was estimated at $100.

The fire department has made several practice runs in the evenings in preparation for the July 4th celebration.

FALLS INTO TRENCH

Robert Runk, jr., aged 3, of 115 N. Maumee street, was rescued Sunday morning from a gas main trench near his home, where he had fallen face-down. The trench was partly filled with water. Screams of children at play brought immediate aid to his rescue. Police said that in the future, all gas main trenches will be refilled as quickly as they are dug and the pipe can be laid.

ANNUAL SCHOOL MEETING

The annual school meeting of Tecumseh district No. 5 (Waldron district) will be held July 10 at 8 p.m., at the residence of Mr. and Mrs. Wilfred Waldron. Following the business meeting a social evening will be held. Bring either cake or wafers. Adv. Jy6

My office will be closed until Thursday, July 6.

Swim Program Very Popular

176 ALREADY HAVE ENROLLED FOR COURSE; REGISTRATION STILL OPEN

Some 176 youngsters have enrolled for swimming and life saving instruction being offered by the Recreation council at Lake Tecumseh. Registrations are still being taken and the number is expected to rise considerably, judging from former years.

The swim program is by far the most popular phase of the summer program. Forty-five minute to one hour classes are offered daily and the instructors, Dorothy and Louise Bowen have announced the following schedule: Monday, Wednesday, Friday, 9 to 10 a.m., junior and senior life saving; 10 to 10:45 a.m., beginners; 10:45 to 11:30 a.m., beginners; 11:30 to 12:15 p.m., beginners, Tuesday, Thursday, 9 to 10, swimmers; 10 to 11, intermediates; 11 to 12, advanced beginners.

Any child 12 years or older may enroll in the junior life saving course and those 16 years or older may take senior life saving. Adult swimming classes have not been formed but anyone interested is asked to contact the instructors.

In the city league softball games, Monday night, Britton shellacked Tipton 25 to five, and the Jokers defeated FFA by a score of 23 to 16. The next games will be played Monday evening, July 10, when VFW will meet FFA and Tipton will take on the Jokers. All city league games are played at the Recreation field.

Drives Alone on Learner's Permit; Gets Jail Term

Fred LaFay, Flint, drew a two-day jail sentence, a fine of $5 and costs of $8.60 when he appeared before Justice Robert French here on Saturday, charged with operating a motor vehicle after his license to drive had been rejected by the state.

Police said that the reason LaFay's application was rejected was because he was found operating a car alone, at a time when he held only a learner's permit. Such a permit requires the presence of a fully licensed driver in the car with the learner.

Police pointed out that the two-day jail term is mandatory. Under the law, the justice must impose a sentence of not less than two days or more than 90 days.

BURIED IN BROOKSIDE

Funeral services for John W. Mull, who died June 21, were held Friday afternoon from the Collins Funeral Home, with the Rev. B. O. Bashore officiating. Burial was made in Brookside cemetery, where a service was conducted by the Odd Fellows and Rebekahs at the grave. The bearers were Ed Furgason, Ernest Topps, George Kopke, Leslie Becker, Austin Jeffers, and M. W. Mathews. Friends and relatives attended from Adrian, Ypsilanti, Wamplers Lake, Sylvania, Blissfield, Clinton, Toledo, Ridgeway, Tipton, and Tecumseh.

Frank Hendershott, 85, Is Buried at Macon

Frank Hendershott of Macon, aged 85 years, died Friday, June 23, at the Tirb convalescent home north of Clinton. Funeral services, in charge of the Green Funeral Home, were held at the Macon Methodist church, Monday at 2 p.m. The Rev. Edward Escolme, pastor of the Tecumseh Friends church, officiated and burial was in Macon cemetery.

The bearers were Russell Van-Valkenburg of Macon, Cecil Van-Valkenburg of Belleville, and Herbert Sackett, Avelt Klabunda, John Aten and George Wisner, all of Clinton. Friends and relatives attended from Clinton, Macon, Tecumseh, Belleville and Britton.

Born in Macon township, Mr. Hendershott was preceded in death by two sisters, Clara Hendershott and Ida VanValkenburg. He is survived by nieces and nephews.

2 Dead, 4 Hurt In Auto Mishap

WALDRON'S HILL, WEST OF TECUMSEH, IS SCENE OF ANOTHER ACCIDENT

Two men were killed and four others were hurt, none of them seriously, in a series of accidents in the Tecumseh area and the county.

Harrison E. DuBois, 32, Brooklyn, and Morris Scaggs, 38, Jackson, died instantly on Friday at 4:45 p.m., when the car in which they were riding was crushed by a heavy cement trailer, between Brooklyn and Cement City. The unloaded trailer is believed to have hit a bump in the road, causing the king pin to release. It was the second trailer connected to a tractor. The heavy vehicle crashed into the passenger car. The trailer outfit was owned by L. J. Beal, Brooklyn, and was operated by Howard Danbeck, 20, of Brooklyn.

Clarence Speller, 41, Tecumseh, suffered bruises and cuts at 11:45 a.m., Saturday, when the vehicle he was driving went out of control on Waldron's Hill, just west of Tecumseh, and overturned in a field on the south side of the highway. Speller was taken to Herrick Memorial Hospital where, after treatment, he was released. State police issued a summons to him for driving his car at an excessive speed.

This was another accident in that area of the M-50-52 turnpike which the township has asked the state to establish as a speed zone. Recently, the state promised to survey the district, but as yet no action has been taken.

NEW YOUTH PROGRAM EXPLAINED TO ROTARY

The Tecumseh Rotary Club heard of that organization's new Youth for Understanding program, which may be adopted internationally, when the Rev. Harold Sullivan of Clinton, spoke to the group following dinner, Tuesday evening, at the Legion Home.

The Youth for Understanding program originated in Clinton. It has been approved by district Rotary and now will be explained nation-wide by Mr. Sullivan, who has resigned his church at Clinton to accomplish the work.

The program calls for an exchange of students from foreign countries with the U.S. The plan has the complete approval of the U.S. Department of State.

AIR SHOW, JULY 2

The Naval Air Station at Grosse Isle is celebrating its 25th anniversary with open house, Sunday, July 2, from 12 noon to 5 p.m. Among the attractions will be a 100-plane air show.

Steel Beam Hits Wire; One Killed

ACCIDENT AT PRODUCTS FACTORY, FRIDAY, CAUSES 2-HOUR WORK STOPPAGE

One worker was killed and two others were burned, Friday at 11:45 a.m., when a steel I-beam, being moved into position by a crane, came in contact with a high voltage wire at the Tecumseh Products Company's plant. All of the accident victims were employees of the Thomas Construction Co., Toledo, sub-contractors under the Bender Construction Co.; also of Toledo, at work at the local factory on a building expansion program.

The dead man was Delbert E. Hart, 38, Toledo. Injured were Steve Ferber, 33, and Orla Bloomfield, 57, both of Toledo. The latter two men were treated at Herrick Memorial Hospital for third degree burns to their hands and feet and later were removed to St. Vincent's hospital, Toledo.

Mr. Hart also was removed to the hospital where doctors and nurses worked for more than two hours in an effort to revive him. He was pronounced dead at 2:20 in the afternoon.

The accident happened as a steel I-beam was being transported into position by a heavy crane, operated by Robert G. Ladlux, 33, also of Toledo. Hart was at one end of the beam, attempting to steer it, when it accidentally came in contact with the wire which carried 7,200 volts of electricity. All three of the workmen were knocked to the ground.

The high voltage wire burned in two when it was struck by the beam and immediately interrupted the operation of the entire Products plant. Transformers and switchboards, too, were burned out. It was necessary to shut down the plant for about two hours until repairs could be made, but normal operation was resumed at about 3:30 in the afternoon.

Hart's body was taken to the Collins Funeral Home and later was removed to Toledo. Surviving him are his wife and two small children.

School Voters To Go To Polls

ANNUAL DISTRICT ELECTION, JULY 10; TWO CANDIDATES QUALIFY

The annual election of the Tecumseh school district, to name two members of the board of education, will be held at the new high school on Monday, July 10, names will appear on the ballot. Qualifying petitions, carrying the needed signatures, were filed with the district a week ago.

Under Michigan law, school district voters must register, and the registration books are now open in the office of Earl H. Place, superintendent. Any resident of the district may register at Mr. Place's office until 8 p.m., on Saturday, July 1. To be eligible to register you must be 21 years of age, have lived in the state for six months and in the district for 20 days.

Immediately following the election on July 10, the annual meeting of the district will be held, also in the high school. At that time the result of the election will be announced and the several reports of the board of education will be made.

"Voters should remember," Mr. Place said, "that the public schools in Tecumseh belong to the people. Every eligible voter should take an interest in the election and vote and attend the annual meeting."

First Class Postoffice Here On July First

On Saturday, the Tecumseh Postoffice becomes a first class office, F. E. N. Thatcher, acting postmaster, said today. At that time, the hours at the office will be as follows: Daily from 8:30 a.m., to 5:30 p.m., and on Saturdays, 8:30 to 12:30.

The local office was made a first class office when receipts exceeded $40,000 annually. Mr. Thatcher said that this year's receipts will exceed that amount by about one-third.

The office still is short of carriers on village routes, and changes soon may be made that will give residents in Tecumseh Acres subdivision rural box service, instead of corner box service, as is now the case.

Displaced Family To Sail Soon For Home In Tecumseh

Mr. and Mrs. Petar Michajlenko and three children, the displaced persons family being sponsored by the Presbyterian church, are at their port in Europe and will arrive in the United States in about four weeks, according to word received by the Rev. Donald C. Wilson.

The Greek Orthodox family comes from the Ukraine, and Mr. Michajlenko is an electrician by trade. He was raised on a farm, and in this country will be at home on the Jens Touborg farm east of Britton. The family consists of the father, Petar, who is 42 years old, his wife, Eufrosinia, who is 36, and their children, Oleg, 11, Wera, eight, and Alla, two.

Phone Hearing Gets Under Way

STATE COMMISSION HEARS "COMPLAINTS BY THOUSANDS" AGAINST COMPANY

"There is no doubt but that the Public Service Commission was impressed by the hundreds and hundreds of complaints from the communities that are served by the Michigan Associated Telephone Company regarding the company's poor service, both local and on toll lines," James C. Beardsley, Tecumseh village attorney, said Tuesday upon his return from Lansing. Mr. Beardsley had attended the opening day's hearing before the Commission on Monday, at which the company is seeking a sharp increase in phone rental rates.

Mr. Beardsley estimated that some 30 communities were represented at the hearing and petitions bearing thousands of names were presented in opposition to increased rates. Locally the village council by resolution, went on record in opposition to any increase. He also had with him a similar resolution from Blissfield, and opposing petitions from both communities.

The crowd at the hearing, Beardsley said, was so large that it was necessary to adjourn from the commission offices to the House of Representatives. Considerable testimony was taken. The commission, after opening the hearing, heard the complaints first, to permit the scores who were there to return to their homes.

Beardsley said that the hearing probably would end today, with the company completing its argument for an increase. The commission then will take the matter under advisement, and a decision will be rendered later.

For Some People Its Double Trouble

FACES JUSTICE SECOND TIME, BEFORE SERVING FIRST OFFENSE SENTENCE

Trouble, for some folk, comes in bunches, like bananas.

Jeffory Goodman, 107½ South Maiden Lane, was arrested on Friday on complaint of his wife, Barbara, charged with assault and battery. In Justice Robert French's court he pleaded guilty and was sentenced to pay costs of $8.60 and to spend 30 days in the county jail. However, the justice suspended 28 days of the sentence and ordered Goodman to stay in jail this week Saturday and Sunday, July 1 and 2.

Last Saturday, Goodman was again arrested by police, this time charged with drunk driving. Appearing again before Justice French on Monday, the defendant, through his attorney, Richard Roe, entered a plea of not guilty. He was released in the custody of his lawyer, awaiting a trial date.

But trial or no trial, Justice French ruled that Goodman must spend the coming weekend in the county jail, as he ordered, to atone for the assault and battery offense.

FISH HOOKS REMOVED

Two persons went to Herrick Memorial Hospital on Sunday to have fish hooks removed. William Thiede, Dearborn, fishing at Sand Lake, accidentally caught a hook in the back of his head. Stephen Mansfield, 6, son of Frank Mansfield, Adrian, caught a hook in one of his fingers. Both patients were released from the hospital after treatment.

BURNED BY ELECTRICITY

Halsey Eggleston, proprietor of Campbells Cleaners, suffered burns to both his arms, Friday, when, while doing repair work at the cleaning shop, he came in contact with live electrical wires. He was treated at Herrick Memorial Hospital and released.

July 4 Program Is Fun-Packed

HOMECOMING ON THIRD AND FOURTH TO END WITH $1,000 FIREWORKS DISPLAY

Fun-packed days from beginning to end, the display of more than $1,000 in fireworks at 9:15 on the evening of the Fourth of July will bring Tecumseh's 125th annual Homecoming Celebration to a conclusion, next Tuesday.

"Tecumseh has, over the years, built an enviable reputation for sports days and gala events but, beyond a doubt, the program that is being arranged here this year for July 3 and 4 will outshine them all," Ronald Harris, Chamber of Commerce secretary declared. "As each day progresses, the events under the chairmanship of Louis Schneider build larger, and certainly there will be no idle time for anyone during the celebration."

The Homecoming will get under way on Monday, July 3, when the W. G. Wade shows will set up their attractions on Chicago boulevard in the downtown district. We are happy to bring the Wade shows to Tecumseh," Mr. Schneider said, "because we feel that they offer genuine entertainment."

Monday evening there will be a top-notch wrestling program at Recreation Center. The matches on two weeks ago proved very popular and the card for the night of the third is even more outstanding. Gentleman Jim Doby will wrestle Ted Perva in the first contest, while Bert Rubi will take on the Sheik of Araby in the second. Following this, the winners will engage the losers in an Australian tag team match, two out of three falls.

On the morning of the Fourth the events will start out with the annual 4-H district plowing contest. This event will be staged on Ford land at Rogers Highway and M-50, east of Tecumseh. Fay Whelan has charge of this attraction which is expected to include 20 tractors and drivers.

Also in the morning will be the kiddie and pet parade, always a popular attraction. Other events for youngsters will be a sack, three-legged, potato and other

Plowing Test Here, July 4th

STATE CHAMPION IN 4-H MEET IS EXPECTED TO PARTICIPATE IN EVENT

The 4-H Club's plowing champion of Michigan, a Tecumseh lad, and the third place winner in the state's plowing contest are expected to participate in the annual plowing contest to be staged here on July 4, it was announced today.

The state champion, victor in last fall's meet, is Fred Long, who lives east of Tecumseh. The third place winner is Fred Feight, who lives southwest of Tecumseh.

The 4-H Club contest, to be staged here on the Fourth, will take place on Ford property at the corner of Rogers Highway and M-50. This is the fourth year that such an event has been held here, and it is expected that nearly 20 boys will take part. Judging will be by county agents, officials from Michigan State College, and farmers. The boys will be scored on quality of workmanship, safety and other factors. Each will plow about an acre of ground.

To participate in the event here, the boys must have taken part in the 4-H Club's implement schools, sponsored last winter throughout the county by agricultural dealers. About 85 boys were enrolled, 58 of the number from this vicinity. In next Tuesday's event, it was said, boys from all over Lenawee will take part.

There's A Reason Why This Girl Dislikes Noise

A little harmless fun, perhaps, is all right, but for Brynn Elaine Packard, daughter of Mr. and Mrs. Francis Packard, 511 So. Evans street, she wishes the boys would find some other place to shoot firecrackers than near her home. And that goes for her parents, too.

It seems that the two-and-a-half year old girl is suffering from ear ailment. A loud noise causes her to suffer terrific pain. Recently, as a result of firecrackers, she has suffered considerable.

Police again warned that the shooting of firecrackers inside the corporation will not be tolerated. Chief Clark has instructed officers to deal severely with offenders.

Courteous Folk — Discourteous Drivers

We know some very courteous people, men who would not think of sitting when a lady enters the room, and women who would read Emily Post to their husbands if ever they made such a social error, who are entirely different personalities once they are behind the wheel of an automobile.

If you doubt the statement, take 10 or 15 minutes of your time most any afternoon and stand at the corner of Chicago Boulevard and Evans Street, and watch the cars as they cross the intersection or attempt to make a left or a right turn. If you don't agree with us after you have made your observation, then we'll humbly apologize.

Supposedly, when the light is green on Chicago Boulevard for east and west traffic, and the red light is against traffic on Evans Street, pedestrians crossing Evans Street, east and west on Chicago Boulevard, have the right of way. They are moving with traffic, and motorists desiring to make left or right turns must wait for pedestrians to cross BEFORE they make the turn. It is not up to the pedestrian to look out for the cars, it is up to the drivers to look out for the pedestrian.

But our advice is not to walk blindly across the street under such a condition—that is, if you value your life. You might meet some of these "courteous folk" who have just been reading or listening to Mrs. Post's good-manners stories, and wind up in the hospital. They refuse to give the pedestrian a break. Motorists come first.

We mention the Chicago-Evans intersection because it is the busiest corner in Tecumseh, and the only one with a traffic light. A few years ago, when traffic was 50 per cent less, and when Tecumseh was half its present population, the danger, of course, was far less. But today, it's a different story. Tecumseh is the fastest-growing town in all of Lenawee county, and its downtown traffic count is easily three times as great as it was 10 years ago. But we're still attempting to control our traffic by the same old method—we're still a one-traffic-light-town—and we always will be until local government DEMANDS from the State Highway Department and the State Police additional stop-and-go lights.

And many of these "courteous-at-home" drivers, who are not courteous when they get behind a steering wheel, will continue to give pedestrians a bad time as long as nothing is done by local authorities to end the nuisance. A few traffic warning tickets probably would put a stop to such recklessness, which, on the part of many, is thoughtlessness.

Pedestrians and motorists, too, will tell you that there are many other intersections here that are just as dangerous as the one we've mentioned. The Pearl Street-Boulevard corner is highly congested at certain periods of the day. We clocked a driver the other day who waited for seven minutes to get into Boulevard traffic off Pearl Street. The Logan-Evans crossing is another one that needs a traffic signal, as does the Boulevard and Ottawa, and, perhaps, the Boulevard and Maumee Street.

It is unfortunate that the Council, by resolution, can't order these lights into operation. But it is not that easy. It is necessary, first, to obtain permission from the state because all of the intersections are on state highways.

Two years ago, we understand, the state refused Tecumseh additional traffic lights. We are told that a new appeal is to be made, and a traffic count taken.

Perhaps the boys in Lansing know more about our traffic problems than we do, but we doubt it.

We realize that our government is parternalistic, but here in Tecumseh we like to be individualistic.

Marilyn J. Malady Weds Jas. C. Campbell

St. Elizabeth Catholic church was the scene of a wedding, Saturday morning, June 24, which united in marriage Marilyn J. Malady, daughter of Mr. and Mrs. Maurice Malady, and James C. Campbell, Jr., son of Mr. and Mrs. James C. Campbell of Clinton.

Orchid gladioli and white delphiniums graced the side altar, at which the Rev. Fr. Michael Collins performed the double ring ceremony, at 11 o'clock.

The bride's sister and husband, Donna Jean and John Krzyzaniak, Norman Campbell and Lenore McKenzie, were the couple's attendants. The bride was attractive wearing a white suit with white accessories. Her corsage was a white orchid surrounded by white carnations.

Mrs. Krzyzaniak and Miss McKenzie wore yellow and aqua suits, respectively, and both had white accessories and corsages of Talisman roses.

After the ceremony a dinner for the immediate families was held at the home of the bride's parents. Fr Collins was also a guest.

The bride graduated from Tecumseh high school with the class of 1948 and has since been employed at Bancroft Cleaners. The groom graduated from Clinton high school in 1944, served two and one-half years with the U.S. Marines, and is employed by the Tecumseh Products Co. Upon their return from a trip through Northern Michigan, the couple will reside in Tecumseh.

From where I sit ... by Joe Marsh

Maybe This'll Wake Us Up!

Because a couple of thoughtless drivers threw a newspaper out of their car yesterday, Miss Gilbert, our school principal, nearly had a bad accident.

She was following them on the highway and the paper flattened over her windshield, so she couldn't see. In a minute her little coupe was across the line—right in the path of an oncoming trailer-truck. It missed ... but only just!

The parties were recognized and soon as I heard about it I ran over to Sheriff Harper—*demanded* they be brought up on charges. But Harper says: "Hold on, Joe. Let's talk this out, over supper and a glass of beer at Andy's."

He pointed out that those men aren't criminals. Just careless, like a lot of us seem to be getting these days, judging from the trash you see along roadsides. From where I sit, this near accident may be the lesson we need to make us stop littering our roads—and start showing a little tolerant consideration for our neighbors!

Butter

"YES, BUTTER DOES IT"

So said our friend when being complimented on his famous Sunday night scrambled eggs.

"Of course, one must have fresh eggs, some cream, mix them carefully and cook slowly, but when all's said and done, you simply must use a goodly amount of butter.

"It's butter that provides the delicious flavor which makes us pass our plates for another helping."

Lockjaw Is Preventable, Health Dept. Advises

This is the time of year when you are most likely to get lockjaw, the Michigan Department of Health said today in urging broader immunization against the disease.

Almost as many Michigan people die from lockjaw each year as die from diphtheria, but, like diphtheria, the disease is preventable, the department said.

Tetanus (lockjaw) is caused by a germ which commonly lives in the bowels of horses and other animals. The germ is found where ever manure is found—in barnyards, stables, fields, bridle paths, gardens, lawns, streets or parks—or it may be carried on dust for considerable distances, the department said.

A human being gets tetanus only when the tetanus germs get into a puncture, cut or scraping wound which is then closed to the air.

The tiny cut, scratch, blister or puncture which may go unnoticed in a child's play can result in tetanus. A minor bicycle or automobile accident injury can also result in tetanus. Recent cases reported include a youth who walked into a pitchfork, and children who played on a beach which was also used for a bridle path. Not many people get tetanus, but four out of five of those who actually get the disease die of it.

The Michigan Department of Health recommends that all children be immunized against tetanus when they are between six and nine months of age and that they be given booster shots at age three; and at age five, and every five years thereafter, as well as at the time of a known injury. The department also especially recommends immunization for vacationists who will be around horses, for farm workers, for hostlers, and for industrial workers who are in danger of injury.

When a person gets a puncture wound, he should go at once to his physician, whether or not he has been immunized, the department said. If he has been immunized, he needs a booster shot. If he has not been immunized, his physician can give him tetanus antitoxin to prevent development of the disease.

The Michigan Department of Health makes and distributes both tetanus toxoid and tetanus antitoxin free of charge to physicians in the state to protect against the deadly lockjaw which once took many Michigan lives.

Forgers' Habits Helping Police

OFFICERS NOW ARE ABLE TO TRACE CHECK WRITERS MUCH MORE EASILY

Habits of the bad check artist are being put to good use by the Michigan State Police.

The department has devised a fraudulent check classification system based on check writing characteristics which is similar in construction to fingerprint classifications.

Nearly a year ago the system was set up on a trial basis by the fraudulent check file section of the State Police special investigation bureau at East Lansing Headquarters. During this time its practicability was studied and certain revisions made. At the present time nearly 400 fraudulent checks are classified under the system.

Detective Fred C. Kelly, who is in charge of the fraudulent check file, explained that each fraudulent check received is classified into a readable formula based on a number of different check writnig characteristics, such as the manner in which the date and amount are written. This procedure eliminates the need for comparing each individual fraudulent check with the hundreds of specimens contained in the general file. Searches are confined to a relatively few specimens that fall into a specific lassification.

The system is uniform enough in construction, Kelly said, that a cood description for identification purposes can be given over the phone.

In addition to actual writing characteristics the system uses such information as sex and color of the passer. This information is usually obtained from the persons who accept the bad checks.

According to Captain Edward E Cooper, commander of the State Police special investigation bureau, fraudulent check passers throughout the nation swindle the public out of about $400,000,000 each year. The main tools of the trade are a fountain pen and a glib tongue.

The new classification system, Cooper said, has enormous possibilities and many police agencies throughout the state and the nation have made inquiries regarding it The Lansing city police department has already adopted the system and set up its own files.

The State Police point out that classifying check writing characteristics does not replace a fraudulent check examiner's memory. Examiners can often recognize certain peculiarities of a bad check and associate them with known bad check passers immediately without further detailed analysis.

Neither does the system replace or climinate the need for information from persons who accept checks that turn out to be fraudulent. When cashing checks for strangers it is always advisable to take down serial numbers of operator's licenses or social security cards, license numbers of automobiles and other information. This should be written on the back of the check.

Thumbprints on the back of a check to supplement the signature of the endorser are ideal, but to be of any value for identification they must be taken properly. Bad check passers, however, ordinarily steer clear of any establishment requiring such prints.

However, the writer of bogus checks has certain habits which in the past he has capitalized on—now the Michigan State Police are making good use of them too.

Forty-five members of the Osgood family were present Sunday, June 25, at the annual family reunion which was held at the Harry Osgood cottage at Wamplers Lake. Following the potluck dinner, which was served at one long table on the screened-in porch, George Osgood of St. Johns, Mich., the president, took over, and after a report of the last meeting which was read and approved, he called on C. H. Osgood of Saline who gave an interesting talk on Korea and showed many pictures from that interesting land. Mr. Osgood's daughter is in the employment of the U.S. government there.

New officers elected were: Will Morgan of Plymouth, president; Jack Harrison of Clinton, vice president; Mrs. Will Morgan, secretary-treasurer.

Relatives were present from St. Johns, Toledo, Fayette, Ohio, Grosse Pointe, Royal Oak, Plymouth, Lansing, Adrian, Saline, Clinton, Tecumseh, Ridgeway, and the pioneer township of Macon to which the Osgood family moved from near Lodi, New York state, in the early 1830's.

Miss Marian Hastings Is Bride of Dale Couts

Saturday evening at the Tecumseh Friends Church, the Rev. Edward Escolme united in marriage Miss Marian Aileen Hastings and Dale Couts, both of Marion, Indiana. The bride is formerly of Tecumseh. The single ring service was read at 7:30 o'clock.

Mrs. Amos Wilson played a program of nuptial music as the guests were seated by Ernest Hastings of Adrian and Marvin Johnson of Clinton. Mrs. Loren Kuhn sang "O Promise Me," "I Love You Truly," and "To A Wild Rose."

Given in marriage by her brother, William G. Hastings of Adrian, the bride wore a gown of white slipper satin and carried a white Bible and a gardenia.

Mrs. Wayne Spangler of Canton, Ohio, was matron of honor, and the bridesmaids were Miss Dorletta Walters of Ypsilanti and Miss Pauline Leofler of Marion. Linda Ann Myers of Adrian was flower girl; Ronald Johnson of Clinton, ring bearer; Gail Myers of Adrian and Cynthia Hastings of Onsted, train bearers. Wayne Spangler was best man.

A reception was held in the church basement following the ceremony. Guests were registered from Fort Wayne and Marion, Ind., Canton, Ohio, Adrian, Onsted, Manitou Beach, Clinton, Bridgewater, Macon and Tecumseh.

The daughter of Mrs. Warren Himes, the bride graduated from Tecumseh high school and Cleveland Bible College, Cleveland, Ohio. She is employed in the Marion General hospital in Marion, Ind. Mr. Couts is a graduate of Marion high school and is employed as a typewriter repairman. His father is Ora H. Couts. The couple will reside at 3016 South Gallatin St., Marion.

2 Dead, 4 Hurt

(Continued from page 1)

Harry Fergason, 17, and Charles Raymond, 18, both of Tecumseh, Rt. 1, and Jerry Henry, 18, Tecumseh, were given first aid at Herrick Memorial Hospital at 5 a.m., last Saturday, and then released. State police say that the youths were hurt in an accident in Franklin township, west of Billington's Corners on Munger Road, when the car in which they were riding went out of control. The car was driven by Edward Furgason, 21, also of Tecumseh. He was given a summons for driving a car at an excessive speed. The accident happened at 3:25 a.m.

Cars owned by C. J. Ruffer, 26, and Robert Greenwald, 35, both of Toledo, were badly damaged about 4 o'clock Friday afternoon on M-50 at Ridgeway. State police, who investigated the accident, said that the Ruffer car, traveling west swerved out to miss a third vehicle that entered the traffic lane and hit the Greenwald car. No one was hurt.

Arch J. Sewell, manager of the Morenci Hotel, suffered cuts and bruises and a passenger in his truck, Bert DeLine, 76, a fractured right leg, the result of an accident on M-52, two miles north of Adrian at 12:45, Sunday morning. The mishap occurred when one wheel of the truck went off the highway and the vehicle went out of control and rolled over. Mr. DeLine was removed to Bixby Hospital, Adrian, and later transferred to Blanchard Hospital, Morenci.

K. D. Hall Is Elected Exchange President

Kenneth D. Hall was named president of the Tecumseh Exchange Club, when new officers were elected following the regular dinner meeting of that organization, Monday evening. Clarence Beach was elected vice president; Kenton Hunt, secretary, and Russell Garno, treasurer. Owen Partridge, Frank Rice and Wallace Whiting were named to the board of control for two years. The three other members of the board are Gordon Garlick, George McCombs and Archie Porter. Leon Williamson, past president, installed the officers.

Orval Minney was received as a new member. A. G. Leitch was a guest of George McCombs.

The annual picnic for members and their families will be held at the Recreation Center, Sunday, July 16, at 2 p.m.

Friends Bible School Demonstration, Friday

The Friends Church Vacation Bible School demonstration will be held Friday evening, June 30, at the church. There will be a program, exhibits of work, gifts for honor students, and attendance diplomas presented.

The two-week school has been in charge of Mrs. Loren Kuhn and Miss Elizabeth Escolme and the attendance averaged 100 children each day.

LOCALS AND PERSONALS

Shirlie Moore was the honor guest at a pre-nuptial shower given Thursday evening at the home of Mrs. H. R. Tazza and daughter, Jane. After dessert canasta was played by the 25 guests, and prizes won by the Misses Patricia Wilson, Marilyn VanWinkle, MarLou Gilman and Mrs. Robert D. Moore were presented to the bride-elect. Shirlie, whose marriage to Richard Fielder will be an event of July 29, was showered with kitchen gifts.

races, always favorites at sports days.

Other events will include a hog calling contest, a greased pig chase, a greased pole with $20 at the top, free acts, a free movie, a ball game, street dance, and many others.

The Tecumseh Fire Department will stage a water fight on West Chicago boulevard, and W. D. Hite is arranging a youth bicycle race. Leslie Becker is in charge of the greased pig event, Si Kring the free acts, Yale Kerby the carnival, Orval Wetzel the baseball game, John Truesdale the street dance and Forest Abner the free movie.

The second parade of the day, a large patriotic event, will take place about 2:30 in the afternoon. Three bands participate, and more than 40 horses and riders are already assured, as well as floats, etc.

Crawford's Musical Madcaps, one of America's wackiest bands, will be in Tecumseh all day on the Fourth.

The climax of the celebration will be the mammoth display of fireworks, more than $1,000 worth, donated by the Tecumseh Products Company. The fireworks company supplying the display, in appreciation for orders given in previous years, this year is adding extra items which, it is declared, will make Tecumseh's pyrotechnical display one of the largest in Michigan.

The fireworks display will take place about 9:15 on the evening of the Fourth. They will be discharged from Recreation Center by licensed operators.

Descendants of Ottawas Sought In This Area

An intensive campaign to discover persons with Ottawa Indian blood who are still living in the Maumee Valley was announced today by Dr. Randolph C. Downes, director of the Historical Society of Northwestern Ohio. The information is being collected in order to help the Ottawa Indians of Oklahoma who are presenting their claims for compensation to the government's Indian Claims Commission at Washington. The Ottawa Indians of Oklahoma, as well as all other American Indian tribes, are authorized by the Act of August 13, 1946 to bring their claims before the Indian Claims Commission for adjudication. It is necessary to obtain all facts capable of showing the long-time residence of the Ottawa in this part of the country.

Dr. Downes and his assistant, Robert F. Bauman of Toledo, have been engaged by the Cleveland law firm of Harrison, Thomas, Spangenberg and Hull to compile the information necessary to establish the Ottawa claim. The Harrison firm is counsel for the Ottawa tribe. In addition to canvassing the local Ottawa descendants, Dr. Downes and Mr. Bauman will study the records and archives in Detroit, Michigan and Ottawa, Canada. They will also take depositions from Ottawas now residing on Walpole Island in the province of Ontario.

All those who are, or know of, persons of Ottawa descent are urged to inform Dr. Downes at once by writing to him at the University of Toledo. The facts will be compiled and inquiries made in order to bring the information to the attention of the Oklahoma Ottawas and the Indian Claims Commission. Dr. Downes pointed out that this information is of the greatest importance in helping the Oklahoma Indians to find a better way of life. Any money awarded to them will either be used to endow schools or will be invested so as to enable these Indians to become self-sustaining.

Funeral Held Thursday For Mrs. E. E. DeLisle

Funeral services were conducted Thursday afternoon from the Niblack Funeral Home in Britton, for Mrs. Eva E. TECUMSEH to TECUMSEH NOTES

A very few tickets are left to fill the sixth bus for Saturday's trip. They will be sold on a first come, first served basis at the Chamber of Commerce.

* * * * *

Committees still are busy back and forth across the river. Don Nixon was in Tecumseh, Canada, last Saturday setting up the Quaker Oats Company's exhibit. Monday night from Canada came Bernard Dupont, with Wallace Baillargeon and his wife and sister, bringing several hundred of their souvenir programs. These programs are now on sale at the Chamber of Commerce, American Legion, V.F.W., and some of the stores in town for a quarter.

* * * * *

If you are driving on Saturday, come in to the Chamber of Commerce and get your windshield sticker. There are also ribbon badges as long as they last. These are all for the purpose of letting the Canadians and the customs authorities know who you are.

* * * * *

The June 21st issue of The North Essex News published in Belle River, Ontario, has a large number of ads by local merchants making a special welcome to the visitors from Tecumseh, Michigan.

* * * * *

Remember again—if you are driving your car to Canada, be sure you have your registration certificate with you. For nearly everyone that will be the only border formality.

* * * * *

Remember that the caravan is scheduled to leave Tecumseh at 8:30 in the morning. Don't wait until 8:30 to come downtown. To help get the caravan organized, you should be ready to go to an assigned space by eight o'clock, or before.

Proposed Sanitary Code For Lenawee Explained

This is the last of a series of four articles on the proposed sanitary code which is being sponsored by the Lenawee County Health Council.

QUESTION: What would the proposed Sanitary Ordinance for Lenawee County cost to enforce?

ANSWER: At the present it is believed that there would be no added cost to the enforcement of this code. It is felt that the present staff of the Health Department could assume this added duty. At present the Health Department is inspecting the water supply and sewage disposal systems for all homes on which FHA or VA loan is being made. It is felt that these would be a large part of the homes which would come under the code.

HOLLOWAY

Vallie—Henry

Miss Ann Frances Henry, daughter of Mr. and Mrs. George Henry, sr., and Richard David Vallie, son of Mr. and Mrs. Leonard Vallie of Britton were united in marriage Saturday at 11 a.m., at St. Joseph parish in Adrian by the Rev. Father Schneider, by a double ring ceremony.

The bride was very attractive in a silk brocaded organdy over yellow taffeta and was the new formal length. She wore two orchids pinned to her shoulder. She wore matching accessories with her costume. The maid of honor was Miss Bernice Moll of Holloway and she chose as her dress a blue waffle weave and wore yellow roses and matching accessories.

Melvin Henry, brother of the bride acted as best man for Mr. Vallie. Mrs. Henry chose for her daughter's wedding a dress of soft grey print and wore red rosettes.

Mrs. Ramage wore for her son's wedding a navy blue print and also wore red rosettes. Each mother wore matching accessories.

The wedding breakfast was served to 26 members of the immediate families at the home of the bride. The table was covered by a white linen cloth and was centered with the traditional wedding cake which was three-tiered and around the base were tiny red roses and candles at each side. The bride asked Mrs. Wallie Rojen, sister of the bridegroom and Mrs. John Thomas, aunt of the bridegroom, to cut the cake. Mrs. Lauren Goll was in charge of the guest book.

Mr. Vallie graduated from the Britton high school and served two years in the Army. He is now employed at the Tecumseh Products Company.

The bride graduated from Blissfield high school in 1948 and is employed in the office of the Nu-Way Stretch Co. in Adrian.

Mr. and Mrs. Richard Vallie are making their home with the bride's parents east of Holloway for the present.

A reception was held Saturday evening in the Palmyra Fireman's Hall for 200 guests. The guest book showed registrations from Pontiac, Farmington, Port Huron, Yale, Detroit, Milan, Britton, Toledo, Holloway, Tecumseh, Palmyra, Ida and Clayton.

A wedding trip is being planned later in the summer.

Mr. and Mrs. Al Payne and daughter Susan of LaGrange, Ill., are spending a few days with Mr. and Mrs. Lawrence Gallaway. Mr. and Mrs. Milo Bishop of Memphis, Tenn., are visiting this week with the Gallaway family.

Dr. and Mrs. George Lewis and children left Friday morning for DesMoines, Iowa, where he will intern for two years at the Mercy Hospital. Dr. Lewis is the son of Mr. and Mrs. Harvey Lewis.

Mrs. Jessie Armstrong of Cincinnati is visiting for a few days with Mr. and Mrs. Harvey Lewis.

The Holloway Presbyterian church held a short business meeting at the close of the morning worship hour and it was voted to start church services at 10 a.m., beginning Sunday morning.

Recent callers in the home of Mr. and Mrs. Will Gobba were Mrs. Margaret Goodnough of Seattle, Wash., Mrs. Walter Johnson and Mrs. Bessie Wright of Detroit and Hugh Kerr of Toledo.

Mr. and Mrs. Jack Marks entertained the Sewing Circle winners on Friday evening on their lawn. The losers furnished ice cream and cake to everyone present.

Matt Lunn and daughter Margaret Ann and son Jimmy and Mr. and Mrs. Gail Fisher of Tecumseh attended the Tiger ball game in Detroit, Sunday.

Max Gritzmaker has been home for the past 10 days from East Lansing and returned on Saturday. Sunday he left with a group from the college to attend the summer camp of the R.O.T.C. at Chanute Field, Rantoul, Ill.

Mr. and Mrs. S. J. Forsythe of Detroit spent the weekend with Mr. and Mrs. Clark Sinclair. Mr. and Mrs. Charles Brown and daughter Patricia of Collingswood, N. J., arrived on Friday and will leave for Detroit on Tuesday. Mrs. Minnie Lougher of Detroit is spending the week with the Sinclairs and will return to Detroit on Friday.

Mr. and Mrs. Paul Kopke will entertain the Volunteer Class of the Holloway Presbyterian church in their home on Wednesday evening. Mr. and Mrs. Bert Klappich will assist.

ONSTED

The North Rome Missionary Society held its third annual mother-daugter tea at the Grange Hall, Thursday afternoon. A program was presented and Mrs. T. J. Carpenter, jr., of Blissfield was the guest speaker. Tribute was paid to Mrs. Mable Brooks, who had been a member for 60 years.

The Misses Elaine Hawkins and Muriel McRoberts are at Michigan State College, East Lansing, attending Club Week, as delegates from the Lenawee county 4-H Clubs.

Recent guests of Mr. and Mrs. Charles Hendershott were Mr. and Mrs. William Dale of Grand Rapids.

Mrs. Robert F. Smith and son Craig sailed yesterday from San Francisco, Calif., for Okinawa, where Sgt. 1/C Smith is stationed.

Mrs. James Boydston of Wauseon and Mrs. Lloyd Kurtz will assist in the care of their mother, Mrs. William Newell, who entered St. Joseph hospital, last week.

A new village hall will be erected on Main Street just north of the Edward Kamke garage. Mr. Kamke purchased the present hall and has moved his family to the upstairs apartment.

Recent dinner guests of Mr. and Mrs. Charles Shultis were Mr. and Mrs. Ronald Russell and family of Adrian.

The Rev. Paul Holland has been assigned to the Woodside Avenue Methodist church at Bay City.
